DRAFT ORDINANCES.**MINUTE.**

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend The School Teachers' Pension Ordinance, No. 6 of 1927.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

- Short title. 1 This Ordinance may be cited as the School Teachers' Pension Amendment Ordinance, 1933.
- Deletion of "in assisted schools" and "in an assisted school" in the principal Ordinance. 2 The School Teachers' Pension Ordinance, No. 6 of 1927 (hereinafter referred to as "the principal Ordinance") is amended by deleting the words "in assisted schools" and the words "in an assisted school" wherever the said words occur therein.
- Amendment of section 2 of the principal Ordinance. 3 Section 2 of the principal Ordinance is repealed and the following is substituted therefor :—
" 2 In this Ordinance unless the context otherwise requires ' teacher ' means a teacher in a school maintained wholly or partially from the public funds of the Island."
- Amendment of section 5 of the principal Ordinance. 4 Section 5 of the principal Ordinance is amended by the addition of the following new sub-section (3) at the end :—
" (3) Nothing in this Ordinance or any rules thereunder shall entitle any person to receive in respect of the same period of service more than one pension out of the public funds of the Island."

Objects and Reasons.

1. Teachers in Government Schools are paid pensions under the Government Pension Minutes, and teachers in "assisted schools" receive pensions by virtue of rules framed under the School Teachers' Pension Ordinance, No. 6 of 1927. There is no provision however which provides for the payment of pensions to teachers in a third type of school which cannot properly be classed either as a Government School or as an assisted school, i.e., schools which are not Government Schools in the fullest sense because the teachers are not appointed by Government and which are not strictly "assisted schools" because they are maintained wholly from public funds.

2. The immediate purpose of this Bill is to extend the provisions of the amended Ordinance to this last class of schools and to make it thereby possible to pay pensions to teachers therein. The amendment however goes beyond the immediate purpose and gives the necessary authority in a manner that would permit of the payment of pensions and gratuities under the Ordinance even to teachers in Government Schools, provided the teacher is not entitled in respect of the same period of service to any other pension out of public funds. By reason of the addition to section 5 of the Ordinance, any possible right to more than one pension or gratuity for the same service out of public funds is avoided.

Colombo, May 19, 1933.

C. W. W. KANNANGARA,
Minister of Education.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend The Vehicles Ordinance, No. 4 of 1916.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

- Short title. 1 This Ordinance may be cited as The Vehicles Amendment Ordinance, No. of 1933.

Amendment of
section 34 of
Ordinance
No. 16 of 1865.

2 Section 34 of the Police Ordinance, 1865, is amended by the insertion of the following new proviso between the second and the third proviso thereof :—

“ Provided that it shall be lawful and shall be deemed to have been at all times lawful to refrain in respect of any town from appointing any such percentage on the annual value.”

Objects and Reasons.

The purpose of this amendment is to authorize the exemption of towns from the payment of the tax levied under section 34 of the Police Ordinance, 1865, and to legalize such exemptions already made.
