## DRAFT ORDINANCES.

The following Draft of a proposed Ordinance is published for general information :—

## An Ordinance to amend the Income Tax Ordinance, 1932.

**B**E it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Income Tax Amendment Ordinance, No. of 1932.

Amendment of section 7 (1) of the principal Ordinance.

2 Section 7 (1) of the Income Tax Ordinance, 1932, (hereinafter referred to as "the principal Ordinance") is hereby amended by the substitution of a comma for the colon immediately after the figures "1921" in the third line of paragraph (n) thereof and by the addition of the following words at the end of the said paragraph :

"provided that the majority of the members of any such society are resident in Ceylon and provided that in a case where a co-operative society is a member of another co-operative society so registered, each of the members of the former society shall be deemed individually to be and shall be reckoned as a member of the latter society for the purpose of ascertaining whether a majority of the members of the latter society are resident in Ceylon :"

Amendment of section 20 of the principal Ordinance.

3 Section 20 of the principal Ordinance is hereby amended by the repeal of sub-section (2) thereof and by the substitution of the following sub-section therefor :

"(2) Where for any year of assessment no tax is chargeable under sub-section (1) in respect of the income of an individual resident in Ceylon, or where for any year of assessment the tax chargeable under that sub-section upon the taxable income of an individual resident in Ceylon amounts to less than one per cent. of his assessable income, tax shall be charged for such year of assessment in respect of the income of either such individual at the rate of one per cent. upon his assessable income for that year : provided that tax charged under this sub-section shall be in lieu of and not in addition to the tax, if any, chargeable under sub-section (1) "

Amendment of section 27 of the principal Ordinance.

4 Section 27 of the principal Ordinance is hereby amended by the substitution of the word "executor" for the word "execution" in the seventh line thereof.

Amendment of section 30 (4) of the principal Ordinance.

5 Section 30 (4) of the principal Ordinance is hereby amended—

(1) by the insertion of the following words between the word "excess" and the word "not" in the sixth line thereof :

"or the total amount of such excesses where expenditure has been so incurred by any such person on more immature areas than one," ;

(2) By the insertion of the words "in any case" between the word "exceeding" and the word "fifteen" in the sixth line thereof ; and

(3) by the insertion of a comma between the word "period" and the word "shall" in the eighth line thereof.

6 The provisions of this Ordinance shall have effect as from the 9th day of February, 1932, notwithstanding anything in any written law to the contrary.

*Objects and Reasons.*

1. Clause 2. There are certain co-operative societies which derive substantial incomes from Ceylon though they are "non-resident" within the meaning of section 2 of the Income Tax Ordinance, 1932. It appears to be equitable that the incomes of such co-operative societies should be taxed in the ordinary way and the object of this amendment of section 7 is to exclude such societies from the category of those entitled to claim exemption from income tax and to prevent such societies from qualifying themselves for such exemption by seeking registration locally under the Co-operative Societies Ordinance, No. 34 of 1921.

2. Clause 3. The object of this amendment of section 20 (2) is to make it clear that a tax equal in amount to one per cent. of the assessable income of a person is payable in a case where by reason of the allowances provided for in Chapter VI, no tax would be charged under the provisions of sub-section (1) of the same section. The opportunity

has also been taken to make it clear that the tax charged under sub-section (2) is in lieu of and not in addition to the tax chargeable under sub-section (1) of section 20.

3. Clause 4 corrects a mis-print in section 27 (1).

4. Clause 5. Section 30 (4) may be construed to mean that a separate deduction, not exceeding 15 per cent. of the profits derived from the estates of a tax-payer, may be allowed in respect of *each* immature area belonging to such tax-payer. The section makes no specific provision for a case where the tax-payer is the owner of several immature areas and claims a deduction in respect of each such area. The object of this amendment is to make it clear that the maximum relief intended to be granted under this sub-section is an aggregate allowance of 15 per cent. of the total of the profits derived from all estates of the tax-payer, irrespective of the number of immature areas in respect of which deductions may be allowed.

5. Clause 6 of the Bill gives retrospective effect to the amendments introduced. The date mentioned (9th February, 1932) is the date on which the principal Ordinance came into operation.

The Treasury,  
Colombo, July 4, 1932.

W. W. WOODS,  
Financial Secretary.

### MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Education Ordinance,  
No. 1 of 1920".

III. 628.

**B**E it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows:

1 This Ordinance may be cited as the Education Amendment Ordinance, No. of 1932.

Short title.

2 Section 17 of "The Education Ordinance, No. 1 of 1920", (hereinafter referred to as the principal Ordinance) is hereby amended as follows:

Amendment of  
section 17  
of Ordinance  
No. 1 of 1920.

(a) by the deletion of paragraphs (b) and (c) thereof; and  
(b) by the substitution of the letter "b" for the letter "d" within the brackets in the first line of paragraph (d) thereof.

3 Section 18 of the principal Ordinance is hereby amended as follows:

Amendment of  
section 18  
of Ordinance  
No. 1 of 1920

(1) by the substitution of the word "includes" for the words "is situated within" in the second line and by the deletion of the words "which has been declared to be an education district" in the third and fourth lines of paragraph (b) of sub-section (2) thereof; and  
(2) by the substitution of the word "includes" for the words "is situated within" in the second line of paragraph (c) of sub-section (2) thereof.

#### *Objects and Reasons.*

1. Section 17 (b) of "The Education Ordinance, No. 1 of 1920", provides that the area comprised within the administrative limits of a Local Board town shall become a separate Education district immediately such town is brought under the operation of that Ordinance by a Proclamation of the Governor. By reason of the provisions of section 17 (c) of the same Ordinance, a District Council constituted under "The Local Government Ordinance, No. 11 of 1920", *ipso facto* becomes an Education district for the purposes of "The Education Ordinance, No. 1 of 1920", upon such constitution.

2. Experience has shown that the method of creating a new Education district by the mere proclamation of a Local Board town or by the constitution of a District Council is unsatisfactory.

3. The object of this amendment is to enable areas comprised within Local Board or District Council limits conveniently to be included in larger education districts for the purposes of the principal Ordinance.

4. Clause 2 accordingly repeals these provisions of the law which make it necessary for every Local Board area, upon proclamation, and for every District Council, upon constitution, to become a separate education district and clause 3 effects other amendments consequential on the amendments introduced by clause 2.

Colombo, July 5, 1932.

C. W. W. KANNANGARA,  
Minister for Education.

## MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

**An Ordinance to amend " The Trade Marks Ordinance, No. 15 of 1925 ".**

**B**E it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Trade Marks (Convention) Amendment Ordinance, No. of 1932.

Amendment of section 61 of Ordinance No. 15 of 1925.

2 Section 61 of " The Trade Marks Ordinance, No. 15 of 1925 ", is hereby amended as follows :

- (1) by the substitution of the word " six " for the word " four " in the first line of sub-section (2) thereof ;
- (2) by the insertion of the words " and dealt with " between the word " made " and the word " in ", in the second line of sub-section (5) thereof.

*Objects and Reasons.*

1. This amendment of section 61 of " The Trade Marks Ordinance, No. 15 of 1925 ", is introduced as an emergency measure in order to enable Ceylon to accede to the revised Convention for the Protection of Industrial Property which was signed at The Hague on November 6, 1925, and ratified by His Majesty's Government in respect of Great Britain and Northern Ireland with effect from June 1, 1928.

2. By Article 4 (c) of the revised Convention it is stipulated that the period within which claims may be made for priority of date in connection with applications for the registration of trade marks shall be *six* months instead of four months as provided in section 61 (2) of " The Trade Marks Ordinance, No. 15 of 1925 ". This amendment of sub-section (2) of section 61 accordingly substitutes a period of six months for the period of four months prescribed in that sub-section.

3. Section 61 (5) provides that an application for the registration of a trade mark under that section shall be " made " in the same manner as an ordinary application under the Ordinance. The amendment of sub-section (5) makes it clear that the other provisions of the Ordinance will apply equally to applications made under section 61. In practice, an application under section 61 is not merely " made " but disposed of in the same manner as any ordinary application under the Ordinance.

PERI SUNDARAM,  
Minister for Labour, Industry  
and Commerce.

The following Draft of a proposed Ordinance is published for general information :—

**An Ordinance to amend " The Designs Ordinance, 1904 ".**

**B**E it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Designs Emergency Amendment Ordinance, No. of 1932.

Amendment of section 31 of Ordinance No. 7 of 1904.

2 Section 31 of " The Designs Ordinance, 1904 ", is hereby amended as follows :

- (1) by the substitution of the word " six " for the word " four " in the first line of sub-section (2) thereof ;
- (2) by the repeal of sub-section (4) thereof and by the substitution therefor of the following :  
" (4) Notwithstanding the provisions of section 5 of this Ordinance, the exhibition or use of the design in this Island or the publication therein of a description or representation thereof during the period of six months prescribed in sub-section (2) of this section shall not invalidate the registration of the design. " ;
- (3) by the insertion of the words " and dealt with " between the word " made " and the word " in ", in the second line of sub-section (5) thereof.

*Objects and Reasons.*

1. This amendment of section 31 of "The Designs Ordinance, 1904", is introduced as an emergency measure in order to enable Ceylon to accede to the revised Convention for the Protection of Industrial Property which was signed at The Hague on November 6, 1925, and ratified by His Majesty's Government in respect of Great Britain and Northern Ireland with effect from June 1, 1928.

2. By Article 4 (c) of the revised Convention, it is stipulated that the period within which claims may be made for priority of date in connection with applications for the registrations of designs shall be six months instead of four months as provided in section 31 (2) of "The Designs Ordinance, 1904". This amendment of sub-section (2) of section 31 accordingly substitutes "six months" for "four months" in that sub-section. A similar amendment of the corresponding English Statute was effected by the Patents and Designs (Convention) Act, 1928.

3. The reference in sub-section (4) of section 31 of the "respective periods aforesaid" is an error of drafting due to the fact that section 31 has been taken over from the English Act of 1883 which dealt with both patents and designs, whereas Ordinance No. 7 of 1904 deals exclusively with designs and prescribes only a single period in sub-section (2). The opportunity has, accordingly, been taken to correct this error and to make it clear that the provisions of sub-section (4) of section 31 over-ride the provisions of section 5 of the Ordinance which enables the Registrar to register only designs "not previously published in Ceylon".

4. In practice, applications under section 31 are dealt with in the same manner as an application under section 5 of the Ordinance. Sub-section (5) of section 31 expressly provides that applications under that section shall be "made" in the same manner as an application under the Ordinance. Sub-section (5) has accordingly been amended so as to make it clear that the other provisions of the Ordinance, *e.g.*, sections 6 and 7, apply equally to applications made under section 31.

Minister for Labour, Industry
