DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend "The Designs Ordinance, 1904".

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

1 This Ordinance may be cited as the Designs Emergency Amendment Ordinance, No. of 1932.

Short title.

2 Section 31 of "The Designs Ordinance, 1904", is hereby amended as follows :

Amendment of section 31 of Ordinance No. 7 of 1904.

(1) by the substitution of the word "six" for the word "four" in the first line of sub-section (2) thereof :

(2) by the repeal of sub-section (4) thereof and by the substitution therefor of the following :

"(4) Notwithstanding the provisions of section 5 of this Ordinance, the exhibition or use of the design in this Island or the publication therein of a description or representation thereof during the period of six months prescribed in sub-section (2) of this section shall not invalidate the registration of the design." ;

(3) by the insertion of the words "and dealt with" between the word "made" and the word "in", in the second line of sub-section (5) thereof.

Objects and Reasons.

1. This amendment of section 31 of "The Designs Ordinance, 1904", is introduced as an emergency measure in order to enable Ceylon to accede to the revised Convention for the Protection of Industrial Property which was signed at The Hague on November 6, 1925, and ratified by His Majesty's Government in respect of Great Britain and Northern Ireland with effect from June 1, 1928.

2. By Article 4 (c) of the revised Convention, it is stipulated that the period within which claims may be made for priority of date in connection with applications for the registrations of designs shall be six months instead of four months as provided in section 31 (2) of "The Designs Ordinance, 1904". This amendment of sub-section (2) of section 31 accordingly substitutes "six months" for "four months" in that sub-section. A similar amendment of the corresponding English Statute was effected by the Patents and Designs (Convention) Act, 1928.

3. The reference in sub-section (4) of section 31 of the "respective periods aforesaid" is an error of drafting due to the fact that section 31 has been taken over from the English Act of 1883 which dealt with both patents and designs, whereas Ordinance No. 7 of 1904 deals exclusively with designs and prescribes only a single period in sub-section (2). The opportunity has, accordingly, been taken to correct this error and to make it clear that the provisions of sub-section (4) of section 31 over-ride the provisions of section 5 of the Ordinance which enables the Registrar to register only designs "not previously published in Ceylon".

4. In practice, applications under section 31 are dealt with in the same manner as an application under section 5 of the Ordinance. Sub-section (5) of section 31 expressly provides that applications under that section shall be "made" in the same manner as an application under the Ordinance. Sub-section (5) has accordingly been amended so as to make it clear that the other provisions of the Ordinance, e.g., sections 6 and 7, apply equally to applications made under section 31.

PERI SUNDARAM,
Minister for Labour, Industry
and Commerce.

Colombo, July 12, 1932.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Trade Marks Ordinance, No. 15 of 1925".

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows:—

1 This Ordinance may be cited as the Trade Marks (Convention) Amendment Ordinance, No. of 1932.

Short title.

2 Section 61 of "The Trade Marks Ordinance, No. 15 of 1925", is hereby amended as follows:

Amendment of section 61 of Ordinance No. 15 of 1925.

- (1) by the substitution of the word "six" for the word "four" in the first line of sub-section (2) thereof;
- (2) by the insertion of the words "and dealt with" between the word "made" and the word "in", in the second line of sub-section (5) thereof.

Objects and Reasons.

1. This amendment of section 61 of "The Trade Marks Ordinance, No. 15 of 1925", is introduced as an emergency measure in order to enable Ceylon to accede to the revised Convention for the Protection of Industrial Property which was signed at The Hague on November 6, 1925, and ratified by His Majesty's Government in respect of Great Britain and Northern Ireland with effect from June 1, 1928.

2. By Article 4 (c) of the revised Convention it is stipulated that the period within which claims may be made for priority of date in connection with applications for the registration of trade marks shall be *six* months instead of four months as provided in section 61 (2) of "The Trade Marks Ordinance, No. 15 of 1925". This amendment of sub-section (2) of section 61 accordingly substitutes a period of six months for the period of four months prescribed in that sub-section.

3. Section 61 (5) provides that an application for the registration of a trade mark under that section shall be "made" in the same manner as an ordinary application under the Ordinance. The amendment of sub-section (5) makes it clear that the other provisions of the Ordinance will apply equally to applications made under section 61. In practice, an application under section 61 is not merely "made" but disposed of in the same manner as any ordinary application under the Ordinance.

PERI SUNDARAM,
Minister for Labour, Industry
and Commerce.

(2) Any modifications of the Motor Car Ordinance, 1927, made by regulations under this section shall have effect as if they were contained in that Ordinance.

3 All regulations made under this Ordinance shall be laid, as soon as conveniently may be, on the table of the State Council at two successive meetings of the Council, and shall be brought before the Council at the next subsequent meeting held thereafter by a motion that the said regulations shall not be disapproved, and if upon the introduction of any such motion, or upon any adjournment thereof, the said regulations are disapproved by the Council, such regulations shall be deemed to be rescinded as from the date of such disapproval, but without prejudice to anything already done thereunder ; and such regulations, if not so disapproved, shall continue to be of full force and effect. Every such disapproval shall be published in the Gazette.
