3. The following papers were laid on the Table :—

- (a) Reports by the several Inspectors on laundries, bakeries, dairies, standpipes, and house service taps inspected during February, 1934.
- (b) Report from the Municipal Engineer on the condition of the various drives in Kandy.

3A. Mr. Beven having enquired whether any steps were being taken to improve the unsightly market area from which temporary boutiques were recently removed, the Chairman referred to the suggestion of the Superintendent of Police to have the Fair Day removed to this area, and agreed to bring the matter up before the next Works Committee; and in the meanwhile to remove the unsightly foundations and concrete slabs if the cost was not much.

4. Petitions :—Mr. De Silva presented—(1) petition from Mr. M. S. Buksh, complaining of the erosion caused by the Meda-ela to premises No. 15, Mulgampola, and asking the Council to take steps to avoid further damage.

Ratwatte Adigar presented—(2) Letter addressed to him by Mr. D. A. Davendra enclosing a summary of Council's decisions regarding the opening of a footpath to Udamadapota village.

Dr. Attygalle presented—(3) Undertaking signed by Mr. D. E. Mr. Wijayatilake presented—(5) Letter from Mrs. E. Thomas addressed to the Medical Officer of Health asking that the unbuilt drain at the foot of the culvert near her premises No. 111, Peradeniya road, be built by the Council.

The Chairman agreed to look into the matters referred to in the petitions, and also in connection with item (3), papers referred to by Ratwatte Adigar regarding the Council's failure to provide a gate to the path leading by the Poyage in the Asgriya temple which the Council agreed to supply when land was gifted by the temple for opening Lady Manning's drive.

4A. At the request of Ratwatte Adigar, who stated that misunderstandings had arisen as to the true intentions underlying the proposal to bring Mulgampola-Bowela area within the operation of "The Housing and Town Improvements Ordinance, No. 19 of 1915," the Chairman made a statement to the effect that the proposal was calculated purely to control buildings that are erected in this area to preserve sanitary amenities with a view to prevent a legacy of slums being handed over to the Council if and when the area is brought within Municipal limits. He indicated that the control will be by the Medical Officer of Health of the District, and the proposal involves no taxation but will help the orderly development of the area along sanitary lines.

Mr. de Silva explained that the State Council was not opposed to the proposal but he got the matter deferred in that Council to allow him time to consult the people affected by the proposal as to the two alternatives open to them of bringing the area within Municipal limits or under the operation of the Housing Ordinance.

4B. With the leave of Council Ratwatte Adigar asked:—(i.) Will the Chairman kindly inform me whether he has granted permission to any one to block the public path at Adanamaluwe by putting up two gates? (ii.) If not will the Chairman please have the gates removed?

The Chairman replied as follows:—(i.) Am not aware of any such permission having been granted. (ii.) The matter will be looked into.

In this connection Dr. Attygalle remarked that a public footpath existed here so far back as 1876 and 1877.

5. To consider the report of the Municipal Engineer on the Minor River (Mahaweli-ganga) Pumping Scheme and the report thereon by the Director of Public Works.

Before proceeding to the consideration of the scheme, Mr. de Silva moved that the Council do place on record a vote of thanks to the Municipal Engineer, Chairman, and the Director of Public Works for the expeditious manner in which this matter has been dealt with by them.

The Chairman acknowledged the Council's indebtedness to the Municipal Engineer, the Director of Public Works, and Mr. Mahadewa and agreed to a record being made of the Council's appreciation of their services in the Minutes.

The Council then moved into Committee and having considered the scheme in detail the following resolution was adopted:—

Resolved—(1) To adopt the Minor River (Augmentation) Scheme as set forth in the Municipal Engineer's reports of February 26, 1934, and March 2, 1934, subject to certain modifications detailed below based on the Director of Public Works' report No. WW9D of March 20 and to adopt the revised estimate based on the above and prepared by the Municipal Engineer dated March 21, 1934.

The Council having resumed, the Chairman moved that the resolution made in Committee be adopted. Ratwatte Adigar seconded.—Carried.

It was agreed to entrust the work on wells, fencing and roads to a selected Contractor on a carefully prepared schedule of rates.

On behalf of the Council Mr. Wijayatilake wished that the Council should also place on record its thanks (1) to the Chairman for the great deal of pains and interest he had taken in bringing the scheme to a successful issue on the eve of his departure on furlough, (2) to Mr. de Silva as the originator of the idea of a pumping scheme and for having pushed the idea through, in spite of opposition, and (3) to Mr. D. H. Karunaratne who deserved great credit for drawing up the plans and collecting data connected with the scheme.
