THE LOCAL GOVERNMENT ORDINANCE,
No. 11 OF 1920.

BY-LAWS made by the Batticaloa Urban District Council, under sections 164 and 168 of the Local Government Ordinance, No. 11 of 1920, and approved by the Local Government Board and confirmed by the Governor by virtue of the powers vested in him by the said section 164 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWA,
Minister for Local Administration.

Colombo, December 6, 1934.

By-laws referred to.

GENERAL BY-LAWS RELATING TO LICENCES.

Interpretation of Terms.

1. In these by-laws the following expressions shall have the meanings respectively assigned to them unless there be something repugnant in the subject or context:—

“The Council” means the Urban District Council of Batticaloa.

“Chairman” means the Chairman of the Urban District Council of Batticaloa.

“Eating-house” means a house in which meals are served to customers but where no accommodation is provided for lodgers.

“Licensee” means the person holding a licence issued by the Chairman authorizing the use of any premises or place for any special purpose mentioned in the licence in pursuance of the Local Government Ordinance or any by-law made thereunder.

“Licensed premises” means the whole of the premises or place in respect of which a licence has been issued by the Chairman.

“Licensed trade” means a trade for which a licence is necessary under the provisions of the Local Government Ordinance or any by-law made thereunder.

“Lodging house” means a house in which sleeping accommodation is provided for lodgers but no meals are served.

“Dangerous or offensive trade” means any one of the following trades:—

Manufacturing of manure, tanning, curing areca-nuts, boiling blood or offal, making or extracting fat, making soap, dyeing fibre, manufacturing or storing fibre, keeping a kraal for soaking coconut husks, storing Maldivo fish in quantity over 5 cwt., storing lime, hides, bones, artificial manure, materials for the manufacture of artificial manure in quantity over 1 gunny bag, firewood, timber or wood, manufacturing or storing copra, manufacturing coconut oil by mills or chakkus, manufacturing desiccated coconuts, manufacturing of bricks or tiles, burning lime, keeping a saw pit, curing or storing plumbago, curing or icing of fish.

2. No person shall within the limits of the Council keep any bakery, eating-house, tea and coffee boutique, restaurant, hotel, butcher's stall, fish stall, gala, dairy, laundry, common lodging house, aerated water factory, ice factory, or public bathing place, or carry on in any place any dangerous or offensive trade without an annual licence from the Chairman, which licence the Chairman, shall issue to all persons complying with the conditions provided for the issue of such licence. Every such licence shall remain in force until December 31 of the year in respect of which such licence is issued, unless such licence shall have been previously cancelled as provided in by-law No. 10 or 11.

3. No licence shall be transferable.

4. All notices in connection with the licensed premises or the licensed trade shall be deemed to be served upon the licensee when left with any person employed in the licensed premises or when affixed to such premises.

5. The licensee shall comply with the lawful requirements of any notice served on him by the Chairman within the time stated in such notice, or if no such time is stated in the notice then within seven days from the service of such notice.

6. Every licence shall be subject to such fee as the Council shall, subject to the approval of the Local Government Board and with the sanction of the Governor, impose.

7. It shall be lawful for the Chairman or any officer of the Council generally or specially authorized in writing thereto by the Chairman at all reasonable times to enter upon and inspect any licensed premises and to inspect any furniture, equipment, vehicle, or utensil, which is or appears to be used for the purpose of a licensed trade.

8. Every licensee shall during the period of licence keep his premises, furniture, and equipment in conformity with the conditions on which the licence was issued.

9. Any person committing a breach of any by-law for any licensed premises or carrying on without a licence, any of the trades referred to in by-law No. 2 above shall be guilty of an offence and shall on conviction be liable to a fine not exceeding Rs. 50 (Rupees Fifty), and in the case of a continuing offence to an additional fine not exceeding Rs. 25 (Rupees Twenty-five) for every day during which the offence was committed after conviction or after written notice from the Chairman of such contravention.

10. On a second or subsequent conviction of a licensee by court for breach of any by-law relating to his licensed premises such licence shall be liable to cancellation by such court.

11. If at any time during the period for which a licence has been issued the licensed premises cease to conform to the conditions laid down for its issue, the Chairman may notice the licensee to do all things necessary to make the premises conform to such conditions, and if the licensee fails to comply with the requirements of the notice the Chairman may suspend or cancel the licence.

BAKERIES.

I.—By-laws prescribing Conditions of Issue of Licence.

No person shall be entitled to a licence to keep a bakery unless the premises to be licensed comply with the following conditions:—

1. (a) That the premises are in good repair and well ventilated and well lighted, and that every room is provided with windows capable of being opened, the area of which when open shall be not less than one-fiftieth of the superficial floor space.

(b) That the walls of every room in every part are not less than 7 feet in height, and are built of brick, stone, or cabook, with the inside thereof lime-plastered and lime-washed.

(c) That all the eaves are at least 6 feet from the ground.

(d) That the roof is made of some permanent material.

(e) That all the woodwork is oil-painted or lime-washed.

(f) That the floor is cemented throughout.

(g) That the premises are provided with adequate drainage.

2. (a) That the room in which kneading takes place has a superficial floor space of not less than 12 feet by 15 feet and that the lower 4 feet of the internal surface of the walls is covered with glazed tiles or is plastered with cement.

(b) That there is a free external air space not less than 7 feet wide on at least two of the sides of the kneading room which contain doors or windows.

(c) That the door of the oven does not open directly into the kneading room.

(d) That every kneading room is provided with a ceiling which is either plastered and lime-washed or made of close fitting boards which are either lime-washed or oil-painted.

3. (a) That the troughs, tables, and all the utensils used in the making of bread are capable of being washed about for the purpose of cleaning the floor and the tables.

(b) That the tops of the tables used in the making of bread are made of well seasoned closely fitted non-harmful impervious material.

4. (a) That the bakery is provided with a bin, at least two spittoons, and with suitable accommodation.

(b) That the bakery is at least 50 feet distant from any latrine, cesspit, manure heap, or open sewer.

(c) That there is no cesspit, latrine, or any other directly communicating with the bakery.

II.—By-laws for the Regulation of Licences

1. Every licensee of a bakery shall keep a sign in a conspicuous position on the outside of his premises with his name and the words “Licensed Bakery” painted thereon in the English and vernacular languages.

2. Every licensee of a bakery shall cause a list of the names and addresses of all employees (including apprentices) to be kept in the bakery so as to be available at all reasonable times by the Chairman or any officer authorized by him.

3. Every licensee of a bakery shall cause the walls of every room forming part of the bakery to be lime-washed twice a year in the months of June and December; the ceiling to be lime-washed four times a year in the months of March, June, September, and December; the woodwork to be lime-washed or, if oil-painted, to be washed with hot water and soap at least twice a year in the months of June and December, and at any other time if so ordered by the Chairman in writing.

4. Every licensee of a bakery shall cause the floor and the tiled or cemented portions of the walls and the tops of the tables to be washed every day at such hour as shall be specified in the licence. He shall cause every part of the bakery, its surroundings, drains, furniture, utensils, and equipment used in the making of bread to be kept in good repair, clean, and free from effluvia arising from any drain, latrine, cesspit, or other nuisance on the licensed premises. He shall cause all trade and domestic refuse to be immediately placed in an impervious covered receptacle, which shall be removed from the bakery and cleared once a day. The receptacle shall always be kept covered except when refuse is being actually placed therein.

5. Every licensee of a bakery shall use for the manufacture of bread good and wholesome flour, water, and other materials. He shall store the flour on a movable platform constructed in the manner herein specified:—

The platform shall be of any convenient length and breadth, consisting of a single layer of stout planks supported on legs 3 feet high. The legs of the platform should not be permanently fixed in the floor. The edges of the planked top should stand out 9 inches away from the frame underneath, so as to prevent rats crawling up the legs and round the edge of the planked top. The platform shall be so constructed that there are no shelves or recesses under the planked top to provide harbour for rats. The platform should be a movable one, so that it may be lifted away from position and the floor underneath cleaned. It should be placed at least 9 inches away from the wall. He shall keep the space beneath and around the platform free from all obstructions.

6. Every licensee of a bakery shall provide a sanitary dust bin and at least two spittoons to be kept on the licensed premises. He shall keep the spittoons so as to be easily accessible to those engaged in the manufacture of bread, but shall not keep them in the kneading room.

7. Every licensee of a bakery shall keep the bakery free from rats and shall cause all rat holes to be filled up with broken glass and shall plaster them with cement as soon as found.

8. No person shall on any pretext whatsoever keep any animal or bird in a bakery.

9. No person shall spit within the bakery, except into a spittoon provided for the purpose.

10. (a) No person suffering from, or who has recently suffered from, any infectious, contagious, or loathsome disease, or has been recently in attendance on any person suffering from such disease, shall enter the licensed premises or take part in the manufacture or sale of any bread therein, or engage in the transport of any bread therefrom.

(b) No licensee of a bakery shall connive at or permit the contravention by any person of the provisions of the above by-law 10 (a).

11. No licensee of a bakery shall store or keep or allow to be stored or kept in the room where bread is prepared or stored, or in which the materials for making bread are stored, any furniture, clothes, sleeping mats, or any articles other than those used in the manufacture of bread.

12. No licensee of a bakery shall use, or allow to be used, as a sleeping place any place on the same floor as the bakery or forming part of the same building, unless such place is effectually separated from the places where bread is prepared or stored or in which the materials thereof are stored by a partition extending from the floor to the ceiling, and unless such sleeping place is provided with an external window, the area of which when open shall be not less than one-fifteenth of the superficial floor space.

All persons employed in the preparation and making shall wash their hands before engaging in the making bread, and shall wear clean white aprons, chest and body and a clean white cap or

licensee of a bakery shall provide clean water, brush, and soap, and keep them so as to be available to those engaged in the manufacture of

licensee of a bakery shall provide the licensed supply of potable water.

licensee of a bakery shall expose, or cause to be exposed, the licensed premises any bread unless in clean properly constructed glass cases and vermin.

17. Every licensee of a bakery shall cause all bread, except fancy bread, rolls, biscuits, or confectionery, to be stamped with figures denoting one or other of the following weights, viz.:—

$\frac{1}{4}$ lb., $\frac{1}{2}$ lb., 1 lb., 2 lb., or 4 lb.

He shall not sell or expose for sale any bread, except fancy bread, rolls, biscuits, or confectionery, which shall not have one of the aforesaid weights stamped on it or which shall be found to weigh less than the weight stamped thereon.

18. Every licensee of a bakery shall cause to be fixed in a conspicuous place in the licensed premises a beam and scales with standard weights, and if required by any purchaser shall weigh any bread sold or exposed for sale in the said premises.

19. No licensee of a bakery shall allow any person to transport bread from his bakery for sale, unless such person is in possession of a card of registration signed by the Chairman and by the licensee of the bakery.

20. The Chairman shall, on application made to him by the licensee of a bakery, issue cards of registration for use by every person employed by such licensee in transporting bread for sale, provided that such person has been examined and passed as free from disease by the Medical Officer of Health.

21. No licensee of a bakery shall allow any bread or other preparations to be transported from his licensed premises for sale, except in a closed vehicle or a closed basket, tin, or other suitable receptacle. The licensee shall examine such vehicle, basket, tin, or other receptacle, and shall satisfy himself that it is clean and wholesome before he allows such transport.

EATING-HOUSES AND TEA AND COFFEE BOUTIQUES.

I.—By-laws prescribing Conditions of Issue of Licence.

No person shall be entitled to a licence to keep an eating-house or a tea and coffee boutique, unless the premises to be licensed comply with the following conditions:—

1. That the premises are in good repair and are well ventilated and well lighted, and that every room has a minimum superficial area of 120 square feet and is provided with windows capable of being opened, the area of which when open shall be not less than one-fifteenth of the superficial floor space.

2. That the walls of every room in every part are not less than 7 feet in height, and are built of brick, stone, or cobwork, with the inside thereof lime-plastered and lime-washed.

3. That all the eaves are at least 6 feet from the ground.

4. That the roof is made of some permanent material.

5. That all the woodwork is oil-painted or lime-washed.

6. That the floor is cemented throughout.

7. That the premises are provided with adequate drainage, with a sanitary dust bin and with sufficient latrine accommodation.

II.—By-laws for the Regulation of Licensed Eating-houses and Tea and Coffee Boutiques.

1. Every licensee of an eating-house or of a tea and coffee boutique shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words "Licensed Eating-house" or "Licensed Tea and Coffee Boutique" legibly painted thereon in the English and vernacular languages.

2. Every licensee of an eating-house or of a tea and coffee boutique shall cause a copy of these by-laws in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in such premises. He shall also cause a list of the names and addresses of all employees to be kept at all times on the premises so as to be available for inspection.

3. Every licensee of an eating-house or of a tea and coffee boutique shall cause the walls of every room forming part of the licensed premises to be lime-washed twice every year in the months of June and December; the ceiling to be lime-washed four times a year in the months of March, June, September, and December; the woodwork to be lime-washed or, if oil-painted, to be washed with hot water and soap at least twice a year in the months of June and December, and at such other times as may be ordered by the Chairman in writing.

4. Every licensee of an eating-house or of a tea and coffee boutique shall cause every part of such premises, the surroundings, drains, furniture, utensils, and equipment used in the preparation, sale, or consumption of food or drink to be kept in good repair, clean, and free from effluvia arising from any drain, latrine, cesspit, or other nuisance on the licensed premises.

5. Every licensee of an eating-house or of a tea and coffee boutique shall cause all utensils used in the preparation, sale, and consumption of food or drink to be washed with soap and water at least once in 24 hours.

6. Every licensee of an eating-house or of a tea and coffee boutique shall cause every utensil or receptacle used by a customer to be washed immediately after such use and before being used by any other customer.

7. Every licensee of an eating-house or of a tea and coffee boutique shall cause all trade and domestic refuse to be immediately placed in an impervious covered receptacle and to be removed from the premises daily. He shall keep such receptacle covered at all times except when refuse is being placed in it, and shall cause all waste tea, coffee, milk, or remnants of food or cooking waste to be collected in such receptacle and not to be thrown on the ground.

8. No licensee of an eating-house or of a tea and coffee boutique shall use any counter or other place from which tea, coffee, or milk is served, unless the said counter or other place is covered with zinc or other impervious material.

9. Every licensee of an eating-house or of a tea and coffee boutique shall cause a sanitary dust bin, and at least two spittoons to be kept always at the licensed premises so as to be readily available to the visitors to the premises as well as to the employees.

10. Every licensee of an eating-house or of a tea and coffee boutique shall keep the premises free from rats, and shall fill all rat holes with broken glass and plaster such holes with cement as soon as he discovers them.

11. Every licensee of an eating-house or of a tea and coffee boutique shall provide the licensed premises with an ample supply of potable water.

12. No licensee of an eating-house or of a tea and coffee boutique shall keep or store or expose for sale any food unless such food is kept in a receptacle so constructed as to prevent its contamination by flies, dust, and vermin. He shall keep such receptacles always clean.

13. No licensee of an eating-house or of a tea and coffee boutique shall keep for sale any milk to which water or any other foreign liquid or substance has been added in order to augment its quantity or to enhance its apparent quality, provided that nothing in this by-law shall be deemed to apply to milk forming part of such beverages as tea, coffee, or cacao prepared or sold on the premises.

14. No person shall spit within such premises except into a spittoon provided for the purpose.

15. No person suffering from any infectious, contagious, or loathsome disease, or who has been recently in attendance on any person suffering from such disease shall enter such premises or take part in the preparation or sale of food or drink.

16. No licensee of an eating-house or of a tea and coffee boutique shall connive at or permit the contravention by any person of the above regulations numbered 14 and 15.

17. - (b) (i.) That the milk room is in a suitable position and at a distance of not less than 25 feet from the cow sheds and other buildings.
- (ii.) That the floor of the milk room is cemented with rounded corners at its junction with the walls; that the walls of the milk room are not less than 7 feet in height and are built of brick, stone, or cabook with the inside thereof lime-plastered and lime-washed; that at least two opposite walls of the milk room abut on the open air; that the roofs are ceiled with grooved boards to prevent the ingress of dust and that they are oil-painted; that all the eaves are at least 6 feet from the ground; that there is at least one window and one door, and that the area of the window space is not less than one-fifteenth of the superficial floor space, and that the window space is covered with fly-proof netting, that the door is opposite the window, is close fitting and fitted with fly-proof netting.
3. (a) That the milk room is provided with a table covered with marble, slate, zinc, or other approved impermeable substance.
- (b) That it is provided with a sanitary dust bin.
- (c) That it is at least 100 feet distant from any latrine, cesspit, manure heap, or open sewer.
- (d) That there is no cesspit, latrine, or ashpit within or directly communicating with the milk room.
4. That the number of cows for which each dairy is to be licensed is stated in the application for licence, and that such number is proportionate to the size of the cattle shed, allowing for each cow a floor space of 8 feet by 5 feet and a minimum air space of 400 cubic feet.

II.—*By-laws for the Regulation of Licensed Dairies.*

1. Every licensee of a dairy shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words "Licensed Dairy" legibly painted thereon in the English and vernacular languages.
2. Every licensee of a dairy shall cause a copy of these regulations in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in the dairy. He shall also keep a list of the names and addresses of all employees (including the vendors of milk) at all times in the dairy so as to be available for inspection.
3. Every licensee of a dairy shall cause the walls of every room forming part of the dairy to be lime-washed twice a year in the months of June and December. He shall cause the woodwork to be washed with hot water and soap at least twice a year in the months of June and December, and at such other times as may be ordered by the Chairman in writing.
4. Every licensee of a dairy shall cause the floors and the top of the milk room table to be washed at least once every day.
5. Every licensee of a dairy shall cause all utensils, furniture, and other requisites used in or belonging to a dairy to be kept clean.
6. Every licensee of a dairy shall cause every part of the dairy, its surroundings, drains, furniture, utensils, and equipment used for the purposes of the trade to be kept in good repair and clean.
7. Every licensee of a dairy shall cause all vessels sent out containing milk to be thoroughly cleansed and to be properly covered with clean material, and shall take all proper precautions to prevent the milk from being contaminated during transit.
8. Every licensee of a dairy shall cause the vessels used for storing milk to be made of glass, porcelain, glazed earthenware, enamelled iron, galvanized iron, or tin, and shall not permit such vessels to be stored in the cattle shed.
9. Every licensee of a dairy shall cause all dung, refuse, urine, and washings to be removed from the dairy at least once a day and disposed of at a suitable distance from the dairy so that no nuisance is caused thereby.
10. No licensee of a dairy shall keep any animal or bird in a milk room on any pretext whatsoever.
11. No licensee of a dairy shall allow the milk vessels, butter vessels, churns, separators, or other articles employed in the dairy to be used for any other purpose, and he shall cause them to be thoroughly cleaned at least once daily by washing them with boiling water.
12. (a) No person suffering from or who has recently suffered from any infectious, contagious, or skin disease or has been recently in attendance on any person suffering from such disease shall enter a dairy or take part in the preparation, sale, or transport of milk.
- (b) No licensee or person in charge or control of a dairy shall employ or allow to enter into the dairy premises any person suffering from or who has recently suffered from any infectious, contagious, or skin disease, or who has been recently in attendance on any person suffering from such disease.
13. Every licensee of a dairy shall use for the purpose of such dairy water—
 - (a) From the public water supply alone where such exists. He should in such a case cause pipes to be laid from the nearest main, and the water supply to be obtained therefrom by means of taps within the building.
 - (b) Where no public water supply exists, from a suitable source capable of supplying a sufficient quantity of pure water.
14. Every licensee of a dairy obtaining water from any source other than a public water supply shall discontinue such source and obtain water from a public water supply so soon as such a supply is established.
15. No licensee of a dairy shall cause any cow to be milked for the purpose of obtaining milk for sale, unless at the time of milking the udder and teats of such cow are thoroughly clean, and unless the hands of the person milking are also thoroughly clean and free from all infection and contamination.
16. Every licensee of a dairy shall give immediate notice to the Chairman of any case or suspected case of infectious or contagious disease which may occur among the persons working or who have been recently working in the dairy.
17. (a) Every licensee of a dairy shall whenever any animal in his dairy is affected with any contagious or infectious disease forthwith give notice of the fact to the Chairman. He shall in order to prevent infection or contamination forthwith remove or cause to be removed from the proximity of other animals any animal in his dairy which is found or is suspected to be suffering from any infectious or contagious disease.
- (b) On the outbreak of any infectious or contagious disease every licensee of a dairy shall carry out such instructions for the control of the outbreak as the Chairman or other proper authority may from time to time give.
- (c) No licensee of a dairy shall sell or permit to be sold the milk of any animal suffering from tuberculosis, whether of the udder or otherwise, acute mastitis, foot-and-mouth disease, anthrax, actinomycosis of the udder, or shall add such milk or permit it to be added to any milk of other animals which is intended for sale or human consumption.
18. Every licensee of a dairy shall cause all cattle food, except grass and straw, to be stored in a suitable rat-proof receptacle.
19. (a) No licensee of a dairy shall allow milk intended for sale to be kept in any other place than the milk room.
- (b) No licensee of a dairy shall use the milk room or permit it to be used for any other purpose than that of storing and preparing milk.
20. (a) No licensee of a dairy shall adulterate milk by the addition of water or any other foreign liquid or substance thereto, nor shall he sell, offer, expose, hawk for sale, or deliver milk so adulterated.
- (b) No licensee of a dairy shall sell, offer, expose, hawk for sale, or deliver any milk from which the cream has been removed, unless such milk is contained in a vessel which is clearly, distinctly, and conspicuously labelled "Skimmed Milk" in English, and the equivalent term in Sinhalese and Tamil, and is sold as such.
21. No licensee of a dairy shall sell or supply milk obtained from cows other than those kept in a licensed dairy.
22. The Chairman shall issue annually to the owner of every licensed dairy in respect of each vendor of milk cards of registration bearing the name and thumb impression of such vendor and the name of the licensee and registered number of the dairy. No such card of registration shall be

issued until a Medical Officer deputed by the Chairman has examined and found such vendor free from any infectious, contagious, or skin disease. Such card of registration shall not be transferable. Should a vendor fail to produce on demand by the Sanitary Inspector, or by any person specially or generally authorized by the Chairman, such card for inspection he shall be guilty of an offence.

23. The Chairman, the Medical Officer of Health, the Sanitary Inspector, or any other officer generally or specially authorized by the Chairman, shall on payment of the value thereof be at all times entitled to take a sample of milk for analysis from any licensed dairy or from any person selling, exposing, hawking, or delivering milk, and every licensee of a dairy or registered vendor or other person who refuses to sell such sample for analysis shall be guilty of an offence.

III.—By-laws for the Regulation of the Sale of Milk generally.

1. No person who is not a licensee of a dairy as aforesaid, shall himself or by any agent or servant, sell or deliver, or expose, keep, carry, hawk, or offer for sale, any milk within the administrative limits of the Council, save in accordance with the conditions hereinafter prescribed.

2. (i.) Every such person, whether resident within or without the limits of the Council, who desires to sell or supply for money milk in any quantity to any person or persons within the limits of the Council, shall cause himself to be registered in the books of the Council as a purveyor or supplier of milk.

(ii.) Such registration shall be free of all fees or charges.

3. Every such person shall, by proper application made for that purpose, further cause registration-cards to be issued annually by the Chairman to each servant, vendor, or agent, whether paid or unpaid, employed by him in the work of selling or delivering milk.

4. Any contravention of, or non-compliance with, the foregoing provisions shall be an offence.

5. (1) The Chairman may, in his discretion, refuse to register as a purveyor or supplier of milk under the foregoing by-law 2, any person who has not been recommended for registration, after such inspection, as may be necessary, of his premises, his animals, and his utensils and equipment generally:—

(a) if he is a resident within the administrative limits of the Council, by the Medical Officer of Health of the Council; or

(b) if he is a resident in any area outside the limits of the Council, by the Chairman of any duly constituted local authority there may be in such area, or if there is none by the Medical Officer of Health, for the district in which such area lies.

(2) The Chairman may likewise refuse to issue any registration-cards, under the foregoing by-law 3, until a Medical Officer deputed by him has examined and found each such servant, vendor, or agent to be free from any infectious or contagious disease and from diseases of the skin.

6. The registration-cards so issued by the Chairman shall include the following particulars:—

(a) employer's name and number on register;

(b) name of vendor or servant or agent, and his thumb impression.

7. It shall be an offence for any person to deliver milk or to carry or hawk milk for sale within the limits of the Council, unless he has in his possession a registration-card for the current year duly issued as aforesaid.

8. (i.) It shall be an offence for any person delivering milk or carrying or hawking milk for sale within the limits of the Council, to refuse, or to fail for any reason, to produce for inspection a duly issued registration-card for the current year, when called upon to do so by a Sanitary Inspector or by any person specially or generally authorized by the Chairman in that behalf.

(ii.) In the event of any person so refusing or failing to produce such card, it shall be lawful for such Sanitary Inspector or other authorized person to exercise the powers given to peace officers by section 33 (1) of the Criminal Procedure Code, 1898.

9. It shall be an offence for any person to sell or deliver or to expose, keep, carry, hawk, or offer for sale, within the limits of the Council—

(i.) any milk from which the cream has been removed unless such milk is contained in a vessel which is distinctly and conspicuously labelled "Skimmed Milk" in English and the equivalent term in Sinhalese and Tamil, and is sold as such;

(ii.) any milk adulterated with water or any other foreign substance or liquid; provided that milk to which

tea, coffee, or cacao has been added for consumption on the premises of any tea or coffee boutique or eating-house, shall not be deemed to be adulterated for the purpose of this by-law;

(iii.) any milk contained in bottles of which the mouth is not covered with paper or other impermeable material.

10. If any person found guilty of an offence under the foregoing by-law 9 is proved to be the agent or servant, whether paid or unpaid, of any other person, such other person shall also be liable to be punished for the same offence, unless he proves to the satisfaction of the court that he had given all necessary instructions and used due diligence to ensure compliance, and that the offence was due to an act or default of his agent or servant without his own knowledge, consent, or connivance.

AERATED WATER FACTORIES.

I.—By-laws prescribing Conditions of Issue of Licence.

No person shall be entitled to a licence for an aerated water factory unless the premises to be licensed comply with the following conditions:—

1. (a) That the premises are in good repair and well ventilated and well lighted and that every room is provided with windows capable of being opened, the area of which when open shall be not less than one-fiftieth of the superficial floor space.

(b) That the walls of every room in every part are not less than 7 feet in height and are built of brick, stone, or cabook, with the inside thereof lime-plastered and lime-washed.

(c) That all the caves are at least 6 feet from the ground.

(d) That the roof is made of some permanent material.

(e) That all the woodwork is oil-painted or lime-washed.

(f) That the floor is cemented throughout.

(g) That the premises are provided with adequate drainage.

2. That there is at least one room reserved for the manufacture of aerated water.

3. That there is a separate fly-proof room for the storage of syrup, essences, and chemicals used in the manufacture of aerated water.

4. That a separate place is provided for the washing of bottles.

5. That the water used in the factory is obtained from a source adequately protected from contamination. That it is transported to the factory by means which shall insure that no pollution occurs in transit. That it is stored at the factory in properly constructed tanks or reservoirs.

6. That the water used in the manufacture of aerated water (and in any process connected therewith) and for washing bottles, accessories, and utensils is passed through a suitable filter approved by the Chairman and connected with the plant, and that the water be found on chemical and bacteriological examination to be pure and wholesome.

Provided that the Chairman shall have the power to exempt from the operation of this rule water derived from an approved public supply.

7. (a) That the aerated water factory is provided with a sanitary dust bin, at least two spittoons, and with such latrine accommodation as is sufficient being not less than one latrine for every ten persons employed therein.

(b) That the aerated water factory is at least 50 feet distant from any latrine, cesspit, cattle shed, manure heap or open sewer.

(c) That there is no cesspit, latrine, cattle shed, or ashpit within or directly communicating with the aerated water factory.

II.—By-laws for the Regulation of Licensed Aerated Water Factories.

1. Every licensee of an aerated water factory shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words "Licensed Aerated Water Factory" legibly painted thereon in the English and vernacular languages.

2. Every licensee of an aerated water factory shall cause a copy of these by-laws in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in every aerated water factory. He shall cause a list of the names and addresses of all employees (including the vendors of aerated water) to be at all times kept in the factory and to be available for inspection.

3. Every licensee of an aerated water factory shall cause the walls of every room forming part of the aerated water factory to be lime-washed twice a year in June and December. He shall cause the woodwork to be lime-washed or, if oil-painted, to be washed with hot water and soap at least once every June and December, and at other times when ordered by the Chairman in writing.

4. Every licensee of an aerated water factory shall cause the floor of the factory to be washed at least once every day.

5. Every licensee of an aerated water factory shall cause all bottles used in the factory to be thoroughly cleansed in the following manner:—

There shall be two separate tanks for the cleansing of bottles, one being used for the removal of labels and for the preliminary cleansing, and the other for the final cleansing. Where a pipe-borne water supply is available, the final cleansing shall be in running water.

6. Every licensee of an aerated water factory shall cause every part of the factory, its surroundings, drains, furniture, and utensils, and the equipment used in the making of aerated water to be kept clean and in good repair.

7. No licensee of an aerated water factory shall cause materials or articles other than those used in the manufacture of aerated water to be introduced into the factory.

8. Every licensee of an aerated water factory shall cause all materials used in the factory to be clean, wholesome, and of good quality, and shall cause them to be stored in vermin proof cupboards or shelves.

9. Every licensee of an aerated water factory shall cause every bottle containing aerated water to bear a label setting out the description of the water and the place of manufacture, the name of the person or firm owning the factory, and the number assigned to the factory by the Chairman.

10. No licensee of an aerated water factory shall employ any person under twelve years of age to work in such aerated water factory.

11. No person suffering from or who has recently suffered from any infectious, contagious, or skin disease, or has been recently in attendance on any person suffering from such disease, shall enter an aerated water factory or take part in the preparation, sale, or transport of aerated water.

12. Every licensee of an aerated water factory shall cause all persons engaged in bottling aerated waters to wear whilst so engaged, a wire gauze mask over the face and leather gloves on the hands.

13. Every licensee of an aerated water factory shall cause the vessels used for storing syrup, essences, chemicals, &c., to be made of glass, porcelain, glazed earthenware, enamelled iron, galvanized iron, or tin. He shall not use such vessels for any other purpose, and shall keep them in a place set apart for their storage.

14. Every licensee of an aerated water factory shall cause all dung, refuse, urine, and washings from the cattle sheds, latrines, or any part of the factory to be removed at least once a day and to be disposed of, so that no nuisance is caused thereby.

15. No licensee of an aerated water factory shall keep any animal or bird within the licensed premises under any pretext whatsoever.

16. It shall be lawful for the Chairman of the District Council or any Inspector or any person thereto authorized by the Chairman in writing to enter any place used for the manufacture or sale of aerated waters at any time when such place is open, and on payment of the price thereof to take a sample bottle of any kind of aerated water which is there manufactured or kept for sale, and any proprietor or person in charge of such place who shall refuse to permit such sample to be taken shall be guilty of an offence.

17. No licensee of an aerated water factory shall allow any person to transport aerated waters from his aerated water factory for sale, unless such person is in possession of a card of registration signed by the Chairman and by the licensee of the aerated water factory.

18. The Chairman shall, on application made to him by the licensee of an aerated water factory, issue cards of registration for use by every person employed by such licensee in transporting aerated waters for sale.

ICE FACTORIES.

I.—By-laws prescribing Conditions of Issue of Licence.

No person shall be entitled to a licence for an ice factory unless the premises to be licensed comply with the following conditions:—

1. (a) That the premises are in good repair and well ventilated and well lighted, and that every room is provided with windows capable of being opened, the area of which when open shall be not less than one-fifteenth of the superficial floor space.

(b) That the walls of every room in every part are not less than 7 feet in height, and are built of brick, stone, or cabook, with the inside thereof lime-plastered and lime-washed.

(c) That all the eaves are at least 6 feet from the ground.

(d) That the roof is made of some permanent material.

(e) That all the woodwork is oil-painted or lime-washed.

(f) That the floor is cemented throughout.

(g) That the premises are provided with adequate drainage.

(h) That one room in such factory is exclusively reserved for the manufacture of ice.

(i) That the premises are supplied with an adequate supply of water obtained from a source protected from contamination and also with adequate means of transport so as to insure complete freedom from contamination or pollution in transit and with properly constructed tanks or reservoirs.

(j) That the factory is provided with a sanitary dust bin, at least two spittoons and with sufficient latrine accommodation.

(k) That the factory is at least 50 feet distant from any latrine, cesspit, cattle shed, manure heap, or open sewer.

(l) That there is no cesspit, latrine, cattle shed, or ashpit within or directly communicating with the factory.

2. That a special room or place for storage of fuel is provided and so situated that fuel can be carried to it, or from it to the furnace, without passing through any of the rooms of the factory in which ice is made, stored, or placed for delivery.

3. That all the water used in the manufacture of ice is passed through a suitable filter approved by the Chairman and connected with the plant. Provided that the Chairman shall have the power to exempt from the operation of this rule water derived from an approved public supply.

II.—By-laws for the Regulation of Licensed Ice Factories.

1. Every licensee of an ice factory shall keep affixed in a conspicuous position on the outside of his premises a board with his name and the words "Licensed Ice Factory" legibly painted thereon in the English and vernacular languages.

2. Every licensee of an ice factory shall cause a copy of these by-laws in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in every ice factory; and he shall cause a list of the names and addresses of all employees to be at all times kept in the factory so as to be available for inspection.

3. Every licensee of an ice factory shall cause the walls of every room forming part of the factory to be lime-washed twice a year in June and December. He shall cause the woodwork to be lime-washed or, if oil-painted, to be washed with hot water and soap at least once every June and December, and at other times when ordered by the Chairman in writing.

4. Every licensee of an ice factory shall cause the floor of the factory to be washed at least once every day.

5. Every licensee of an ice factory shall cause every part of the factory, its surroundings, drains, furniture, utensils, and equipment used in the making of ice to be kept clean and in good repair.

6. No licensee of an ice factory shall introduce into the factory materials or articles other than those used in the manufacture of ice.

7. No licensee of an ice factory shall employ any person under twelve years of age in the factory.

8. No person suffering from or who has recently suffered from any infectious, contagious, or skin disease, or has been recently in attendance on any person suffering from such disease shall enter the factory or take part in the preparation, handling, sale, or transport of ice.

9. Every licensee of an ice factory shall cause all dung, refuse, urine, and washing from the cattle sheds, latrine, or any part of the factory to be removed at least once a day and disposed of so that no nuisance is caused thereby.

10. No licensee of an ice factory shall keep any animal or bird within the factory on any pretext whatsoever.

11. It shall be lawful for the Chairman of the District Council or any Sanitary Inspector or any person thereto authorized by the Chairman in writing to enter any ice factory at any time when such factory is open, and to take samples of water used for the manufacture of ice or samples of water derived from ice there manufactured, and any proprietor or person in charge of such factory who shall refuse to permit such samples to be taken shall be guilty of an offence. If such sample is found to be unfit for human consumption the proprietor or manager of the factory from which such sample was taken shall be guilty of an offence.

PUBLIC BATHING PLACES.

I.—By-laws prescribing Conditions of Issue of Licence.

No person shall be entitled to a licence to keep a public bathing place unless he shall satisfy the Chairman that the premises to be licensed comply with the following conditions:—

1. That the public bathing place is located in a sufficiently secluded spot or is screened from public view.

2. That a portion of the premises is suitably screened off for the exclusive use of women and children.

3. That the water used is obtained from the public water supply where such exists, or where the public bathing place is served by a well—

- (a) That the well is provided with a protecting wall at least 2 feet high all round, or, if there is no wall, that it is constructed in such a way that none of the water drawn for bathing can find its way back into the well;
- (b) That the ground immediately surrounding such well is sloped and paved or concreted, so as to allow the water to run into a leadaway drain of a sufficient length to prevent any percolation of dirty water into the well.

II.—By-laws for the Regulation of Public Bathing Places.

1. Every licensee of a public bathing place shall keep affixed in a conspicuous position outside his premises a board with its name and the words "Licensed Public Bathing Place" legibly painted thereon in the English and vernacular languages.

2. Every licensee of a public bathing place shall cause a copy of these regulations in English, Sinhalese, and Tamil, and the licence to be framed and hung in a prominent place in the licensed premises, and he shall cause a list of the names and addresses of all employees to be at all times kept in the licensed premises so as to be available for inspection.

3. (a) If tubs are used in a public bathing place the licensee of such bathing place shall cause them to be cleaned daily and painted twice annually in June and December.

(b) If cemented cisterns are used he shall cause them to be kept in good repair and cleaned daily.

(c) If a large tank or bath is used he shall cause the water to be frequently changed so that it does not become offensive or unfit for human bathing.

6. Every licensee of a public bathing place shall cause every part of the public bathing place, its surroundings, drains, and equipment to be kept clean and in good repair.

7. No person suffering from or who has recently suffered from any contagious, infectious, or loathsome disease, or has been recently in attendance on any person suffering from such disease, shall bathe, wash in, or in any way use the water of any such public bathing place, unless such water shall be drawn for such person by some healthy person and carried for use to a safe distance from such public bathing place.

8. Whenever a public bathing place is served by a well, no person shall use such well for washing cattle or any other animals, or mats, or any other things, or any clothes, except those worn at the time of bathing, and if such clothes be slapped upon a stone or otherwise beaten this shall be done at such distance from the well that the splash therefrom cannot fall into the well.

9. No person shall commit a nuisance by obeying a call of nature at or near any public bathing place, except in a latrine provided for such purpose.

DANGEROUS OR OFFENSIVE TRADES.

I.—By-laws prescribing Conditions of Issue of Licence.

No person shall be entitled to a licence to carry on any dangerous or offensive trade unless the premises to be licensed comply with the following conditions:—

1. That the premises are in good repair and well ventilated and well lighted and every room is provided with windows capable of being opened, the area of which when open shall be not less than one-fifteenth of the superficial floor space.

2. That the walls of every room in every part are not less than 7 feet in height and are built of brick, stone, or cabook, and that the lower 4 feet of the internal surface is plastered in cement, and the rest of the internal surfaces lime-plastered and lime-washed.

3. That all the eaves are at least 6 feet from the ground.

4. That the roof is made of some permanent material.

5. That all the woodwork is oil-painted or lime-washed.

6. That the floor is cemented throughout.

7. That the premises are provided with adequate drainage.

8. That the premises are provided with a sanitary dust bin and with sufficient latrine accommodation.

II.—By-laws for the Regulation of Dangerous or Offensive Trades.

1. All materials required for the purpose of carrying on any dangerous or offensive trade as defined in by-law I of the general by-laws relating to licences shall be so stored as to prevent the diffusion of effluvia or other similar nuisance; and all such materials which have to be brought along any public thoroughfare, and which are likely to give off effluvia or be otherwise offensive shall be transported in non-absorbent covered receptacles or in such other manner as the Chairman may direct, so as to obviate the creation of any nuisance.

2. All offensive vapours or gases emitted during any process or manufacture, shall either be discharged into the external air in such manner and at such a height as to ensure their absorption into the upper air without injurious or offensive effects upon the neighbourhood, or be passed directly through a fire into a condensing apparatus.

3. (1) All premises shall be adequately drained and the drains kept in efficient order and washed daily.

(2) Floors shall be maintained in a proper state of repair and cleansed daily, and when so ordered by the Chairman shall be reconstructed of any impermeable material he may specify.

(3) Walls shall be kept in good order so as to prevent the absorption of filth, and white-washed twice at least annually and at such other times as the Chairman or the Medical Officer of Health may, by written notice, specify.

4. (1) All apparatus, including implements and vessels, shall be kept clean, and where possible, they shall be cleansed daily.

(2) All refuse, sweepings, and scrapings, together with waste and bye-products, shall be removed daily from the premises in covered receptacles, unless intended to be forthwith subjected to further trade purposes on the premises.

5. All tanks, used for washing or soaking skins or any other similar materials, shall be emptied and cleansed as often as may be necessary to prevent the creation or diffusion of effluvia.

6. No person carrying on any dangerous or offensive trade, and no owner or occupier of any land or premises upon which such dangerous or offensive trade is carried on, shall pollute any river, stream, canal, channel, well, tank, or open piece of water, by discharging thereto or suffering to flow thereto, any foul, ill smelling, or offensive water or other fluid, or by throwing thereto, or suffering to be washed thereto, any offensive substance, nor shall he in any other way pollute or contaminate such river, stream, canal, channel, well, tank, or open piece of water.

7. The owner or occupier of any land from which clay, earth, stone, gravel, cabook, or any other material is cut for the manufacture of bricks or tiles, or for building, or for any other purpose, shall take all necessary steps to ensure that proper drainage is provided, and that the pits or trenches cut are afterwards so filled as to prevent the collection of stagnant water therein.

8. Any person who contravenes any of the provisions of the above by-laws shall be guilty of an offence and shall be liable, on conviction, to a fine not exceeding Rs. 25 for any such offence, and, in the case of a continuing offence, to an additional fine not exceeding Rs. 5 for every day during which the offence is committed after conviction, or after written notice from the Chairman of such contravention.

THE LOCAL GOVERNMENT ORDINANCE,
No. 11 of 1920.

BY-LAWS made by the Badulla Urban District Council under sections 164 and 168 of the Local Government Ordinance, No. 11 of 1920, and approved by the Local Government Board and confirmed by the Governor by virtue of the powers vested in him by the said section 164 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWE,
Minister for Local Administration.

Colombó, December 6, 1934.

BY-LAWS.

The by-laws published by Notification in the *Gazette* of September 21, 1934, are hereby amended as follows :—

- by the insertion of the words "hair-dressing saloon, barber's shop," after the word "factory," and before the word "or" in line 5 of by-law 2 (i.); and
- by the addition of the following by-laws after those regarding "Public Bathing Places" :—

HAIR-DRESSING SALOONS OR BARBERS' SHOPS.

I.—Conditions of Issue of Licence.

No person shall be entitled to keep a Hair-dressing Saloon or Barber's Shop unless the premises to be licensed comply with the following conditions :—

- That the building is of permanent materials, well lighted and well ventilated, with a floor space of not less

than 120 square feet. The walls shall be lime-plastered and lime-washed; the roof provided with a wooden or other similar ceiling painted white; and the floor shall be cemented, with rounded corners at its junction with the walls.

2. That it is provided with adequate drainage and latrine accommodation.

3. That the living quarters, if any, attached to a Hair-dressing Saloon or Barber's Shop conform to the requirements of the Housing and Town Improvement Ordinance, No. 19 of 1915.

4. That a sufficient supply of water is available at all times on the premises.

5. That the saloon or shop is provided with means for securing a supply of boiling water adequate for the purpose of sterilizing implements and washing the appliances in daily use.

6. That a sufficient supply of towels and overalls is available for the use of the customers.

7. That facilities are provided for the barbers to wash their hands during the course of their work.

8. That the saloon or shop is provided with a sufficient number of spittoons which shall be kept by the seats readily available to customers and employees.

9. That for the reception of hair and sweepings a movable sanitary bin made of galvanized iron or other equally suitable and impervious material is provided and kept covered with a close-fitting lid.

10. That each washstand is provided with a vessel for a disinfectant for sterilizing razors, scissors, clippers, or other instruments.

11. A tray with disinfectants shall be kept in the saloon for keeping the instruments and combs after use.

II.—Regulations for Licensed Hair-dressing Saloons.

1. Every licensee of a Hair-dressing Saloon or Barber's Shop shall keep affixed in a conspicuous position on the outside of his premises a board with the words "Licensed Hair-dressing Saloon" or "Licensed Barber's Shop."

2. Every licensee of a Hair-dressing Saloon or Barber's Shop shall cause a copy of these regulations in English, Sinhalese, and Tamil to be framed and hung up in a prominent place on the premises.

3. The walls of every Hair-dressing Saloon or Barber's Shop shall be lime-washed and the ceiling painted twice a year in the months of June and December.

4. No Hair-dressing Saloon or Barber's Shop shall be used as a place for sleeping or eating during the night or day.

5. No person suffering from or who has recently been in attendance on any person suffering from any infectious or contagious disease shall enter a Hair-dressing Saloon or Barber's Shop or be employed therein in any capacity. Every person employed in a Hair-dressing Saloon or Barber's Shop shall submit himself for examination by the Medical Officer of Health and obtain a certificate from him to the effect that such person is free from any infectious or contagious disease. The certificate will be issued free of charge.

6. Every person employed in a Hair-dressing Saloon or Barber's Shop shall observe the utmost cleanliness in his work. He shall keep his person and his wearing apparel clean and in a sanitary condition. He shall keep his finger-nails short and clean and shall wash his hands with soap and water immediately before attending each customer.

7. The floor, walls, ceiling, furniture, and fixtures of every Hair-dressing Saloon or Barber's Shop shall be kept clean at all times.

8. The razors, scissors, and other implements shall be disinfected immediately after each occasion on which they are used and before they are employed for another customer by dipping them in boiling water or by any other method approved of by the Medical Officer of Health.

Such razors, scissors, and other implements, when not in use, shall be kept in the tray with disinfectants provided for the purpose.

9. All spittoons shall always be maintained in a clean and sanitary condition. Each spittoon shall be emptied and cleansed once daily, or more frequently if necessary, with a disinfectant approved by the Medical Officer of Health, and a small quantity of disinfectant left in the spittoon.

10. Hair-brushes and combs shall be thoroughly washed, cleaned, and sterilized every day before use and kept in a clean and sanitary condition at all times.

11. Shaving mugs, cups, and shaving brushes shall be thoroughly rinsed in hot water after each occasion on which they are used.

12. The use of styptic pencils, powder puffs, and sponges is forbidden. Alum or other material used to stop bleeding shall be applied in powder or liquid form.

13. Every licensee shall supply each customer with fresh clean towels and overalls. All towels or overalls shall be boiled and laundered after each occasion on which they are used.

14. No person shall expectorate within the premises except into a spittoon provided for the purpose.

15. No person employed in a Hair-dressing Saloon or Barber's Shop shall attend on any customer who is suffering from an infectious skin disease or any other infectious ailment.

16. If it so happens that a customer with any visible skin disease has been attended to, the hands of the barber shall be immediately cleansed and the instruments used sterilized.

17. After attention to each customer all hair cuttings shall be gathered and deposited in the sanitary dust bin provided. Such cuttings shall on no account be allowed to lie about in the premises.

THE LOCAL GOVERNMENT ORDINANCE, No. 11 of 1920:

BY-LAWS made by the Badulla Urban District Council under sections 164 and 168 (10) of the Local Government Ordinance, No. 11 of 1920, and approved by the Local Government Board and confirmed by the Governor by virtue of the powers vested in him by the said section 164 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWA,
Minister for Local Administration.

Colombo, December 6, 1934.

BY-LAWS.

1. No occupier or owner shall build or cause to be built on his land or premises within the administrative limits of the Council any privy, cesspit, latrine, catchpit, or soakagepit without having first obtained the permission of the Chairman in writing.

2. Upon any application for permission under by-law 1 it shall be competent to the Chairman (a) to require that any particular type of privy, cesspit, latrine, catchpit, or soakagepit approved by him, and no other shall be constructed; (b) to prescribe the position in which such privy, cesspit, latrine, catchpit, or soakagepit shall be constructed, and refuse permission to construct any privy, cesspit, latrine, catchpit, or soakagepit in any other position; (c) to refuse permission to construct any privy, cesspit, latrine, catchpit, or soakagepit at all upon any premises if he is of opinion that such construction is likely to give rise to a nuisance or be injurious to the health of the occupants of the neighbouring premises, or should not be permitted on any other sanitary grounds.

3. It shall be competent to the Chairman to order in writing the owner or occupier or any other person having the charge or management of any premises in which a privy, cesspit, latrine, catchpit, or soakagepit has been constructed without permission or in any way contrary to the terms of any permission issued by the Chairman, to demolish and fill up the said privy, cesspit, latrine, catchpit, or soakagepit within such reasonable time as may be prescribed in such order.

4. The Chairman may order in writing the owner or occupier or any other person having the charge or management of any premises to construct within the time prescribed by such order a privy, cesspit, latrine, catchpit, or soakagepit of such a type and size and in such a position and with such connecting drains as the Chairman may prescribe.

5. The Chairman may order in writing the owner or occupier or any other person having the charge or management of the premises upon which any privy, cesspit, latrine, catchpit, or soakagepit exists either to repair, alter, or reconstruct the same in such manner and within such time as the order may prescribe, or to demolish and fill up the same within such prescribed time, if in the opinion of the Chairman or the Council such privy, cesspit, latrine, catchpit, or soakagepit is structurally defective or is unsuitable for the purpose to which it is put, or is liable to give rise to a nuisance, or if it does not abut upon and cannot be conveniently conserved from a conservancy lane.

6. Any person failing to comply with an order made by the Chairman under by-laws Nos. 3, 4, or 5 shall be guilty of an offence and liable on conviction to a fine not exceeding Rs. 50.

7. It shall be the duty of the owner or occupier or any other person having the charge or management of any premises upon which any privy, cesspit, latrine, catchpit, or soakagepit stands, to keep the said privy, cesspit, latrine, catchpit, or soakagepit in good repair and in a clean and sanitary state, and to see that no nuisance is caused thereby. Any such person failing to comply with this by-law shall be guilty of an offence and punishable with a fine not exceeding Rs. 50.

8. Whenever the Chairman shall consider the construction of a new catchpit or the alteration, repair, or reconstruction or filling up of an existing catchpit to be necessary, he may require the owner or occupier or any other person having the charge or management of any land or premises by notice in writing signed by him either to construct a new catchpit or to alter, repair, or reconstruct or fill up any existing catchpit within the time prescribed by such notice, and may further give directions as to the position, level, and size of such catchpit, the materials to be used, the manner in which the work is to be carried out, and any other details in connection with such work. Any person who shall after receipt of such notice fail to carry out the requirements thereof within the prescribed time shall be guilty of an offence and punishable with a fine not exceeding Rs. 50.

9. (a) It shall be lawful for the Chairman to notify the owner or occupier or any other person having the charge or management of any land or premises upon which there is any catchpit, into which dirty water flows and collects that the Council will from and after the date specified in such notice undertake the daily removal of such water.

(b) The Council may by by-law from time to time prescribe the fee to be paid by such person for the removal of water under paragraph (a) of this by-law.

10. The owner or occupier or any other person having the charge or management of any land or premises upon which there is any catchpit into which dirty water flows and collects, and who shall not have been notified by the Chairman under by-law 9 shall be responsible for the daily removal of such water, in such a manner as to avoid causing a nuisance thereby to such place as the Chairman may approve. Any person failing to carry out such removal as above required shall be guilty of an offence and punishable with a fine not exceeding Rs. 50.

11. All conservancy shall be carried out by the Council, and it shall not be lawful for any person either to carry out such work himself, or by means of an agent or servant, or to employ any person to do such work for him, without the written permission of the Chairman, which permission the Chairman is empowered at his discretion to refuse, if he is of opinion that all such services can be adequately carried out by the Council.

12. Conservancy fees at the rates set out in the schedule hereto shall be paid in respect of all premises provided with dry earth latrines within the administrative limits of this Council, other than premises in respect of which permission has been granted in terms of by-law No. 11, for having such premises conserved once daily. Provided that in the case of the Badulla Jail and the Civil Hospital, Badulla, and of any school, hostel, or club, the Council may by resolution fix such other rate, or such quarterly sum by way of composition, as may be reasonable in the circumstances of that case.

13. (a) The quarterly sum fixed under by-law No. 12 by way of composition in the case of the Badulla Jail and the Civil Hospital, Badulla, and of any school, hostel, or club, shall be paid at the office of the Council on or before the first day of January, April, July, and October each year.

(b) In all other cases the fee under by-law 12 shall be paid at the office of the Council before the first day of the month following that during which the service was rendered.

14. The by-laws relating to conservancy fees published in the *Gazette* of June 5, 1914, and of May 11, 1934, are hereby repealed.

Schedule.

(1) Premises exempted under section 172 (a) and (b) of the Local Government Ordinance, No. 11 of 1920, from the property rate imposed under section 171 (1) (a) and premises exempted from the payment of the special conservancy rate:—

Rs. 1.50 per mensem per bucket and a further sum of Re. 1 per mensem in respect of every bucket exceeding one per day.

(2) Premises liable to the property rate imposed under section 171 (1) (a) of the Local Government Ordinance, No. 11 of 1920:—

(a) If the annual value is under Rs. 300, Re. 1 in respect of every bucket conserved exceeding one per day.

(b) If the annual value is Rs. 300 and under Rs. 900, Re. 1 in respect of every bucket conserved exceeding two per day.

(c) If the annual value is Rs. 900 and under Rs. 1,800, Re. 1 in respect of every bucket conserved exceeding three per day.

(d) If the annual value is over Rs. 1,800, Re. 1 in respect of every bucket conserved exceeding four per day.

All tenders should reach the Office of the Chairman, Tender Board, General Treasury, Colombo, not later than midday on Tuesday, January 1, 1935.

General Manager's Office,
Colombo, December 4, 1934.

E. W. HEAD,
General Manager.

TENDERS are hereby invited for the work of repairing five Salt Stores at Nachchikkali.

2. The tender should be enclosed in a sealed envelope, on the left hand corner of which must be written the words "Tenders for Repairing Five Salt Stores at Nachchikkali," and it should be sent to the Assistant Government Agent, Puttalam, so that he may receive it before 12 noon on Friday, January 4, 1935.

3. The intending tenderer should, before sending his tender to the Assistant Government Agent deposit a sum of Rs. 15 at any Kacheheri under the Head "Tender Forms" and should annex to his tender the receipt obtained for the deposit of the sum.

4. This sum of Rs. 15 will be held by the Assistant Government Agent as security for the tenderer's entering into contract with him—in the event of his tender being

accepted—for carrying out the work in a satisfactory manner, and it will be confiscated, if he fails to enter into such a contract within a reasonable time after his tender is accepted.

5. A duplicate of the tender should be forwarded by the tenderer by post to the Salt Adviser, Colombo.

6. The tenderer should name an address at Puttalam, where letters for him may be left or delivered.

7. The work should be completed within two weeks after the contract is entered into.

8. The right to accept or reject any tender or portion of it is reserved.

9. Further particulars may be obtained from the Salt Superintendent, Puttalam.

Description of Work to be done.

All worthless cadjans, timber, and other decayed materials that are on the buildings now, should be replaced by sound and approved materials.

The roofs should be rethatched and pootus placed as weights.

All side walls and fences should be thoroughly repaired. Bulges should be straightened. Any timber available on the spot should be utilized.

All worthless cadjans and other rubbish after completion of every store should be taken away from the store site and burnt up.

Inside ridge and side fences should be lined with new cadjans. Cross beams and supporting posts should be replaced wherever necessary. The door frames of the stores should be repaired.

R. CHINTAMANI,
The Kacheheri, for Assistant Government Agent,
Puttalam, December 10, 1934.

THE Factory Engineer, Government Factory, Kolonnawa, will receive tenders up to 11 A.M. on Saturday, January 5, 1935, for supplying and delivering the following at the Government Factory:—

and

In the matter of the Joint Stock Companies Ordinances 1861, 1888, and 1893.

NOTICE is hereby given that the order of the District Court of Colombo in D. C., Colombo, Case No. 2,189 (Special) confirming the reduction effected by special resolutions passed on November 7, 1934, and confirmed on November 24, 1934 of the capital of The Tempo Tea and Rubber Company, Limited, and reduced from Rs. 3,000,000 to Rs. 808,500, together with the minute approved by the court showing with respect to the capital of the Company, as altered, the several particulars required by the above Ordinances, was registered by the Assistant Registrar of Companies on December 11, 1934.

The said Minute is in the words and figures following:—

“The capital of The Tempo Tea and Rubber Company, Limited, was by virtue of a special resolution of the Shareholders of the said Company and of extraordinary resolutions of the ordinary Shareholders and of the preference Shareholders respectively of the said Company and with the sanction of an order of the District Court of Colombo, dated December 5, 1934, reduced from the

former capital of Rs. 3,000,000 divided into 4,500 7 per cent. cumulative preference shares of Rs. 100 each (all of which at the time of registration of this minute have been issued and are fully paid up) and 25,500 ordinary shares of Rs. 100 each (all of which at the time of registration of this minute have been issued and of which 23,850 shares have been fully paid up and 1,650 shares have been paid up to the extent of Rs. 50 per share) to Rs. 808,500 divided into 4,500 7 per cent. cumulative preference shares of Rs. 70 each and 23,850 ordinary shares of Rs. 20 each and 1,650 ordinary shares of Rs. 10 each. A special resolution of the Company has been passed and confirmed and extraordinary resolutions of the ordinary Shareholders and of the preference Shareholders respectively of the Company have been passed to the effect that immediately upon and contingently upon such reduction of capital being sanctioned by an order of court each of the 4,500 7 per cent. cumulative preference shares of Rs. 70, resulting from such reduction shall be divided into seven shares of Rs. 10 each and each of the 23,850 ordinary shares of Rs. 20 resulting from such reduction shall be divided into two shares of Rs. 10 each. And accordingly (upon the said reduction of capital being sanctioned as aforesaid and the aforesaid subdivision of shares taking effect) the nominal capital of the Company is Rs. 808,500 divided into 31,500 7 per cent. cumulative preference shares of Rs. 10 each and 49,350 ordinary shares of Rs. 10 each.”

NOTICE UNDER "THE EXCISE ORDINANCE, No. 8 OF 1912."

The Excise Ordinance, No. 8 of 1912.

IT is hereby notified for general information that a fee of Rs. 70 will be charged for the preliminary analysis of every sample of foreign liquor presented for approval and inclusion in the list of brands of foreign spirits approved for sale (*vide* Notification dated May 21, 1934, published in the *Ceylon Government Gazette* No. 8,052 of May 25, 1934, and all subsequent amendments and replacements thereof), referred to in the conditions of the forms of foreign liquor

licences issued under Excise Notification No. 219 dated April 17, 1931, published in the *Ceylon Government Gazette* No. 7,984 of April 17, 1931.

2. All brands of foreign liquor included in the aforesaid list of approved brands shall also be subject to periodical reanalyses at the discretion of the Excise Commissioner, but such reanalyses shall not be required oftener than once in a period of 12 months. A further fee of Rs. 30 payable in advance shall be chargeable for every such reanalysis, of which Rs. 15 will be refunded, if the brand so reanalysed is not removed from the aforesaid list owing to variation in the quality or constituents of the said brand as disclosed by such reanalysis.

3. The aforesaid fee of Rs. 30 shall be payable by the firm, person or persons at whose instance the brand of spirits to be reanalysed was included in the aforesaid list, or such other firm, person or persons concerned in the importation of the said brand for purposes of sale.

4. If the fee of Rs. 30 is not deposited within 15 days of a written notice to do so by any Excise Officer not below the grade of Superintendent, the brand will be liable to be removed from the aforesaid list on the expiration of the said period.

5. Excise Notification No. 177 dated June 12, 1928, published in *Gazette* No. 7,650 of June 22, 1928, is hereby rescinded.

THE COLOMBO MUNICIPAL COUNCIL.

General Meeting.

Wednesday, November 7, 1934, at 3 p.m.

The Council met this day at 3 p.m., pursuant to notice dated October 31, 1934.

Present: Mr. W. L. Murphy, B.A., C.C.S., Chairman; Mr. N. H. M. Abdul Cader; Dr. E. V. Ratnam; Mr. C. H. Z. Fernando; Dr. E. A. Coorey; Mr. M. L. M. Royal; Dr. S. Muttiah; Mr. T. C. Dyball; Mr. F. Dadabhoy, J.P.; Mr. F. J. Soertsz, K.C.; Mr. A. E. Goonesinha, M.S.C.; Dr. S. T. Gunasekora; Mr. G. K. Thornhill; Mr. W. J. Price; Mr. T. A. Owles; Mr. F. A. Bond; and Mr. C. F. Whitaker.

1. The Minutes of the General Meeting of October 3, 1934, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read and confirmed.

2. Pursuant to notice, Mr. A. E. Goonesinha, M.S.C., presented a petition from the residents of Old Kolonnawa road and its vicinity praying for the immediate widening of Old Kolonnawa road and requested that it be submitted for consideration by the Four Standing Committees regarding 1935 Budget.

2A. With the permission of Council, Mr. C. H. Z. Fernando presented a petition from the residents of Mahawatta road, Grandpass, praying for the widening of Mahawatta road and also for the rounding off of a very dangerous blind corner, and requested that it be submitted for consideration by the Appropriate Committees.

3. Pursuant to notice, Dr. E. A. Coorey moved:—In view of the inordinate delay on the part of Government with regard to the continuing of the widening of Galle road, this Council resolves that the Four Standing Committees report to the Council at its next meeting what steps might be taken to expedite this urgent improvement. Mr. M. L. M. Royal seconded.

The Chairman, in supporting the motion, submitted a memorandum detailing the history of the question.

Mr. A. E. Goonesinha and Mr. C. H. Z. Fernando supported the motion.

Mr. F. J. Soertsz moved, as an amendment, that the Chairman's memorandum, with any additions or alterations be forwarded to Government.

Dr. E. A. Coorey accepted the amendment, but suggested that a deputation should wait on His Excellency the Governor.

The amendment was put to the meeting as the substantive motion and carried.

4. Pursuant to notice, the Chairman moved:—That the Council do resolve itself into a Committee of the whole Council to consider the following extracts from the proceedings of the Committees and reports of the Special Committees annexed to the Agenda. Mr. N. H. M. Abdul Cader seconded.—Carried.

Council in Committee.—

The following Extracts from the Minutes of the Standing Committee on Law and General Subjects of October 20, 1934, were considered.

(48) To recommend, under rule 21 of the Municipal Council Pension Rules, the grant of a gratuity of Rs. 437·01 to the next-of-kin of late E. R. Rode, B. T. 87, of the Municipal Engineer's Department, who died on June 9, 1933. The gratuity is based on his service of 145 months and his average monthly pay of Rs. 54·25. Registered No. 1,382.—Recommended.

(50) To recommend, under rule 21 of the Municipal Council Pension Rules, the grant of a gratuity of Rs. 577·11 to Pabilinu Perera, B. T. 2403, of the Municipal Engineer's Department, who is condemned by a Medical Board as unfit for further service. The gratuity is based on his service of 213 months and his average monthly pay of Rs. 48·77. *Note.*—This labourer's service had been interrupted by a break of 2 years and 9 months on one occasion. They can be condoned under second proviso to rule 21 of the Municipal Council Pension Rules, which runs as follows :—“It shall, however, be competent for the Council, with the consent of His Excellency the Governor, to award such gratuities in cases in which the service has not been continuous.”

Note.—The Finance Committee of May 31, 1933, refused an application for gratuity to a labourer who had a break of service of 6 years and 7 months, as the break was far too long to be condoned under the above section of the pension rule. There is no definite rule on the point and in this particular case the labourer was discontinued owing to slackness of work. Registered No. 1,420.—Recommended.

(51) To recommend, under rule 21 of the Municipal Council Pension Rules, the grant of a gratuity of Rs. 180·55 to Baron Singho, B. T. 1428, of the Municipal Engineer's Department, who is condemned by a Medical Board as unfit for further service. The gratuity is based on his service of 121 months and his average monthly pay of Rs. 26·86. Registered No. 1,518.—Recommended.

WRITE OFF OF ARREARS OF RATES.

(52) To consider a report of the Municipal Treasurer, recommending that arrears of rates amounting to Rs. 413·41 be written off. (28 cases, all on grounds of poverty). Registered No. 1,507.—Recommended.

The following Extracts from the Minutes of the Four Standing Committees (meeting together) of October 29, 1934, were considered.

PUBLIC HEALTH DEPARTMENT.

(2) To re-consider the following recommendation :—(a) That the decisions of Council of December 6, 1933, and of March 7, 1934, confining the establishment of new dairies in the city to “Pasbatal Area,” Mutwal, be rescinded, in view of the fact that this area is undrained, and that the establishment of new dairies anywhere in the city be prohibited. (b) A report of the Medical Officer of Health. Registered No. 556.—Recommended that the recommendation of the Special Committee regarding Housing and Town Improvement (item No. 6) of September 28, 1934, be adopted.

Resolution of Council in Committee.

Resolved that the matter be considered in connection with the recommendation of the Housing and Town Improvement Committee.

(3) To select from the applicants and submit to the Council the names of three candidates for the post of Assistant City Microbiologist, indicating, if the Committees think fit, the candidate whom they recommend Council to appoint.—Registered No. 1,460. Resolved that the following names be submitted to Council :—(1) Dr. L. E. J. Poulier, L.M.S. (Ceylon), D.P.H. (Lond.), M.R.C.S. (Eng.), L.R.C.P. (Lond.). (2) Dr. J. E. D. Mendis, L.R.C.P. & S. (Edin.), L.R.F.P. & S. (Glas.), D.T.M. & D.T.H. (Liverpool). (3) Dr. J. R. Ratnayake, L.M.S. (Ceylon), L.R.C.P. & S. (Edin.), L.R.F.P. & S. (Glas.), D.P.H. (Edin.), with the recommendation that Dr. L. E. J. Poulier be appointed to the post.

Resolution of Council in Committee.

Mr. A. E. Goonesinha moved that Dr. J. E. D. Mendis be appointed to the post. Dr. S. Muttiah seconded. The Chairman held the motion not in order under By-law 31A, of the by-laws relating to the conduct business, and put the question whether the Council approves the recommendation of the Standing Committee or decides to vote on the candidates. Resolved that the recommendation of the Standing Committee be adopted.

(4) To consider a letter, dated October 2, 1934, from Dr. L. F. Hirst, City Microbiologist, stating that he is no longer fit for residence in the tropics and that a Medical Board be appointed to examine him. Registered No. 1,535.—Recommended that the Council's London Agents, Messrs. John Pook & Co., be asked to arrange for the examination medically of Dr. L. F. Hirst, City Microbiologist of this Council by Dr. Philip Manson-Bahr, D.S.O., M.A., M.D., F.R.C.P., and to forward to the Chairman his report thereon.

MUNICIPAL ENGINEER'S DEPARTMENT.

(6) To consider a plan and estimate for Rs. 3,600 from the Acting Municipal Engineer for enclosing and laying out with ornamental plots the triangular space at the junction of Ward place, Alexandra place, and Baptist Chapel road. The Municipal Engineer states that if 4 seats are to be provided at the bus halts, an additional sum of Rs. 280 will be necessary. Registered No. 758.—Recommended:—(a) That the plan and estimate of Rs. 3,600 be approved and that four seats at a cost of Rs. 280 be provided. (b) That supplementary provision of Rs. 3,800 be sanctioned. (c) That the sale of articles be prohibited.

(7) To consider:—(a) Letter, dated May 28, 1934, from Mrs. Hilda L. Fernando requesting the re-consideration of her application for a refund from the Council of the proportionate share of the cost of sewer laid in 1930 to serve premises standing in the property known as "Shrubbery Gardens", Bambalapitiya, for the reason that 15th lane is a pre 1915 lane. (b) A memorandum thereon of the Municipal Engineer, dated July 19, 1934. Registered No. 701.—Recommended that the application be refused as previously decided and that the law be not amended.

(8) To consider:—(a) Letter No. E 8 M.K. 5550 from the Chief Engineer and Manager, Electrical Undertakings, dated October 22, 1934, stating that he is prepared to recommend to Government the acceptance of the contract as suggested by the Council with the amendments proposed by him. (b) A memorandum of the Municipal Engineer. Registered No. 1,543.—Recommended.

MUNICIPAL TREASURER'S DEPARTMENT.

(9) To consider a memorandum of the Municipal Treasurer, dated August 7, 1934 (supported by the Waterworks Engineer), regarding water supply for petty trades, recommending that Council's sanction be obtained to recover security deposits in respect of such trades on the basis suggested in his memorandum. Registered No. 1,101.—Recommended.

Mr. A. E. Goonesinha dissented.

The following Extracts from the Minutes of the Standing Committee on Sanitation and Markets of September 26, 1934, were considered.

(34) To consider a report of the Medical Officer of Health, dated August 22, 1934, regarding pavement sellers and requesting that Council should take vigorous action against all pavement and street sellers of food-stuffs, and also the necessity of passing a by-law dealing with the sale of vegetables within a quarter mile radius of a Municipal market. Registered No. 1,158.—Recommended that the Superintendent of Police, Colombo, be requested to enforce the existing by-laws against sale of any food-stuffs on the pavements.

Resolution of Council in Committee.

Mr. A. E. Goonesinha moved that the recommendation of the Standing Committee be not accepted. Mr. M. L. M. Royal seconded. Mr. C. H. Z. Fernando supported. The motion was put to the meeting and carried.

(35) To consider:—(a) An application from Mr. B. H. de Zoysa, Sanitary Inspector, Public Health Department, requesting that his services from November, 1912, to January 19, 1914, be reckoned for pension purposes. (b) A memorandum thereon of the Municipal Treasurer stating that it is not altogether clear from papers that Mr. de Zoysa definitely left the service of the Council, and in view of the irregularities and misunderstandings that existed then it seems to him that the breaks may be condoned under all the circumstances. Registered No. 1,194.—Recommended.

(37) With reference to the resolution of Council of September 5, 1934, that the application of Mr. C. A. Woutersz for an enhanced pension, in terms of sections 11 and 22 of the Municipal Council Pension Minute, be granted, in view of the circumstances under which he was condemned to retire, to consider:—(a) The report of the Medical Board under rule 22. (b) If, under rule 11 the amount of such special provision. Registered No. 1,036.—Recommended that in view of the report of Dr. L. F. Hirst, the City Microbiologist, that Mr. Woutersz may have contracted infection in the Laboratory, and the opinion of the Special Medical Board that the disease was probably aggravated by the nature of his work, he be granted an additional pension 15/60ths of his retiring salary under By-law 22 of the Pension Rules. (*Vide* resolution of Council in Committee on page 379 in connection with the recommendation of item No. 17 of the Finance Committee of October 24, 1934).
