(i.) An officer of the Ceylon Defence Force who was serving in such Force or in any other Authorized Auxiliary Force of the Empire on 4th August, 1914, and who, before 11th November, 1918, served or accepted an obligation to serve on military service beyond the borders of the territory of the Force of which he was a member, will reckon two-fold as qualifying service all embodied service as an officer on the active list given between the dates of embodiment and of disembodiment of the Force in which he was serving, and will reckon all such embodied service in the ranks on the active list as full single qualifying service towards the 20 years required, whether such service was in the Royal Navy, Regular Army, Royal Air Force, Special Reserve, Territorial Force, or Dominion or Colonial Forces.

(ii.) Except as provided in the preceding paragraph (i.), commissioned service in the Royal Navy, the Regular Army, or the Royal Air Force, or a Permanent Force of a Dominion or Colony, during the period 4th August, 1914, and 31st December, 1921, provided that the officer was commissioned between 4th August, 1914, and 11th November, 1918, and subsequently obtained a Commission in an Auxiliary Force, shall reckon as single qualifying service; and half the time served on the active list in the ranks of the said Forces during the said period shall reckon as single qualifying service for the Decoration.

F. Service requisite to qualify for the Decoration shall not necessarily be continuous.

G. Service on the Permanent Staff of the Ceylon Defence Force by members of the Permanent Forces of the Empire, except such service as may be covered by paragraph D above, shall not reckon as qualifying service for the Decoration.

H. In the case of recipients of the Volunteer Officers' Decoration, the Territorial Decoration, or the Colonial Auxiliary Forces Officers' Decoration, no period of service in the Force in which they qualified for any of the said Decorations shall be reckoned as qualifying service for the Efficiency Decoration.

I. Subject to the provisions of the preceding paragraph H, an officer already in possession of the Volunteer Officers' Decoration, the Territorial Decoration, or the Colonial Auxiliary Forces Officers' Decoration, or any Long Service and Good Conduct or Efficiency Medal and Clasps, will be eligible to receive the Efficiency Decoration and to wear it with them provided that he has completed the full periods of qualifying service for these awards and that no qualifying service towards one award is permitted to count towards the other.

J. Except as admissible under this regulation service in the ranks will not be deemed to be qualifying service.

* The term "Authorized Auxiliary Forces of the Empire" means for the purposes of the Efficiency Decoration the Territorial Army, Royal Naval Volunteer Reserve, and the Auxiliary Air Force in Great Britain, and similar forces in the Dominions, Colonies, and territories under His Majesty's protection to which attach similar obligations for training in peace; it excludes the Army Reserve and such like forces.

† Reprinted as an annexure to these regulations.

6. An officer who has the requisite qualifying service must be recommended by the Commanding Officer of the unit in which he completes the period of service requisite to qualify for the Decoration.

7. Applications for the Decoration should be made in writing by the Commanding Officer of the Corps of the Ceylon Defence Force in which the officer recommended for the Decoration is or was serving when he completed the period of qualifying service, and should be supported by a statement of the officer's service in Form A appended to these Regulations. 8. *Grant of the Decoration.*—The Decoration will be awarded on the authority of the Governor or Officer Administering the Government and a notification of its award will be published in the *Ceylon Government Gazette*. A register of awards of the Decoration will be kept at the Headquarters of the Ceylon Defence Force.

10. *Loss and Replacement.*—When the Decoration has been lost and it is desired to replace it, a declaration must be made before a magistrate stating the circumstances under which the loss occurred, and the rank, name, and Corps of the officer to whom the Decoration belonged. This declaration will be forwarded to the Governor through the usual channel of correspondence in the case of an officer who is still serving, and direct in the case of an officer who has retired. The Decoration will be replaced, on payment, if the explanation as to loss is considered satisfactory.

11. *Forfeiture and Restoration.*—A recipient of the Decoration who suffers death by sentence of a Military Court, or is dismissed or removed from his Corps or regiment for misconduct shall forfeit the Decoration unless the Governor shall otherwise direct.

(ii.) Except as provided in the preceding paragraph E (i.), commissioned service in the case of those men who were commissioned after service in the ranks of an Authorized Auxiliary Force of the Empire during the period of embodiment of the Force consequent upon the outbreak of war on 4th August, 1914, and who, having relinquished their Commissions, re-enrolled in the ranks of an Authorized Auxiliary Force prior to 1st January, 1922, shall count as single qualifying service for the Medal or Clasps.

(2) *Suspected vessel.*—A vessel shall be regarded as *suspected* if, although there has been no case of yellow fever, it arrives after a voyage of less than six days from an infected port or from a port in close relation with an endemic centre of yellow fever, or if it arrives after a voyage of more than six days and there is reason to believe that it may carry from the said port *Aedes aegypti* or other mosquitoes which are considered capable of transmitting the disease.

(3) *Healthy vessel.*—A vessel shall be regarded as *healthy* notwithstanding its having come from an infected port if at the time of its arrival after a voyage of more than six days there has been no case of yellow fever on board and either (a) investigation by the Port Health Officer shows that the vessel does not carry mosquitoes believed to be capable of transmitting yellow fever, or (b) it is proved to his satisfaction that the ship at the time of departure was effectively fumigated in order to destroy mosquitoes.

18. *Measures against infected vessels.*—No yellow fever infected vessel shall be granted pratique until the following quarantine measures are applied:—

- (b) Disembarkation and isolation of persons suffering or suspected to be suffering from yellow fever.

20. *Measures applied to healthy vessels.*—A healthy vessel from a yellow fever infected port shall be granted pratique if medical inspection is satisfactory.

21. *Import of yellow fever virus prohibited.*—The living virus of yellow fever and any substance, animal or insect, which is or is likely to be infected with the virus, shall not be imported, brought or introduced into Ceylon for any purpose, experimental or otherwise, provided that the proper authority may exempt from this regulation vaccines and other preparations containing the virus, which are imported with Government sanction. Pratique shall not be granted to any vessel carrying any specimen of the living virus of yellow fever or any substance, animal or insect believed to be infected with the virus, but such vessel shall be treated as an infected vessel.

period of observation or surveillance shall be reckoned from the day on which such person first came on board the vessel.

26. *Recognition of measures carried out at other ports against infected or suspected vessels.*—(1) A vessel which during its voyage came within the category of an infected or suspected vessel as defined in these regulations, but which has been subjected to the necessary sanitary measures and granted pratique by a competent quarantine authority, and has not thereafter called at any infected port, may on arrival at a port in Ceylon be granted pratique if the Port Health Officer is satisfied that no further development has occurred which requires the application of quarantine measures.

(2) The proper authority may however apply such, as he deems advisable, of the measures which are set out in this Chapter for healthy vessels arriving from infected ports or bringing persons from infected local areas, provided that the period of any observation or surveillance that may be enforced, shall commence from a day not later than that on which the aforesaid competent quarantine authority granted pratique.

recently used clothing and bedding as well as rags not carried as merchandise in bulk, may be disinfected or disinfectant.

40. *Rags and Clothing.*—(1) Second hand clothing and rags carried as merchandise shall always be liable to disinfection at the discretion of the Port Health Officer unless accompanied by a certificate of disinfection issued by a competent authority to satisfy the Port Health Officer that no further measures are necessary.

(2) The Port Health Officer may order the destruction by fire of clothes or other articles of small value, including rags not carried as merchandise in bulk, when such articles are brought from an infected vessel or an infected local area and the usual measures of disinfection appear to him to be insufficient.

(3) When merchandise or baggage has been subjected to the aforementioned measures the proper authority shall if required to do so by an interested party, issue free of charge a certificate setting out the measures that have been taken.

42. *Landing of Mails.*—Nothing in these regulations shall be deemed to render any article which is part of any mails, other than parcel mails, conveyed under the authority of the postal administration of any Government, liable to destruction or to detention for any period longer than is reasonably necessary for such fumigation or other disinfection as the proper authority may order.

CHAPTER VII.—Deratisation of Healthy Vessels.

43. (1) Every vessel shall, unless the master produces a Deratisation Certificate or a Deratisation Exemption Certificate, issued within the previous six months and in conformity with the conditions specified in the regulation next following, be liable after inspection and investigation of its sanitary condition, to deratisation; provided that a certificate issued within the previous seven months may be accepted as valid in the case of a vessel proceeding to its terminal port if such port is qualified to carry out deratisation.

(2) Upon the completion of such inspection and investigation the Port Health Officer shall—

- (a) cause the vessel to be deratised and thereafter issue a dated Deratisation Certificate, or

44. (1) Deratisation when ordered shall be carried out in the port of Colombo, and vessels requiring deratisation arriving at other ports in Ceylon shall proceed to Colombo for that purpose.

(2) Deratisation Certificates and Deratisation Exemption Certificates shall not be issued at any port in Ceylon other than Colombo.

(3) The Port Health Officer shall thereupon cause a bacteriological examination of the rats to be made as quickly as possible.

(4) If the results of such examination leave any room for doubt, the provisions of the above paragraph (1) shall be applicable to such vessel until it can be declared to be free beyond all doubt from infection.

47. Every vessel before entering dry dock, shall be deratised, unless specially exempted by the proper authority.

CHAPTER VIII.—Measures to Prevent spread of Infection from Ceylon.
