“THE LOCAL GOVERNMENT ORDINANCE,
No. 11 OF 1920.”

BY-LAWS made by the Puttalam Urban District Council under sections 164 and 168 (2) (a) of “The Local Government Ordinance, No. 11 of 1920,” and approved by the Local Government Board and confirmed by the Governor by virtue of the powers vested in him by the said section 164 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWE,
Minister for Local Administration.

Colombo, May 25, 1934.

BY-LAWS REFERRED TO.

1. No pension, gratuity, or long service allowance shall be granted to any officer of the Urban District Council without the authority of the Governor, in order to obtain which a certificate of good conduct from the Chairman setting out the length of service, age, and ground of retirement must be forwarded, together with the application for pension, gratuity, or retiring allowance, and the computation thereof, through the Commissioner of Local Government to the Controller of Establishments.

2. Subject to the provisions of by-law 1 and the following by-laws, every officer of the Urban District Council on the fixed establishment drawing a salary of Rs. 360 per annum and upwards who shall have had service of ten years or more including any service which may be reckoned under the proviso to by-law 7 may be awarded a pension as follows:—

For the first one hundred and twenty months of such service a pension equal to 120/720ths of his annual salary and for each additional completed month of service an additional 1/720th of such salary, but no officer shall be entitled to draw more than 480/720ths of his final salary as pension.

3. The above-mentioned rates shall only be granted in cases of faithful and meritorious service, but when the testimony as to fidelity, diligence, and merit is in any respect defective, a deduction from such rates may be made. Where there has been obvious negligence, irregularity, or misconduct, the grant of a pension may be altogether withheld.

Where service of peculiar and extraordinary merit has been rendered by an officer distinctly outside the duties in respect of which his salary is paid, a special rate of pension may be recommended for sanction, but in ordinary cases the maximum pension or retiring allowance grantable to an officer under these by-laws, or to an officer entitled to pension also in respect of service not under the Council from all services combined, shall not exceed two-thirds of the highest salary drawn by such officer at any time in the course of his service.

4. In the case of officers on the fixed establishment of the Council drawing a salary of Rs. 360 per annum and upwards retiring on account of illness or age before completing one hundred and twenty months' gross service a gratuity may be granted calculated at the rate of one-twelfth of a month's pay of the permanent office or offices held at the time of retirement, for each completed month of service.

5. Officers of the Urban District Council shall have no absolute right to any pension, gratuity, or long service allowance under these by-laws, and the Urban District Council retains power and authority to dismiss any such officer without any compensation.

6. No pension, gratuity, or long service allowance shall be granted to any officer of the Urban District Council who shall be under fifty-five years of age except upon a certificate from the Chairman and two medical practitioners that he is incapable from infirmity of mind or body of discharging the duties of his office, nor unless he shall have discharged such duties theretofore with diligence and fidelity to the satisfaction of the Council.

7. The claim of an officer of the Urban District Council to pension, gratuity, or long service allowance shall be considered to have commenced from the date of his first permanent appointment to the fixed establishment of the Council after January 1, 1933, or its predecessor the Puttalam Local Board.

Provided that an officer transferred from the provisional and temporary establishment to the fixed establishment may be allowed to count his provisional and temporary service when it has been continuous with his subsequent permanent service.

Service under sixteen years of age however will not count for pension.

8. The service in respect of which pensions, gratuities, or long service allowances are granted under these by-laws must in all cases be continuous, unless interrupted by abolition of office or other temporary suspension of employment not arising from misconduct or voluntary resignation of the officer.

9. The pension or gratuity shall be computed upon the salary of the permanent office held by the officer of the Council at the time of his retirement provided he shall have held such appointment for at least three years; otherwise the pension shall be calculated upon the average of salaries attached to the permanent office held by such person during the three years next preceding the commencement of such pension.

10. In case of abolition of office, if the officer has completed 120 months' gross service, he may be granted a pension of 1/720th of his salary for each month of his service counting for pension with an addition to such service of one month for each completed period of two months' service, the addition in no case exceeding 60 months.

If the officer has not completed 120 months' gross service he may be granted a gratuity of 1/12th of a month's salary for each month of service counting for pension, plus an addition of 50 per cent. thereon. In no case shall the number of months to be added to the actual service exceed that which, if added to the age of the retiring officer, would make that age up to sixty.

11. If any person being in receipt of any pension or long service allowance from the Urban District Council shall be convicted of any offence in any Court of Justice in the Island for which he shall be sentenced to death or to any terms of imprisonment with hard labour exceeding six months such pension or long service allowance shall forthwith determine and cease to be payable, unless such person shall, within three months after his conviction, receive free pardon or unless the Council shall otherwise order.

12. Officers on the fixed establishment of the Urban District Council may be required to retire on or after attaining the age of fifty-five, upon the receipt of twelve months' notice to that effect, but they may continue in office till sixty years of age with the consent of the Council.

13. (1) Every officer who is transferred to or from the service of the Council from or to any other public service and whose aggregate service would have entitled him, had it been wholly under the Council, to a pension under these rules, shall on his ultimate retirement from service, if he has served for a period of at least 12 months under the Council, be entitled to a pension which shall bear the same proportion to that to which he would have been entitled had the whole of his service been under the Council as the *aggregate amount of the salary which he has drawn from the Council bears to the total sum made up of such aggregate amount and the aggregate of the amounts received by him in the course of his public service elsewhere than under the Council.

Provided however, that in the case of an officer who is transferred to the service of the Council after other public service in which the rules regulating pensions do not offer the same privileges to an officer transferred from the Council to such public service as are accorded under these rules to an officer transferred from such public service to the Council and whose aggregate public service under the Council and elsewhere would have entitled him, had it been wholly under the Council, to a pension under these rules, such officer may with the sanction of the Council on his ultimate retirement from public service (provided such retirement takes place from the Council and that he has served for a period of at least five years under the Council) be entitled to receive from the Council, in lieu of a pension calculated in the manner prescribed in the preceding paragraph, a pension representing the difference between the pension or pensions earned by such officer in respect of his public service elsewhere and a pension calculated as if his public service had been wholly under the Council.

(2) For the purposes of this section, the expression “public service” includes employment under the Crown or any Local Government public body or bodies.

14. Should an officer who retires on pension find after such retirement an employment under the Council or under the Government or under another semi-official body on a salary equal to or higher than that which he drew from the Council at the time of his retirement, his pension shall be suspended so long as such employment continues. If he draws a less salary he shall be entitled to only so much of

* The term “aggregate” salary is to be interpreted as the amount of the aggregate salary of the substantive post held by an officer in the course of his career, disregarding extra emoluments such as duty allowances, and regarding leave on half pay or without pay as leave on full salary.

his pension as when added to the salary of the new appointment will make his total emoluments equal to the salary last drawn by him previous to his retirement.

15. Employees on the fixed establishment of the Urban District Council drawing salaries of less than Rs. 360 per annum and retiring on account of age or infirmity after serving continuously for a period of fifteen years and upwards may, if the Council be satisfied that they are unfit, owing to age or infirmity of body or mind, further to discharge efficiently the duties of their offices, be granted such long service allowances not exceeding Rs. 7.50 per mensem in each case as the Council may award. Persons in receipt of daily pay, who have completed a period of fifteen years of continuous service, retiring under similar circumstances may be awarded gratuities calculated at the rate of one-eighteenth of a month's pay drawn at the time of retirement for each completed month's service.

16. If any case not covered by these by-laws shall arise which in the opinion of the Council merits the award of a pension, retiring allowance or gratuity, the circumstances of such case should be reported together with the recommendation of the Council to the Commissioner of Local Government for transmission to the General Treasury (Establishments Division) for submission to the Governor, who will decide whether any and, if so, what award shall be granted.

REPEAL.

The rules prescribed by the Governor under section 87 of Ordinance No. 13 of 1898 for the Local Board, Puttalam, and published in the *Government Gazette* No. 6,968 of September 20, 1918, are hereby repealed.

THE Governor has, under sections 18 and 31 of "The Excise Ordinance, No. 8 of 1912," directed that in addition to the general conditions published by Excise Notification No. 186 of April 12, 1929, the following shall be the special conditions for the grant of the privilege of selling arrack by retail within any local area:—

1. *Granting of Exclusive privilege, subject to sale by holder of F. L. licence (see also condition 30).—*

The privilege will be exclusive, subject to the right of any holder of a foreign liquor licence in the same area, to whom the Excise Commissioner may have given special permission in that behalf, to sell on his licensed premises arrack bought exclusively from the grantee of the privilege.

2. (1) *Period of Privilege.—*

The privilege will be granted for the period from October 1, 1934, to September 30, 1935, or for any shorter period within these 12 months on application by way of tender or by auction in the form and manner prescribed in these conditions.

(2) *Areas for which Privilege granted.—*

The privilege may be granted for the local area of an individual tavern, or for the respective local areas of each of a group of taverns as the Government Agent may decide.

3. *Disqualifications against Acceptance of Tenders.—*

No tender will be accepted from any person—

(a) whose name appears on the list of defaulting contractors, or on the list of defaulters in respect of toll, arrack, or toddy rents, or on the list of persons precluded for other reasons from having any concern in any Government rent; or

(b) whose name is on the Excise Register of Offenders; or

(c) who is a registered criminal within the meaning of the Prevention of Crime Ordinance, No. 2 of 1926, or who has been convicted of any crime or of any Excise offence; or

(d) who at any time held a licence which has been cancelled under section 26 of the Excise Ordinance, No. 8 of 1912.

4. *Tender form.*—

Every tender shall be made on the prescribed form which may be obtained from the Treasury or any Kachcheri.

5. *Restrictions against Hidden Tenders and plurality of Tenders.*—

(1) Every tender or bid shall be made by the tenderer or bidder in his own name. No tender or bid will be accepted if made through an agent.

(2) No person shall send in more than one tender for any one tavern, or group of taverns.

6. *Tender Deposit.*—

(1) The Government Agent may, if he considers it necessary, require the deposit of a sum not exceeding Rupees One thousand (Rs. 1,000) by the tenderer in respect of each tender.

(2) Every tender shall be accompanied by a Treasury or Kachcheri receipt acknowledging the deposit of the sum required by the Government Agent under the foregoing paragraph of this condition, and the number and date of the receipt shall be entered on the face of the tender form.

7. *Delivery of Tenders.*—

Every tender shall be placed in a sealed envelope clearly marked in the top left hand corner with the name of the tavern in respect of which the tender is made and its number on the list of sanctioned taverns. The envelope shall be (a) deposited in the Kachcheri Tender Box, or (b) handed to the Government Agent or to the Assistant Government Agent or to his Office Assistant, or (c) sent by registered post so as to reach the Kachcheri before the time fixed for closing the tenders.

8. (1) *Power of Rejection of Tender.*—

The Government Agent may in his discretion reject any or all of the tenders received; and in the event of his so rejecting all tenders, he may put up the privilege for sale by auction.

Provided that no person who is duly declared the purchaser of any privilege, whether by way of tender or of auction shall use or be permitted to use the same receipt for the purpose of a tender or a bid for any other privilege, until he has completed in respect of the privilege already granted to him the steps prescribed hereinafter in condition 9 (1) (a)

(3) *Power of Rejection of Bid.*—

Subject to the proviso that the Government Agent shall have discretion to reject any or all of the bids, the privilege shall be granted to the highest bidder at such auction.

(4) *Power to grant Privilege to Approved Person.*—

If the highest bid or tender under condition 3 exceeds the sum of Rs. 2,000, the grantee shall at the time of the execution of the bond as aforesaid execute, if so required by the Government Agent, a power of attorney in the form sanctioned by law, to confess judgment in any action which may be instituted against him for the recovery of any monies due in respect of the privilege, and shall also furnish to the Government Agent within fifteen days of the date of the execution of such power of attorney a duly certified copy thereof for filing in the District Court under section 32 of the Civil Procedure Code.

(4) *Registered Postal Address.*—

The grantee shall, on signing these conditions, elect and signify under his hand a Post Office or postal address to which all notices and processes whatever in connection with the privilege may be addressed under registered cover; and all such notices or processes, so addressed to such post office or to such postal address, and posted in due course, shall be deemed to have been duly served and be as effectual for all purposes as if they had been served upon the grantee in person upon the day on which any such notice or process was so posted.

10. *Failure to complete Purchase of Privilege.*—

If any tenderer or bidder, on being declared to be the purchaser of the privilege, declines or fails to sign these conditions of sale or fails to furnish the security prescribed in the foregoing condition 9 (1) (a) when called upon to do so, the deposit made under the foregoing condition 6 will be declared forfeited and the defaulter will render himself liable to have his name entered in the list of defaulters in respect of all arrack or toddy rents. (b) *Notice of Cancellation.*—

Such notice may be served personally on the grantee or addressed to the post office elected under the foregoing condition 9 (4) as the Government Agent thinks fit.

(2) *Re-grant of Privilege after Cancellation.*—

No. 2,741 of April 23, 1934 (Date applied for under Section 48 of the Ordinance, April 26, 1932).

Sven Stromgren and Allmänna Svenska Elektriska Aktiebolaget.

Improvements in withering tea leaf.

Abstract.—On either side of the lofts there are fans and a vertical shaft provided with a damper. By means of the fans air can be drawn over the lofts in either direction. The damper on the shaft at the end from which air is drawn is closed and the damper on the other partially opened through which some of the air escapes. This air is continuously replaced by specially conditioned air meeting the main current in the middle of the horizontal passage

on the ground floor which therefore connects the two shafts. This passage also contains the condenser of a refrigerating system. The relative humidity of the air is maintained at 67 %.

There are five claims and one sheet of drawings.
