## PROCLAMATIONS BY THE GOVERNOR.

BY HIS EXCELLENCY THE GOVERNOR.

A PROCLAMATION.

GRAEME THOMSON.

KNOW Ye that We, the Governor, do hereby proclaim the by-law set out hereunder, made by the Municipal Council of Kandy, under sections 109 and 110 of "The Municipal Councils Ordinance, 1910," and confirmed under the said section 109 by Us by virtue of the powers vested in the Governor by Article 93 of the Ceylon (State Council) Order in Council, 1931.

By His Excellency's command,

C. C. WOOLLEY,

Colombo, June 9, 1932. Secretary to the Governor.

GOD SAVE THE KING.

BY-LAW.

By-law 156c.—On being satisfied that for the prevention of wastage, misuse, or undue consumption of water from the Municipal Waterworks, supplied to any private premises and stored in any cistern within such premises, it is necessary to effect a reduction in the size, or any other alteration, of any cistern, or, the alteration of the arrangement, size, position, nature, or condition of any pipe, tap, valve, meter, or other fitting, situated within such private premises, the Chairman may serve a Notice upon the Owner or Occupier of such premises, in the form hereunder given, specifying the alterations required, and such alterations shall be made by the Owner or Occupier, to the satisfaction of the Chairman, within such time as may be specified in the said Notice.

In the event of the name or residence of the Owner or the name of the Occupier being unknown, such Notice may upon the written order of the Chairman be affixed in a conspicuous place upon the premises to which it refers, and it shall thereupon be deemed to have been duly served for the purposes of this by-law.

Form of Notice.

The Municipal Office,  
Kandy, \_\_\_\_\_, 19\_\_\_\_.

To the Owner or Occupier of House No. \_\_\_\_\_  
of \_\_\_\_\_ Street, Kandy.

Take notice that the water service to the above-mentioned premises having, on inspection, been found to require alteration, you are required to take steps to carry out the alteration or repairs set forth in the accompanying Memorandum, which I certify to be necessary.

Should you fail to carry out such alterations and repairs within \_\_\_\_\_ days after receipt of this Notice, the service to your premises will be discontinued and will not be reconnected until the requirements of this Notice are complied with to my satisfaction.

Chairman,  
Municipal Council, Kandy.

Min. L.I.C./M 73 M/32

BY HIS EXCELLENCY THE GOVERNOR.

A PROCLAMATION.

GRAEME THOMSON.

KNOW Ye that We, the Governor, by virtue of the powers vested in Us by Article 93 of the Ceylon (State Council) Order in Council, 1931, do hereby, under section 31 of "The Births and Deaths Registration Ordinance, 1895," declare that the provisions of the said section 31 of the Ordinance and of the six sections following thereafter shall come into operation from and after the first day of July, 1932, in the town and places mentioned in the first column of the schedule hereto, and We do hereby further define the limits of the said town and places within which the provisions of the said sections of the Ordinance shall come into operation as set out in the second column of the said schedule.

By His Excellency's command,

C. C. WOOLLEY,

Colombo, June 7, 1932. Secretary to the Governor.

GOD SAVE THE KING.

THE LABOUR ORDINANCE, No. 1 OF 1923.

Notification No. 60.

REGULATIONS under sections 14 and 23 of the Labour Ordinance, No. 1 of 1923, made by the Governor by virtue of the powers vested in him by Article 93 of the Ceylon (State Council) Order in Council, 1931.

By His Excellency's command,  
Chief Secretary's Office, F. G. TYRRELL,  
Colombo, June 13, 1932. Acting Chief Secretary.

#### REGULATIONS.

The regulations dated July 12, 1923, and published in *Gazette* No. 7,339 of July 13, 1923, as amended by the regulations dated October 24, 1923, and published in *Gazette* No. 7,358 of October 26, 1923, by the regulations dated October 31, 1923, and published in *Gazette* No. 7,359 of November 2, 1923, and by the regulations dated June 24, 1931, and published in *Gazette* No. 7,863 of June 26, 1931, are hereby further amended as follows:—

1. By the addition to Regulation 1A of the following proviso:

"Provided that the Governor may by Notification in the *Gazette* exempt employers of Indian Immigrant Labourers from the operation of this regulation, for a period to be specified in such Notification without affecting however in any manner whatsoever any liabilities incurred prior to the date of such Notification, in respect of estates or portions of estates planted exclusively in any one of the products named in Schedule A to these regulations."

2. By the deletion of paragraph (ii.) of regulation 1B and the substitution of the following paragraph therefor:

"(ii.) (a) Where the average number of Indian Immigrant labourers employed on any estate during the quarter immediately preceding has been more than five, and where such average number works out at less than one labourer to each unit of cultivation as hereinafter defined, the Controller shall assess the amount payable in respect of such estate on the basis that each labourer of the aforesaid average number represents a unit of cultivation for the purposes of the calculation of fees.

(b) The unit of cultivation shall in this context be deemed to be—

- (1) for estates planted in tea alone: two acres; and
- (2) for estates planted in any one of the other products or in any combination of the products enumerated in Schedule A: an acreage bearing the same ratio to one acre as twice the rate payable in respect of tea bears to the rate payable in respect of any one of the other products or of any combination of products.

(c) No estate or portion of an estate in respect of which an employer has already been exempted from the operation of the foregoing Regulation 1A by the proviso thereto, shall be brought into account for the purpose of ascertaining whether such employer is entitled to pay reduced fees under this paragraph of this regulation.

Illustrations.—(i.) If the fee per acre payable in respect of tea is Re. 1.50 and the fee per acre payable in respect of rubber is 30 cents, for the purposes of this paragraph of this regulation the unit of cultivation for rubber is  $\frac{150}{30} \times 2 = 10$ .

(ii.) If the fee per acre payable in respect of tea is Re. 1.50 and the fee per acre payable in respect of tea interplanted with rubber is 90 cents, for the purposes of this paragraph of this regulation the unit of cultivation for tea interplanted with rubber is  $\frac{150}{90} \times 2 = \frac{10}{3}$ .

3. By the deletion of proviso (1) in Schedule A to the aforesaid regulations and by the renumbering of provisos (2), (3), and (4) respectively as "(1)," "(2)," and "(3)."

HIS Excellency the Governor has been pleased, with the approval of the Secretary of State for the Colonies, to direct that the following amendment be incorporated in the Minutes on Pensions:—

Delete sub-sections (1), (2), and (3) of section 2A and substitute therefor sub-section (1), as follows:—

2A. (1) An officer to whom a pension or annuity is granted under these regulations may, at his option, be paid, in lieu of such pension, a pension at the rate of three-fourths of such pension, together with a gratuity equal to ten times the annual value of the reduction so made in the pension.

(ii) The option referred to above is exercisable not later than the date of retirement.

Provided that in a case where an order of retirement is retrospective in its effect the officer may exercise his option within two months of the date on which the order of retirement is communicated to him.

A 2

Provided further that the Governor may authorize the acceptance of an option received at a date later than the date herein prescribed, if it is established that an officer was prevented by causes not within his control from exercising the option by the prescribed date, but in no case shall an option be accepted after a retired officer has begun to draw pension or annuity.

(iii) The date of the exercise of the option shall be deemed to be the date of the receipt of an officer's written notification in the General Treasury, Colombo, or the Office of the Crown Agents for the Colonies, London.

Remember the existing sub-sections (4) and (5) as (2) and (3).

Fees cannot be returned after this date, viz., March 1. (b) If notice of withdrawal is received in this office not later than April 11, a candidate for the entire examination will be credited with Rs. 84, a candidate for the examination in a "referred" subject or for the Intermediate Science (Economics) Examination one part only will be

credited with Rs. 35. (c) Candidates who fail to give notice of withdrawal by the above-mentioned dates and who do not present themselves for an examination will be credited with the portion of the fee as follows:—

	Rs.	c.
A candidate for the entire examination	49	0
A candidate for the examination in a referred subject or the examination in Intermediate Science (Economics) one part only	24	50

(d) A candidate whose entry for an Intermediate Examination (entire) has been accepted provisionally pending the results of a January Matriculation Examination but is found ineligible owing to his failure in the latter examination will be entitled to a refund of Rs. 98.

Every candidate who is credited with a portion of the fee in accordance with the preceding paragraph when re-entering must pay the extra amount necessary to make up the fee due, particulars of which are given in paragraph 5 above.

If a candidate retire after the commencement of the examination or fail to pass it the full fee shall be payable upon re-entry.

### INTERMEDIATE EXAMINATION IN ARTS. Scheme of Examination.

The examination shall be a Pass Examination only.

Candidates shall be examined in four subjects as follows:—

(1) Latin with Roman History, † or Greek with Greek History. †

(2) One of the following subjects:—

Latin, with Roman History, if not already taken under (1),	Sanskrit, Pali, Bengali, Gujarati, Hindi, Marathi, Sinhalese, Urdu, Tamil, Arabic,	Persian, Turkish, Malay, Chinese, Japanese, Hebrew, Advanced Modern English Literature, British Constitution.
--	--	---

(3) One of the following subjects:—

Pure Mathematics, Applied Mathematics, Logic, Ethics, Physics, Chemistry, Botany,	Geology, History of Architecture, Geography, Economics, Zoology, Law.
---	---

(4) Any one of the previous subjects not already taken or History or Modern European History or Ancient History.

The examination shall be conducted mainly by means of printed papers; but for the purpose of ascertaining the competence of a candidate to pass, the Examiners shall not be precluded from putting *vivâ voce* questions to any candidate.

In all subjects there shall be two papers of three hours each, except in the case of History of Architecture and Geography. In Physics, Chemistry, Botany, Geology, and Zoology there will be in addition a practical test.

In the Physics, Chemistry, Botany, Geology, and Zoology Papers questions will be set involving (1) the translation of passages in French or in German, and (2) answers with regard to the subject-matter thereof. Candidates are recommended to read some books or papers in French or in German on the subjects which they select for the examination. The questions in French and German which are set in papers in Science and Mathematical subjects shall be optional in the case of candidates sitting in the Dominions and in the Colonies.

No candidate offering an Experimental Science subject will be allowed to pass who fails to satisfy the Examiners in the practical part as well as the written part of the examination in the subject chosen.

Candidates shall not be approved by the Examiners unless they have shown a competent knowledge in each of the subjects selected by them.

### References.

A candidate at the Intermediate Examination who takes all the four prescribed subjects on one and the same occasion, but who fails to reach the minimum standard in one subject only may be "referred," i.e., he may be permitted, on the recommendation of the Examiners, to present himself in that subject alone on one occasion only at one of the next two Intermediate Examinations in Arts. Referred candidates who do not pass in their referred subjects within the above stated limits will be required when re-entering to offer all four subjects again. †

The Examiners will recommend that a candidate be referred only if his failure in one subject is not serious, and if his performance in the remaining three subjects is reasonably good.

A candidate who has completed the Intermediate Examination after having been referred in one subject will be deemed for all purposes to have passed the examination in question on the date of completion.

### Supplementary Subjects.

Candidates who have passed the Intermediate Examination in Arts may enter for examination in one or more supplementary subjects.

Sanskrit, Pali, Classical Chinese, Classical Hebrew, Classical Persian. A candidate will be required to send to the Education Office his birth certificate or other original documentary evidence clearly establishing his claim to take a substituted language.

† "Referred" candidates must re-enter in accordance with the General Regulations.

\* The fee should not under any circumstances be remitted direct to this office or to the University. Only Bank Receipts will be accepted.  
† A candidate who is a native of Asia or Africa (and not of European or American parentage), or who is of Jewish nationality and has resided continuously for not less than five years in Palestine subsequent to completing his twelfth year of age may substitute for Latin with Roman History or Greek with Greek History any one of the following languages: Classical Arabic,

## EXEMPTIONS.

(Note.—No exemptions from this examination are given in whole or in part except on the results of examinations of this University.)

Candidates who have passed the Internal Intermediate Examination, in accordance with the conditions then in force for External Students, are entitled to exemption from the External Intermediate Examination in Arts; and if the combination of subjects did not comply with the requirements for External Students, such candidates may be exempted on passing in the necessary Supplementary Subjects.

Candidates who prior to 1930 have passed the Intermediate Examination in Divinity with Latin and/or Classical Greek are exempted from the corresponding papers at the Intermediate Examination in Arts.

Graduates in Theology who passed the Intermediate Examination in Divinity prior to 1930 shall be exempted from the Intermediate Examination in Arts.

Graduates in Laws shall be exempted from examination in Law at the Intermediate Examination in Arts.

Candidates who have passed the Intermediate Examination in Science with any of the subjects included in section (3) of the Intermediate Examination in Arts or with French (under the War Scheme) shall be exempted from examination, under sections (3) and (4) of the Intermediate Examination in Arts, in the subjects in which they have so passed. Similarly, Bachelors of Science of this University shall be exempted from examination in subjects included in their Final Science Examination.

Graduates in Science in Engineering shall be exempted from examination in the Pure and Applied Mathematics of the Intermediate Examination in Arts.

Graduates in Science (Economics) shall be exempted from examination in Economics at the Intermediate Examination in Arts.

Candidates who have passed the Intermediate Examination in Economics shall be exempted from examination in Economics at the Intermediate Examination in Arts; candidates who have passed the Intermediate Examination in Commerce shall be exempted from examination in Economics and Geography at the Intermediate Examination in Arts.

## SYLLABUSES FOR INTERMEDIATE ARTS EXAMINATION.

(Note.—A list of all the prescribed books and periods of history will be found in the Appendix to these Regulations.)

*Latin with Roman History (Two Papers).*

(1) Prepared prose book with questions on Roman History (including Historical Geography) from 280 B.C. to 14 A.D. Translation of English sentences into Latin. As an alternative to Roman History, 280 B.C. to 14 A.D., candidates may offer Roman Life with outlines of Roman Political History.\*

(2) Prepared verse book. Questions on Grammar. Translation into English of easy passages not prescribed.

*Greek with Greek History (Two Papers).*

(1) Prepared prose book with questions on Greek History (including Historical Geography) from 660 B.C. to 323 B.C. Translation of easy sentences into Greek. As an alternative to Greek History, 660-323 B.C., candidates may offer Greek Life with outlines of Greek Political History.†

(2) Prepared verse book. Questions on grammar. Translation into English of easy passages not prescribed.

*English (Two Papers).*

Composition: History of Literature; Texts.

*History of Literature* to include the outlines of Literary History from 1579 to 1800 with selected works.

Selected works to be studied from a Literary and Linguistic point of view.

A certain amount of 14th century literature, e.g., some of the *Canterbury Tales* or some of *Piers Plowman*.

(Note.—Anglo-Saxon will not be required.)

*French, German (Two Papers in each).*

Grammar: Translation; Composition.

Composition: (i.) Translation from English, and (ii.) some form of free composition.

(Note.—Books will not be prescribed.)

The examination will include a test in writing from dictation in correct reading, and in simple conversation.

*Sanskrit, Pali (Two Papers in each).*

(1) Translation from specified texts, with questions on their language and subject-matter and on outlines of Indian History up to the First Century A.D. (i.e., the period covered by Rapson's *Ancient India*).

\* The outlines of the following subjects should be studied in this course: (i.) the Geography of Italy and the Mediterranean lands; (ii.) the private and social life of the Romans; (iii.) Roman Economic History; (iv.) Roman religion; (v.) the distinctive features of Roman political history and institutions.

† The outlines of the following subjects should be studied in this course: (i.) the Geography of the Greek lands; (ii.) the private and social life of the Greeks; (iii.) Greek Economic History; (iv.) Greek religion; (v.) the distinctive features of Greek political history and institutions.

(2) Translation from unspecified texts; translation from English; questions on grammar.

*Bengali, Gujarati, Hindi, Marathi, Sinhalese, Tamil, Urdu (Two Papers in each).*

(1) Translation from specified texts, with questions on their language and subject-matter.

(2) Translation from unspecified texts; translation from English; questions on grammar.

*Arabic (Two Papers).*

(1) Set books, with questions on Arab History. Questions on grammar.

(2) Translation into English of easy passages not prescribed; Composition.

*Persian (Two Papers).*

Translation of passages from prescribed works.

Translation of an easy passage from an unspecified work.

Translation of an easy passage into Persian.

Grammatical questions (Ranking's edition of Platts' Grammar).

*Turkish (Two Papers).*

Translation of selected passages from—

Abd el Hakk Hâmid: *Dukhtari Hindu*.

Namûna'î adabîyyât.

Murâd Bey: *Mukammal Târikhi Usmâni, Vol. 7.*

Translation of an un-prescribed easy passage from Turkish into English.

Translation of an easy passage from English into Turkish. Grammar.

*Malay (Two Papers).*

Translation of selected passages from the *Pelayaran Abdullah and Sejarah Melayu* (first ten Chapters).

Translation of an un-prescribed easy passage from Malay.

Translation of an easy passage into Malay. Grammar.

*Chinese (Two Papers).*

(1) Translation from specified books, with grammatical and other questions.

(2) Translation of unseen passages from and into Chinese. Questions on Chinese Geography, History, and Literature.

(Note.—For non-Chinese students the examination will include a  *viva voce*  test in colloquial Mandarin; the Chinese passages set will be in Mandarin, and Mandarin will be accepted for the translation into Chinese.)

*Japanese (Two Papers).*

Paper 1.—Translation from specified texts.

Paper 2.—(a) Translation into Japanese (Rōmaji).

(b) Questions on the grammar of the spoken language, and the main principles of the grammar of the written language.

*Hebrew (Two Papers).*

(1) Prescribed Books:—History: The Assyrian and Babylonian supremacy in Western Asia in the 8th and 7th centuries B.C., and down to 586 B.C. Questions will be set on the Historical and Physical Geography of Palestine, especially as illustrating the movements of the period above mentioned. Prose composition and pointing will be included.

(2) Questions on grammar will be set and passages of unspecified books for translation into English.

*Advanced Modern English Literature (Two Papers).*

I.—History of English Literature from 1660 to 1900, with special study of prescribed books.

II.—Shakespeare, with selected plays to be specially studied.

*British Constitution (Two Papers).*

Outlines of the Constitution and Public Administration of the United Kingdom at the present day, including the Organization and Working of Parliament, the Executive (Crown, Ministers, and Civil Service), and the Judiciary; the Constitution and Powers of the Local Authorities in England; the relations between the United Kingdom and its Colonies and Dependencies.

Candidates will be expected to have some acquaintance with the chief events in the development of British political institutions since 1832.

*Pure Mathematics (Two Papers).*

*Algebra.*—The Arithmetic and the Algebra of the Matriculation Examination, and further Algebra, including the theory of Quadratic Equations, the Convergency of Geometric Series, Permutations and Combinations, the Binomial Theorem for Positive Integral Indices, the Theory of Indices, the Nature and Use of Logarithms and of Logarithmic Tables, Interest, and Annuities.

**Geometry.**—The Geometry of the Mätriculation Examination, together with the Geometry of Similar Rectilineal Figures, Mensuration of Plane Rectilineal Figures and of the Circle, the Elementary Properties of the Plane, including those of the angles made by planes with straight lines and with one another, the Elementary Properties of the Sphere and Plane Sections thereof, Mensuration of Simple Solid Figures, including the Tetrahedron, Cylinder, Cone, and Sphere. The meaning of Rectangular and Polar Co-ordinates and Elementary exercises in their uses. Representation of Equations by Curves with easy applications. Tangent to a Curve.

**Elementary Analysis.**—Measurements of Angles, Trigonometrical Functions and their Graphs, Approximate Values of the Trigonometrical Functions of Small Angles, Elementary Trigonometrical Formulae, including addition Formulae and their Applications, Properties of Triangles. Solution of Triangles and Applications, with numerical examples involving the use of Logarithmic and other Tables. Meaning of a Differential Co-efficient. Differentiation of  $x^n$  ( $n$  an integer positive or negative), of  $\sin x$  and  $\cos x$ , of a Product and a Quotient; and Simple Deductions therefrom, with Geometrical Illustrations.

#### *Applied Mathematics (Two Papers).*

**Statics.**—Equilibrium of one or more bodies under the action of Uniplanar Forces or of Parallel Forces. Properties of the Centre of Mass and its determination in simple cases. Statics of Simple Mechanisms. The Simpler Linkages. The Elementary Laws of Friction.

**Dynamics.**—Velocities and Accelerations, including their Resolution and Composition. Mass, Momentum, Force, Work, Energy, and Power. Change of Units—Dimensions. Motion under the action of a Force which is constant in Magnitude and Direction. Simple Problems on the Motion of Projectiles. Circular Motion. Simple Harmonic Oscillations. The Simple Pendulum. Simple Cases of Direct and Oblique Impact.

**Hydrostatics.**—Pressures of Liquids on Plane Areas. Pressures of Liquids on Solid Bodies, partially or wholly immersed, and Conditions of Equilibrium of such Bodies. Specific Gravities and Densities of Substances, Solid and Liquid, and methods of determining them.

Simple applications of the foregoing subjects.

#### *Logic (Two Papers).*

[This Syllabus is intended to indicate the general scope and character of the curriculum, without being exhaustive of all parts of the subject.]

Scope of Logic. Laws of Thought. Terms. Formal Division and Definition. Predicables. Propositions and their Import. Forms of Immediate Inference. Syllogism and other varieties of Deductive Reasoning. Trains of Reasoning. Functions of Syllogism. Inductive Inference. Postulates of Induction. Induction and Analogy. The Relation of Induction to Deduction. Theory of Scientific Method. Observation and Experiment. Hypothesis. Empirical and Causal Laws. Methods of Scientific Explanation. Elimination of Chance. Scientific Definition and Classification. Nomenclature and Terminology. Fallacies.

#### *Ethics (Two Papers).*

(1) Scope of Ethics. Moral concepts and judgments. General nature of desire and will. Conduct and Character. Customary morality. Reflective morality. Theories of moral sense and of moral intuition. Conscience, conception of a moral end. Pleasure, happiness, moral excellence, &c. Relation of the individual to society. Duties and rights. Moral institutions. The ethical virtues. Human freedom and responsibility.

(2) Leading ideas of Plato's *Republic*.

#### *Physics (Two Papers and a Practical Examination).*

[Candidates will be expected to show an acquaintance with the fundamental principles of mechanics up to the standard of the Mätriculation Examination, and to acquire a general knowledge of the apparatus by which the elementary principles of Physics are illustrated and applied.]

##### *General Properties of Solids, Liquids, and Gases.*

Relation between Volume and Pressure in Gases. Friction and Viscosity. Surface Tension. Diffusion. Osmosis. Stretching of Wires. **Heat.**—Temperature. Instruments for the measurement of Temperature. Expansion of Solids, Liquids, and Gases with rise of Temperature. Isothermal and Adiabatic Expansion. Quantity of Heat. Specific Heat. Change of State. Latent Heat. Vapour Pressure. Boiling Point. Dew Point. Formation of Cloud, Fog, and Dew. Conduction. Definition of Thermal Conductivity. Convection. Radiation. Newton's Law of Cooling. The Mechanical Equivalent of Heat and Modes of Determination. The Conservation of Energy.

##### *Sound.*—The Production and Propagation of Sound.

Nature of Wave-motion. Amplitudes. Wave-length. Frequency. Experimental determination of the Velocity of Sound in Air. Effect of change of Temperature on the Velocity. Reflexion.

Determination of Frequency by simple methods. Experimental investigation of the modes of Vibration of Strings by means of the Sonometer.

Experimental investigation of the Vibrations of Air in pipes by Resonance to Tuning Forks.

Organ Pipes. Position of Nodes and Antinodes.

**Light.**—Propagation of Light. Laws of Reflexion and Refraction. Photometry.

Reflexion at Plane and Spherical Surfaces, and the formation of Images.

Refraction at Plane Surfaces and by Prisms. Minimum Deviation. Chromatic Dispersion.

The General Laws of Radiation: Visible, Ultra-violet, Infra-red.

Emission and Absorption.

Heating Effects of Radiation.

Phosphorescence and Fluorescence.

The Formation of Images by Single Lenses. Long and Short Sight and their correction by Lenses.

The Combination of Two Lenses to form a simple Telescope or Microscope.

Measurement of Velocity of Light. Simple Properties of Polarized Light.

#### *Magnetism and Electricity.*

Properties of Magnets. Simple Phenomena of Magnetization. The Magnetic Field. Lines of Force. The Law of Magnetic Force. Magnetic Moment.

Intensity of Magnetization.

The Earth as a Magnet.

The Magnetic Properties of Iron and the Elementary Laws of the Magnetic Circuit.

The Simpler Phenomena of Electrified Bodies. Conduction and Insulation. Electrification by Friction and by Induction (Influence).

Distribution of Electrification on Conductors.

Electric Field. Strength of Field.

The Law of Electric Force.

Potential. Capacity. Energy of Charge.

Electroscopes and Electrometers.

Electric Current.

Magnetic Field of Current. Magnetic Measurement of Current. Galvanometers.

Work done by an Electric Current.

Electromotive Force. Difference of Potential. Resistance.

Ohm's Law; Wheatstone's Bridge; Potentiometer; Resistance of Cells; Volt; Ohm; Ampere; Ammeters; Voltmeters.

Heating Effects of Currents.

Elementary Phenomena of Electrolysis. Faraday's Law.

Voltmeters.

Primary and Secondary Batteries.

Action on Current Circuits in a Magnetic Field.

Electro-magnetic Induction. Faraday's Law. Lenz's Law. Induction Coil.

A Thermo-electric Couple. Simple Phenomena of discharge in Gases.

#### *Practical Examination.*

[The following scheme is not exhaustive, and is intended merely to show the general nature of the exercises at the Practical Examination. The Examiners are not precluded from setting other exercises and practical problems illustrative of the principles set forth in the Syllabus.]

Measurements of Length, Mass, and Time involving eye estimation of tenths of a division; use of Vernier; use of the Balance (weighing to one Centigramme); use of a Seconds hand watch.

Determination of Volumes.

Specific Gravities of Solids, Powders, and Liquids.

Use of the Hydrometer.

Verification of Boyle's Law.

Determination of the Centre of Gravity of a Plate.

Determination of  $g$  by Simple Pendulum.

Determination of Velocity of Sound in a Tube by Resonance with a Fork.

Use of the Sonometer.

Use of Thermometers, and Determination of Fixed Points.

Simple Methods of determining Specific Heat and Latent Heat of Fusion and Evaporation.

Determination of Dew Point.

Use of Simple Photometers.

Focal Lengths of Mirrors.

Focal Lengths of Lenses.

Arrangement of two Lenses to make simple forms of Telescope, Microscope, and Projection Lantern.

Simple use of Spectrometer.

Tracing the path of a Ray of Light through a block of glass and Deduction of Refractive Index.

Refractive Index by Method of Apparent Thickness.

Tracing the lines of force in the neighbourhood of a Magnet.

Comparison of Magnetic Moments and Fields.

Measurement of Resistance of Wires and Cells.

Comparison of Electromotive Forces with Potentiometer.

Measurement of Electro-chemical Equivalent.

Candidates must bring to the Practical Examination their Notebooks certified by their teachers as being the record of their work carried out by the candidates in the laboratory, so that the Examiners may inspect them if they so desire. These Notebooks must be taken away by the candidates at the close of the examination.

*Chemistry (Two Papers and a Practical Examination).*

The following outline is given for the general guidance of candidates as indicating the range of the Written Part (I.) and Experimental Part (II.) of the examination in Chemistry:—

## I.

The methods which lead to the discovery of the composition of the common materials occurring in nature. The history of the discovery of the composition of air and water. The laws of chemical combination. The atomic and molecular theories. Equivalent atomic and molecular weights, and the methods of their determination, including atomic heats and isomorphism. Valency and structural formulae. The classification of the elements according to the periodic system.

The elements of physical chemistry, including the following:—The properties of gases and solutions. Thermal dissociation. Osmotic pressure, and determination of molecular weights in solution by the freezing point method. Diffusion. Colloidal solutions. Electrolysis and the theory of electrolytic dissociation. Electrical conductivity. Hydrolysis. Strengths of acids and bases. Chemical equilibrium and simple examples of the law of mass action. Catalysis. Thermo-chemistry. Combustion and flame.

The history, production and properties of the more important and typical elements, and their most familiar compounds (including those of carbon as follows: carbon monoxide, carbon dioxide, carbon disulphide, methane, ethylene and acetylene).

*The whole to be treated as far as possible experimentally, and in an elementary manner.*

One alternative question on elementary organic chemistry will be set in each paper according to the following syllabus—Hydro-carbons, halogen derivatives, alcohols, ethers, aldehydes, ketones, acids, and esters, as illustrated by the study of methane, ethylene, acetylene, methyl and ethyl alcohols, diethyl ether, formaldehyde and acetaldehyde, acetone, formic, acetic and oxalic acids, ethylacetate; glycerol; fats and soaps (from an experimental standpoint only); benzene, nitrobenzene, aniline and phenol. Candidates will be expected to show a practical acquaintance with all the particular substances specified.

## II.—Practical Examination.

[Candidates will be allowed to bring into the Examination Laboratory any one book on Quantitative Analysis provided that it does not contain any reference to Qualitative Analysis.]

Candidates will be required to show that they are familiar with easy quantitative operations, gravimetric and volumetric with the rudiments of qualitative analysis, and that they have prepared a number of elements or compounds by processes involving the manipulation of gases and the purification of substances by crystallisation, distillation, &c. Candidates are required to bring to the Practical Examination their original laboratory notebooks for inspection, should the Examiners so desire. These notebooks must be taken away by the candidates at the close of the examination. Specimens made by the candidate, duly attested by the Teacher, may also be submitted to the Examiners.

*Botany (Two Papers and a Practical Examination).*

No candidate will be allowed to pass who fails to satisfy the Examiners in the practical part as well as the written part of the examination.

*Morphology.*—The structure and properties of the cell and of the various kinds of tissues; cell formation and the development of the tissues. The plant body; its structure, development, and various modifications.

*Special Morphology, Reproduction, and Taxonomy.*

The morphological and physiological characteristics of Angiosperms, as exemplified by plants belonging to the following natural orders:—Dilleniaceae, Malvaceae, Portulacaceae, Myrtaceae, Leguminosae, Cucurbitaceae, Compositae, Convolvulaceae, Acanthaceae, Scrophulariaceae, Euphorbiaceae, Palmaceae or Commelinaceae, Orchidaceae, Gramineae.

The morphological and physiological characteristics of Gymnosperms, as exemplified by Cycas.

The morphological and physiological characteristics of Pteridophyta, as exemplified by Selaginella, Aspidium, Asplenium, or Adiantum.

The morphological and physiological characteristics of Bryophyta, as exemplified by Polytrichum (or Funaria) and by Marchantia (or Lunularia).

The morphological and physiological characteristics of Algæ, as exemplified by Fucus, Oedogonium, Pleurococcus, and Spirogyra.

The morphological and physiological characteristics of Fungi, as exemplified by Agaricus, Eurotium, Pythium, Saccharomyces, Bacillus.

*Elementary Physiology.*

The Chemical nature of the food elements of plants. Their courses, the modes in which they are respectively absorbed by the organism.

The absorption of water—turgescence, transpiration, root pressure.

Movements of water in plants.

Aeration and respiration.

Photosynthesis. Outlines of metabolic changes within the plant.

Growth

Irritability, Geotropism, Heliotropism.

Elementary aspects of Evolution and Genetics.

*Practical Examination.*

The practical work will include the dissection and examination of plants or parts of plants, and the reference to their systematic position of plants or parts of plants comprised in the foregoing Syllabus.\* Simple experiments in Practical Physiology may be set.

Candidates are required to bring to the Practical Examination their laboratory notebooks for inspection, should the Examiners so desire. These notebooks must be taken away by the candidates at the close of the examination.

*Geology (Two Papers and a Practical Examination).*

I.—*Physical Geology.*—(a) The Earth as a Planet: Origin and general characters of its chief surface features.

(b) The physical condition of the earth's crust and interior: Evidences of internal activity such as volcanic, seismic, and diastrophic phenomena.

(c) General characters and inter-relationships of rocks.

(d) The work of geological agents: The circulation of rock material, including the processes of denudation, transport, deposition, and deformation.

II.—*Mineralogy and Petrology.*—(a) Elements of crystallography and crystallographic projection and notation.

(b) The common rock-forming and vein-forming minerals: Their physical characters, chemical composition, and modes of origin and occurrence.

(c) The simpler optical properties of the common rock-forming minerals and the physical principles on which these properties depend.

(d) The general characters and relationships of the chief types of sedimentary, igneous, and metamorphic rocks.

III.—*Historical Geology.*—The disposition of rocks and its representation on maps; evidences of relative ages of rocks; fossils, their preservation and distribution in rocks of different ages; the geological systems, their broad characters and distribution in Great Britain.

*Practical Work.*

Interpretation of simple geological maps in terms of rock-structure and its relation to topography; expression of this interpretation by means of sections; Graphic methods of finding thickness, dip and strike of beds, of completing outcrops, and of tracing the underground extension of strata.

Identification and description of common minerals and typical rocks, with and without the microscope; exercises in projection of crystals; identification and description of crystal forms of common minerals, both on models and on actual crystals.

Reference of fossils to their broad biological groups and geological periods.

*History of Architecture.*

(1) Greek and Roman Architecture (one paper).

(2) History of Greek and Roman Art (one paper).

The characteristics of various periods and their course of development in Egypt, Assyria, Greece, and Rome.

(3) Drawings of Greek and Roman Orders done during the session to be submitted and marked.

Two Imperial size sheets† of drawings will be required, giving examples—one on each sheet—of either the Doric, Ionic, or Corinthian Orders; one must be Greek, the other Roman. Each sheet must contain at least two columns of one order with entablature complete drawn to scale, the columns being not less than ten inches high on the paper, together with details drawn to at least three times the scale of the columns. These drawings are to be sent to the University one week before the date of the examination. Candidates who submit these drawings will be required to sit for the paper in section (1) only, viz., "Greek and Roman Architecture."

Candidates must take section (1) and either section (2) or (3).

*History (Two Papers).*

English History treated generally so as to include the growth of the British Empire, with a special study of a standard work to be prescribed two years previously.

Due attention to be paid to changes in foreign policy, society government, and customs, and to the development of the material and intellectual life of the nation.

*Modern European History (Two Papers).*

Modern European History from about 1400 to the present day. One paper will deal with the general History, the other with a prescribed text.

*Ancient History (Two Papers).*

(i.) *Either* (a) The History of Egypt, Western Asia, Greece, and Rome from the Earliest Dynasties to 30 B.C.

Or (b) Greek and Roman History from 776 B.C. to 330 A.D.

(ii.) A selected portion of an historical author will be prescribed from time to time.

Candidates will not be required to show more than a general acquaintance with the book prescribed. Knowledge of the Text in the original will not be required.

\* The list of plants may be changed from time to time, but two years' notice of any change will always be given.

† Each sheet should bear a statement by the candidate's teacher to the effect that it is the bona fide work of the candidate himself.

*Geography (Two Papers and Map Work).*

1. *General Geography.*—General principles as exemplified in the world considered as a whole. (One paper.)

The Earth's Crust:—Nature of the earth's crust. The internal and external forces modifying the crust in so far as they determine:—(a) General structure and leading topographical features of the continental masses and ocean basins; (b) types and distribution of rocks, minerals and soils.

Climate:—Broad seasonal distribution of insolation, temperature, pressure, winds and rainfall, leading to recognition of chief climate types and their associated weather conditions. (The physical conditions and movements of the oceans should be considered only in so far as they affect climate).

Vegetation:—General distribution of forest, woodland, scrub and grassland in relation to climate, soil and topography.

Major Geographical Regions:—The division of the world into major geographical regions.

Human Geography:—The influence of the foregoing physical factors upon the distribution of man and upon the production of food and raw materials, and the consequent development of the geographical regions.

2. *Regional Geography.*—(One paper).

(a) Europe with special reference to the British Isles, France, Germany, Italy, Switzerland, and Scandinavia.

(b) North America with special reference to the north-eastern industrial areas, and the United States east of the Mississippi.

(c) The Monsoon lands—Indian Empire, Ceylon, Indo China, Siam, Japanese Empire, Malaya, East Indies, Philippines, China—with special reference to the Indian Empire and Ceylon.

3. *Map Work.*—(One paper).

The map work would be carried on in connection with the general and regional geography and should include:—The study of topographic maps (including section drawing) as exemplified by one-inch and six-inch Ordnance Survey maps of the British Isles; the use and study of atlas maps, including the advantages and disadvantages of the principal projections employed, climate and weather maps; cartographical and diagrammatic representation of geographical data.

*Economics (Two Papers).*

I.—*Industrial and Commercial History.*—The outlines of the industrial and commercial development of England, the questions being mainly chosen so as to deal with the period subsequent to 1760.

To include:—The effects of the introduction of machine industry. The developments of transport. Changes in industrial organization. The Great War (1793–1815) and its economic effects. Tariff policy. Movements of foreign trade. The growth of Banking, the adoption of the gold standard, the history of general prices. Poor Law. Trade Unionism.

II.—*Principles of Economics.*—Economics, analytical and descriptive, with special reference to the United Kingdom.

To include:—The scope of economics; meaning of the principal economic terms; causes of differences in productive power; analysis of various forms of organization for production; value in relation to production, exchange, distribution, and consumption; the distribution of income between individuals and classes; causes of variations in wages, profits, interest, and rent; economic effect of the ordinary actions of government. The whole to be illustrated as far as possible by reference to past and present conditions of the United Kingdom.

*Zoology (Two Papers and a Practical\* Examination).*

(1) The fundamental facts and laws of Zoology, as exhibited in the following types:—Amoeba, Euglena, Paramecium, Monocystis, Hydra, Obelia, Lumbricus, Distomum, Astacus, Amphioxus, Scyllium, Rana, Lepus.

(2) The student will be expected to acquire a practical knowledge of the general organization of each of the types above specified, and an elementary knowledge of—

(a) The chief biological laws which the structural phenomena illustrate, including an elementary knowledge of heredity, variation, and evolution.

(b) The structure and properties of the Cell, and the general characters of the Tissues, including Epithelia, Blood, Lymph; Nervous, Muscular, Connective, and Skeletal Tissues; and the microscopic structure of the more important organs of the body.

(c) The phenomena of Sexual and Asexual Reproduction, including the general history and characters of the Germ Cells, the chief types of Segmentation of the fertilized Ovum, the Metamorphosis of the Frog, and an elementary knowledge of the Development of the Chick up to the third day of incubation, and the formation of the Fœtal Membranes in the Bird and Mammal.

(3) A knowledge of the diagnostic characters of the following groups:—

Protozoa:—Lobosa, Foraminifera, Radiolaria, Sporozoa Flagellata, Ciliata.

Coelenterata:—Hydrozoa, Anthozoa.

Platyhelminia:—Turbellaria, Trematoda, Cestoda.

Annelida:—Oligochaeta, Polychaeta.

Articulata:—Crustacea, Insecta, Arachnida.

Chordata:—Urochorda, Cephalochorda.

Cranata:—Pisces, Reptilia, Amphibia, Aves, Mammalia.

\* In the practical Examination in Zoology at which the rabbit is prescribed as a type for study and dissection the study of the rat is allowed.

*\*Practical Examination.*

The candidate must be prepared to examine microscopically, to dissect, and to describe specimens or parts of the animals comprised in paragraphs 1 and 2 in the foregoing Syllabus (with the exception that for the skull of *Lepus* will be substituted that of *canis*) and to determine the zoological position of specimens in accordance with paragraph 3 above.

Candidates are required to bring to the Practical Examination their original laboratory notebooks for inspection, should the Examiners so desire. These notebooks must be taken away by the candidates at the close of the examination.

*Law (Two Papers).*

(i.) The general conception of law, including various legal duties and rights treated in an elementary manner.

(ii.) English Constitutional Law and its History, including—

(a) The nature of Constitutional Law.

(b) The Liberty of the Subject.

(c) Parliament.

(d) The Crown.

(e) The Courts of Law.

(iii.) The Law of Crimes, being the general nature of criminal liability, together with an outline of the more common crimes.

(iv.) The general Principles of Tort and Civil Wrong.

(v.) The main features of a Contract.

(vi.) A general outline of the Law of Property with particular reference to the duties of Trustees towards their beneficiaries.

*Intermediate Examination in Science.**Scheme of Examination.*

The examination will be a Pass Examination only.

Candidates shall be examined in any four subjects selected by themselves out of the following subjects of examination, viz., (1) Pure Mathematics, (2) Applied Mathematics, (3) Physics, (4) Chemistry, (5) Botany, (6) Zoology, (7) Geology, (8) General Principles of Biology, and (9) Geography.

(Note.—Candidates must select at least one of their four subjects from among the first three of the foregoing list: candidates offering "General Principles of Biology," are not permitted to offer also Botany or Zoology.)

In all subjects except Geography there will be two papers of three hours each, and except in Pure Mathematics and Applied Mathematics, there will also be a three hours paractical test. In Geography there will be three papers of three hours each.

In certain subjects questions will be set involving (1) the translation of passages in French or in German, and (2) answers with regard to the subject-matter thereof. Candidates are recommended to read some books or papers in French or in German on the subjects which they select for the examination.

The questions in French or in German, which, by the regulations are set for the home candidates, will be made optional in the examinations as held in the Colonies.

The Examiners shall be at liberty to test any candidate by means of *visd voce* questions.

N.B.—No candidate offering an Experimental Science subject will be allowed to pass who fails to satisfy the Examiners in the practical part as well as the written part of the examination in the subject chosen.

Candidates shall not be approved by the Examiners unless they have shown a competent knowledge in all of the four subjects taken.

*Reference.*

A candidate at the Intermediate Examination who takes all the prescribed subjects on one and the same occasion, but who fails to reach the minimum standard in one subject only may be "referred," i.e., he may be permitted, on the recommendation of the Examiners, to present himself in that subject alone on one occasion only at one of the next two Intermediate Examinations in Science.

Referred candidates who do not pass in their referred subjects according to these conditions will be required when re-entering to offer all four subjects again. The Examiners will recommend that a candidate be referred only if his failure in one subject is not serious, and if his performance in the remaining subjects is reasonably good.

A student who has completed the Intermediate Examination after having been referred in one subject will be deemed for all purposes to have passed the examination in question on the date of completion.

*Supplementary Subjects.*

Candidates who have passed the Intermediate Examination in Science may enter for examination in one or more supplementary subjects.

*EXEMPTIONS.*

(Note.—No exemptions are given from this examination in whole or in part except on the results of examinations of this University.)

Candidates who have passed the Internal Intermediate Examination in Science in accordance with the conditions then in force for External Students are entitled to exemption from the External Intermediate Examination in Science; and if the combination of subjects did not comply with the requirements for External Students such candidates may be exempted on passing in the necessary Supplementary Subjects.

Candidates who have passed the Intermediate or the Final Examinations in Arts for External Students in or after 1920, or who have passed the corresponding examinations for Internal Students, under the conditions applicable to External Students in force since that date, with any of the following subjects:—Pure Mathematics, Applied Mathematics, Physics, Chemistry,

† The list of animals may be changed from time to time, but two years notice of any change will always be given.

‡ "Referred" candidates must re-enter in accordance with the General Regulations.

Botany, Geology, Geography, may claim exemption, when entering for the Intermediate Examination in Science, from examination in such of the foregoing subjects as they may have taken.

Candidates who have passed the Intermediate Examination in Agriculture prior to 1927 are entitled to exemption at the Intermediate Examination in Science from subjects which may be taken at the Intermediate Examination in Science.

Graduates in Engineering Science of this University, whether Internal or External, will be permitted to proceed without passing the Intermediate Examination in Science, to the B.Sc. General or Special Examination for External Students, after a lapse of two academic years from the passing of the B.Sc. Examination in Engineering.

Candidates who enter for the Intermediate Examination in Engineering as External Students may, in order to obtain exemption from the whole of the Intermediate Examination in Science, complete this examination by taking an additional subject at the Intermediate Examination in Engineering.

Candidates who have passed the Intermediate Examination in Engineering as External or Internal Students may, in order to obtain exemption from the whole of the Intermediate Examination in Science, complete that examination by taking an additional subject at the Intermediate Examination in Science.

#### SYLLABUSES.

##### *Pure Mathematics (Two Papers).*

Same as for Intermediate Examination in Arts. (See pages 2-3.)

##### *Applied Mathematics (Two Papers).*

Same as for Intermediate Examination in Arts. (See page 3.)

##### *Physics (Two Papers and a Practical Examination).*

Same as for Intermediate Examination in Arts. (See page 3.)

##### *Chemistry (Two Papers and a Practical Examination).*

Same as for Intermediate Examination in Arts. (See page 4.)

##### *Botany (Two Papers and a Practical Examination).*

Same as for Intermediate Examination in Arts. (See page 4.)

##### *Zoology (Two Papers and a Practical Examination).*

Same as for the Intermediate Examination in Arts. (See page 5.)

##### *Geology (Two Papers and a Practical Examination).*

Same as for Intermediate Examination in Arts. (See page 4.)

##### *General Principles of Biology.*

(Two Papers and a Practical Examination).

1. The differences between living and non-living matter.
2. Cells. Cell-division and the building up of the multicellular organism. Individuals and colonies. Integration. Differentiation and division of labour.
3. The general structure of a flowering plant and a mammal.
4. The elementary chemistry of proteins, fats, and carbohydrates and their derivatives. An elementary consideration of the physical processes involved in surface-tension, adsorption, diffusion, and osmosis. Ionisation. The colloidal state. Catalysis and enzyme action.
5. The sources and transformation of energy in plants and animals including bacteria. Photosynthesis. Anaerobiosis. The chemical and physical changes involved in the assimilation and utilization of food-material, water, and oxygen. Symbiosis. Parasitism.
6. The relationship of stimulus and response in plants and animals. The transmission of excitation in plants and animals. Nerves and nervous systems in animals. Animal organs adapted to special forms of stimulation (the eye, ear, &c.).
7. Movements in plants and animals. The part played by surface-tension in biological processes. Amoeboid movement. Ciliary movement. Muscles and muscular contraction. The organization and control of movement.
8. The control of function by chemical means. The endocrine organs.
9. The mechanisms involved in—
  - (a) The intake and distribution of food-material, water, and oxygen.
  - (b) The elimination of waste.
  - (c) The storage of reserve material.
10. Growth, localized and general. Metamorphosis. Reproduction, the formation, and conjugation of gametes. The physical basis of heredity. The formation of the embryo in plants and animals, including segmentation and early development of organs.
11. An elementary consideration of the nature of heredity. The theory of organic evolution, adaptation, variation, &c.

##### *Practical Work.*

1. Dissection and microscopical examination of animal and plant types in so far as they illustrate the principles set out above, e.g., Amoeba, Chlamydomonas or Euglena, Volvox, Spirogyra, Cystopus or Phythium, Mucor, Hydra viridis, Fucus, Pteris, Lumbricus, Anodon, Scyllium, Rana, a flowering plant and a mammal.

2. Microscopical preparation and examination of animal tissues and of root, stem, and leaf of a dicotyledon.

3. Simple physiological and other experiments to illustrate:— The graphic method of recording osmotic pressure, adsorption, gaseous interchange, and its control, the action of enzymes on food, photosynthesis, the action of the heart, the contraction of muscle and its control, amoeboid movement and ciliary movement, the water economy of the plant (root-pressure, transpiration, &c.) methods of demonstrating growth and tropic movements.

4. Elementary embryology of plants and animals. Echinoderm segmentation stages. Developing chick up to the end of the first four days.

##### *Geography (Two Papers).*

Same as for the Intermediate Examination in Arts. (See page 5.)

#### Intermediate Examination in Science (Economics).

##### Scheme of Examination.

1. The examination shall be a Pass Examination only and shall be divided into two parts. Either part may be taken first at the option of the candidate, or the two parts may be taken together. A candidate who has passed one part as an Internal Student may enter for the remaining part as an External Student only with the special permission of the Senate. The two parts are as follows:—

##### PART I.

(1) Elements of Economics	..	..	2 papers
(2) Geography	..	..	1 paper
(3) Pure Mathematics or Logic and Scientific Method or French or German	..	..	2 papers

##### PART II.

(4) English Economic History	..	..	1 paper
(5) British Constitution	..	..	2 papers

2. Candidates who enter for both parts of the examination on the same occasion, and who pass in one part, will be credited with that part, and at a subsequent examination will be required to offer only that part in which they have failed.

3. The examination shall be conducted by means of printed papers; but, for the purpose of ascertaining the competence of a candidate to pass, the Examiners shall not be precluded from putting *visà voce* questions to any candidate.

4. Candidates shall not be approved by the Examiners unless they have shown a competent knowledge in each of the subjects selected by them, and a capacity to read with intelligence French or German or Italian.

5. The questions set in French or German or Italian in the papers on Elements of Economics are compulsory for all candidates.

##### *Reference.*

1. A candidate at the Intermediate Examination, who takes all the five prescribed subjects in both Part I, and Part II, on one and the same occasion, but who fails to reach the minimum standard in one subject only, may be "referred," i.e., he may be permitted, on the recommendation of the Examiners, to present himself in that subject alone, and on one occasion only, at the next Intermediate Examination in Economics.

2. A referred candidate who does not pass in his referred subject in accordance with the above regulation will be required when re-entering to offer the whole of that part in which his referred subject is contained.

3. The Examiners will recommend that a candidate be referred only if his failure in one subject is not serious and if his performance in the remaining subjects is reasonably good.

4. A student who has completed the Intermediate Examination after having been referred in one subject will be deemed for all purposes to have passed the examination in question on the date of completion.

##### *Supplementary Subjects.*

Candidates who have passed the Intermediate Examination in Economics may enter for examination in one or more supplementary subjects.

##### EXEMPTIONS.

*Note.*—No exemptions are given from this examination in whole or in part except on the results of examinations of this University.

1. Candidates who have passed the Internal Intermediate Examination in Science (Economics), in accordance with the conditions then in force for External Students, are entitled to exemption from the External Intermediate Examination in Economics.

2. Candidates who have passed the Intermediate Arts Examination with British Constitution or Geography or Logic or French or German shall be exempted from examination in the subjects in which they have so passed.

3. Candidates who have passed the B.A. Pass or Honours Examination with Economics or Geography or Pure Mathematics or French or German shall be exempted from examination in the subjects in which they have so passed. Candidates who have passed the B.A. Honours Examination in History with English Economic History as selected Optional Subject shall be exempted from examination in English Economic History.

4. Candidates who have obtained either the Academic or the External Diploma in Geography shall be exempted from examination in Geography.

5. Candidates who have passed the Intermediate Laws Examination with English Constitutional Law and its History shall be exempted from examination in British Constitution.

6. Candidates who have passed the Intermediate Science Examination with Geography shall be exempted from examination in Geography.

7. Candidates who have passed the B.Sc. General or Special Examination with Geography or Pure Mathematics shall be exempted from examination in the subjects in which they have so passed.

8. Candidates who have passed the B.Sc. (Eng.) Examination with Pure Mathematics shall be exempted from examination in that subject.

9. Candidates who have passed Part I. of the Intermediate Examination in Commerce with either French or German as compulsory Approved Modern Language shall be exempted from Part I. of the Intermediate Examination in Economics. Candidates who, having previously passed Part II. of the Intermediate Examination in Economics, become entitled to claim this exemption will be deemed to have completed the Intermediate Examination in Economics as follows:—In July of the same year in which they pass Part I. of the Intermediate Examination in Commerce held in June.

10. Candidates who have passed Part I. of the Intermediate Examination in Commerce (excluding the compulsory Approved Modern Foreign Language) shall be exempted from examination in Elements of Economics and Geography.

11. Candidates who have passed Part II. of the Intermediate Examination in Commerce with either French or German as compulsory Approved Modern Foreign Language shall be exempted from the optional subject French or German.

12. Candidates who have passed Part II. of the Intermediate Examination in Commerce in and after 1927, or Part I. of the Final Examination in Commerce with History as Selected Subject in 1924, 1925, or 1926, shall be exempted from examination in English Economic History.

13. Candidates who, prior to 1927, passed Part I. of the Final Examination in Commerce with Pure Mathematics shall be exempted from examination in that subject.

14. Graduates in Commerce of this University shall be exempted from the Intermediate Examination in Science (Economics).

#### SYLLABUSES.

##### *Elements of Economics (Two Papers).*

Economics, analytical and descriptive, with special reference to the United Kingdom.

To include:—Meaning of the principal economic terms; causes of differences in productive power; analysis of various forms of organization for production; value in relation to production, exchange, distribution, and consumption; the distribution of income between individuals and classes; causes of variations in wages, profits, interest, and rent; economic effect of the ordinary actions of government.

The nature and functions of money and banks; the determination of price levels and of the relative value of national currencies.

The whole to be illustrated as far as possible by reference to past and present conditions of the United Kingdom, its industry, and foreign trade.

Compulsory questions will be set involving (1) the translation of passages in French or German or Italian, and (2) answers with regard to the subject matter thereof.

##### *Geography (One Paper).*

Geography with special reference to Industry, Commerce, and Politics.

To include:—

*General Geography.*—The broad distribution and inter-relation of the relief of the land, climates, natural vegetation, commercial products, and trade routes and centres. An outline study of the world as divided into its major geographical regions, with the main features of the physical and human (including economic) conditions of these regions.

*Regional Geography.*—Certain regions of the world (see below) considered under the following heads:—Superficial configuration together with the leading facts of the distribution of soils, rocks, and minerals of economic importance. The reaction of configuration upon air and water circulation and the resulting local climates. The river systems as related to configuration and climate. The influence of the foregoing physical factors on agricultural production and the supply of animal and vegetable products independently of agriculture. The sources of mechanical power. The distribution of population as related to the foregoing physical factors and as influencing labour supply and the value of land. The localization of industries as determined by all the foregoing factors. Transport. Trade centres and trade routes. The geographical circumstances which influence the economic and strategical position of States.

One region to be selected for study from each of the following groups:—

1. The British Isles.
2. Either Europe or North America.
3. Either The Indian Empire, or China, or Japan.
4. Either Africa, or South America, or Australia, and New Zealand.

##### *Pure Mathematics (Two Papers).*

*Algebra.*—Theory of indices, nature and use of logarithms. Arithmetic and Geometric Progression. The Binomial, exponential, and logarithmic series. Simple limits and approximations. The use of Horner's method of solving equations in simple cases. Simple applications of the above.

*Graphic Algebra and Co-ordinate Geometry.*—The straight line. Solution of linear simultaneous equations.

The graphs of  $a + bx + cx^2 + dx^3$  and of  $\frac{A + Bx}{a + bx}$ , with special

reference to the approximate solution of equations in which  $y$  is an explicit function of  $x$ . Equation of the circle, equation of the ellipse and hyperbola, referred to axes parallel to their principal axes. (Focal properties are not required.) Simple applications of the above.

*Pure Geometry.*—Relations and properties of similar plane figures. Orthogonal projection; the properties of the ellipse as the projection of the circle.

*Trigonometry.*—Definitions and graphs of sine, cosine, and tangent. Use of four figure tables of natural sines, cosines, and tangents. The formulæ for the sine and cosine of the sum of two angles. Circular measure. Approximate values of the sine, cosine, and tangent of small angles.

*General.*—The slope of curves as determined by the limiting value ( $h = 0$ ) of  $\frac{f(x+h) - f(x)}{h}$ . Effect of change of scale on the slope and on the area of a curve. Simple cases of derived curves, illustrated by the functions and series named above, and simple cases of maxima and minima.

##### *Logic and Scientific Method (Two Papers).*

Province of Logic, normal and material Logic. Postulates of Logic. Laws of thought. Terms and their classification, extension, and intension. Definition and division. Nature of judgment; import and classification of propositions. Negation and opposition of propositions. Forms of immediate inference. Theories of inference. Syllogism and other deductive inferences. Induction and its relation to deduction. Ground of induction. Uniformity of nature. Causation. Observation and experiment. Inductive methods. Quantitative induction. Scientific explanations. Mathematical, physical, and historical methods. Nature and functions of hypothesis. Analogy. Chance. Theory of probability and its logical foundations.

##### *French (Two Papers).*

Commercial knowledge will be required. Grammar; translation; composition. Composition will include (i.) translation from English, and (ii.) some form of free composition. Set books will not be prescribed.

##### *German (Two Papers).*

Commercial knowledge will be required. Grammar; translation; composition. Composition will include (i.) translation from English, and (ii.) some form of free composition. Set books will not be prescribed.

##### *English Economic History (One Paper).*

The outlines of the industrial and commercial development of England, the questions being mainly chosen so as to deal with the period subsequent to 1760.

To include:—The effects of the introduction of machine industry; the developments of transport; changes in industrial organization; the Great War, 1793–1815, and its economic effects; tariff policy; movements of foreign trade; the growth of banking; the history of the monetary standard, and general prices; poor law; trade unionism.

##### *British Constitution (Two Papers).*

Outlines of the Constitution and public administration of the United Kingdom at the present day, including the organization and working of Parliament, the Executive (Crown, Ministers, and Civil Service), and the Judiciary; the constitution and powers of the Local Authorities in England; the relations between the United Kingdom and its Colonies and Dependencies.

Candidates will be expected to have some acquaintance with the chief events in the development of British political institutions since 1832.

## APPENDIX II.

## REGULATIONS AS TO EXEMPTION FROM THE MATRICULATION EXAMINATION.

Graduates of such Universities as are approved by the Senate of the London University for that purpose, and those who have passed all the examinations required for a degree in those Universities, may on application to the London University be registered as Matriculated Students on payment of the registration fee of £3. 3s. without passing the Matriculation Examination.

Oxford and Cambridge Graduates in First or Second Class Honours may be admitted to the Degree Examination as External Students in any faculty other than Medicine after two years from their registration.

For conditions under which the following examinations will give exemption from the Matriculation Examination of the University of London, see separate regulations obtainable on application to the Secretary to the Matriculation and School Examinations Council, University of London, South Kensington, London, S.W. 7:—

Oxford School Certificate.  
Oxford and Cambridge Higher Certificate.  
Oxford and Cambridge School Certificate.  
Previous Examination of the University of Cambridge.  
Cambridge School Certificate.  
Northern Universities Matriculation and School Certificates.  
Scottish Education Department Leaving Certificate.  
British School Certificate.  
Central Welsh Board School Certificate.  
Durham School Certificate.  
School Certificate Examination of the Central Welsh Board.  
Adelaide Matriculation (Senior Public) Certificate.  
Melbourne and Western Australia School-Leaving Certificates.  
Transvaal Secondary School Certificate.  
Cape of Good Hope Secondary School Senior Certificate.

For conditions under which the Cambridge Senior School Certificate Examination will give exemption from the Matriculation Examination, see regulations for Matriculation Examination.

The Standing of students registered as exempt from the Matriculation Examination shall date, for the purposes of External Examinations, from the Matriculation Examination immediately preceding the date of registration. To secure that a registration shall date from any Matriculation Examination, such registration must be completed before the commencement of the next Matriculation Examination.

*N.B.*—Applications for registration as a Matriculate must be accompanied by the proper fee and official documentary evidence of qualification in accordance with the above Regulations. Cheques must be made payable to the "University of London," and crossed "Westminster Bank, Ltd., Brompton Square Branch." The fee and evidence must be forwarded together by registered post and addressed to The Accountant, University of London, South Kensington, London, S.W. 7.

**PRIVILEGES AND EXEMPTIONS GRANTED BY OTHER BODIES.**  
For privileges and exemptions granted by other bodies to persons who have passed the Matriculation Examination (in its ordinary form or in the form of the School Examination Matriculation Standard) of the University of London, see separate regulations obtainable on application to the External Registrar, University of London, South Kensington, London, S.W. 7

#### Change of Management.

NOTICE is hereby given that the Rev. G. D. Thomas has been appointed Manager of the schools mentioned below, in place of Mr. A. A. Ward.

Schools referred to: J/Uduvil Girls' Bilingual School, J/Uduvil Girls' English School, J/Uduppidy School of Home Arts.

Education Office,  
Colombo, June 10, 1932.

L. MACRAE,  
Director of Education.

## Sale of Standing Trees.

WRITTEN offers are invited for the purchase of standing trees described in the annexed schedule.

2. Offers should be made subject to the following conditions, by letter preferably under sealed and registered cover, addressed to the Divisional Forest Officers concerned and posted or handed over personally not later than midday on Friday, July 15, 1932, the envelope being marked on the left hand top corner "Offer for Purchase of Standing Timber," and signed by the tenderer.

3. Lump sum offers should be made for each item or lot in the schedule written both in words and in figures. Offers may be made for more than one item or lot in the same letter but rates should be quoted for each item or lot separately.

4. Offers should accompany a remittance of Rs. 10 by Money Order or Cheque; this remittance will be returned to those whose offers are rejected, and the successful tenderer will be given credit for the amount in the final payment for the timber.

5. Prospective tenderers should inspect the trees to be tendered for. The cubical contents given in the schedule are approximate.

6. Any tenderer whose offer is accepted shall within 10 days of notification of acceptance of his offer pay the full purchase amount. In the event of failure to pay the full purchase amount the sum of Rs. 10 previously paid shall be forfeited and the timber revert to Crown.

7. The Conservator of Forests reserves to himself the right, without question of rejecting any or all offers and of accepting any offer or part of an offer.

8. All material purchased shall be at the risk of the purchaser until its removal by him on a removal permit.

9. The buyer, his agent, or his representative shall be liable for punishment under the Forest Ordinance for commission of any forest offence in the course of completing the transaction.

10. Any purchaser violating the conditions of purchase shall be liable to a fine not exceeding 25 per cent. of purchase amount, and to be included in the list of persons to whom no permits are to be issued.

11. Should any tender or offer be accepted and should the successful tenderer after due notification decline or fail to pay any sum or sums stipulated for within the time allowed or in reasonable time he will be held pecuniarily liable for any resultant loss to Government. Tenders and offers are made and received on this distinct understanding. The Conservator of Forests reserves the discretionary power to waive the terms of this clause in any degree as he may consider the circumstances justify.

## General Meeting.

Wednesday, May 4, 1932, at 3 p.m.

The Council met this day at 3 p.m., pursuant to notice, dated April 27, 1932.

Present: Mr. W. L. Murphy, B.A., C.C.S., Chairman; Mr. N. H. M. Abdul Cader; Dr. E. V. Rātnam; Dr. E. A. Coorey; Mr. M. L. M. Reyal; Dr. S. Muttiah; Mr. F. Dadabhoy, J.P.; Mr. J. S. Collett; Mr. A. E. Goonesinha, M.S.C.; Mr. Aelian W. Pereira; Mr. A. R. A. Razik; Mr. T. A. Owles; Dr. H. U. Leembruggen; and Mr. H. L. Grocock.

1. The Minutes of the General Meeting of April 6, 1932, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of April 6, 1932, be confirmed.

2. Mr. A. E. Goonesinha, on behalf of Mr. Aelian W. Pereira (who was present later), asked the following questions which the Chairman answered:—

(1) Q.—How many sales of properties for non-payment of taxes were there during 1930 and 1931? A.—During 1930 there were 48 sales. During 1931 there were 78 sales.—Total 126.

(2) Q.—Were certificates under section 143 of Ordinance No. 6 of 1910, signed by the Chairman in all cases to which this section applies during the aforesaid period? A.—No. There were only 4 cases which came under section 143, *i.e.*, 2 during 1930 in which certificates were signed; 2 during 1931 in which sales were cancelled on payment of rates and dues.

(3) Q.—Were certificates under section 146 of Ordinance No. 6 of 1910, signed by the Chairman in all cases to which this section applies during the aforesaid period? A.—No. 122 cases fell under section 146; 46 cases in 1930 and 76 cases in 1931. Four certificates were signed in 1931 in respect of properties sold during 1930. In 41 sales of 1930 and 70 sales of 1931 (total 111) sales were cancelled on payment of rates and dues.

(4) Q.—If not, how many vesting certificates are yet to be signed by the Chairman up to date, *i.e.*, April 27, 1932? A.—Seven certificates have yet to be signed—1 sale of 1930 and 6 of 1931.

(5) Q.—If there are any such certificates yet to be signed, why the delay? A.—The delay is due to efforts being made to induce quondam owners to pay the dues with a view to cancel the sales.

(6) Q.—Are aided drainage agreements registered? If not, why are they not registered? A.—No. There is no reason why they should not be registered.

3. The following motion stood in the name of Dr. E. A. Coorey:—“This Council do resolve that, owing to the prevailing depression, a Commission or Committee be appointed to make recommendations as to what steps might be taken to reduce the establishment charges and all other expenditure of this Council and for this purpose the Four Standing Committees be requested to report as to the personnel, &c., of the Commission or Committee they would recommend to be appointed.”

Dr. E. A. Coorey stated that the Special Committee regarding relief to ratepayers discussed the above motion and, after considering the proposals embodied therein, has made a recommendation to the Council which was coming up for consideration that day. He, therefore, withdrew the motion with the permission of the Council.

4. The Chairman stated that as Mr. Aelian W. Pereira was not able to attend the meeting the motion standing in his name be deferred for the next meeting.

5. Pursuant to notice, Mr. A. E. Goonesinha moved:—“That in view of the complaints made against the assessment and valuation of properties by the Municipal Assessor a Committee of this Council be appointed to investigate and report on the working of the Assessor's Department.”—Mr. M. L. M. Reyal seconded. Dr. E. A. Coorey spoke to the motion.

The Chairman moved, as an amendment, that the complaints referred to, be submitted for investigation and report, to the Special Committee regarding relief to ratepayers and that Mr. A. E. Goonesinha be invited to attend the meetings of this Committee.—Mr. N. H. M. Abdul Cader seconded.

The mover having agreed, the amendment was put to the meeting and carried unanimously.

Mr. Aelian W. Pereira having arrived at this stage, moved the motion which stood in his name:—“That the Four Standing Committees do make recommendations for the better control of the Municipal Council over the City of Colombo's gas supply and for the more effective protection of the rights of ratepayers in regard to the gas supply.”—Mr. A. R. A. Razik seconded.

Mr. A. E. Goonesinha suggested that the matter be referred to the Four Standing Committees with the addition of the Housing and Town Improvement Committee and the mover accepted the suggestion.

Dr. S. Muttiah moved, as an amendment, that the matter be referred to a Special Committee.—Mr. M. L. M. Reyal seconded.—Carried.

The following Special Committee was thereupon unanimously appointed:—(1) The Chairman, (2) Mr. C. H. Z. Fernando, (3) Mr. J. S. Collett, (4) Mr. F. J. Soertsz, (5) Mr. A. E. Goonesinha, (6) Mr. Aelian W. Pereira, (7) Mr. A. R. A. Razik, (8) Mr. H. L. Grocock.

6. Pursuant to notice, the Chairman moved:—That the Council should resolve itself into a Committee of the whole Council to consider the following extracts from the proceedings of the Committees annexed to the Agenda. Mr. N. H. M. Abdul Cader seconded.—Carried.

Council in Committee.

The following Extract from the Minutes of the Relief of Distress Committee of April 15, 1932, was considered.

(1) To consider the immediate steps that should be taken to give effect to the recommendations contained in the Special Committee's Report. (a) The Committee recommends that the suggestion of the Chairman for the amalgamation of the Relief of Distress Committee with the Special Committee on Unemployment be approved.

The following to form the Committee:—(1) The Chairman, (2) Mr. C. H. Z. Fernando, (3) Dr. E. A. Coorey, (4) Mr. M. L. M. Reyal, (5) Dr. S. Muttiah, (6) Mr. F. Dadabhoy, (7) Mr. A. E. Goonesinha.

The following Extracts from the Minutes of the Standing Committee on Law and General Subjects of April 16, 1932, were considered.

MUNICIPAL TREASURER'S DEPARTMENT.

(3) To consider:—(a) The petition presented by Mr. A. E. Goonesinha, M.S.C., in Council on February 3, 1932, from Mr. Peter de Silva of No. 30/32, Silversmith street, relating to a claim by him on the Council in respect of the sale in 1915 of property bearing assessment No. 714/18, Nagalagam street, in Grandpass, for arrears of rates. (b) A report thereon of the Municipal Treasurer. Registered No. 178.—Recommended that the petitioner be informed that the application for a refund made by him is one which the Council is precluded by law from considering.

(4) To consider:—(a) The petition presented by Mr. M. L. M. Reyal, M.M.C., in Council on March 2, 1932, from Mr. W. Daniel Fernando of 121, Main street, regarding the surplus which accrued to the Council after sale of the premises No. 420/353, Colombo-Galle road, Wellawatta, for non-payment of rates. (b) A report thereon of the Municipal Treasurer. Registered No. 357.—Recommended that the petitioner be informed that the application for a refund made by him is one which the Council is precluded by law from considering, and that if and when the law is amended his application may be renewed.—Also recommended that steps be taken to amend Ordinance No. 32 of 1930, extending the period within which application be made for refund of the surplus proceeds out of the sale of any premises from six years to ten years.

(5) To consider:—(a) The reply of the Commissioner of Local Government regarding amendment of Rule 19 of the Council's Leave Rules shortening the period of resident service from 6 years to 4 years for the purpose of obtaining leave on half pay. (b) A memorandum thereon of the Chairman. Registered No. 475.—Recommended that the Council should adhere to its previous recommendation and should protest against the Executive Committee's interference with the discretion of the Council in a matter of purely internal administration.

## KANDY MUNICIPAL COUNCIL.

The Minutes of Proceedings of a Meeting of the Municipal Council of Kandy held in the Town Hall, Kandy, on April 16, 1932, at 8.30 a.m., in accordance with the Ordinance No. 31 dated April 12, 1932.

Present:—Mr. H. P. Kaufmann, Chairman; Ratwatte Adigar; Mr. Geo. E. de Silva; Mr. Haji M. S. Usoof Ismail; Mr. S. A. Wijayatilake; Mr. W. A. B. Soysa; Mr. H. P. G. Young; Mr. Walter Beven.

1. The Minutes of Proceedings of the Meeting held on March 15, 1932, having been previously submitted to the Chairman for his approval, and a copy thereof furnished to each Member, were taken as read and confirmed by the Chairman.

2. The following documents were submitted:

- (a) Statement of receipts and disbursements from close of 1931 to March 31, 1932, on account of Municipal Fund.
- (b) Progress report of works brought up to the same date.
- (c) Health Officer's report for March, 1932.
- (d) Statement of cases instituted by the several Inspectors and of work done by the Municipal Magistrate during the month of March, 1932.
- (e) The Reservoir Readings for the week ended April 16, 1932.

Resolved that the statement (a), together with the Minutes of Proceedings of this meeting as required by section 83 of "The Municipal Councils Ordinance, No. 6 of 1910," be forwarded to the Commissioner of Local Government for publication in the *Government Gazette*.

3. The following papers were laid on the table:—Reports by the several Inspectors on laundries, bakeries, dairies, standpipes, and house-service taps inspected during March, 1932.

3A. Regarding the complaint made by Mr. de Silva at the previous meeting of Council that traders in Kandy had increased the prices of all food-stuffs on the plea of having to pay higher import duties the Chairman stated that on inquiry he found the prices were normal although the increased duties had caused a momentary fluctuation. The price of rice had not been raised. At the present moment it is the lowest recorded for some years.

4. Petitions:—Mr. de Silva presented a petition from the residents of Mavilmada begging that the Gansabhawa road in Mavilmada be converted into a cart road as there is now no proper road access to their properties.

The Chairman undertook to inquire into the matter.

5. Correspondence:—(1) Letter No. M. 16/32 of April 5, 1932, from the Superintendent of Police, Central Province, stating that on further consideration he is not able to undertake to train men for a Brass Band in Kandy and that the matter may be dropped at any rate until such time as the trade depression lifts.—Read.

(2) Letter No. D. 92/320 of March 18, 1932, from the Postmaster-General stating that it is not possible at present to say when the question of revising telephone rates will be taken up.—Read.

6. Mr. de Silva obtained the leave of the Council to move the following motion, which stood in his name, at the next meeting of the Council:—"That the pumping scheme which has been under consideration be undertaken without any further delay."

7. To consider the question of allowing vegetable dealers to bring their vegetables to the market on Fair Days (Sundays and Thursdays) at 3 p.m. instead of 6 p.m. as at present.—Resolved that the time be advanced to 3 p.m. as proposed.

8. Papers *re* the proposal for the Chairman to take action under section 203 of "The Municipal Councils Ordinance" to prohibit the sale of any articles in or upon certain specified streets.—It was resolved to approve the proposal in regard to the roads indicated in the schedule, the Chairman undertaking to use his discretion in dealing with itinerating hawkers, gram and betel sellers, who might be affected by the prohibition.

9. Recommendations of Standing Committees deferred for consideration from the March meeting:—

*Extract from the Minutes of the Meeting of the Standing Committee on Law and General Subjects held on February 20, 1932.*

(1) Draft of by-law proposed to be enacted in place of repealed by-law 157 authorizing the Chairman to have meters fixed at premises at which water is shown to be unduly consumed or wasted, and to recover charges in respect of such excess consumption or waste.—Recommended. Resolved that the recommendation be adopted.

*Extract from the Minutes of the Meeting of the Standing Committee on Municipal Works held on March 5, 1932.*

(2) Letter dated February 9, 1932, from Mr. F. Mapalagama offering his services free to the Council.—Recommended that Mr. Mapalagama's offer be not accepted.

Mr. de Silva moved—That Mr. Mapalagama's offer be accepted. Mr. Wijayatilake seconded.

The motion was put to the meeting and lost, only the mover and seconder voting for it.

10. Recommendations of Standing Committees:—

*Extracts from the Minutes of the Meeting of the Standing Committee on Law and General Subjects held on March 19, 1932.*

(1) Papers *re* repairs to culvert at entrance to Malwatte temple.—Recommended that the culvert be repaired and the cost be recovered from the parties concerned.

(2) Papers *re* upkeep of graves in the Mahaiyawa General Cemetery.—Recommended to revoke the additional regulation 15 made under the Cemeteries Ordinance and published in *Government Gazette* of November 6, 1931.

*Extracts from the Minutes of the Meeting of the Standing Committee on Markets and Sanitation held on March 19, 1932.*

(3) Petition from the tea kiosk stall holders of the public market, presented by Mr. Wijayatilake at the February meeting of Council, asking for a reduction of rents.—Recommended, the Chairman dissenting, that the rents be reduced by 5 per cent. from April 1 till the end of the year.

(4) Letter dated January 17, 1932, from S. M. A. Athuk asking that the right of occupation of wholesale granary 20, Railway Approach road, be transferred in favour of Mr. D. H. F. Perera.—Recommended on payment of the usual premium.

(5) Letter dated March 4, 1932, from Mr. R. H. Wilson, licensee of space No. 85, Small Market, asking that the name of K. Ramlan Saibo be entered in the licence as his partner.—Recommended on payment of the usual premium.

(6) Letter dated March 2, 1932, from K. Mohideen, licensee of spaces 50 and 51, Public Market asking that the licence be transferred in favour of N. M. Hameed Mohideen.—Recommended on payment of the usual premium.

*Extracts from the Minutes of the Meeting of the Standing Committee on Finance and Assessment held on March 19, 1932.*

(7) Application from the Market Arachchi for remuneration for collecting arrears of rent on market stalls and spaces.—Recommended that 3 per cent. of his collection on warrants be paid to the Market Arachchi as commission from July last and that he be requested to furnish Rs. 1,000 as security either in cash or landed property.

(8) Supplemental Budget No. 2 of 1931.—Recommended.

*Extracts from the Minutes of the Meeting of the Standing Committee on Municipal Works held on April 9, 1932.*

(9) Memorandum dated April 5, 1932, from the Chairman recommending the payment of Rs. 175 to Mr. C. J. Hunter for a report on the four proposed pumping schemes and the Kandy water problem generally.—Recommended that Mr. Hunter be paid Rs. 200 (including travelling expenses) for his report.

(10) Tenders for laying kerbs, channels, gullies, and paving a section of Castle Hill street.—Recommended that the tender of Contractor Suwaris be accepted.

(11) Estimate for Rs. 9,132.50 for laying a 4-in. water main from Peradeniya road to the Model tenements at Deyannawela.—Recommended.

(12) Application for water service to the Roman Catholic section of the Mahaiyawa General Cemetery.—Recommended that a  $\frac{1}{2}$ -in. connection be allowed.

(13) Estimate for a masonry drain on the land adjoining the Empire Theatre and the path leading to Orient Club. Rs. 266.20.—Recommended.

(14) Application for a water service to premises No. 21, Colombo street.—Recommended.

*Extracts from the Minutes of the Meeting of the Electricity Committee held on April 9, 1932.*

(15) Papers relating to the verification of electrical stores in December, 1931. Sanction required to take charge of surpluses amounting to Rs. 96.71 and to write off deficiencies amounting to Rs. 6.80.—Recommended that the required sanction be allowed.

(16) To obtain sanction for the supply of uniforms to the staff of the Electricity Department. Cost not exceeding Rs. 200 to be met from the various maintenance votes.—Recommended to approve sanction on the understanding that no new articles are allowed until the old ones are examined and condemned.

(17) To sanction the expenditure of Rs. 334.79 in excess of votes for the year 1931.—Recommended.

(18) To sanction an expenditure of Rs. 123 to replace the lamp standard No. 17 in Katugastota road damaged by a car.—Recommended.

(19) Accountant's memorandum dated March 22, 1932, re adjustment of accounts of certain Loan Funds of the Electricity Department.—Recommended that the adjustment be approved.

The recommendations were adopted with the exception of items 10 (3) and 10 (11).

In regard to item 10 (3), the Chairman opposed the adoption of the recommendation. Mr. H. P. G. Young seconded. The recommendation was put to the house and lost by the casting vote of the Chairman, the voting being as follows:—

*Ayes.*—Mr. W. A. B. Soysa, Mr. Geo. E. de Silva, Mr. S. A. Wijayatilake, Mr. Haji M. S. Usoof Ismail.

*Noes.*—Ratwatte Adigar, Mr. W. Beven, Mr. H. P. G. Young, the Chairman.

In regard to item 10 (11), it was resolved to call for quotations from the engineering firms in Colombo for providing (1) three-inch, (2) four-inch pipes and connections for the service, and to call for tenders thereafter for laying and joining only, according to departmental specifications.

11. To sanction the acceptance of Mr. A. R. Suwaris' tender, approved by the Works Committee on circular, for Rs. 2,511.50 for constructing masonry cement rendered surface drains along the north-west side of Peradeniya road from end of existing built drain to culvert opposite Ellagalle road.—Resolved that the acceptance of the tender be sanctioned accordingly.

12. Papers re the proposal to lease for a definite period at Rs. 5 per annum the site at Bogambara on which the building known as the "Old Pavilion" stands, to the Toc H. Boys' Club.—It was resolved to grant a five-year lease at the rate of Rs. 5 per annum, with the option of renewing the lease for a further period of five years, thereafter.

Confirmed this 4th day of June, 1932:

H. P. KAUFMANN,  
Chairman, Municipal Council, Kandy.
