DRAFT ORDINANCE.**MINUTE.**

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Education Ordinance, No. 1 of 1920".

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows:

1 This Ordinance may be cited as the Education Amendment Ordinance No. of 1933.

Short title.

2 Section 18 of The Education Ordinance, No. 1 of 1920, is amended as follows:

Amendment of section 18 of the principal Ordinance.

(1) Sub-section (1) by substituting in line 4 for the words "in Executive Council" the words "provided that the Governor may at any time by notification in the Government Gazette increase the maximum number of members for any Education District".

(2) Sub-section (2)—

(a) by deleting in line 1 the words "Two of such members shall".

(b) by inserting in line 2 at the beginning of paragraph (a) the words "Two of such members shall".

(c) by inserting in line 6 at the beginning of paragraph (b) the words "One of such members shall".

(d) by inserting in line 10 at the beginning of paragraph (c) the words "One of such members shall".

(3) Sub-section (3) is deleted.

(4) Sub-section (4) by renumbering it sub-section (3) and by substituting in lines 2 and 3 for the words "the two last preceding sub-sections" the words "Sub-section (2)".

(5) Sub-sections (5) and (6) by renumbering them sub-sections (4) and (5).

Statement of Objects and Reasons.

Section 18 (1) of the Education Ordinance fixes nine as the maximum number of members for an Education District Committee, and section 18 (2) permits each of the local government authorities mentioned there to nominate two members to the Education District Committee within whose area they are situated. Where an Education District is large enough to include several of the local government authorities in question it is therefore now possible for the members nominated by these authorities by virtue of section 18 (2) to exceed the maximum membership prescribed for an Education District Committee in section 18 (1).

2. The purpose of this Bill is to keep the members of an Education District Committee within the limits prescribed by law. This is achieved on the one hand by reducing the number of members that certain of the local government authorities in question may nominate, and on the other by providing for the increase of the maximum membership to meet the needs of special cases.

C. W. W. KANNANGARA,
Minister for Education.

Colombo, March 12, 1933.
