“THE LOCAL GOVERNMENT ORDINANCE,
No. 11 of 1920.”

BY-LAWS made by the Beruwala Urban District Council under sections 164 and 168 of “The Local Government Ordinance, No. 11 of 1920,” and approved by the Local Government Board and confirmed by the Governor by virtue of the powers vested in him by section 164 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWA,
Minister for Local Administration.

Colombo, June 2, 1933.

By-laws referred to.

GENERAL BY-LAWS RELATING TO LICENCES.

Interpretation of Terms.

1. In these by-laws the following expressions shall have the meanings respectively assigned to them unless there be something repugnant in the subject or context:—

“The Council” means the Urban District Council of Beruwala.

“Chairman” means the Chairman of the Urban District Council of Beruwala.

“Licensee” means the person holding a licence issued by the Chairman authorizing the use of any premises or place for any special purpose mentioned in the licence in pursuance of the Local Government Ordinance or any by-law made thereunder.

“Licensed premises” means the whole of the premises or place in respect of which a licence has been issued by the Chairman.

“Licensed trade” means a trade for which a licence is necessary under the provisions of the Local Government Ordinance or any by-law made thereunder.

“Offensive or dangerous trade” means any one of the following trades:—

Manufacturing of manure, tanning, curing areca-nuts, boiling blood or offal, making or extracting fat, making soap, dyeing fibre, manufacturing or storing fibre, keeping a kraal for soaking coconut husks, storing Maldivian fish in quantity over 5 cwt., storing lime, hides, bones, artificial manure, materials for the manufacture of artificial manure in quantity over 1 gunny bag, manufacturing or storing copra, manufacturing coconut oil by mills or chekkus, manufacturing desiccated coconuts, manufacturing of bricks or tiles, burning lime, keeping a saw pit, curing or storing plumbago.

2. No person shall within the limits of the Council keep any bakery, eating-house, tea and coffee boutique, restaurant, hotel, butcher's stall, fish stall, gala, dairy, laundry, common lodging house, aerated water factory, ice factory, or public bathing place, or carry on in any place any dangerous or offensive trade without an annual licence from the Chairman, which licence the Chairman shall issue to all persons complying with the conditions provided for the issue of such licence. Every such licence shall remain in force until December 31 of the year in respect of which such licence is issued, unless such licence shall have been previously cancelled as provided in by-law No. 10 or 11.

3. No licence shall be transferable.

4. All notices in connection with the licensed premises or the licensed trade shall be deemed to be served upon the licensee when left with any person employed in the licensed premises or when affixed to such premises.

5. The licensee shall comply with the lawful requirements of any notice served on him by the Chairman within the time stated in such notice, or if no such time is stated in the notice then within seven days from the service of such notice.

6. Every licence shall be subject to such fee as the Council shall, subject to the approval of the Local Government Board and with the sanction of the Governor, impose.

7. It shall be lawful for the Chairman or any officer of the Council generally or specially authorized in writing thereto by the Chairman at all reasonable times to enter upon and inspect any licensed premises and to inspect any furniture, equipment, vehicle, or utensil, which is or appears to be used for the purpose of a licensed trade.

8. Every licensee shall during the period of licence keep his premises, furniture, and equipment in conformity with the conditions on which the licence was issued.

9. Any person committing a breach of any regulation for any licensed premises or carrying on, without a licence, any of the trades referred to in by-law No. 2 above shall be guilty of an offence and shall on conviction be liable to a fine not exceeding Rs. 50 (Rupees Fifty), and in the case of a continuing offence to an additional fine not exceeding Rs. 25 (Rupees Twenty-five) for every day during which the offence was committed after conviction or after written notice from the Chairman of such contravention.

10. On a second or subsequent conviction of a licensee by court for breach of any regulation relating to his licensed premises such licence shall be liable to cancellation by such court.

11. If at any time during the period for which a licence has been issued the licensed premises cease to conform to the conditions laid down for its issue, the Chairman may notice the licensee to do all things necessary to make the premises conform to such conditions, and if the licensee fails to comply with the requirements of the notice the Chairman may suspend or cancel the licence.

BAKERIES.

I.—*Conditions of Issue of Licence.*

No person shall be entitled to a licence to keep a bakery unless the premises to be licensed comply with the following conditions:—

1. (a) That the premises are in good repair and well ventilated and well lighted, and that every room is provided with windows capable of being opened, the area of which when open shall be not less than one-fifteenth of the superficial floor space.

(b) That the walls of every room in every part are not less than 7 feet in height, and are built of brick, stone, or cabook, with the inside thereof limeplastered and lime-washed.

(c) That all the eaves are at least 6 feet from the ground.

(d) That the roof is made of some permanent material.

(e) That all the woodwork is oil-painted or limewashed.

(f) That the floor is cemented throughout.

(g) That the premises are provided with adequate drainage.

2. (a) That the room in which kneading takes place has a superficial floor space of not less than 12 feet by 15 feet, and that the lower 4 feet of the internal surface of the walls is covered with glazed tiles or is plastered with cement.

(b) That there is a free external air space not less than 7 feet wide on at least two of the sides of the kneading room which contain doors or windows.

(c) That the door of the oven does not open directly into the kneading room.

(d) That every kneading room is provided with a ceiling which is either plastered and limewashed or made of closely fitting boards which are either limewashed or oil-painted.

3. (a) That the troughs, tables, and all the utensils used in the making of bread are capable of being moved about for the purpose of cleaning the floor and the walls.

(b) That the tops of the tables used in the making of bread are made of well seasoned closely fitting planks or of some non-harmful impervious material.

4. (a) That the bakery is provided with a sanitary dust bin, at least two spittoons, and with sufficient latrine accommodation.

(b) That the bakery is at least 50 feet distant from any latrine, cesspit, manure heap, or open sewer.

(c) That there is no cesspit, latrine, or ashpit within or directly communicating with the bakery.

II.—*Regulations for Licensed Bakeries.*

1. Every licensee of a bakery shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words “Licensed Bakery” legibly painted thereon in the English and vernacular languages.

2. Every licensee of a bakery shall cause a copy of these regulations in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in the licensed premises, and shall also cause a list of the names and addresses of all employees (including the vendors of bread) to be kept in the bakery so as to be available for inspection at all reasonable times by the Chairman or any person authorized by him.

3. Every licensee of a bakery shall cause the walls of every room forming part of the bakery to be limewashed twice a year in the months of June and December; the ceiling to be limewashed four times a year in the months of March, June, September, and December; the woodwork to be limewashed or, if oil-painted, to be washed with hot water and soap at least twice a year in the months of June and December, and at any other time if so ordered by the Chairman in writing.

4. Every licensee of a bakery shall cause the floor and the tiled or cemented portions of the walls and the tops of the tables to be washed every day at such hour as shall be specified in the licence. He shall cause every part of the bakery, its surroundings, drains, furniture, utensils, and equipment used in the making of bread to be kept in good repair, clean, and free from effluvia arising from any drain, latrine, cesspit, or other nuisance on the licensed premises. He shall cause all trade and domestic refuse to be immediately placed in an impervious covered receptacle, which shall be removed from the bakery and cleared once a day. The receptacle shall always be kept covered except when refuse is being actually placed therein.

5. Every licensee of a bakery shall use for the manufacture of bread good and wholesome flour, water, and other materials. He shall store the flour on a movable platform constructed in the manner herein specified:—

The platform shall be of any convenient length and breadth, consisting of a single layer of stout planks supported on legs 3 feet high. The legs of the platform should not be permanently fixed in the floor. The edges of the planked top should stand out 9 inches away from the frame underneath, so as to prevent rats crawling up the legs and round the edge of the planked top. The platform shall be so constructed that there are no shelves or recesses under the planked top to provide harbour for rats. The platform should be a movable one, so that it may be lifted away from position and the floor underneath cleaned. It should be placed at least 9 inches away from the wall. He shall keep the space beneath and around the platform free from all obstructions.

6. Every licensee of a bakery shall provide a sanitary dust bin and at least two spittoons to be kept on the licensed premises. He shall keep the spittoons so as to be easily accessible to those engaged in the manufacture of bread, but shall not keep them in the kneading room.

7. Every licensee of a bakery shall keep the bakery free from rats and shall cause all rat holes to be filled up with broken glass and shall plaster them with cement as soon as found.

8. No person shall on any pretext whatsoever keep any animal or bird in a bakery.

9. No person shall spit within the bakery, except into a spittoon provided for the purpose.

10. (a) No person suffering from, or who has recently suffered from, any infectious, contagious, or loathsome disease, or has been recently in attendance on any person suffering from such disease, shall enter the licensed premises or take part in the manufacture or sale of any bread therein, or engage in the transport of any bread therefrom.

(b) No licensee of a bakery shall connive at or permit the contravention by any person of the provisions of the above regulation 10 (a).

11. No licensee of a bakery shall store or keep or allow to be stored or kept in the room where bread is prepared or stored, or in which the materials for making bread are stored, any furniture, clothes, sleeping mats, or any articles, other than those used in the manufacture of bread.

12. No licensee of a bakery shall use, or allow to be used, as a sleeping place any place on the same floor as the bakery or forming part of the same building, unless such place is effectually separated from the places where bread is prepared or stored or in which the materials thereof are stored by a partition extending from the floor to the ceiling, and unless such sleeping place is provided with an external window, the area of which when open shall be not less than one-fifteenth of the superficial floor space.

13. All persons employed in the preparation and making of bread shall wash their hands before engaging in the process of making bread, and shall wear clean white aprons covering the chest and body and a clean white cap or turban.

14. Every licensee of a bakery shall provide clean water, clean towels, nail brush, and soap, and keep them so as to be easily accessible to those engaged in the manufacture of bread.

15. Every licensee of a bakery shall provide the licensed premises with an ample supply of potable water.

16. No licensee of a bakery shall expose, or cause to be exposed, for sale in the licensed premises any bread unless such bread is kept in clean properly constructed glass cases free from flies, dust, and vermin.

17. Every licensee of a bakery shall cause all bread, except fancy bread, rolls, biscuits, or confectionery, to be stamped with figures denoting one or other of the following weights, viz.:—

$\frac{1}{4}$ lb., $\frac{1}{2}$ lb., 1 lb., 2 lb., or 4 lb.

He shall not sell or expose for sale any bread, except fancy bread, rolls, biscuits, or confectionery, which shall

not have one of the aforesaid weights stamped on it or which shall be found to weigh less than the weight stamped thereon.

18. Every licensee of a bakery shall cause to be fixed in a conspicuous place in the licensed premises a beam and scales with standard weights, and if required by any purchaser shall weigh any bread sold or exposed for sale in the said premises.

19. No licensee of a bakery shall allow any person to transport bread from his bakery for sale, unless such person is in possession of a card of registration signed by the Chairman and by the licensee of the bakery.

20. The Chairman shall, on application made to him by the licensee of a bakery, issue cards of registration for use by every person employed by such licensee in transporting bread for sale.

21. No licensee of a bakery shall allow any bread to be transported from his licensed premises for sale, except in a closed vehicle or a closed basket, tin, or other suitable receptacle. The licensee shall examine such vehicle, basket, tin, or other receptacle, and shall satisfy himself that it is clean and wholesome before he allows such transport.

EATING-HOUSES AND TEA AND COFFEE BOUTIQUES.

I.—Conditions of Issue of Licence.

No person shall be entitled to a licence to keep an eating-house or a tea and coffee boutique, unless the premises to be licensed comply with the following conditions:—

1. That the premises are in good repair and are well ventilated and well lighted, and that every room has a minimum superficial area of 120 square feet and is provided with windows capable of being opened, the area of which when open shall be not less than one-fifteenth of the superficial floor space.

2. That the walls of every room in every part are not less than 7 feet in height, and are built of brick, stone, or cobwork, with the inside thereof limeplastered and lime-washed.

3. That all the caves are at least 6 feet from the ground.

4. That the roof is made of some permanent material.

5. That all the woodwork is oil-painted or limewashed.

6. That the floor is cemented throughout.

7. That the premises are provided with adequate drainage, with a sanitary dust bin, and with sufficient latrine accommodation.

II.—Regulations for Licensed Eating-houses and Tea and Coffee Boutiques.

1. Every licensee of an eating-house or of a tea and coffee boutique shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words "Licensed Eating-house" or "Licensed Tea and Coffee Boutique" legibly painted thereon in the English and vernacular languages.

2. Every licensee of an eating-house or of a tea and coffee boutique shall cause a copy of these regulations in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in such premises. He shall also cause a list of the names and addresses of all employees to be kept at all times on the premises so as to be available for inspection.

3. Every licensee of an eating-house or of a tea and coffee boutique shall cause the walls of every room forming part of the licensed premises to be limewashed twice every year in the months of June and December; the ceiling to be limewashed four times a year in the months of March, June, September, and December; the woodwork to be limewashed or, if oil-painted, to be washed with hot water and soap at least twice a year in the months of June and December, and at such other times as may be ordered by the Chairman in writing.

4. Every licensee of an eating-house or of a tea and coffee boutique shall cause every part of such premises, the surroundings, drains, furniture, utensils, and equipment used in the preparation, sale, or consumption of food or drink to be kept in good repair, clean, and free from effluvia arising from any drain, latrine, cesspit, or other nuisance on the licensed premises.

5. Every licensee of an eating-house or of a tea and coffee boutique shall cause all utensils used in the preparation, sale, and consumption of food or drink to be washed with soap and water at least once in 24 hours.

6. Every licensee of an eating-house or of a tea and coffee boutique shall cause every utensil or receptacle used by a customer to be washed immediately after such use and before being used by any other customer.

7. Every licensee of an eating-house or of a tea and coffee boutique shall cause all trade and domestic refuse to be immediately placed in an impervious covered receptacle and to be removed from the premises daily. He shall

keep such receptacle covered at all times except when refuse is being placed in it, and shall cause all waste tea, coffee, milk, or remnants of food or cooking waste to be collected in such receptacle and not to be thrown on the ground.

8. No licensee of an eating-house or of a tea and coffee boutique shall use any counter or other place from which tea, coffee, or milk is served, unless the said counter or other place is covered with zinc or other impervious material.

9. Every licensee of an eating-house or of a tea and coffee boutique shall cause a sanitary dust bin, and at least two spittoons to be kept always at the licensed premises so as to be readily available to the visitors to the premises as well as to the employees.

10. Every licensee of an eating-house or of a tea and coffee boutique shall keep the premises free from rats, and shall fill all rat holes with broken glass and plaster such holes with cement as soon as he discovers them.

11. Every licensee of an eating-house or of a tea and coffee boutique shall provide the licensed premises with an ample supply of potable water.

12. No licensee of an eating-house or of a tea and coffee boutique shall keep or store or expose for sale any food unless such food is kept in a receptacle so constructed as to prevent its contamination by flies, dust, and vermin. He shall keep such receptacles always clean.

13. No licensee of an eating-house or of a tea and coffee boutique shall sell or offer or expose for sale any milk to which water or any other foreign liquid or substance has been added so as to render such milk unwholesome.

14. No person shall spit within such premises except into a spittoon provided for the purpose.

15. No person suffering from any infectious, contagious, or loathsome disease, or who has been recently in attendance on any person suffering from such disease shall enter such premises or take part in the preparation or sale of food or drink.

16. No licensee of an eating-house or of a tea and coffee boutique shall connive at or permit the contravention by any person of the above regulations numbered 14 and 15.

17. No licensee of an eating-house or of a tea and coffee boutique shall allow any person to transport for sale cooked food from the licensed premises unless such person is in possession of a card of registration signed by the Chairman and by the licensee of an eating-house or of a tea and coffee boutique, and unless such food is carried in a closed basket, tin, or other suitable receptacle.

18. Every licensee of an eating-house or of a tea and coffee boutique shall see that every vehicle, basket, tin, or other receptacle used for carrying food is clean at the time any food is placed in it.

19. The Chairman shall, on application made to him by the licensee of an eating-house or of a tea and coffee boutique, issue cards of registration for use by every person employed by such licensee in carrying food for sale.

BUTCHERS' STALLS.

I.—Conditions of Issue of Licence.

No person shall be entitled to a licence to keep a butcher's stall unless the premises to be licensed comply with the following conditions:—

1. That the premises are in good repair and well ventilated and well lighted, and that every room is provided with windows capable of being opened, the area of which when open shall be not less than one-fifteenth of the superficial floor space.

2. That the walls of every room in every part are not less than 7 feet in height, and are built of brick, stone, or cabook, with the inside thereof limeplastered and limewashed, and the lower 4 feet of the internal surface is covered with glazed tiles or is plastered in cement.

3. That all the eaves are at least 6 feet from the ground.

4. That the roof is made of some permanent material.

5. That all the woodwork is oil-painted or limewashed.

6. That the floor is cemented throughout.

7. That the premises are provided with adequate drainage.

8. That the tables and all the furniture shall be capable of being moved about for the purpose of cleaning the floor and the walls.

9. That every table on which meat is kept shall be covered with zinc or other impermeable material.

10. That the premises are provided with a sanitary dust bin and at least one spittoon and with sufficient latrine accommodation.

11. That the premises are at least 50 feet distant from any latrine, cesspit, manure heap, or open sewer.

12. That there is no cesspit, latrine, or ashpit within, or directly communicating with the premises.

II.—Regulations for Licensed Butchers' Stalls.

1. Every licensee of a butcher's stall shall keep affixed in a conspicuous position on the outside of his premises

a board with his name and the words "Licensed Butcher's Stall" legibly painted thereon in the English and vernacular languages.

2. Every licensee of a butcher's stall shall cause a copy of these regulations in English, Sinhalese, and Tamil to be framed and hung in a prominent place in the licensed premises. He shall also keep on the premises a list of the names and addresses of all employees including vendors of meat so as to be at all times available for inspection.

3. Every licensee of a butcher's stall shall cause the walls of every room forming part of the stall, except such parts as are covered with glazed tiles, or are plastered in cement to be limewashed, and all the woodwork to be limewashed or, if oil-painted, to be washed with hot water and soap at least four times a year in the months of March, June, September, and December, and at such other times as may be ordered by the Chairman in writing.

4. Every licensee of a butcher's stall shall cause the floor, the tiles, or cemented portions of the walls, the tops of the tables, and the chopping blocks to be scrubbed and washed once every day at such hour as is specified in the licence. He shall cause all hooks for hanging meat to be kept polished and free from rust.

5. Every licensee of a butcher's stall shall keep every part of the butcher's stall, its surroundings, drains, furniture, utensils, and equipment used in connection with the storing, preparation, or sale of meat in good repair, clean, and free from effluvia arising from any drain, latrine, cesspit, or other nuisance.

6. Every licensee of a butcher's stall shall cause a sanitary dust bin, and at least one spittoon to be kept on the licensed premises, so that those employed on the premises may have easy access to them.

7. Every licensee of a butcher's stall shall cause all trade and domestic refuse to be immediately placed in a covered receptacle made of zinc or galvanized iron and to be removed daily from the licensed premises. He shall cause the said receptacle to be kept always covered except at the times when refuse is being actually placed in it.

8. Every licensee of a butcher's stall shall keep the licensed premises free from rats, and shall cause all rat holes to be filled up with broken glass and shall plaster them with cement as soon as found.

9. No person shall keep any animal or bird in the licensed premises on any pretext whatsoever.

10. No person shall spit within a butcher's stall except into a spittoon provided for the purpose.

11. No person suffering or who has recently suffered from any infectious, contagious, or loathsome disease, or who has recently been in attendance on any person suffering from such a disease, shall enter a butcher's stall or take part in the storing, preparation, or sale of meat therein, or in the transport of any meat thereto or therefrom.

12. No licensee of a butcher's stall shall connive at or permit the contravention by any person of the above regulations numbered 10 and 11.

13. No person shall keep in the licensed premises any furniture, clothes, sleeping mats, or other articles except those used for the purpose of the storing, preparation, or sale of meat.

14. No licensee of a butcher's stall shall allow any place on the same level with the butcher's stall and forming part of the same building to be used as a sleeping place, unless it is effectually separated from the butcher's stall by a partition extending from the floor to the ceiling, and unless such sleeping place is provided with an external window, the area of which when open shall be not less than one-fifteenth of the superficial floor space.

15. Every licensee of a butcher's stall shall keep on the licensed premises an ample supply of potable water.

16. No licensee of a butcher's stall shall sell, or expose for sale on the licensed premises, any meat except the meat of animals slaughtered either in a public slaughter-house within the limits of the Council area duly declared and proclaimed under section 22 of Ordinance No. 9 of 1893, or in a place appointed for the purpose by the Chairman under section 23 of the said Ordinance, or under a special licence issued under section 14 of the said Ordinance.

17. Every licensee of a butcher's stall shall keep the licensed premises open daily for the sale of meat during the hours 7 A.M. to 10 A.M. and 3 P.M. to 7 P.M.

18. No licensee of a butcher's stall shall allow any person to transport meat for sale from his licensed premises unless such person is in possession of a card of registration signed by the Chairman and by the licensee of the butcher's stall.

19. No licensee of a butcher's stall shall permit any person to transport for sale from his licensed premises any meat except in a closed vehicle or a closed basket, tin, or other suitable receptacle. He shall see that every such vehicle, basket, tin, or other receptacle is at all times kept clean and wholesome.

20. The Chairman shall, on application made to him by the licensee of a butcher's stall, issue cards of registration for the use of every person employed by such licensee in transporting meat for sale.

FISH STALLS.

8. That the premises are at least 50 feet distant from any latrine, cesspit, manure heap, or open sewer.
9. That there is no cesspit, latrine, or ashpit within or directly communicating with the premises.

II.—Regulations for Licensed Fish Stalls.

1. Every licensee of a fish stall shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words "Licensed Fish Stall" legibly painted thereon in the English and vernacular languages.
2. Every licensee of a fish stall shall cause a copy of these regulations relating to fish stalls in English, Sinhalese, and Tamil to be framed and hung in a prominent place in the licensed premises. He shall also keep on the premises a list of the names and addresses of all employees including vendors of fish so as to be at all times available for inspection.
3. Every licensee of a fish stall shall cause the walls of every room forming part of the fish stall, except such parts as are covered with glazed tiles or are plastered in cement, to be limewashed, and all the woodwork to be limewashed or, if oil painted, to be washed with hot water and soap at least four times a year in the months of March, June, September, and December, and at such other times as may be ordered by the Chairman in writing.
4. Every licensee of a fish stall shall cause the floor, the tiled or cemented portions of the walls, the tops of the tables, and the chopping blocks to be scrubbed and washed once every day at such hour as is specified in the licence. He shall cause all hooks for hanging fish to be kept polished and free from rust.
5. Every licensee of a fish stall shall keep every part of the fish stall, its surroundings, drains, furniture, utensils, and equipment used in connection with the storing, preparation, or sale of fish in good repair, clean, and free from effluvia arising from any drain, latrine, cesspit, or other nuisance.
6. Every licensee of a fish stall shall cause a sanitary dust bin and at least one spittoon to be kept on the licensed premises, so that those employed on the premises may have easy access to them.
7. Every licensee of a fish stall shall cause all trade and domestic refuse to be immediately placed in an impervious covered receptacle and to be removed daily from the licensed premises. He shall cause the said receptacle to be kept always covered except when refuse is being actually placed therein.
8. Every licensee of a fish stall shall keep the licensed premises free from rats and shall fill up all rat holes with broken glass and plaster them with cement as soon as he discovers them.
9. No person shall keep any animal or bird in the licensed premises on any pretext whatsoever.
10. No person shall spit within a fish stall except into a spittoon provided for the purpose.
11. No person suffering or who has recently suffered from any infectious, contagious, or loathsome disease, or who has recently been in attendance on any person suffering from such a disease, shall enter a fish stall or take part in the storing, preparation, or sale of fish therein, or in the transport of any fish thereto or therefrom.
12. No licensee of a fish stall shall connive at or permit the contravention by any person of the above regulations numbered 9, 10, and 11.

13. No person shall keep in the licensed premises any furniture, clothes, sleeping mats, or other articles, except those used for the purpose of the storing, preparation, or sale of fish.

14. No licensee of a fish stall shall allow any place on the same level with the fish stall and forming part of the same building to be used as a sleeping place unless it is effectually separated from the fish stall by a partition extending from the floor to the ceiling, and unless such sleeping place is provided with an external window, the area of which when open shall be not less than one-fiftieth of the superficial floor space.

15. Every licensee of a fish stall shall keep on the licensed premises an ample supply of potable water.

16. Every licensee of a fish stall shall keep the licensed premises open daily for the sale of fish.

17. No licensee of a fish stall shall allow any person to transport fish for sale from his licensed premises unless he is in possession of a card of registration signed by the Chairman and by the licensee of a fish stall.

18. No licensee of a fish stall shall permit any person to transport for sale from his licensed premises any fish except in a closed vehicle or a closed basket, tin, or other suitable receptacle. He shall see that every such vehicle, basket, tin, or other receptacle is at all times kept clean and wholesome.

19. The Chairman shall, on application made to him by the licensee of a fish stall, issue cards of registration for the use of every person employed by such licensee in transporting fish for sale.

LODGING HOUSES.

I.—Conditions of Issue of Licence.

No person shall be entitled to a licence to keep a lodging house unless he shall deposit with the Chairman a certificate of good character signed by three or more respectable householders resident within the area of the Council, or by a Police Magistrate, or Justice of the Peace, and unless the premises to be licensed comply with the following conditions :—

1. That the premises are substantially built and in good repair and that every room is well ventilated and well lighted and provided with windows capable of being opened, the area of which when open is not less than one-fiftieth of the superficial floor space, and that every room has a minimum superficial area of 120 square feet.
2. That the walls of every room in every part are not less than 10 feet in height and are limewashed.
3. That all the eaves are at least 6 feet from the ground.
4. That the roof is made of some permanent material.
5. That all woodwork is oil-painted or limewashed.
6. That the floor is cemented throughout.
7. That the premises are provided with adequate drainage.
8. That the premises are provided with sanitary dust bins of sufficient number and size to contain the refuse from the house, and sufficient bathing and latrine accommodation, such latrine accommodation being not less than one separate latrine for every ten persons for whose accommodation the premises are to be licensed.
9. That the premises are provided with a good water supply and that the supply of drinking water and the bathing accommodation are so arranged as to preclude the pollution of the drinking water by persons bathing.
10. That the premises have a separate room set apart as a kitchen which has an efficient outlet for smoke.

II.—Regulations for Licensed Lodging Houses.

1. Every licensee of a lodging house shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words "Licensed Lodging House" legibly painted thereon in the English and vernacular languages.
2. Every licensee of a lodging house shall cause a copy of these regulations in English, Sinhalese, and Tamil, and the licence to be framed and hung up in a prominent place in the licensed premises. He shall also cause a list of the names and addresses of all employees to be kept at all times at the premises so as to be available for inspection.
3. No licensee of a lodging house shall permit any person to sleep in any room, except in such rooms as are specifically set apart as sleeping rooms in a plan of the lodging house which shall be attached to the licence and signed by the Chairman.
4. No licensee of a lodging house shall permit more persons than the number specified by the Chairman on the plan as being allowed to sleep in any room to sleep in such room. The number of persons specified for any room shall not be more than one person for each 36 square feet of the superficial area of the room, provided that two children under 10 years of age shall be considered to be equivalent to one person.

5. Every licensee of a lodging house shall keep affixed in each room a board showing the dimensions of such room, and the maximum number of persons permitted to sleep therein.

6. No licensee of a lodging house shall permit males and females above 10 years of age to occupy the same sleeping room, except in the case of husband and wife, and parents and children.

7. No licensee of a lodging house shall allow his premises to be occupied for immoral purposes. He shall maintain and enforce good order and decorum therein.

8. Every licensee of a lodging house shall keep a register of the name, occupation, and native place, and last temporary or permanent residence of each person occupying his premises.

9. Every licensee of a lodging house shall cause the windows of each of the sleeping rooms to be kept open to their full width for at least four hours each day, unless prevented by inclement weather.

10. Every licensee of a lodging house shall cause the internal walls and ceiling of every room to be limewashed and the woodwork to be limewashed or, if oil-painted, to be washed with hot water and soap four times every year in the months of March, June, September, and December, and at other times when ordered by the Chairman in writing.

11. Every licensee of a lodging house shall cause every part of the lodging house, its surroundings, drains, furniture, utensils, and equipment to be kept in good repair, clean, and free from effluvia arising from any drain, latrine, cesspit, or other nuisance on the licensed premises.

12. Every licensee of a lodging house shall cause every room, passage, stair, verandah, drain, and the land belonging to the premises to be thoroughly swept at least once a day before noon.

13. Every licensee of a lodging house shall cause all cooked food to be kept in such manner as to be inaccessible to flies or other insects.

14. Every licensee of a lodging house shall cause all filth, house refuse, or other offensive matter to be immediately placed in a covered receptacle made of zinc or galvanized iron, and to be removed from the premises daily. The receptacle shall always be kept covered except when refuse is being actually placed in it.

15. No licensee of a lodging house shall admit to his premises any person suffering from any infectious, contagious, or loathsome disease.

16. (a) If any person in a lodging house becomes ill from any infectious, contagious, or loathsome disease, the licensee of such lodging house shall forthwith give notice of the fact to the Sanitary Inspector in whose division the lodging house is situated or to the Chairman; and the licensee of such lodging house shall cause the house to be vacated if so required by the Chairman, and shall allow the bedding, clothing, and other articles used by the infected person to be disinfected or if necessary to be destroyed, and the house to be fumigated, disinfected, and limewashed at the public expense in such manner as the Chairman may direct.

(b) The licensee of such lodging house shall not receive any customer until the premises shall have been inspected and certified by the Chairman as free from infection.

17. No licensee of a lodging house shall allow cattle, goats, or fowls to be kept within the building.

18. Every licensee of a lodging house shall cause all mats, bed clothes, and bedding, and every bedstead used in such house to be thoroughly cleaned from time to time—as often as shall be requisite for the purpose of keeping such mats, bed clothes, bedding, and bedstead in a clean and wholesome condition.

19. Every licensee of a lodging house shall cause the seat, floor, and walls of every water closet, earth closet, or privy belonging to such house to be thoroughly cleaned from time to time—as often as may be necessary for the purpose of keeping such seat, floor, and walls in a clean and wholesome condition.

CATTLE SHEDS, GALAS, AND HALTING PLACES OF CATTLE.

I.—Conditions of Issue of Licence.

No person shall be entitled to a licence for a gala unless the premises to be licensed comply with the following conditions:—

1. That the premises are properly levelled and drained and the ground is either paved or properly consolidated with broken metal, so that it keeps a hard and level surface.

2. That every building or shed intended for the accommodation of cattle in a gala is built of brick, stone, or cobwork, and the walls and pillars are limewashed and plastered with cement to a height of 4 feet from the ground. That the roof is of permanent material. The floor is paved with brick or stone rendered in cement, cement concrete,

or asphalt. That drains similarly constructed are provided so as to convey the urine, washings, and rain water into one or more covered receptacles.

3. That the premises are provided with an ample supply of water, both for drinking and for washing the premises.

4. That the premises have sufficient latrine accommodation.

II.—Regulations for Licensed Galas.

1. Every licensee of a gala shall keep affixed in a conspicuous position on the outside of his gala a board with the words "Licensed Gala" and the name of the licensee legibly painted thereon in the English and vernacular languages.

2. Every licensee of a gala shall keep a copy of these regulations in English, Sinhalese, and Tamil framed and hung in a prominent place in the licensed premises.

3. Every licensee of a gala shall cause the walls and pillars of the gala to be limewashed or tarred four times a year in the months of March, June, September, and December.

4. Every licensee of a gala shall cause the gala and all the buildings therein to be kept in good repair, and in a clean and sanitary condition and to be thoroughly washed and swept daily.

5. He shall cause all dung and other refuse to be collected at frequent intervals daily so as to keep the premises in a clean and wholesome condition, and the dung and other refuse so collected shall be kept in one or more receptacles, which shall be constructed of some impermeable material so as to be watertight and provided with a fly-proof cover.

6. Every licensee of a gala shall cause all dung, refuse, urine, and washings to be removed from the gala, at least once a day and disposed of, so that no nuisance is caused thereby.

RESTAURANTS.

I.—Conditions of Issue of Licence.

No person shall be entitled to a licence to keep a restaurant unless the premises to be licensed comply with the following conditions:—

1. That the premises are in good repair and well ventilated and well lighted, and that every room has a minimum superficial area of 120 square feet and is provided with windows capable of being opened, the area of which when open shall be not less than one-fifteenth of the superficial floor space.

2. That the walls of every room in every part are not less than 7 feet in height, and are built of brick, stone, or cobwork, with the inside thereof limeplastered and limewashed.

3. That all the eaves are at least 6 feet from the ground.

4. That the roof is made of some permanent material.

5. That all the woodwork is oil-painted or limewashed.

6. That the ground floor is cemented throughout.

7. That the premises are provided with adequate drainage, with a sanitary dust bin and with sufficient latrine accommodation.

II.—Regulations for Licensed Restaurants.

1. Every licensee of a restaurant shall cause a copy of these regulations in English, Sinhalese, and Tamil and the licence to be framed and hung in a prominent place in the licensed premises. He shall keep on the premises a list of the names and addresses of all employees so as to be at all times available for inspection.

2. Every licensee of a restaurant shall cause the walls of every room forming part of such premises to be limewashed twice a year in the months of June and December. He shall cause the ceiling to be limewashed four times a year in the months of March, June, September, and December, the woodwork to be limewashed or, if oil-painted, to be washed with hot water and soap at least twice a year in June and December, and at such other times as may be ordered by the Chairman in writing.

3. Every licensee of a restaurant shall cause every part of the premises, the surroundings, drains, furniture, utensils, and equipment used in the preparation, sale, or consumption of food or drink, to be kept in good repair, clean, and wholesome, and free from effluvia arising from any drain, latrine, cesspit, or other nuisance on the licensed premises.

4. Every licensee of a restaurant shall cause the counter or other place from which tea, coffee, or milk is served to be covered with zinc or other impervious material.

5. Every licensee of a restaurant shall cause all utensils used in the preparation, sale, or consumption of food or drink to be washed with soap and water at such frequent intervals as may be necessary to keep them in a clean and sanitary condition, being in any case not less than once in twenty-four hours.

6. Every licensee of a restaurant shall cause every utensil or receptacle after use by a customer to be washed before being used by any other customer.

7. Every licensee of a restaurant shall cause a sanitary dust bin and at least two spittoons always to be kept at such premises. He shall keep the spittoons so as to be readily accessible to those employed in or consuming food or drink on the premises.

8. Every licensee of a restaurant shall cause all trade and domestic refuse to be immediately placed in an impervious covered receptacle and removed from the premises daily. He shall not permit any waste tea, coffee, or milk, or remnants of food, or cooking waste to be thrown on the ground, but shall cause the same to be collected in a proper receptacle made of zinc or galvanized iron and to be removed daily. He shall keep such receptacle always covered except when refuse is being actually placed in it.

9. Every licensee of a restaurant shall cause the premises to be kept free from rats. He shall cause all rat holes to be filled up with broken glass and plastered with cement as soon as found.

10. No licensee of a restaurant shall allow any person to spit within such premises except into a spittoon provided for the purpose. He shall not allow any person suffering or who has recently suffered from any infectious, contagious, or loathsome disease, or has been recently in attendance on any person suffering from such disease, to enter such premises or take part in the preparation or sale of food or drink.

11. Every licensee of a restaurant shall provide an ample supply of potable water.

12. Every licensee of a restaurant shall cause all food stored or exposed for sale to be kept in such receptacles as shall prevent its exposure to contamination by flies, dust, and vermin. He shall at all times keep such receptacles in a clean and wholesome condition.

13. Every licensee of a restaurant shall cause the sugar used in such premises to be kept in glass-stoppered wide-mouthed bottles.

14. No licensee of a restaurant shall sell or offer for sale or expose for sale or keep on any such premises adulterated milk. For the purpose of this rule adulterated milk shall mean milk to which water or any other foreign liquid or substance has been added so as to make such milk unwholesome.

15. No licensee of a restaurant shall allow any person to transport for sale cooked food from or to such premises unless he is in possession of a card of registration signed by the Chairman and by the licensee of a restaurant, and unless such food is carried in a closed vehicle, or a closed basket, tin, or other suitable receptacle. He shall see that every such vehicle, basket, tin, or other receptacle is always kept in a thoroughly clean and wholesome condition.

16. The Chairman shall on application issue to every licensee of a restaurant cards of registration to be used by every person employed by such licensee in transporting cooked food.

HOTELS.

I.—Conditions of Issue of Licence.

No person shall be entitled to a licence to keep an hotel unless the premises to be licensed comply with the following conditions:—

1. That the premises are substantially built and in good repair and that every room is well ventilated and well lighted and provided with windows capable of being opened, the area of which when open is not less than one-fifteenth of the superficial floor space, and that every room has a minimum superficial area of 120 square feet.

2. That the walls of every room in every part are not less than 10 feet in height and are limewashed.

3. That all the eaves are at least 6 feet from the ground.

4. That the roof is made of some permanent material.

5. That all woodwork is oil-painted or limewashed.

6. That the ground floor is cemented throughout.

7. That the premises are provided with adequate drainage.

8. That the premises are provided with sanitary dust bins of sufficient number and size to contain the refuse from the house, and with such bathing and latrine accommodation as is sufficient to meet all sanitary requirements, which latrine accommodation shall consist of at least one separate latrine for every ten persons for whose accommodation the premises are to be licensed.

9. That the premises are provided with a suitable form of water supply, and that the supply of drinking water and the bathing accommodation are so arranged as to preclude the pollution of the drinking water by persons bathing.

10. That the premises have a separate room set apart as a kitchen which has an efficient outlet for smoke.

II.—Regulations for Licensed Hotels.

1. Every licensee of an hotel shall cause a copy of these regulations in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in the hotel. He shall keep on the premises a list of the names and addresses of all his employees so as to be at all times available for inspection.

2. The Chairman shall cause a plan of the licensed premises to be attached to every licence for an hotel and shall show on such plan the sleeping rooms and the number of persons permitted to sleep in each such room not being more than one person to every 40 square feet of the floor area of such room, provided that two children under 10 years shall be considered to be equivalent to one person.

3. No licensee of an hotel shall permit any person to sleep in the hotel except in one of the rooms specifically set apart as sleeping rooms in a plan of the hotel attached to the licence.

4. No licensee of an hotel shall permit more persons to sleep in any room than the number specified in the plan.

5. Every licensee of an hotel shall keep a register of the name, occupation, native place, and last temporary or permanent residence of each person occupying his premises.

6. Every licensee of an hotel shall cause the windows of each of the sleeping rooms to be kept open to their full width for at least four hours each day, unless prevented by inclement weather.

7. Every licensee of an hotel shall cause the internal walls and ceiling of every room to be limewashed, and the woodwork to be limewashed or, if oil-painted, to be washed with hot water and soap four times a year in the months of March, June, September, and December, and at such other times as may be ordered by the Chairman in writing.

8. Every licensee of an hotel shall cause every part of the hotel, its surroundings, drains, furniture, utensils, and equipment to be kept in good repair, clean, and free from effluvia arising from any drain, latrine, cesspit, or other nuisance on the licensed premises.

9. Every licensee of an hotel shall cause every room, passage, stair, verandah, drain, and the land belonging to the premises to be thoroughly swept at least once a day before noon.

10. Every licensee of an hotel shall cause all filth, house refuse, or other offensive matter to be immediately placed in an impervious covered receptacle made of zinc or galvanized iron and to be removed from the premises daily. He shall keep such receptacle always covered except when such filth, house refuse, or other offensive matter is being actually placed in such receptacle.

11. Every licensee of an hotel shall cause all cooked food to be kept in such manner as to be inaccessible to flies and other insects.

12. No licensee of an hotel shall admit to his premises any person suffering from any infectious, contagious, or loathsome disease.

13. If any person in an hotel becomes ill from any infectious or contagious disease, the licensee of such hotel shall forthwith give notice of the fact to the Sanitary Inspector in whose division the hotel is situated or to the Chairman, and the licensee of such hotel shall cause the house to be vacated, if so required by the Chairman, and shall allow the bedding, clothing, and other articles used by the infected person to be disinfected, or if necessary to be destroyed, and the house to be fumigated, disinfected, and limewashed at the public expense in such manner as the Chairman may direct.

14. No licensee of an hotel where a case of an infectious or contagious disease has occurred shall receive any customer until the premises shall have been inspected and certified by the Chairman as free from infection.

15. No licensee of an hotel shall allow cattle, goats, or fowls to be kept within the building.

16. Every licensee of an hotel shall cause the premises to be kept free from rats. He shall cause all rat holes to be filled up with broken glass and plastered with cement as soon as found.

DAIRIES.

I.—Conditions of Issue of Licence.

No person shall be entitled to a licence to keep a dairy unless the premises to be licensed comply with the following conditions:—

1. (a) That the premises are in good repair and well ventilated and well lighted.

(b) That the walls and roof of the buildings of the dairy are made of some permanent material.

(c) That the woodwork is oil-painted or limewashed.

(d) That the floor is cemented or paved with some hard and impervious material.

(e) That the premises are provided with adequate drainage.

(f) That there is a sufficient supply of pure water protected from pollution at a convenient distance for the use of the dairy.

2. (a) That every building or shed intended for the accommodation of cattle is built of brick, stone, or cabook; and that the walls and pillars are limewashed and plastered with cement to a height of 4 feet from the ground; that the roof is of permanent material; that the floor is paved with brick or stone rendered in cement, cement concrete, or asphalt; that similarly constructed drains are provided so as to convey the urine washings and rain water into one or more covered receptacles.

(b) (i.) That the milk room is in a suitable position and at a distance of not less than 25 feet from the cow sheds and other buildings.

(ii.) That the floor of the milk room is cemented with rounded corners at its junction with the walls; that the walls of the milk room are not less than 7 feet in height and are built of brick, stone, or cabook with the inside thereof limeplastered and limewashed; that at least two opposite walls of the milk room abut on the open air; that the roofs are ceiled with grooved boards to prevent the ingress of dust, and that they are oil-painted; that all the eaves are at least 6 feet from the ground; that there is at least one window and one door, and that the area of the window space is not less than one-fifteenth of the superficial floor space, and that the window space is covered with fly-proof netting, that the door is opposite the window, is close fitting and fitted with fly-proof netting.

3. (a) That the milk room is provided with a table covered with marble, slate, zinc, or other approved impermeable substance.

(b) That it is provided with a sanitary dust bin.

(c) That it is at least 100 feet distant from any latrine, cesspit, manure heap, or open sewer.

(d) That there is no cesspit, latrine, or ashpit within or directly communicating with the milk room.

4. That the number of cows for which each dairy is to be licensed is stated in the application for licence, and that such number is proportionate to the size of the cattle shed, allowing for each cow a floor space of 8 feet by 5 feet and a minimum air space of 400 cubic feet.

II.—Regulations for Licensed Dairies and for Sale of Milk.

1. Every licensee of a dairy shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words "Licensed Dairy" legibly painted thereon in the English and vernacular languages.

2. Every licensee of a dairy shall cause a copy of these regulations in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in the dairy. He shall also keep a list of the names and addresses of all employees (including the vendors of milk) at all times in the dairy so as to be available for inspection.

3. Every licensee of a dairy shall cause the walls of every room forming part of the dairy to be limewashed twice a year in the months of June and December. He shall cause the woodwork to be washed with hot water and soap at least twice a year in the months of June and December, and at such other times as may be ordered by the Chairman in writing.

4. Every licensee of a dairy shall cause the floors and the top of the milk room table to be washed at least once every day.

5. Every licensee of a dairy shall cause all utensils, furniture, and other requisites used in or belonging to a dairy to be kept clean.

6. Every licensee of a dairy shall cause every part of the dairy, its surroundings, drains, furniture, utensils, and equipment used for the purposes of the trade to be kept in good repair and clean.

7. Every licensee of a dairy shall cause all vessels sent out containing milk to be thoroughly cleansed and to be properly covered with clean material, and shall take all proper precautions to prevent the milk from being contaminated during transit.

8. Every licensee of a dairy shall cause the vessels used for storing milk to be made of glass, porcelain, glazed earthenware, enamelled iron, galvanized iron, or tin and shall not permit such vessels to be stored in the cattle shed.

9. Every licensee of a dairy shall cause all dung, refuse, urine, and washings to be removed from the dairy at least once a day and disposed of at a suitable distance from the dairy so that no nuisance is caused thereby.

10. No licensee of a dairy shall keep any animal or bird in a milk room on any pretext whatsoever.

11. No licensee of a dairy shall allow the milk vessels, butter vessels, churns, separators, or other articles employed

in the dairy to be used for any other purpose, and he shall cause them to be thoroughly cleaned at least once daily by washing them with boiling water.

12. (a) No person suffering from or who has recently suffered from any infectious, contagious, or skin disease, or has been recently in attendance on any person suffering from such disease shall enter a dairy or take part in the preparation, sale, or transport of milk.

(b) No licensee or person in charge or control of a dairy shall employ or allow to enter into the dairy premises any person suffering from or who has recently suffered from any infectious, contagious, or skin disease, or who has been recently in attendance on any person suffering from such disease.

13. Every licensee of a dairy shall use for the purpose of such dairy water—

(a) From the public water supply alone where such exists. He should in such a case cause pipes to be laid from the nearest main, and the water supply to be obtained therefrom by means of taps within the building.

(b) Where no public water supply exists, from a suitable source capable of supplying a sufficient quantity of pure water.

14. Every licensee of a dairy obtaining water from any source other than a public water supply shall discontinue such source and obtain water from a public water supply so soon as such a supply is established.

15. No licensee of a dairy shall cause any cow to be milked for the purpose of obtaining milk for sale, unless at the time of milking the udder and teats of such cow are thoroughly clean, and unless the hands of the person milking are also thoroughly clean and free from all infection and contamination.

16. Every licensee of a dairy shall give immediate notice to the Chairman of any case or suspected case of infectious or contagious disease which may occur among the persons working or who have been recently working in the dairy.

17. (a) Every licensee of a dairy shall whenever any animal in his dairy is affected with any contagious or infectious disease forthwith give notice of the fact to the Chairman. He shall in order to prevent infection or contamination forthwith remove or cause to be removed from the proximity of other animals any animal in his dairy which is found or is suspected to be suffering from any infectious or contagious disease.

(b) On the outbreak of any infectious or contagious disease every licensee of a dairy shall carry out such instructions for the control of the outbreak as the Chairman or other proper authority may from time to time give.

(c) No licensee of a dairy shall sell or permit to be sold the milk of any animal suffering from tuberculosis, whether of the udder or otherwise, acute mastitis, foot-and-mouth disease, anthrax, actinomycosis of the udder, or shall add such milk or permit it to be added to any milk of other animals which is intended for sale or human consumption.

18. Every licensee of a dairy shall cause all cattle food, except grass and straw, to be stored in a suitable rat-proof receptacle.

19. (a) No licensee of a dairy shall allow milk intended for sale to be kept in any other place than the milk room.

(b) No licensee of a dairy shall use the milk room or permit it to be used for any other purpose than that of storing and preparing milk.

20. (a) No licensee of a dairy shall adulterate milk by the addition of water or any other foreign liquid or substance thereto, nor shall he sell, offer, expose, hawk for sale, or deliver milk so adulterated.

(b) No licensee of a dairy shall sell, offer, expose, hawk for sale, or deliver any milk from which the cream has been removed, unless such milk is contained in a vessel which is clearly, distinctly, and conspicuously labelled "Skimmed Milk" in English, and the equivalent term in Sinhalese and Tamil, and is sold as such.

21. No licensee of a dairy shall sell or supply milk obtained from cows other than those kept in a licensed dairy.

22. The Chairman shall issue annually to the owner of every licensed dairy in respect of each vendor of milk cards of registration bearing the name and thumb impression of such vendor, and the name of the licensee and registered number of the dairy. No such card of registration shall be issued until a Medical Officer deputed by the Chairman has examined and found such vendor free from any infectious, contagious, or skin disease. Such card of registration shall not be transferable. Should a vendor fail to produce on demand by the Sanitary Inspector, or by any person specially or generally authorized by the Chairman, such card for inspection he shall be guilty of an offence.

23. The Chairman, the Medical Officer of Health, the Sanitary Inspector, or any other officer generally or specially authorized by the Chairman, shall on payment of the value thereof be at all times entitled to take a sample of milk for analysis from any licensed dairy or from any person selling, exposing, hawking, or delivering milk, and every licensee of a dairy or registered vendor or other person who refuses to sell such sample for analysis shall be guilty of an offence.

AERATED WATER FACTORIES.

I.—Conditions of Issue of Licence.

No person shall be entitled to a licence for an aerated water factory unless the premises to be licensed comply with the following conditions:—

1. (a) That the premises are in good repair and well ventilated and well lighted and that every room is provided with windows capable of being opened, the area of which when open shall be not less than one-fiftieth of the superficial floor space.

(b) That the walls of every room in every part are not less than 7 feet in height and are built of brick, stone, or cabook, with the inside thereof limeplastered and limewashed.

(c) That all the eaves are at least 6 feet from the ground.

(d) That the roof is made of some permanent material.

(e) That all the woodwork is oil-painted or limewashed.

(f) That the floor is cemented throughout.

(g) That the premises are provided with adequate drainage.

2. That there is at least one room reserved for the manufacture of aerated water.

3. That there is a separate fly-proof room for the storage of syrup, essences, and chemicals used in the manufacture of aerated water.

4. That a separate place is provided for the washing of bottles.

5. That the water used in the factory is obtained from a source adequately protected from contamination. That it is transported to the factory by means which shall insure that no pollution occurs in transit. That it is stored at the factory in properly constructed tanks or reservoirs.

6. That the water used in the manufacture of aerated water (and in any process connected therewith) and for washing bottles, accessories, and utensils is passed through a suitable filter approved by the Chairman and connected with the plant, and that the water be found on chemical and bacteriological examination to be pure and wholesome.

Provided that the Chairman shall have the power to exempt from the operation of this rule water derived from an approved public supply.

7. (a) That the aerated water factory is provided with a sanitary dust bin, at least two spittoons, and with such latrine accommodation as is sufficient, being not less than one latrine for every ten persons employed therein.

(b) That the aerated water factory is at least 50 feet distant from any latrine, cesspit, cattle shed, manure heap, or open sewer.

(c) That there is no cesspit, latrine, cattle shed, or ashpit within or directly communicating with the aerated water factory.

II.—Regulations for Licensed Aerated Water Factories.

1. Every licensee of an aerated water factory shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words "Licensed Aerated Water Factory" legibly painted thereon in the English and vernacular languages.

2. Every licensee of an aerated water factory shall cause a copy of these regulations in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in every aerated water factory. He shall cause a list of the names and addresses of all employees (including the vendors of aerated water) to be at all times kept in the factory and to be available for inspection.

3. Every licensee of an aerated water factory shall cause the walls of every room forming part of the aerated water factory to be limewashed twice a year in June and December. He shall cause the woodwork to be limewashed or, if oil-painted, to be washed with hot water and soap at least once every June and December, and at other times when ordered by the Chairman in writing.

4. Every licensee of an aerated water factory shall cause the floor of the factory to be washed at least once every day.

5. Every licensee of an aerated water factory shall cause all bottles used in the factory to be thoroughly cleansed in the following manner:—

There shall be two separate tanks for the cleansing of bottles, one being used for the removal of labels and for the preliminary cleansing, and the other for the final cleansing. Where a pipe-borne water supply is available, the final cleansing shall be in running water.

6. Every licensee of an aerated water factory shall cause every part of the factory, its surroundings, drains, furniture, and utensils, and the equipment used in the making of aerated water to be kept clean and in good repair.

7. No licensee of an aerated water factory shall cause materials or articles other than those used in the manufacture of aerated water to be introduced into the factory.

8. Every licensee of an aerated water factory shall cause all materials used in the factory to be clean, wholesome, and of good quality, and shall cause them to be stored in vermin proof cupboards or shelves.

9. Every licensee of an aerated water factory shall cause every bottle containing aerated water to bear a label setting out the description of the water and the place of manufacture, the name of the person or firm owning the factory, and the number assigned to the factory by the Chairman.

10. No licensee of an aerated water factory shall employ any person under twelve years of age to work in such aerated water factory.

11. No person suffering from or who has recently suffered from any infectious, contagious, or skin disease, or has been recently in attendance on any person suffering from such disease, shall enter an aerated water factory or take part in the preparation, sale, or transport of aerated water.

12. Every licensee of an aerated water factory shall cause all persons engaged in bottling aerated waters to wear, whilst so engaged, a wire gauze mask over the face and leather gloves on the hands.

13. Every licensee of an aerated water factory shall cause the vessels used for storing syrup, essences, chemicals, &c., to be made of glass, porcelain, glazed earthenware, enamelled iron, galvanized iron, or tin. He shall not use such vessels for any other purpose, and shall keep them in a place set apart for their storage.

14. Every licensee of an aerated water factory shall cause all dung, refuse, urine, and washings from the cattle sheds, latrines, or any part of the factory to be removed at least once a day and to be disposed of, so that no nuisance is caused thereby.

15. No licensee of an aerated water factory shall keep any animal or bird within the licensed premises under any pretext whatsoever.

16. It shall be lawful for the Chairman of the District Council or any Inspector or any person thereto authorized by the Chairman in writing to enter any place used for the manufacture or sale of aerated waters at any time when such place is open, and on payment of the price thereof to take a sample bottle of any kind of aerated water which is there manufactured or kept for sale, and any proprietor or person in charge of such place who shall refuse to permit such sample to be taken shall be guilty of an offence.

ICE FACTORIES.

I.—Conditions of Issue of Licence.

No person shall be entitled to a licence for an ice factory unless the premises to be licensed comply with the following conditions:—

1. (a) That the premises are in good repair and well ventilated and well lighted, and that every room is provided with windows capable of being opened, the area of which when open shall be not less than one-fiftieth of the superficial floor space.

(b) That the walls of every room in every part are not less than 7 feet in height, and are built of brick, stone, or cabook, with the inside thereof limeplastered and limewashed.

(c) That all the eaves are at least 6 feet from the ground.

(d) That the roof is made of some permanent material.

(e) That all the woodwork is oil-painted or limewashed.

(f) That the floor is cemented throughout.

(g) That the premises are provided with adequate drainage.

(h) That one room in such factory is exclusively reserved for the manufacture of ice.

(i) That the premises are supplied with an adequate supply of water obtained from a source protected from contamination and also with adequate means of transport so as to insure complete freedom from contamination or pollution in transit and with properly constructed tanks or reservoirs.

(j) That the factory is provided with a sanitary dust bin, at least two spittoons, and with sufficient latrine accommodation.

(k) That the factory is at least 50 feet distant from any latrine, cesspit, cattle shed, manure heap, or open sewer.

(l) That there is no cesspit, latrine, cattle shed, or ashpit within or directly communicating with the factory.

2. That a special room or place for storage of fuel is provided and so situated that fuel can be carried to it, or from it to the furnace, without passing through any of the rooms of the factory in which ice is made, stored, or placed for delivery.

3. That all the water used in the manufacture of ice is passed through a suitable filter approved by the Chairman and connected with the plant. Provided that the Chairman shall have the power to exempt from the operation of this rule water derived from an approved public supply.

II.—Regulations for Licensed Ice Factories.

1. Every licensee of an ice factory shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words "Licensed Ice Factory" legibly painted thereon in the English and vernacular languages.

2. Every licensee of an ice factory shall cause a copy of these regulations in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in every ice factory; and he shall cause a list of the names and addresses of all employees to be at all times kept in the factory so as to be available for inspection.

3. Every licensee of an ice factory shall cause the walls of every room forming part of the factory to be limewashed twice a year in June and December. He shall cause the woodwork to be limewashed or, if oil-painted, to be washed with hot water and soap at least once every June and December, and at other times when ordered by the Chairman in writing.

4. Every licensee of an ice factory shall cause the floor of the factory to be washed at least once every day.

5. Every licensee of an ice factory shall cause every part of the factory, its surroundings, drains, furniture, utensils, and equipment used in the making of ice to be kept clean and in good repair.

6. No licensee of an ice factory shall introduce into the factory materials or articles other than those used in the manufacture of ice.

7. No licensee of an ice factory shall employ any person under twelve years of age in the factory.

8. No person suffering from or who has recently suffered from any infectious, contagious, or skin disease, or has been recently in attendance on any person suffering from such disease shall enter the factory or take part in the preparation, handling, sale, or transport of ice.

9. Every licensee of an ice factory shall cause all dung, refuse, urine, and washing from the cattle sheds, latrine, or any part of the factory to be removed at least once a day and disposed of so that no nuisance is caused thereby.

10. No licensee of an ice factory shall keep any animal or bird within the factory on any pretext whatsoever.

11. It shall be lawful for the Chairman of the District Council or any Sanitary Inspector or any person thereto authorized by the Chairman in writing to enter any ice factory at any time when such factory is open, and to take samples of water used for the manufacture of ice or samples of water derived from ice there manufactured, and any proprietor or person in charge of such factory who shall refuse to permit such samples to be taken shall be guilty of an offence. If such sample is found to be unfit for human consumption the proprietor or manager of the factory from which such sample was taken shall be guilty of an offence.

PUBLIC BATHING PLACES.

I.—Conditions of Issue of Licence.

No person shall be entitled to a licence to keep a public bathing place unless he shall satisfy the Chairman that the premises to be licensed comply with the following conditions:—

1. That the public bathing place is located in a sufficiently secluded spot or is screened from public view.

2. That a portion of the premises is suitably screened off for the exclusive use of women and children.

3. That the water used is obtained from the public water supply where such exists, or where the public bathing place is served by a well—

(a) That the well is provided with a protecting wall at least 2 feet high all round, or, if there is no wall, that it is constructed in such a way that none of the water drawn for bathing can find its way back into the well;

(b) That the ground immediately surrounding such well is sloped and paved or concreted, so as to allow the water to run into a leadaway drain of a sufficient length to prevent any percolation of dirty water into the well.

II.—Regulations for Public Bathing Places.

1. Every licensee of a public bathing place shall keep affixed in a conspicuous position outside his premises a board with his name and the words "Licensed Public Bathing Place" legibly painted thereon in the English and vernacular languages.

2. Every licensee of a public bathing place shall cause a copy of these regulations in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in the licensed premises, and he shall cause a list of the names and addresses of all employees to be at all times kept in the licensed premises so as to be available for inspection.

3. (a) If tubs are used in a public bathing place the licensee of such bathing place shall cause them to be cleaned daily and painted twice annually in June and December.

(b) If cemented cisterns are used he shall cause them to be kept in good repair and cleaned daily.

(c) If a large tank or bath is used he shall cause the water to be frequently changed so that it does not become offensive or unfit for human bathing.

6. Every licensee of a public bathing place shall cause every part of the public bathing place, its surroundings, drains, and equipment to be kept clean and in good repair.

7. No person suffering from or who has recently suffered from any contagious, infectious, or loathsome disease, or has been recently in attendance on any person suffering from such disease, shall bathe, wash in, or in any way use the water of any such public bathing place, unless such water shall be drawn for such person by some healthy person and carried for use to a safe distance from such public bathing place.

8. Whenever a public bathing place is served by a well, no person shall use such well for washing cattle or any other animals, or mats, or any other things, or any clothes, except those worn at the time of bathing, and if such clothes be slapped upon a stone or otherwise beaten this shall be done at such distance from the well that the splash therefrom cannot fall into the well.

9. No person shall commit a nuisance by obeying a call of nature at or near any public bathing place, except in a latrine provided for such purpose.

“THE LOCAL GOVERNMENT ORDINANCE,
No. 11 of 1920.”

BY-LAWS made by the Kalutara Urban District Council under sections 164 and 168 of “The Local Government Ordinance, No. 11 of 1920,” and approved by the Local Government Board and confirmed by the Governor by virtue of the powers vested in him by section 164 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWA,
Minister for Local Administration.

Colombo, June 6, 1933.

BY-LAWS.

The by-laws relating to dairies published by Notification in the *Gazette* of April 16, 1930, are hereby amended:—

- (1) by the deletion, from the heading of the part or chapter thereof numbered II., of the words “and for sale of milk”; and
- (2) by the insertion, immediately after the aforesaid part or Chapter II., of the following new part or chapter:—

III.—Regulations for Sale of Milk Generally.

1. No person who is not a licensee of a dairy as aforesaid, shall himself, or by any agent or servant, sell or deliver, or expose, keep, carry, hawk, or offer for sale, any milk within the administrative limits of the Council, save in accordance with the conditions hereinafter prescribed.

2. (i.) Every such person, whether resident within or without the limits of the Council, who desires to sell or supply for money milk in any quantity to any person or persons within the limits of the Council, shall cause himself to be registered in the books of the Council as a purveyor or supplier of milk.

(ii.) Such registration shall be free of all fees or charges.

3. Every such person shall, by proper application made for that purpose, further cause registration-cards to be issued annually by the Chairman to each servant, vendor, or agent, whether paid or unpaid, employed by him in the work of selling or delivering milk.

4. Any contravention of, or non-compliance with, the foregoing provisions shall be an offence.

5. (1) The Chairman may in his discretion refuse to register as a purveyor or supplier of milk under the foregoing by-law 2, any person who has not been recommended for registration, after such inspection, as may be necessary, of his premises, his animals, and his utensils and equipment generally—

(a) if he is a resident within the administrative limits of the Council, by the Medical Officer of Health of the Council; or

(b) if he is a resident in any area outside the limits of the Council, by the Chairman of any duly constituted local authority there may be in such area, or if there is none, by the Medical Officer of Health for the district in which such area lies.

(2) The Chairman may likewise refuse to issue any registration-cards, under the foregoing by-law 3, until a Medical Officer deputed by him has examined and found each such servant, vendor, or agent to be free from any infectious or contagious disease and from diseases of the skin.

6. The registration-cards so issued by the Chairman shall include the following particulars:—

- (a) employer's name and number on register;
- (b) name of vendor or servant or agent, and his thumb impression.

7. It shall be an offence for any person to deliver milk or to carry or hawk milk for sale within the limits of the Council, unless he has in his possession a registration-card for the current year duly issued as aforesaid.

8. (i.) It shall be an offence for any person delivering milk or carrying or hawking milk for sale within the limits of the Council, to refuse, or to fail for any reason, to produce for inspection a duly issued registration-card for the current year, when called upon to do so by a Sanitary Inspector or by any person specially or generally authorized by the Chairman in that behalf.

(ii.) In the event of any person so refusing or failing to produce such card, it shall be lawful for such Sanitary Inspector or other authorized person to exercise the powers given to peace officers by section 33 (1) of the Criminal Procedure Code, 1898.

9. It shall be an offence for any person to sell or deliver or to expose, keep, carry, hawk, or offer for sale, within the limits of the Council—

- (i.) any milk from which the cream has been removed, unless such milk is contained in a vessel which is distinctly and conspicuously labelled “Skimmed milk” in English, and the equivalent term in Sinhalese and Tamil, and is sold as such.
- (ii.) any milk adulterated with water or any other foreign substance or liquid; provided that milk, to which tea, coffee, or cocoa has been added for consumption on the premises of any tea or coffee boutique or eating-house, shall not be deemed to be adulterated for the purpose of this by-law.
- (iii.) any milk contained in bottles of which the mouth is not covered with paper or other impermeable material.

10. If any person found guilty of an offence under the foregoing by-law 9 is proved to be the agent or servant, whether paid or unpaid, of any other person, such other person shall also be liable to be punished for the same offence, unless he proves to the satisfaction of the court that he had given all necessary instructions and used due diligence to ensure compliance, and that the offence was due to an act or default of his agent, or servant without his own knowledge, consent, or connivance.

and failure to pass any one of these will render the probationer liable to be discontinued without notice, at the discretion of the Excise Commissioner.

Salary.—All salaries are at present subject to a temporary levy of 7½ per cent. on salaries between Rs. 900—Rs. 4,800 and of 10 per cent. on salaries of Rs. 4,800 and over.

During training an allowance of Rs. 3,000 per annum will be payable. No rent, travelling, uniform or other allowance will be paid.

On being passed out of the Training School, the probationer will be appointed Superintendent of Excise on two years' probation. For the first of these two years the salary will be Rs. 3,000, with the usual rent and travelling allowances. In the second year the salary will rise to Rs. 3,150, subject to the passing of an Efficiency Bar. In the third year, provided the Superintendent is confirmed in his post, the salary will rise to Rs. 3,300 and thence to Rs. 6,400 by 10 annual increments of Rs. 150 and eight of Rs. 200, subject to the passing of Efficiency Bars.

The above salaries are in accordance with the scales recommended by the Salaries and Cadres Commission, and are liable to adjustment before being finally approved.

Allowances.—Officers must provide Departmental uniform at their own expense, and no uniform or boot allowance will be payable.

Leave.—Vacation leave may be allowed only after appointment, up to 4 weeks per annum, cumulative for a period of 3 years. Casual leave may be allowed up to 7 days per annum.

Holiday Warrants.—Free holiday railway warrants may be allowed to the officer, his wife, or family, for one double or two single journeys per year.

Pension.—The post of Superintendent of Excise is pensionable, but officers now appointed will not be permitted to commute any portion of their pension.

Widows' and Orphans' Pension Fund.—An officer's widow and orphans are eligible for a pension from the fund, to which every officer must contribute 4 per cent. of his salary.

Establishment.—The present establishment of the Excise Department is as follows:—

- 1 Excise Commissioner (filled from the Civil Service).
- 1 Deputy Commissioner—Rs. 9,200—Rs. 12,000.
- 4 Assistant Commissioners—Rs. 6,000—Rs. 8,400.
- 13 Superintendents of Excise—Rs. 3,000—Rs. 6,400.

N.B.—The above are dependent on the Report of the Salaries and Cadres Commission and are liable to readjustment.

Qualifications.—Every candidate must possess the following qualifications:—

He must be a Ceylonese, natural-born British subject, permanently domiciled in Ceylon, and educated in Ceylon or the United Kingdom.

He must be at least 19 years old and not more than 26 on August 1, 1933.

He must have passed the London Matriculation or the Cambridge Senior with exemption from the London Matriculation. A University degree will be a desirable qualification. No further examination will be held, but the candidate must be prepared to undergo a short departmental test in general knowledge and power of expression.

He must be unmarried, and be prepared to remain a bachelor for the first few years of his service.

He must possess good eye-sight and hearing, and a sound constitution, and be fit for service in any part of the Island.

Medical Examination.—A successful candidate will be required to pass a medical examination, for which he will be

called upon to pay a fee of Rs. 21. Final selection will depend upon his passing this further medical examination.

Testimonials.—Only copies of testimonials, not the originals, should be forwarded.

Not more than six testimonials, of which one should be signed by the candidate's school principal, should be sent, and no testimonial will carry any weight which is not signed by someone who is himself personally acquainted with the candidate. Any form of canvassing or attempt to influence the selection of a candidate will render the latter's application liable to be ignored.

The application form, duly filled in, should reach this office not later than July 10, 1933. The form should be accompanied *only* by copies of testimonials. Original testimonials, birth certificates, and any other documents required need not be forwarded till called for.

SALE OF TOLL AND OTHER RENTS.

Resale of Ferry Toll Rents, Jaffna District, 1932-33.

NOTICE is hereby given that sealed tenders will be received by the Government Agent of the Northern Province, or by his Office Assistant at the Jaffna Kachcheri at 12 noon on Monday, June 19, 1933, for the purchase of the following ferry toll rent for the period June 20 to September 30, 1933:—

Pannaiturai.

Tenders must be handed in personally and no tender received by post will be accepted, nor will any tender received after the day and hour mentioned above be considered.

The successful tenderer will be required to deposit forthwith one-tenth of the purchase amount in cash and should the offer be accepted by His Excellency the Governor to furnish approved security for one-half of the purchase amount, or in cash for one-third of the purchase amount within twenty days of the date of the receipt by him of the notification of the Governor's acceptance of his offer.

He shall also deposit on the day of sale a sum to be fixed by the Government Agent as security for the payment of the cost of all repairs to the ferry boats.

He will also be required to deposit money to pay the fees of the Crown Proctor for examining and giving his opinion on the title deeds of properties tendered by him as security and for examining and settling the security bond, and the fees charged by the Crown Proctor for examining documents and drawing the security bond, the expenses of appraising the properties, and the stamp duty on the bonds under the Ordinance No. 22 of 1909.

All title deeds tendered as security should be accompanied by a certificate obtained from the Registrar of Lands that the lands to which they relate are unencumbered.

This certificate must be obtained at the cost of the party offering the security.

Further information may be obtained on application to the Government Agent, Jaffna.

Rents for which satisfactory tenders are not received will be put up to auction after opening of the tenders on the same day for which tenders are called.

The Kachcheri,
Jaffna, June 5, 1933.

P. MORTIMER,
for Government Agent.

4. No tender will be considered unless the person making such tender is present in person at the specified time on July 12, 1933. A tender may be sent in by post but the envelope must be sealed and marked "Toddy Rent Tender" in red ink.

5. Each tenderer should enclose a Kachcheri receipt for a sum of Rs. 250 deposited at any Kachcheri for fulfilment of the sale conditions. All such deposits should be made in the name of the Assistant Government Agent, Nuwara Eliya, and will be liable to forfeiture if the successful tenderer fails to sign the conditions immediately he is declared the purchaser.

6. The Assistant Government Agent reserves to himself the right of rejecting any or all tenders and of putting up immediately to public auction any tavern for which a satisfactory tender has not been received.

7. Further information can be obtained on application from the Nuwara Eliya Kachcheri.

R. N. BAND,
The Kachcheri, Assistant Government Agent.
Mullaittivu, June 1, 1933.

Sale of Toddy Rents, Puttalam and Chilaw Districts, 1933-34.

TENDERS will be received at Chilaw Kachcheri by the Assistant Government Agent, Puttalam and Chilaw Districts, at 11 A.M. on Tuesday, July 4, 1933, for the purchase of the exclusive privilege of selling fermented toddy by retail in the localities specified in schedule "A" below

for the period of 12 months from October 1, 1933, to September 30, 1934, subject to the toddy rent sale conditions published in the *Government Gazette* No. 7,981 of May 12, 1933, and the general conditions applicable to all Excise Licences published in the *Government Gazette* No. 7,704 of April 12, 1929.

2. The privileges in respect of the taverns shown in schedule "B" below will be granted either for the area of each individual tavern, or for the area of a group of taverns as shown thereunder, at the discretion of the Assistant Government Agent; and tenders for these taverns are therefore invited both singly and in groups.

3. Every tender shall be made on the prescribed form obtainable either at the Puttalam Kachcheri or at the Chilaw Treasury, and must be made by the tenderer in his own name. No tender will be accepted if made through an agent.

4. A separate tender shall be sent for each tavern or for each group of taverns; and no person shall send in more than one tender for any one tavern or group of taverns.

5. Every tender shall be accompanied by a Treasury or Kachcheri receipt acknowledging the deposit of a sum of Rs. 100 and the number and date of such receipt must be entered on the face of the tender form.

6. Every tender shall be placed in a sealed envelope clearly marked in the top left hand corner with the number and name of the tavern in respect of which the tender is made or the letter attached to the group in schedule "B" and the names of the taverns in that group, and handed to the Assistant Government Agent at the appointed place and time. No tender will be considered unless the person making such tender is present in person at the time of sale.

7. The Assistant Government Agent reserves to himself the right of rejecting any tender or bid without assigning any reason therefor; and in the event of his so rejecting all the tenders, he may put up the privilege for sale by auction. At such auction only those persons shall be allowed to bid from whom tenders have been received or who produce a Treasury or Kachcheri receipt acknowledging the deposit of a sum of Rs. 100 in respect of each exclusive privilege for which they desire to bid.

8. The successful tenderer or bidder shall, immediately on being granted the privilege, sign the conditions of sale and pay to the Assistant Government Agent as a security deposit a sum equivalent to two months' rent of the privilege.

9. It has to be noted by all tenderers that on and after October 1, 1933, the possession of toddy in any quantity whatsoever will be prohibited, except upon a permit granted by an Excise Officer, in the Sanitary Board areas of Madampe, Marawila, and Nattandiya, and in the Vidane Arachchi's divisions of Otara Palata Central and South.

10. Conditions of sale and any other particulars can be obtained on application at the Puttalam Kachcheri.

NOTIFICATIONS UNDER "THE PATENTS ORDINANCE, 1906."

THE following specifications have been accepted:—

No. 2,642 of April 7, 1933 (date applied for under Section 50 of the Ordinance, April 11, 1932).

Alexander Sanderson.

Improvements in and relating to moulding articles of concrete or other plastic material.

Abstract.—The inventor claims apparatus and methods for the moulding of articles such as ducts, pipes, conduits, culverts, poles, piles, beams, columns, railway sleepers and like bodies of circular, oval, rectangular or polygonal form from concrete or other plastic materials.

There are twenty-seven claims and four sheets of drawings.

No. 2,654 of May 16, 1933.

Allmanna Svenska Elektriska Aktiebolaget.

Regulating means for tea withering installations.

Abstract.—The drying capacity of the air or the rate of the current of air is regulated by means of a regulator, consisting, for instance, of wet and dry elements, which are combined so as to transmit a certain electric current when

a certain difference of temperature between the dry and wet elements has been reached. This current directly or indirectly actuates the controlling devices of means for controlling the conditions of the inlet air. Different kinds of time mechanism are described.

There are six claims and one sheet of drawings.

No. 2,662 of May 24, 1933 (date applied for under Section 48 of the Ordinance, March 20, 1928).

Heinrich Wilhelm Ulrich.

Improvements in or relating to methods and apparatus for heating air or the like.

Abstract.—A method for heating air used for drying, in which a fuel mixture is burnt in direct connection with the air to be heated. The gaseous products of combustion are introduced transversely into the current of air. The apparatus for the purpose comprises a combustion chamber arranged in annular manner around a chamber for the passage of the air to be heated. The fuel supply inlets open tangentially into the combustion chamber.

There are six claims and one sheet of drawings.

J. P. C. CHANDRASENA,
Registrar of Patents.
