**DRAFT ORDINANCE.****MINUTE.**

The following Draft of a proposed Ordinance is published for general information :—

**An Ordinance to amend the Municipal Councils Ordinance, 1910.**

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council, thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Municipal Councils (Amendment) Ordinance, 1933.

Repeal of Section 121 of principal Ordinance and substitution of new section.

Remission of rates in cases of non-tenancy.

2 Section 121 of the Municipal Councils Ordinance, 1910, is hereby repealed and the following is substituted therefor :—

121 (1) If any building, other than a building containing furniture, is or remains untenanted, a proportionate remission of the rates and taxes payable in respect of such building may be allowed for the period during which the building is or remains untenanted.

(2) If any building containing furniture and registered with the Chairman as a building intended to be let as a furnished building is or remains untenanted a proportionate remission of one half of the rates and taxes payable in respect of such building may be allowed for the period during which such building is or remains untenanted.

(3) The period for which a remission is allowed under sub-sections (1) and (2) shall in respect of any building commence on the day on which the Chairman receives a written notice of its being untenanted and terminate on the date on which it is re-occupied : Provided that the said period shall terminate on a date one month prior to the said date of re-occupation if within three days of the re-occupation notice thereof was not given to the Chairman. Every notice under this sub-section shall contain an address to which all communications arising therefrom may be posted.

(4) When with reference to any claim for remission under this section a dispute arises regarding the period during which any building is or remains untenanted, a written notice of the decision of the Chairman thereon shall be posted to the last of the addresses given under sub-section (3) ; and such decision shall be final, unless a written application for its revision is presented to the Chairman within seven days of the date upon which such notice is posted and unless such decision is in consequence revised by the Council.

*Objects and Reasons.*

When a building within Municipal limits is untenanted the Chairman of the Municipality is empowered in the circumstances set out in section 121 of the Municipal Councils Ordinance, 1910, to remit the rates and taxes payable in respect of it during the period of non-tenancy. As the scope of this section even as amended by the Municipal Councils Amendment Ordinance, 1931, is too narrow for present requirements, this Bill substitutes for it a new section which recognizes as a basis for remission the bare fact of having no tenant, and authorizes partial remission in certain circumstances even in the case of untenanted furnished buildings.

Minister for Local Administration.
