III.—*Regulations for Sale of Milk generally.*

1. No person who is not a licensee of a dairy as aforesaid, shall himself, or by any agent or servant, sell or deliver, or expose, keep, carry, hawk, or offer for sale, any milk within the administrative limits of the Council, save in accordance with the conditions hereinafter prescribed.

2. (i.) Every such person, whether resident within or without the limits of the Council, who desires to sell or supply for money milk in any quantity to any person or persons within the limits of the Council, shall cause himself to be registered in the books of the Council as a purveyor or supplier of milk.

(ii.) Such registration shall be free of all fees or charges.

3. Every such person shall, by proper application made for that purpose, further cause registration-cards to be issued annually by the Chairman to each servant, vendor, or agent, whether paid or unpaid, employed by him in the work of selling or delivering milk.

5. (1) The Chairman may in his discretion refuse to register as a purveyor or supplier of milk under the foregoing by-law 2, any person who has not been recommended for registration, after such inspection, as may be necessary, of his premises, his animals, and his utensils and equipment generally—

- (a) if he is a resident within the administrative limits of the Council, by the Medical Officer of Health of the Council; or
- (b) if he is resident in any area outside the limits of the Council, by the Chairman of any duly constituted local authority there may be in such area, or if there is none, by the Medical Officer of Health for the district in which such area lies.

(2) The Chairman may likewise refuse to issue any registration-cards, under the foregoing by-law 3, until a Medical Officer deputed by him has examined and found each such servant, vendor, or agent to be free from any infectious or contagious disease and from diseases of the skin.
