Pending the passing of the Ordinance, allotments will be held upon permits which will include the following amongst other conditions:—

(i.) The permit-holder shall not dispose of or otherwise deal with his interest under this permit in any way whatsoever without the prior sanction in writing of the Government Agent, Province of Uva, and any such disposition or transaction shall be null and void.

(ii.) The permit-holder shall make an annual payment. The initial payment shall not exceed 2 per cent. of a sum made up by adding together the value of the land and Rs. 10 per acre survey fees. But the annual payment may be revised periodically.

(iii.) The permit-holder shall during the first 3 years clear and plant at least three-tenths of the land. During the next following 2 years he shall clear and plant a further extent of at least two-tenths of the total area of the land, and during the next following 5 years a further extent of at least one-fourth of the total area. The permit-holder shall during the term of the permit maintain in cultivation such extent of the land as he is bound to clear and plant. The crop to be planted shall be a crop other than tea, the planting of which is at present prohibited by law.

(iv.) The permit-holder will be entitled to make use of the timber on the land for fencing or the erection of watch huts or houses on the land. He shall, however, have no right to remove any timber whatsoever from the land without the permission of the Government Agent, Province of Uva, who may grant such permission upon such terms as to payment or otherwise as he may see fit.

(v.) Should the permit-holder contravene or fail to carry out any of the conditions of the permit, or if the said land, or the interest of the permit-holder be seized in execution of a decree against the permit-holder, the Government Agent, Province of Uva, may cancel the permit and take possession of the land and any crops, plantations, buildings, or other improvements upon it; and neither the permit-holder nor any person claiming through him shall have any right to claim any compensation whatsoever for any improvements effected by the permit-holder or any other person upon the land.

(vi.) The permit-holder shall surrender free of compensation any portion of the land allotted to him which may be required hereafter by the Government for roads, channels or any other purpose.

(vii.) The permit-holder may nominate a person to whom he desires that the Government Agent, Province of Uva, should issue a fresh permit in the event of the death of the permit-holder during the term of the permit.

(viii.) The permit shall be personal to the permit-holder and shall terminate with his death.

(ix.) On the termination of the permit the land shall revert to the Crown, and no person shall have any right to claim compensation from the Crown for any improvements made upon it.

(x.) In the event of the termination of the permit by the death of the permit-holder, the Government Agent, Province of Uva, may at his discretion issue a fresh permit for the land to the person nominated by the late permit-holder, if he considers him a fit person, or to any dependent of the late permit-holder, or to any other person.

5. If the land has not yet been surveyed into suitable blocks, the final disposal of the land may be postponed pending survey.

6. Selected applicants will be required to deposit survey fees at the Land Kachcheri at the rate of Rs. 3 per acre. This money will not be refunded if the Government shall, owing to any action or omission of the applicant, have been put to the expense of an unnecessary survey, and the Land Commissioner's decision as to whether such fees in any particular case may reasonably be refunded or not shall be final.
