HIS Excellency the Governor has been pleased, with the approval of the Secretary of State for the Colonies, to direct that the following amendment be incorporated in the Minutes on Pensions :—

Delete the existing section 21 and substitute the following :—

21. (1) An officer transferred to or from the service of the Government of Ceylon from or to any other public service, whose aggregate service would have qualified him, had it been wholly under the Government of Ceylon, for a pension under these regulations, may, if he has served for a period of at least 12 months in a pensionable office under the Government of Ceylon, on his retirement from the public service in circumstances in which he is permitted by the law or regulations of the service in which he is last employed to retire on pension or gratuity, be granted a pension of such an amount as shall bear the same proportion to the amount of pension for which he would have been eligible had his service been wholly under the Government of Ceylon, as the aggregate amount of his pensionable emoluments during his service under the Government of Ceylon shall bear to the aggregate amount of his pensionable emoluments throughout his public service.

(2) In determining for the purposes of this section the pension for which an officer would have been eligible if his service had been wholly in Ceylon

- (a) the final pensionable emoluments taken shall be those of his last period of service calculated in accordance with the law and regulations applicable thereto ;
- (b) no regard shall be had to sections 7 and 30 of these regulations ;
- (c) regard shall be had to the condition that pension may not exceed two-thirds of the final pensionable emoluments ;

(d) no period of other public service under any Government, local public body or other employing authority which does not grant a pension or gratuity to the officer shall be taken into account.

(3) For the purposes of this section—

(a) The aggregate amount of his pensionable emoluments shall be taken as the total amount of salary which the officer would have drawn and the total amount of the other pensionable emoluments which he would have enjoyed had he been on duty on full pay in his substantive office or offices throughout his period of public service subsequent to the attainment of the age of 16 years :

Provided that in calculating the aggregate amount of his pensionable emoluments no account shall be taken of any service under any Government, local public body or other employing authority which does not grant the officer a pension or gratuity.

(b) The expression "public service" includes employment in the Colonial Audit Department (Home Establishment), or in the office of the Crown Agents for the Colonies, or under the High Commissioner for transport in Kenya and Uganda, or under a local public body in Ceylon which has adopted a scheme for payment of pensions to its servants, or any such other employment as the Secretary of State may determine to be "public service."

(c) The words "to which he would have been entitled had the whole of his service been under the Government of Ceylon," shall be construed without regard being had to the limitation of £2,000 per annum of pension from all sources imposed by section 2.

(4) Service as a Governor or High Commissioner of a British Dominion, Colony, or Protectorate, or a territory under British mandate, or as a Governor in India shall be deemed to be public service except for the purposes of computation of pension or gratuity and of section 23 and the proviso relating to maximum pension in section 2 of these Minutes.

(5) Where an officer who has been transferred from other public service and whose aggregate service would have qualified him, had it been wholly under the Government of Ceylon, to retire on pension under these Regulations, is compulsorily retired from the public service on abolition of office, he may, if at the time he is in the service of the Government of Ceylon, be granted from the funds of Ceylon, in addition to the pension granted to him under this section, an addition to pension equal to 1-720th of his final pensionable emoluments for each complete period of four months' service included in the calculation of the pension for which he would have been eligible had the whole of his service been under the Government of Ceylon :

Provided that the number of 720ths of final pensionable emoluments grantable as addition to pension under the first part of this sub-section shall not exceed the number of months by which the officer's age at retirement falls short of 55 years or 60-720ths, whichever is less.

Provided further that the officer who is thus retired shall be liable to be recalled to the public service for re-employment.

(6) An officer, who has been transferred to other public service from a pensionable post under this Government and has retired from other public service before completing ten years public service in all in circumstances in which he is permitted by the law or regulations of the service in which he is last employed to retire on pension or gratuity, may be awarded a gratuity calculated in accordance with section 2 of these regulations based upon his salary and total length of service under the Government of Ceylon.

(f) No business shall be transacted at any meeting unless a quorum of at least eight members is present.

(g) If at any meeting there is not a sufficient number of members present to form a quorum, the Chairman shall adjourn the meeting to such date not more than fifteen days after the date of the meeting so adjourned as he thinks fit, and the business which would have been brought before the meeting so adjourned, if there had been a quorum present, shall be brought before, and disposed of at, such adjourned meeting.

*Adjournment of Meetings.*

2. (a) The Chairman of any meeting, ordinary or special, at which a quorum of the Council is present may with the consent of the meeting, adjourn the meeting from time to time; but no business shall be transacted without the permission of the Council at any adjourned meeting other than the business left unfinished at the meeting from which such adjournment took place.

(b) Notice of an adjourned meeting shall be served on members at least twenty-four hours before the time fixed for such meeting unless the original meeting decides to hold the adjourned sitting within twenty-four hours.

*Presence of Strangers.*

3. Strangers, including the Press, may be present at meetings in the places set apart for them, but must withdraw when called upon to do so by the Chairman, when in the opinion of the majority of the members of the Council present at the meeting, expressed by resolution, such exclusion is deemed advisable in the public interest.

(e) Any member may put a supplementary question for the purpose of further elucidating any matter of fact regarding which an answer has been given.

Provided that the Chairman may disallow any supplementary question if, in his opinion, it infringes the by-laws as to the subject matter of questions, and in that case the question shall not appear on the record of the minutes of the Council.

#### *Motions.*

9. (a) Every notice of motion shall be in writing signed by the member of the Council giving the notice. (c) Before any notice of motion is placed on the agenda paper, it shall be submitted to the Chairman, who, if he be of opinion that it is out of order, shall order that such motion shall not be included in the agenda and shall cause the giver of the notice to be so informed at any time before the meeting, giving reasons for such order.

(d) Every motion of which notice is given shall be relevant to some question affecting the administration of the Council's affairs.

(e) No motion to rescind any resolution which has been passed within the preceding six months, nor any motion to the same effect as any motion which has been negatived within the preceding six months, shall be deemed to be in order, unless notice thereof shall have been given and specified in the agenda, and the notice shall bear, in addition to the member who proposes the motion, the signatures of five other members; and when such motion has been disposed of, it shall not be competent for any member to propose any similar motion within the period of six months next following.

#### *Reintroduction of Motion.*

11. A motion which has been withdrawn may be moved again at any subsequent meeting; but no motion shall be proposed which is the same in substance as any motion which within the period of six months referred to in by-law 9 (e) shall have been resolved in the affirmative or negative.

#### *Debate ceases when Question fully put.*

13. No member may speak to any question after the same has been fully put by the Chairman. A question is fully put when the voting has been taken thereon.

#### *Voting and Recording of Votes.*

14. (a) The question shall be put by the Chairman, and the votes may be taken by a show of hands or by a secret ballot as the Council decides, and the result shall be declared by the Chairman; but in any case where the votes are taken otherwise than by secret ballot, any member may call for a division, and in that event the votes shall be taken by the Secretary asking each member separately, according to the order of precedence, how he desires to vote, and recording the votes accordingly.

#### *Casting Vote of Chairman.*

(c) The Chairman shall have an original vote in common with other members whether in Council or Committee of the whole Council, and also a casting vote if upon any question the votes are equal.

#### *Members dissenting.*

15. It shall be competent for any member, who is in a minority, to record the reasons for his dissent from the opinion of the majority, and such written dissent, if sent to the Secretary within one week of the meeting in question, shall be entered by the Secretary at the end of his minutes of the proceedings.

If he does not conform, the Chairman may refuse to allow him to proceed with his speech.

(d) If any member or members acting jointly, who have been suspended under this by-law from the service of the Council, shall refuse at any time during the period of suspension to obey the directions of the Chairman to

withdraw from the precincts of the Council Chamber, the Chairman may direct such steps to be taken as are required to enforce his decision.

*Irrelevance or Tedious Repetition.*

(c) If the Chairman accepts the motion, it shall be put forthwith and decided without amendment or debate.

(d) If the motion is carried the question, upon which it was moved, shall forthwith be put; and thereafter, with the permission of the Chairman, any further question may be proposed which is requisite to bring the first question to a final decision at that meeting.

THE LOCAL GOVERNMENT ORDINANCE,  
No. 11 OF 1920.

BY-LAWS made by the Kegalla Urban District Council under sections 164 and 168 (2) (a) of the Local Government Ordinance, No. 11 of 1920, and approved by the Local Government Board and confirmed by the Governor by virtue of the powers vested in him by the said section 164 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWE,  
Minister for Local Administration.

Colombo, August 30, 1934.

## BY-LAWS REFERRED TO.

1. No pension, gratuity, or long service allowance shall be granted to any officer of the Urban District Council without the authority of the Governor, in order to obtain which a certificate of good conduct from the Chairman setting out the length of service, age, and ground of retirement must be forwarded, together with the application for pension, gratuity, or retiring allowance, and the computation thereof, through the Commissioner of Local Government to the Controller of Establishments.

2. Subject to the provisions of by-law 1 and the following by-laws, every officer of the Urban District Council on the fixed establishment drawing a salary of Rs. 360 per annum and upwards who shall have had service of ten years or more including any service which may be reckoned under the proviso to by-law 7 may be awarded a pension as follows:—

For the first one hundred and twenty months of such service a pension equal to 120/720ths of his annual salary and for each additional completed month of service an additional 1/720th of such salary, but no officer shall be entitled to draw more than 430/720ths of his final salary as pension.

3. The above-mentioned rates shall only be granted in cases of faithful and meritorious service, but when the testimony as to fidelity, diligence, and merit is in any respect defective, a deduction from such rates may be made. Where there has been obvious negligence, irregularity, or misconduct, the grant of a pension may be altogether withheld.

Where service of peculiar and extraordinary merit has been rendered by an officer distinctly outside the duties in respect of which his salary is paid, a special rate of pension may be recommended for sanction, but in ordinary cases the maximum pension or retiring allowance grantable to an officer under these by-laws, or to an officer entitled to pension also in respect of service not under the Council from all services combined, shall not exceed two-thirds of the highest salary drawn by such officer at any time in the course of his service.

4. In the case of officers on the fixed establishment of the Council drawing a salary of Rs. 360 per annum and upwards retiring on account of illness or age before completing one hundred and twenty months' gross service a gratuity may be granted calculated at the rate of one-twelfth of a month's pay of the permanent office or offices held at the time of retirement, for each completed month of service.

5. Officers of the Urban District Council shall have no absolute right to any pension, gratuity, or long service allowance under these by-laws, and the Urban District Council retains power and authority to dismiss any such officer without any compensation.

6. No pension, gratuity, or long service allowance shall be granted to any officer of the Urban District Council who shall be under fifty-five years of age except upon a certificate from the Chairman and two medical practitioners that he is incapable from infirmity of mind or body of discharging the duties of his office, nor unless he shall have discharged such duties theretofore with diligence and fidelity to the satisfaction of the Council.

7. The claim of an officer of the Urban District Council to pension, gratuity, or long service allowance shall be considered to have commenced from the date of his first permanent appointment to the fixed establishment of the Council after January 1, 1933, or its predecessor the Kegalla Local Board.

Provided that an officer transferred from the provisional and temporary establishment to the fixed establishment may be allowed to count his provisional and temporary service when it has been continuous with his subsequent permanent service.

Service under sixteen years of age however will not count for pension.

8. The service in respect of which pensions, gratuities, or long service allowances are granted under these by-laws must in all cases be continuous, unless interrupted by abolition of office or other temporary suspension of employment not arising from misconduct or voluntary resignation of the officer.

9. The pension or gratuity shall be computed upon the salary of the permanent office held by the officer of the Council at the time of his retirement provided he shall have held such appointment for at least three years; otherwise the pension shall be calculated upon the average of salaries attached to the permanent office held by such person during the three years next preceding the commencement of such pension.

10. In case of abolition of office, if the officer has completed 120 months' gross service, he may be granted a pension of 1/720th of his salary for each month of his service counting for pension with an addition to such service of one month for each completed period of two months' service, the addition in no case exceeding 60 months.

If the officer has not completed 120 months' gross service he may be granted a gratuity of 1/12th of a month's salary for each month of service counting for pension, plus an addition of 50 per cent. thereon. In no case shall the number of months to be added to the actual service exceed that which, if added to the age of the retiring officer, would make that age up to sixty.

11. If any person being in receipt of any pension or long service allowance from the Urban District Council shall be convicted of any offence in any Court of Justice in the Island for which he shall be sentenced to death or to any terms of imprisonment with hard labour exceeding six months such pension or long service allowance shall forthwith determine and cease to be payable, unless such person shall, within three months after his conviction, receive free pardon or unless the Council shall otherwise order.

12. Officers on the fixed establishment of the Urban District Council may be required to retire on or after attaining the age of fifty-five, upon the receipt of twelve months' notice to that effect, but they may continue in office till sixty years of age with the consent of the Council.

13. (1) Every officer who is transferred to or from the service of the Council from or to any other public service and whose aggregate service would have entitled him, had it been wholly under the Council, to a pension under these rules, shall on his ultimate retirement from service, if he has served for a period of at least 12 months under the Council, be entitled to a pension which shall bear the same proportion to that to which he would have been entitled had the whole of his service been under the Council as the aggregate amount of the salary which he has drawn from the Council bears to the total sum made up of such aggregate amount and the aggregate of the amounts received by him in the course of his public service elsewhere than under the Council.

Provided however, that in the case of an officer who is transferred to the service of the Council after other public service in which the rules regulating pensions do not offer the same privileges to an officer transferred from the Council to such public service as are accorded under these rules to an officer transferred from such public service to the Council and whose aggregate public service under the Council and elsewhere would have entitled him, had it been wholly under the Council, to a pension under these rules, such officer may with the sanction of the Council on his ultimate retirement from public service (provided such retirement takes place from the Council and that he has served for a period of at least five years under the Council) be entitled to receive from the Council, in lieu of a pension calculated in the manner prescribed in the preceding paragraph, a pension representing the difference between the pension or pensions earned by such officer in respect of his public service elsewhere and a pension calculated as if his public service had been wholly under the Council.

(2) For the purposes of this section, the expression "public service" includes employment under the Crown or any Local Government public body or bodies.

14. Should an officer who retires on pension find after such retirement an employment under the Council or under the Government or under another semi-official body on a salary equal to or higher than that which he drew from the Council at the time of his retirement, his pension shall be suspended so long as such employment continues. If he draws a less salary he shall be entitled to only so much of

\* The term "aggregate" salary is to be interpreted as the amount of the aggregate salary of the substantive post held by an officer in the course of his career, disregarding extra emoluments such as duty allowances, and regarding leave on half pay or without pay as leave on full salary.

his pension as when added to the salary of the new appointment will make his total emoluments equal to the salary last drawn by him previous to his retirement.

15. Employees on the fixed establishment of the Urban District Council drawing salaries of less than Rs. 360 per annum and retiring on account of age or infirmity after serving continuously for a period of fifteen years and upwards may, if the Council be satisfied that they are unfit, owing to age or infirmity of body or mind, further to discharge efficiently the duties of their offices, be granted such long service allowances not exceeding Rs. 7.50 per mensem in each case as the Council may award. Persons in receipt of daily pay, who have completed a period of fifteen years of continuous service, retiring under similar circumstances may be awarded gratuities calculated at the rate of one-eighteenth of a month's pay drawn at the time of retirement for each completed month's service.

16. If any case not covered by these by-laws shall arise which in the opinion of the Council merits the award of a pension, retiring allowance or gratuity, the circumstances of such case should be reported together with the recommendation of the Council to the Commissioner of Local Government for transmission to the General Treasury (Establishments Division) for submission to the Governor, who will decide whether any and, if so, what award shall be granted.
