GALLE MUNICIPALITY.

Minutes of Proceedings of a General Meeting of the Galle Municipal Council, held at the Municipal Office on Saturday, June 18, 1932, pursuant to notice dated June 14, 1932.

Present :—Mr. J. D. Brown, Chairman ; Mr. C. E. de Vos ; Mr. J. E. Perera ; Mr. D. I. Durham ; Mr. C. L. Wickremasinghe ; Mr. T. Amarasuriya ; Mr. A. J. R. Scharenguivel ; and Mr. A. M. Saheed.

1. With reference to the Minutes of the last Meeting Mr. C. L. Wickremasinghe moved to substitute the word "amendment" for the word "motion" after the words "Mr. Gunasekara's" in item 5 (3). This was agreed to and the Minutes of the General Meeting of May 14, 1932, as amended, were taken as read and confirmed.

2. *Relief to Ratepayers*.—The Chairman moved that the question of granting relief to ratepayers be considered by the Council in Committee at the end of the meeting.—Carried.

3. The following extracts from the Minutes of the Meeting of the Four Standing Committees of June 11, 1932, were laid before the Council :—

(2) To consider an estimate of Rs. 1,600 for re-building 3 culverts round the esplanade and re-cutting and filling natural drains to new gradients.—Resolved, after a full discussion, on the subject, that the matter be brought up again for consideration at the next meeting of the Four Standing Committees and that in the meantime, steps be taken to have the low portions of the esplanade raised in accordance with the levels noted in the Provincial Engineer's plan.—Resolved further that 100 tons of cinders be obtained from the Railway to be used as a foundation in filling such areas.

(3) To consider the building of the remaining portions of Circular road drains at a cost of Rs. 6,950.—Resolved that a sum of Rs. 1,500 be voted for the purpose of constructing an outlet from the main road culvert as suggested by the Provincial Engineer in the scheme prepared by him and that the question of building the drains be deferred for consideration at the next Meeting of the Four Standing Committees.

(4) To consider an application from the Medical Officer of Health for a supplementary vote of Rs. 200 to meet the costs of analysis of milk or in the alternative for permission to use vote No. 17 (Infectious Diseases) for the purpose.—Recommended that the Medical Officer of Health be allowed to use the sum of Rs. 200 from vote No. 17 (Infectious Diseases) to meet the costs of analysis of milk.

(5) To consider tenders for the construction of a drain along Hirimbura road from the mosque to No. 369A (Oruppe-watta).—Recommended that the lowest tender, viz., Rs. 497.14 from E. D. P. de Silva, be accepted.

With regard to item (3) Mr. J. E. Perera said he quite agreed with, and fully appreciated, the point of view the Chairman had taken in the matter, but at the same time he wished to stress the importance of the construction of these drains. He said they were urgently needed in order to improve the sanitary condition of the town.

The Chairman informed Mr. Perera that consideration of the question was merely deferred and that the matter would come up again for discussion at the next meeting of the Four Standing Committees.

Resolution.

Resolved that the above recommendations of the Four Standing Committees be adopted.

The following extracts from the Minutes of the Standing Committees were laid before the Council :—

4. *Extracts from the Minutes of the Standing Committees on Finance and Assessment of June 11, 1932.*

(2) List of demolished buildings in Wards 2, 3, 4E, and 4W.—Recommended that the rates be struck off.

(3) To consider an application from Inspector Abeywardena for a loan of Rs. 100 to purchase a bicycle.—Recommended that the loan be given to the Inspector re-payable by monthly instalments of Rs. 10 and 2½ per cent. interest be charged on the amount outstanding.

(4) To confirm the purchase on behalf of the Council of property No. 679A, Maitipe, sold by public auction for non-payment of rates.—Recommended that the sale be confirmed.

Resolution.

Resolved that the above recommendations of the Standing Committee be adopted.

5.—*Extracts from the Minutes of the Standing Committee on Municipal Works of June 11, 1932.*

(2) To consider 9 applications for water service.—Recommended that the applications be allowed.

(3) To consider an estimate of Rs. 150 for re-thatching the roofs of the two large wards and the roofs and sides of the small ward at the Infectious Diseases Hospital, Dadalla.—Recommended.

(4) To consider a detailed estimate of Rs. 620 for building two double and two single bullock carts.—Recommended that a reduced estimate of Rs. 590 be passed.

(5) To consider an application from Messrs. Coates & Co., asking for a special rate for electric current used for mechanical power.—Recommended that 25 cents per unit be fixed as the rate of current to be used for power.

(6) To consider an estimate of Rs. 168 for scraping and painting the boards at motor bus halting places.—Recommended.

(7) To consider a letter from the Superintendent, Coast lights, offering a rate of 20 cents per unit for lighting Galle Lighthouse.—Recommended that the offer be accepted.

Resolution.

With regard to item (7) Mr. J. E. Perera opposed the recommendation of the Standing Committee and moved, as an amendment, that an increased rate of 25 cents per unit be charged. Mr. T. Amarasuriya formally seconded.

Mr. C. L. Wickremasinghe wanted information as to the likely amount of consumption and whether the Council would have to incur any additional expenditure as a result of supplying current to the Lighthouse.

The Chairman replied that the likely consumption would be 7 units per night and the additional expenditure approximately Rs. 500, being the cost of strengthening the service along Lighthouse street.

Mr. Amarasuriya inquired if the proposed concession was going to be considered as a precedent and if the same terms would be given to ratepayers under similar circumstances.

The Chairman said he admitted there was the danger of precedent.

Mr. Perera's amendment was then put to the meeting and carried.

The recommendations of the Standing Committee with regard to the remaining items were adopted.

6. At this stage the Chairman informed the Council that he wished to make a statement with regard to the case of suspected plague which had occurred recently in Ward 4W. He said the specimen was sent up for analysis to the Bacteriological Institute, Colombo, and the report obtained so far was to the effect that the specimen was slightly decomposed and that the results were probably positive. No further information had been received and it is presumed the Institute are awaiting the result of the inoculation test. The immediate contacts have been removed to the Segregation Camp and they are regularly visited by the Medical Officer of Health who reports that they are comfortably housed and are as happy as circumstances permit. Other necessary action has been taken locally in the neighbourhood of the infection. The statement in the press that the Medical Officer of Health was recalled from leave needed modification. As a matter of fact Dr. Arndt had left Mount Lavinia for Galle before the telegram recalling him reached its destination. He regarded this as a sign of the Doctor's carefulness in taking the necessary action to meet emergencies.

There have been no fresh cases of plague, and no cases amongst the immediate contacts.

At the conclusion of the other business before the Meeting the Chairman moved the Council into Committee to discuss what steps should be taken to grant relief to owners of properties who, by reason of their poverty, are unable to pay rates.

Council in Committee.

The Chairman explained that there was some little difficulty about the matter in view of the opinion of Mr. E. J. Samarawickrewe obtained on a previous occasion to the effect that the Council had no power to change a rate once made. He suggested that information be obtained from the Municipalities of Colombo and Kandy as to the procedure adopted in those towns in similar cases. Council agreed to the suggestion.

Recommended that the list submitted be approved as a list of persons suitable to be granted relief, but that the Chairman do make further inquiries as to the ability of the Council to grant this relief.

Council resumed, and the Chairman moved that the above recommendation of the Council, in Committee be adopted.
—Carried.

7. The following documents were laid on the table :—

- (1) Statement of receipts and disbursements to end of May, 1932.
- (2) Progress Report of Works done on estimates during May, 1932.
- (3) Report of the Inspector of Vehicles on carriages plying for hire during May, 1932.
- (4) Diaries of (a) the Medical Officer of Health, (b) the Superintendent of Works, (c) the Inspector of Works, and (d) the Manager, Health Department.

The Municipal Office,
Galle, July 9, 1932.

Confirmed :
J. D. BROWN,
Chairman.

Minutes of Proceedings of a General Meeting of the Galle Municipal Council held at the Municipal Office on Saturday, July 9, 1932, at 9.30 a.m., pursuant to notice dated July 4, 1932.

Present :—Mr. J. D. Brown, Chairman ; Mr. C. E. de Vos ; Mr. J. E. Perera ; Mr. D. I. Durham ; Mr. C. L. Wickremasinghe ; Mr. T. Amarasuriya ; Mr. P. R. Gunasekara ; Mr. A. J. R. Scharenguivel ; and Mr. A. M. Saheed.

1. The Minutes of the General Meeting of June 18, 1932, a copy thereof having been furnished to each member, were taken as read, and confirmed.

2. The Chairman moved—“ That in view of the extension of the limits of the area paying water rate, this Council decides to rescind the resolution of April 12, 1930, allowing water service to premises outside the area paying water rate. Provided that any water service now allowed outside such area be not affected.”

Mr. J. E. Perera opposed the motion on the ground that such action on the part of Council would not be justified at the present time in view of the fact that there was no difficulty about a scarcity of water. The present supply was quite sufficient to satisfy the needs of the town and there was no necessity to shut the door against people living outside the Police limits who desired to have water service. Only a few applications had been received since the resolution of 1930, was passed and it was not likely that there would be a sudden influx of applications in the near future. He suggested that no action be taken for the present.

Mr. P. R. Gunasekara also spoke against the motion and suggested that it be deferred for consideration at some future time, if necessary.

Mr. C. L. Wickremasinghe agreed that the resolution of 1930 should not be rescinded, but suggested that people to whom these facilities are given in future be warned that their water supply would be liable to be cut off after six months' notice if such action was found to be necessary. Council agreed to this suggestion. The Chairman thereafter withdrew his motion on the understanding that Mr. C. L. Wickremasinghe would on a subsequent date move a resolution on the lines indicated.

With regard to the application from the Bataganvila Temple it was resolved that the application be allowed.

The following extracts from the Minutes of the Standing Committees were laid before the Council :—

3. *Extracts from the Minutes of the Standing Committee on Finance and Assessment of June 25, 1932.*

(2) To consider papers relating to the payment of a pension to Mr. C. F. Madawela, Superintendent of Minor Roads, Hambantota, on his ultimate retirement from service, for services rendered to the Council during the period 1913-1924.—Recommended that a proportionate pension be granted in accordance with the Municipal Pension Rules now in force.

(3) To consider an application from the Chairman, Galle Municipal Education District Committee, for an annual grant for the purpose of buying books and feeding the needy children attending non-English Schools within the Municipality.—Recommended that the Chairman of the Galle Municipal Education District Committee be requested to furnish exact details as to the method of administration of any sum which the Council may vote for this purpose.

(4) To consider the question of connecting the Office of the Medical Officer of Health to the telephone system.—Recommended that a telephone be installed in the Office of the Medical Officer of Health.

(5) To consider a letter from the Galle Ayurvedic Association *re* the establishment and upkeep of the Free Ayurvedic Dispensary within Municipal limits.—Recommended that the Association be informed that the Council does not see its way to help at present ; but that a similar application will receive sympathetic consideration when the Association has once established the dispensary referred to.

Resolution.

With regard to item (2) it was resolved that Mr. Madawela's resignation from Council in 1924, be treated as a transfer and that the principle recognized in the Government Pension Minute of 1924, which is the same in substance as the Municipal Council Pension Minute of 1926, be applied to this case.

With regard to item (4), resolved that inquiries be made from the Superintendent of Telegraph and Telephone Traffic as to whether it would be cheaper to obtain an extension from the Municipal Office Telephone.

The recommendations of the Standing Committee with regard to the remaining items were adopted.

4. *Extracts from the Minutes of the Standing Committee on Markets and Sanitation of June 25, 1932.*

(2) To consider the report and estimate of the Medical Officer of Health *re* the establishment of two small dispensaries within the Municipality for the benefit of the poorer residents of the town.—Recommended that the report and estimate be adopted subject to the following amendments :—(a) an apothecary only to be appointed. (b) Both dispensaries to be open daily, one in the mornings and the other in the evenings

Resolution.

Resolved that the above recommendation of the Standing Committee be considered at the next meeting of Council and that in the meantime the papers be circulated to members.

5. *Extracts from the Minutes of the Standing Committee on Municipal Works of July 2, 1932.*
