An Ordinance to Enable Regulations to be made for the purpose of giving effect to any convention for facilitating the international circulation of motor cars.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :

Short title.

1 This Ordinance may be cited as the Motor Car (Convention) Ordinance, No. of 1932.

Power to make regulations for carrying out conventions as to international circulation of motor cars.

2 (1) For the purpose of giving effect to any convention for facilitating the international circulation of motor cars the Minister of Local Administration may make regulations—

- (a) providing for the grant and authentication of any driving passes, certificates, or authorities which may be of use to persons resident in this Island when temporarily taking their motor cars abroad, or to drivers when proceeding abroad for the purpose of driving motor cars, and providing for the examination of such motor cars and drivers for the purpose of granting such passes, certificates, or authorities; and
- (b) prescribing the forms to be used and the fees to be paid for the purposes specified in paragraph (a) and for all purposes connected therewith or incidental thereto; and
- (c) prescribing the manner in which fees imposed under this Ordinance may be recovered; and
- (d) prescribing the person or the officer who, or the association which shall grant or authenticate the passes, certificates, authorities, or other documents issued under this Ordinance; and
- (e) modifying the provisions of the Motor Car Ordinance, 1927, relating to the weight, dimensions, equipment or registration of motor cars and the licensing of motor car drivers in the case of motor cars brought temporarily into this Island by persons resident abroad, and intending to make only a temporary stay in this Island, and of drivers entering this Island for the purpose of driving any such cars.

(2) Any modifications of the Motor Car Ordinance, 1927, made by regulations under this section shall have effect as if they were contained in that Ordinance.

Regulations to be subject to the approval of the State Council.

3 All regulations made under this Ordinance shall be laid, as soon as conveniently may be, on the table of the State Council at two successive meetings of the Council, and shall be brought before the Council at the next subsequent meeting held thereafter by a motion that the said regulations shall not be disapproved, and if upon the introduction of any such motion, or upon any adjournment thereof, the said regulations are disapproved by the Council, such regulations shall be deemed to be rescinded as from the date of such disapproval, but without prejudice to anything already done thereunder; and such regulations, if not so disapproved, shall continue to be of full force and effect. Every such disapproval shall be published in the Gazette.

Objects and Reasons.

1. The object of this Bill is to provide a convenient and expeditious method of giving effect locally to International Conventions relating to Motor Cars and Motor Traffic. The Bill has been framed on the lines of the corresponding English Statute, the Motor Car (International Circulation) Act, 1909, (9 Edw. 7, Chapter 37), and is introduced as an emergency measure in order to give effect primarily to the provisions of the International Convention relative to Motor Traffic which was signed at Paris on the 24th April, 1926, and which comes into operation in the Island on the 14th August, 1932.

2. Power has been taken in the Bill to make regulations for the various matters dealt with in the Convention including the delivery and recognition of international certificates for motor vehicles and of international driving permits.

CHAS. BATUWANTUDAWA,
Minister for Local Administration.

The Ministry of Local Administration,
Colombo, July 21, 1932.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

K 22/20—PMG.

An Ordinance to amend "The Ceylon Post Office Ordinance, 1908".

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows:—

1 This Ordinance may be cited as the Post Office Amendment Ordinance, No. of 1932.

2 Section 11 of "The Ceylon Post Office Ordinance, 1908" (hereinafter referred to as "the principal Ordinance"), is hereby amended by the repeal of sub-section (1) thereof and by the substitution therefor of the following:—

"(1) The Governor may make rules providing for the registration of newspapers which are transmitted by inland post as registered newspapers and may in such rules prescribe the fees to be charged and paid for such registration and for the renewal thereof."

3 Sub-section (6) of section 83 of the principal Ordinance is hereby amended by the substitution of a comma for the full stop immediately after the word "country" in the sixth line thereof and by the addition of the following words immediately thereafter:—

"and includes any such facsimile or imitation or representation of an international reply coupon or of an imperial reply coupon."

Objects and Reasons.

1. The principal Ordinance provides for the registration of newspapers and for the transmission of registered newspapers by inland post at special rates. There is, however, no provision in the Ordinance which enables a fee to be charged for the registration of newspapers or for the renewal of such registration. The amendment introduced by clause 2 of this Bill enables the Governor to make rules for the registration of newspapers and to prescribe by rule the necessary fees for such registration and for the renewal thereof.

2. International reply coupons are supplied by the International Bureau of the Postal Union at Berne and were introduced by the Universal Postal Union to supply the public demand to provide the means of prepaying the reply to a letter sent abroad. An international reply coupon is exchangeable in any country which undertakes the sale of such coupons for a stamp or stamps representing the postage on a single rate letter originating in that country for abroad. At the request of the British Post Office, Ceylon has also undertaken the sale of imperial reply coupons which are similarly exchangeable in any British possession for a stamp or stamps representing the postage on a single rate letter originating in that possession for any country in the British Empire. At the Convention held at London in June, 1929, the contracting countries undertook to propose to their respective Legislatures the necessary measures for penalising the counterfeiting and fraudulent use of international reply coupons.

3. Clause 3 of the Bill accordingly makes the necessary provision for the protection of international reply coupons by including such coupons within the definition of a "fictitious stamp" in section 83 (6) of the principal Ordinance. The opportunity has also been taken to extend a similar protection to imperial reply coupons.
