## Summary.

WRITTEN offers are invited for the purchase of standing trees in the annexed Schedules A and B.

Offers should be made, subject to the following conditions, by letter, preferably under sealed and registered cover, addressed to the Divisional Forest Officer, Sabaragamuwa Division, Ratnapura, and posted to reach him or deposited in the tender box kept at his office, not later than midday on Tuesday, August 16, 1932. The envelope should be marked on the left hand top corner "Offer for Purchase of Standing Timber, Sabaragamuwa Division."

1. Lump sum offers, written both in words and figures, may be made for each item or for any number of trees comprising each item in the schedules. The successful tenderers will be allotted trees serially as appearing in the enumerated list of trees. Tenderers should therefore, before tendering, inspect the enumeration list which can be seen at the Range Office, Ratnapura, and the Divisional Forest Office, Ratnapura, between office hours on working days.

2. Offers can be made for more than one item in the same letter but rates should be quoted for each item or part thereof separately.

3. Offers should accompany a remittance of Rupees Twenty or 25 per cent. of the tendered amounts, whichever is higher, by money order or cheque. This remittance will be returned to those whose offers are rejected. The successful tenderer will be given credit for the amount in the final payment for the timber. Any tender wherein this condition is not complied with will be treated as informal and rejected.

4. The purchase amount may be paid (a) in full or (b) in instalments. If the successful tenderer desires to pay by instalments, the payment should be made as follows:— 40 per cent. of the purchase amount within two weeks of the date of the notice of acceptance of his offer, 30 per cent. of the purchase amount within a month from the date of previous payment as specified herein and the balance within two months of the date of first payment. If the payment is to be made in full, one month's time from the date of the notice intimating the acceptance of his offer will be given.

5. The successful tenderer shall have to deposit in addition security in the sum of Rupees Fifty which will be retained by the Divisional Forest Officer and will be released by him at the expiry of the date of removal specified in condition 8 below.

6. In the case of payment by instalments, the purchaser will on payment of each instalment be entitled to fell and remove 1/3 of the total number of trees commencing in serial order as appearing in the enumeration list.

7. Before commencing felling operations, the trees shall be stamped by the Range Forest Officer, Ratnapura, and a felling permit issued by him. As payments are made from time to time, proportionate number of trees will be stamped and felling permits issued.

8. The felling and removal of the trees should be completed on or before April 30, 1933. Any trees not felled and removed, or felled material not removed, on or before this date shall revert to the Crown. The purchaser will have no right whatever to such material.

9. The purchaser will be required to submit lists of felled material to the Range Forest Officer, Ratnapura, and obtain from him removal permits to transport his material.

10. The purchaser shall be held liable for the actions of his agents and workmen.

11. Should the purchaser fell any trees without being stamped and obtaining felling permits or remove any felled material without removal permits, he shall be liable to punishment under the provisions of Forest Ordinance No. 16 of 1907.

12. If the purchaser after due notification fail or refuse to pay the full purchase amount or the instalments when due, the security together with the deposit under condition 3, shall be forfeited and the trees resold. The exaction of this penalty will not however prejudice the right to hold the purchaser pecuniarily liable for any loss resultant to Government. The Conservator of Forests reserves the discretionary power to waive the terms of this clause in any degree as he may consider the circumstances justify.

5. A deposit of Rs. 20 is required and should be forwarded with the offer by a money order in favour of the Divisional Forest Officer, Colombo.

6. The tenderers should satisfy themselves by inspection before tendering as to the acreage and contents of the demarcated coupes referred to in the annexed schedule, as the figures given therein are estimated only and their correctness is in no way guaranteed. The boundaries of the coupe will be pointed out by the Range Forest Officer, Mirigama.

7. The successful tenderer will be required to execute a purchase agreement. A copy of this agreement can be seen at the Office of the Divisional Forest Officer, Colombo.

8. Before execution of the agreement the purchaser will be required (a) to pay the full purchase amount or, if payment by instalments, 50 per cent. thereof, (b) to deposit as security for the efficient and punctual fulfilment of the agreement 5 per cent. of the full purchase amount offered by him or Rs. 100 whichever is greater. If payment is made by instalments the balance of 50 per cent. shall be paid by the purchaser in one instalment in accordance with clauses 3 and 4 of the special conditions set out below in this notice.

9. After payment of the first instalment, deposit of the security, and execution of the agreement the purchaser will be entitled on application to refund of his tender deposit. Should the successful tenderer fail to carry out the requirements of clauses 7 and 8 of this notice within 14 days of receiving notice in writing from the Divisional Forest Officer, that his tender has been accepted, the Rs. 20 deposited for each coupe will be forfeited to the Crown. The successful tenderer will be entitled to a refund of the amount deposited by him on application to the Divisional Forest Officer concerned.

10. Tenderers should make offers, written both in words and figures. No tender will be considered unless the procedure laid down has strictly been complied with. The Conservator of Forests reserves to himself the right, without question, of rejecting any or all tenders, and of accepting any portion of a tender.

11. The special rules for felling, conversion and removal which the agreement will require to be observed are specified in the special conditions advertised below. Nothing in these special conditions shall render the purchaser in any way exempt from liability under the Forest

Ordinance of 1907, should he be responsible for the commission of forest offence outside the boundaries of the purchased coupe.

12. Should any offer be accepted and should the successful tenderer after due notification decline or fail to pay any sum or sums stipulated for and to enter into the necessary contract within the time allowed, or in reasonable time, he will be held pecuniarily liable for any resultant loss to Government. Offers are made and received on this distinct understanding. The Conservator of Forests reserves the discretionary power to waive the terms of this clause in any decree as he may consider the circumstances justify.

*Special Conditions.*

On payment of the full purchase amount the purchaser will be entitled to fell and remove on or before February 15, 1933, in the manner specified below, all the firewood and timber contained in the purchased coupe. Any firewood or timber not removed by the expiry date shall *ipso facto* revert to the Crown. Under no circumstances will extension be granted.

2. The purchaser shall agree to commence felling along the full length of the southern boundary of the coupe and to progress this felling line in the direction of the northern boundary, always keeping it parallel to the southern boundary along with felling commences.

3. If the purchaser desires to pay by instalments payment of a first instalment of 50 per cent. of the full purchase price of the coupe shall entitle him to fell and remove all the trees in an area not exceeding one-half of the total area of such coupe.

Payments of the balance 50 per cent. by means of a second instalment shall entitle the purchaser to fell and remove all the trees in the other half of the total area.

4. If paying by instalments, the purchaser shall pay the second instalment within three months of the date of execution of the agreement.

Should the purchaser fail to pay the second instalment when due it shall be within the discretion of the Divisional Forest Officer to cancel the agreement as from the date of such default, and to declare same null and void. Any unremoved or unfelled timber or firewood lying or standing in the coupe shall unconditionally revert to the Crown as from the date of such cancellation, and the purchaser shall have no further claim thereto.

5. Should the purchaser fell or remove trees or firewood from any area of the coupe he has not paid for, or from any area of forest outside the demarcated boundaries of his coupe nothing in the agreement shall exempt him from liability to punishment for illicit felling and removal under the provision of the Forest Ordinance, No. 16 of 1907, and the rules framed thereunder.

6. The Range Forest Officer, Mirigama, or the Beat Forest Officer concerned shall measure up the timber which is ready for removal and shall issue the necessary removal permits or timber cart notes on the spot immediately after and in accordance with the said measurement. No fuel or timber is to be removed without a removal permit or a timber cart note.

7. The purchaser shall agree that for each and every infringement of the above conditions he shall become liable to a fine not exceeding Rs. 100 to be imposed by the Divisional Forest Officer in writing at his discretion, and to be recovered from the purchaser's security money.

8. The purchaser shall agree that, in the event of security money having become exhausted, it shall be within the discretion of the Divisional Forest Officer either (a) to accept a further security deposit amounting to 10 per cent. of the full tendered purchase price, or (b) to cancel the agreement and to refund to the purchaser such balance of the paid purchase money, if any, as remains after deducting the value of firewood removed by the purchaser on the date of such cancellation. For the purpose of this clause the value of each removed cubic yard of firewood shall be reckoned at full royalty rates.

9. The purchaser shall have the right of appeal to the Conservator of Forests in the event of enforcement of any of the penalties specified in these conditions, and the purchaser shall agree to accept the Conservator of Forests' decision as final and binding.

10. All trees whether utilizable or otherwise and unless marked for retention as standards which are over 24 inches in girth shall be felled within 12 inches of the ground.

11. The purchaser shall be personally responsible for the actions of his agents and coolies.
