## LAND DEVELOPMENT NOTICES.

### Land Development Notice No. 1—(Middle Class Ceylonese).

NOTICE is hereby given that applications for the lands particulars of which are given below will be considered by the Government Agent, North-Central Province, at a Land Kacheheri notice of which will be given after applications have been received. Further particulars of the above lands can be obtained on inquiry during office hours at the Anuradhapura Kacheheri, the Anuradhapura Survey Office, or the Surveyor-General's Office in Colombo.

2. Persons wishing to apply should send in written applications to the Government Agent, North-Central Province, on or before June 1, 1933, stating the extent and locality of the land for which they desire to apply and the crops they propose to grow if allotted land. If the applicant desires to apply for land in more than one village a separate application should be given in respect of each village. No deposits need accompany applications. Applicants should attend the Land Kacheheri to give the Government Agent any further information with regard to their applications. If neither the applicant nor any person authorized in writing to represent him attends the Land Kacheheri the Government Agent, North-Central Province, may presume that the applicant does not wish to pursue his application further.

3. Allotments will be confined to Middle Class Ceylonese. The term Middle Class Ceylonese does not include any person whose statutory income computed under the provisions of the Income Tax Ordinance, 1932, for the year ending March 31, 1932, exceeds Rs. 6,000; in the case of married people neither spouse shall be deemed Middle Class Ceylonese if the joint statutory income of both spouses exceeds in the aggregate a sum of Rs. 12,000.

4. Allotments of land granted to selected applicants under this Notice will be governed by the provisions of the Land Development Ordinance if and when that Ordinance is passed. Pending the passing of the Ordinance allotments will be held upon permits which will include the following amongst other conditions:—

(i.) The permit-holder shall not dispose of or otherwise deal with his interest under this permit in any way whatsoever without the prior sanction in writing of the Government Agent, North-Central Province, and any such disposition or transaction shall be null and void.

(ii.) The permit-holder shall make an annual payment. The initial payment shall not exceed Rs. 1.80 per acre but this may be revised periodically.

(iii.) The permit-holder shall during the first 3 years clear and plant at least three tenths of the land. During the next following 2 years he shall clear and plant a further extent of at least two tenths of the total area of the land, and during the next following 5 years a further extent of at least one-fourth of the total area. The permit-holder shall during the term of the permit maintain in cultivation such extent of the land as he is bound to clear and plant.

(iv.) The permit-holder will be entitled to make use of the timber on the land for fencing or the erection of watch huts or houses on the land. He shall, however, have no right to remove any timber whatsoever from the land without the permission of the Government Agent, North-Central Province, who may grant such permission upon such terms as to payment or otherwise as he may see fit.

(v.) Should the permit-holder contravene or fail to carry out any of the conditions of the permit or if the said land or the interest of the permit-holder be seized in execution of a decree against the permit-holder, the Government Agent, North-Central Province, may cancel the permit and take possession of the land and any crops, plantation, buildings, or other improvements upon it; and neither the permit-holder nor any person claiming through him shall have any right to claim any compensation whatsoever for any improvements effected by the permit-holder or any other person upon the land.

(vi.) The permit-holder shall surrender free of compensation any portion of the land allotted to him which may be required hereafter by the Government for roads, channels, or any other purpose.

(vii.) The permit-holder may nominate a person to whom he desires that the Government Agent, North-Central Province, should issue a fresh permit in the event of the death of the permit-holder during the term of the permit.

(viii.) The permit shall be personal to the permit-holder and shall terminate with his death.

(ix.) On the termination of the permit the land shall revert to the Crown and no person shall have any right to claim compensation from the Crown for any improvements made upon it.

(x.) In the event of the termination of the permit by the death of the permit-holder the Government Agent, North-Central Province, may at his discretion issue a fresh permit for the land to the person nominated by the late permit-holder, if he considers him a fit person, or to any dependent of the late permit-holder or to any other person.

5. If the land has not yet been surveyed into suitable blocks the final disposal of the land may be postponed pending survey.

6. Selected applicants may be required to deposit survey fees at the Land Kacheheri at the rate of Rs. 3 per acre. This money will not be refunded if the Government Agent, North-Central Province, shall owing to any action or omission of the applicant, have been put to the expense of an unnecessary survey, and the Land Commissioner's decision as to whether such fees in any particular case may reasonably be refunded or not shall be final.

Colombo, May 1, 1933.

C. V. BRAYNE,  
Land Commissioner.
