"THE SMALL TOWNS SANITARY ORDINANCE, 1892."

RULES made by the Governor for the Sanitary Board of the Kandy District by virtue of the powers vested in him by section 5 (1) (g) of "The Small Towns Sanitary Ordinance, 1892," and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWA,
Minister for Local Administration.

Colombo, July 17, 1933.

PENSION RULES.

1. (a) No officer shall be deemed to have an absolute right to any pension, gratuity, or allowance under these rules, and the Board reserves to itself the power to dismiss an officer without compensation.

(b) No pension, gratuity, or retiring allowance shall be granted on retirement to any officer without the authority of the Governor, in order to obtain which a certificate of

good conduct from the Chairman setting out the length of service, age, and ground of retirement must be forwarded together with the application for pension, gratuity, or retiring allowance, and the computation thereof, through the Commissioner of Local Government to the Controller of Establishments.

2. (1) Subject to the provisions and exceptions hereinafter contained every officer holding a permanent office in the service of the Board and drawing a salary of not less than Rs. 400 per annum may be granted a pension calculated at the rate of 1/720th of the salary of the office or offices held by him at retirement for each month of service counting for pension, provided that he has completed not less than 120 months' gross service, and provided further that no pension awarded under these rules shall exceed 480/720ths of the salary upon which the pension is computed.

(2) If such an officer retires on account of illness or age before completing 120 months' gross service, he may receive a gratuity calculated at the rate of 1/12th of a month's salary of the office or offices held by him at retirement for each month of service.

3. Any officer may be required to retire from the service of the Board on or after attaining the age of fifty-five years; but retirement shall be compulsory on his attaining the age of sixty years, unless the Governor decides that his services shall be retained.

4. No pension shall be granted to an officer retiring before he attains the age of fifty-five years, unless a Medical Board, consisting of two Medical Practitioners nominated by the Chairman, certifies that the officer is unfit to discharge the duties of his office owing to infirmity either of mind or body, and unless he shall have theretofore discharged such duties to the satisfaction of the Chairman.

5. The Chairman may call upon an officer, who is below the limit of age entitling him to retire on pension, to retire from the service on the ground of his inability to discharge efficiently the duties of his office. In such a case the Board may by special resolution, subject to the approval of the Governor, grant such retiring allowance or gratuity as is considered just and proper, but in no case exceeding the amount for which the length of service of the officer would qualify him.

6. In the case of the abolition of any pensionable office, the pension or gratuity grantable to the officer holding such office will be that which would have been payable to him had he retired on grounds of ill-health.

7. No pension or gratuity granted under these rules shall be assignable or transferable.

8. (1) The service to be reckoned for pension shall be calculated from the date on which the officer commences to draw salary in respect of his first permanent appointment, whether pensionable or not. Acting service in an office carrying claims to pension shall, when continuous with permanent employment, count as service for pension, provided no other officer was earning pension for the same period in respect of the same office. The service of an officer under 16 years of age shall not in any case count for pension.

(2) An officer is entitled to reckon as service for pension the whole period of absence on vacation leave and half the period of absence on leave with half salary. Absence without salary will not count as service for pension.

9. (1) The pension or gratuity awarded to an officer shall be computed upon the salary drawn by him, at the time of his retirement, in respect of the permanent office or offices then held by him, provided that he shall have held such office or offices, to which the same fixed salary or incremental scale of salary is attached, for at least three years, otherwise the pension or gratuity shall be calculated upon the average of the salaries attached to the permanent offices held by such officer during the three years next preceding the date of his retirement.

(2) For the purposes of these rules, salary will include in addition to the salary of the permanent office or offices held by him, any allowance voted to him by resolution of the Board as a pensionable allowance, but no other emolument whatsoever.

10. The rates of pension, retiring allowance, and gratuity above set forth shall be granted only in cases of faithful and meritorious service. Where the testimony as to good conduct is in any way defective, a deduction may be made from the pension or gratuity, and where the misconduct of an officer has been of a serious nature, the pension or gratuity may be entirely withheld.

11. The service in respect of which pensions or gratuities are granted ought in all cases to have been continuous, unless interrupted by abolition of office or by temporary suspension of employment not arising from misconduct or voluntary resignation. Service prior to a break of service may, however, be allowed to count for pension together with service subsequent to such break, if the whole of the

intervening period has been spent in some employment under Government or under another statutory Local Authority.

12. If any person in receipt of a pension or retiring allowance is convicted of any offence in any Court in the Island and sentenced to death, or to any term of rigorous imprisonment exceeding six months, the payment of such pension or allowance shall be forthwith discontinued, unless such person shall within three months of such conviction receive an unconditional pardon, or unless the Board with the approval of the Governor in any case for special reasons otherwise decides.

13. If any person to whom a pension, annuity, or allowance has been granted under these rules becomes a bankrupt, such pension, annuity, or allowance shall forthwith cease; but it shall be lawful for the Board, with the approval of the Governor, from time to time during the remainder of such person's life or during such shorter period or periods whether continuous or otherwise as may be necessary, to pay all or any part of such pension, annuity, or allowance to, or to apply the same for the maintenance and personal support or benefit of such person and his wife and children jointly, of any one or more of them exclusively, as may in the circumstances of each case be necessary or expedient.

14. (1) Every officer who is transferred to a post under Government or under another statutory Local Authority with the approval of the Board, shall be entitled on ultimate retirement to pension for the service rendered to the Board, provided that he retires from the latter service in circumstances which would entitle him to pension under these rules. In all such cases the amount contributed by the Board by way of pension shall be based only on the service under the Board and the final salary drawn from the Board.

(2) An officer who has been transferred to the service of the Board from some other employment under Government or under another statutory Local Authority may, if he retires from the service of the Board after completing ten years' public service in all, but before completing ten years' service under the Board, be awarded, in lieu of a gratuity, an annuity based on service and salary under the Board calculated in the manner prescribed by rule 2 (1).

15. No person may at any time draw from the funds of the Board an amount of pension which, when added to the amount of any pension or pensions drawn in respect of other public service, exceeds two-thirds of the highest pensionable emoluments drawn by such person at any time in the course of his service under the Board or in such other public service.

16. If any person in receipt of a pension or retiring allowance from the Board returns to the service of the Board, he may be allowed to retain his pension or retiring allowance during the period of his re-employment, in which case he shall receive on his ultimate retirement no award whatever under these rules; or he may be required to forego the pension or retiring allowance then drawn by him, in which case he shall receive on his ultimate retirement a pension or retiring allowance based on his aggregate service and the highest salary drawn by him at any time during that service. The Chairman shall decide the terms on which a former servant of the Board may be re-employed in any particular case.

17. Any employee of the Board drawing a salary of less than Rs. 400 per annum, retiring on account of illness after serving continuously for a period of 15 years and upwards may, if the Board be satisfied from the report of a Medical Board that he is unfit to discharge efficiently the duties of his office owing to infirmity of body or mind, be awarded such long service allowance not exceeding Rs. 7.50 per mensem as the Board may think just and proper. In the case of employees who retire after attaining the age of 55 years or over, no Medical Board need be appointed. Any employee in receipt of daily pay, who has completed not less than 20 years' service, retiring in similar circumstances, may be awarded a gratuity calculated at the rate of 1/36th of a month's pay for each month's service.

18. In the event of any officer or servant, whether in a pensionable or non-pensionable office or on daily pay dying while in the service of the Board, it shall be competent to the Board, subject to the approval of the Governor, to grant to the widow or next-of-kin of such officer or servant a gratuity not exceeding three months' pay, and in addition one month's pay for each minor child.

19. If any case not covered by these rules shall arise which in the opinion of the Board merits the award of a pension, retiring allowance, or gratuity, a report setting out the circumstances of such case, together with the recommendation of the Board, shall be forwarded through the Commissioner of Local Government and the Controller of Establishments, General Treasury, to the Governor for his decision as to the nature and the amount of the compensation, if any, that may be awarded.

- (4) By any other method of service which is not illegal, under the law existing at the time of service, in the country of execution.

(b) All documents served in the manner provided in (1) of the preceding paragraph shall, unless the recipient is a subject or citizen of the High Contracting Party from whose territory the document to be served emanates, either be drawn up in the language of the country of execution or be accompanied by a translation into such language, certified as correct as prescribed in Article 3 (c).

(c) The High Contracting Parties agree that in principle it is also desirable that the provisions of paragraph (b) of this Article should apply to documents served in the manner provided in (2), (3), and (4) of paragraph (a) of this Article. Nevertheless, in the absence of any legislation in their respective territories making translations obligatory in such cases, the High Contracting Parties do not accept any obligation in this respect.

Article 5.

(a) In any case where documents have been served in accordance with the provisions of Article 3, the High Contracting Party, by whose Consular Officer the request for service was addressed, shall repay to the other High Contracting Party any charges and expenses which are payable under the law of the country of execution to the persons employed to effect service, and any charges and expenses incurred in effecting service in a special manner. These charges and expenses shall not exceed such as are usually allowed in the courts of that country.

(b) Repayment of these charges and expenses shall be claimed by the competent authority by whom the service has been effected from the Consular Officer by whom the request was addressed, when sending to him the certificate provided for in Article 3 (h).

(c) Except as provided above no fees of any description shall be payable by one High Contracting Party to the other in respect of the service of any documents.

III.—TAKING OF EVIDENCE.

Article 6.

(a) When a judicial authority in the territory of one of the High Contracting Parties requires that evidence should be taken in the territory of the other High Contracting Party, such evidence may be taken, whatever the nationality of the parties or witnesses may be, in any one of the ways prescribed in Articles 7, 8, or 9.

(b) In Part III. of this Convention, the expressions—

- (1) "Taking of evidence" shall be deemed to include the taking of the statements of a plaintiff, defendant, expert, witness or any other person on oath or otherwise; the submission to a plaintiff, defendant, expert, witness or any other person of any oath with regard to any legal proceedings; and the production, identification, and examination of documents, samples or other objects.

- (2) "Witness" shall be deemed to include any person from whom any evidence, as defined above, is required to be taken.
- (3) "Country of origin" shall be deemed to mean the country by whose judicial authority the evidence is required, and "country of execution," the country in which the evidence is to be taken.

Article 7.

(a) The judicial authority of the country of origin may, in accordance with the provisions of the law of his country, address himself by means of a Letter of Request to the competent authority of the country of execution, requesting such authority to take the evidence.

(b) The Letter of Request shall be drawn up in the language of the country of execution, or be accompanied by a translation into such language. Such translation shall be certified as correct by a Consular Officer acting for the country of origin or by an official or sworn translator of one of the two countries concerned. The Letter of Request shall state briefly the nature of the proceedings for which the evidence is required, the names and descriptions of the parties thereto, and the names, descriptions and addresses of the witnesses. They shall also either (1) be accompanied by a list of interrogatories to be put to the witness or witnesses, or, as the case may be, by a description of the documents, samples or other objects to be produced, identified or examined, and a translation thereof, certified as correct in the manner heretofore provided; or (2) shall request the competent authority to allow such questions to be asked *viva voce* as the parties or their representatives shall desire to ask.

(c) Letters of Request shall be transmitted—

In England by a Polish Consular Officer to the Senior Master of the Supreme Court of Judicature.

In Poland by a British Consular Officer to the Ministry of Justice.

In case the authority to whom any Letter of Request is transmitted is not competent to execute it, such authority shall (except in cases where execution is refused in accordance with paragraph (f) of this Article) of his own motion forward the Letter of Request to the competent authority of the country of execution.

(d) The competent authority of the country of execution shall give effect to the Letter of Request and obtain the evidence required by the use of the same compulsory measures and the same procedure as are employed in the execution of a commission or order emanating from the authorities of his own country, except that if a wish that some special procedure should be followed is expressed in the Letter of Request, such special procedure shall be followed in so far as it is not incompatible with the law of the country of execution.

(e) The Consular Officer, by whom the Letter of Request is transmitted, shall, if he so desires, be informed of the date when and the place where the proceedings will take place, in order that he may inform the interested party or parties, who shall be permitted to be present in person or to be represented if they so desire.

(f) The execution of a Letter of Request which complies with the preceding provisions of this Article can only be refused—

- (1) If the authenticity of the Letter of Request is not established;
- (2) If, in the country of execution, the execution of the Letter of Request in question does not fall within the functions of the judiciary;
- (3) If the High Contracting Party in whose territory it is to be executed considers that his sovereignty or safety would be compromised thereby.

(g) In every instance where a Letter of Request is not executed by the authority to whom it is addressed, the latter will at once inform the Consular Officer by whom it was transmitted, stating the grounds on which the execution of the Letter of Request has been refused, or, in the case provided for in Article 7 (c), the competent authority to whom it has been forwarded.

(h) When a Letter of Request has been executed, the competent authority to whom it was transmitted or forwarded shall send to the Consular Officer by whom it was transmitted the necessary documents establishing its execution.

Article 8.

(a) The judicial authority of the country of origin may, in the Letter of Request addressed to the competent authority of the country of execution, request such authority to appoint to take the evidence an individual specially designated in the Letter of Request.

A Consular Officer acting for the country of origin or any other suitable individual may be so designated.

(b) Where this procedure is adopted, the provisions of paragraphs (b), (c), (f), (g) and (h) of Article 7 shall apply, but the following paragraphs shall be substituted for paragraphs (d) and (e) of that Article.

(c) The competent authority of the country of execution shall give effect thereto and shall appoint the individual designated to take the evidence, unless such individual shall be unwilling so to act. In addition, if necessary, such authority shall make use of such compulsory powers as it possesses under its own law to secure the attendance of and the giving of evidence by the witnesses before the individual so appointed.

(d) The individual thus appointed shall have power to administer an oath, and any person giving false evidence before him shall be liable in the courts of the country of execution to the penalties provided by the law of that country for perjury.

(e) The evidence shall be taken in accordance with the law of the country of origin, provided such method is not contrary to the law of the country of execution, and the parties shall have the right to be present in person or to be represented by barristers or solicitors or by any other persons who are competent to appear before the courts of either the country of origin or of execution.

Article 9.

(a) The evidence may also be taken without any request to or the intervention of the authorities of the country of execution, by an individual in that country directly appointed for the purpose by the court of the country of origin. A Consular Officer acting for the country of origin or any other suitable individual may be so appointed.

(b) An individual so appointed to take evidence may request the persons named by the court appointing him to appear before him and to give evidence. He may take all kinds of evidence which are not contrary to the law of the country of execution, and shall have power to administer an oath. The attendance and giving of evidence before any such individual shall be entirely voluntary and no measures of compulsion shall be employed.

(c) Requests to appear issued by such individual shall, unless the recipient is a subject or citizen of the High Contracting Party for whose judicial authority the evidence is required, be drawn up in the language of the country of execution or be accompanied by a translation into such language.

(d) The evidence may be taken in accordance with the procedure recognized by the law of the country of origin, and the parties will have the right to be present in person or to be represented by barristers or solicitors of that country or by any representatives who are competent to appear before the courts either of the country of origin or of the country of execution.

Article 10.

The fact that an attempt to take evidence by the method laid down in Article 9 has failed owing to the refusal of any witness to appear or to give evidence does not preclude a request being subsequently made in accordance with Article 7 or 8.

Article 11.

(a) Where evidence is taken in the manner provided in Article 7 or 8 the High Contracting Party, by whose judicial authority the Letter of Request was addressed, shall repay to the other High Contracting Party any charges and expenses incurred by the competent authority of the latter in the execution of the request in respect of any charges and expenses payable to witnesses, experts, interpreters or translators, the costs of obtaining the attendance of witnesses who have not appeared voluntarily, and the charges and expenses payable to any person whom such authority may have deputed to act, in cases where the law of the country of execution permits this to be done, and any charges and expenses incurred by reason of a special procedure being requested and followed. These charges and expenses shall be such as are usually allowed in similar cases in the courts of the country of execution.

(b) The repayment of these charges and expenses shall be claimed by the competent authority by whom the Letter of Request has been executed from the Consular Officer by whom it was transmitted when sending to him the documents establishing its execution as provided in Article 7 (h).

(c) Except as above provided no fees of any description shall be payable by one High Contracting Party to the other in respect of the taking of evidence.

IV.—JUDICIAL ASSISTANCE FOR POOR PERSONS, IMPRISONMENT FOR DEBT AND SECURITY FOR COSTS.

Article 12.

The subjects or citizens of one High Contracting Party shall enjoy in the territory of the other High Contracting Party a perfect equality of treatment with subjects or citizens of that High Contracting Party as regards free judicial assistance for poor persons and imprisonment for debt; and, provided that they are resident in the territory of the other High Contracting Party, shall not be compelled to give security for costs in any case where a subject or citizen of such other High Contracting Party would not be so compelled.

V.—GENERAL PROVISIONS.

Article 13.

Any difficulties which may arise in connexion with the operation of this Convention shall be settled through the diplomatic channel.

Article 14.

The present Convention, of which the English and Polish texts are equally authentic, shall be subject to ratification. Ratifications shall be exchanged in London. The Convention shall come into force one month after the date on which ratifications are exchanged and shall remain in force for three years after the date of its coming into force. If neither of the High Contracting Parties shall have given notice through the diplomatic channel to the other not less than six months before the expiration of the said period of three years of his intention to terminate the Convention, it shall remain in force until the expiration of six months from the day on which either of the High Contracting Parties shall have given notice to terminate it.

Article 15.

(a) This Convention shall not apply *ipso facto* to Scotland or Northern Ireland, nor to any of the Colonies or Protectorates of His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India, nor to any territories under His suzerainty, nor to any mandated territories in respect of which the mandate is exercised by His Government in the United Kingdom, but His Majesty may at any time, while this Convention is in force under Article 14, by a notification given through His Ambassador at Warsaw, extend the operation of the Convention to any of the above-mentioned territories.

(b) Such notification shall state the authorities in the territory concerned to whom requests for service under Article 3 or Letters of Request under Article 7 or 8 are to be transmitted, and the language in which communications and translations are to be made. The date of the coming into force of any such extension shall be one month from the date of such notification.

(c) Either of the High Contracting Parties may, at any time after the expiry of three years from the coming into force of an extension of this Convention to any of the territories referred to in paragraph (a) of this Article, terminate such extension on giving six months' notice of termination through the diplomatic channel.

(d) The termination of the Convention under Article 14 shall, unless otherwise expressly agreed to by both High Contracting Parties, *ipso facto* terminate it in respect of any territories to which it has been extended under paragraph (a) of this Article.

Article 16.

(a) The High Contracting Parties agree that the Government of the Republic of Poland, acting in virtue of Article 104 of the Treaty of Peace signed at Versailles on the 28th June, 1919, and of Articles 2 and 6 of the Convention concluded between Poland and Dantzig on the 9th November, 1920, may at any time while the present Convention is in force, under Article 14 or by virtue of any accession under Article 17, declare that the present Convention shall apply to the Free City of Dantzig, by a notification given through the diplomatic channel.

(b) Upon such notification being made, the provisions of the present Convention shall apply to the territory of the Free City of Dantzig and the citizens of the Free City.

(c) Either High Contracting Party may terminate the application of the Convention to Dantzig at any time after the expiry of three years from the date of the coming into force of the notification referred to in paragraph (a) of this Article, by giving six months' notice of termination through the diplomatic channel.

(d) The termination of the Convention under Article 14 shall, unless otherwise expressly agreed to by both High Contracting Parties, terminate it in respect of the Free City of Dantzig.

Article 17.

(a) The High Contracting Parties agree that His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India, may at any time, while the present Convention is in force, either under Article 14 or by virtue of any accession under this Article, by a notification given through the diplomatic channel, accede to the present Convention in respect of any Member of the British Commonwealth of Nations whose Government may desire that such accession should be effected, provided that no notification of accession may be given at any time when the President of the Polish Republic has given notice of termination in respect of all the territories of His Majesty to which the Convention applies. The provisions of Article 15 (b) shall be applicable to such notification. Any such accession shall take effect one month after the date of its notification.

(b) After the expiry of three years from the date of the coming into force of any accession under paragraph (a) of this Article, either of the High Contracting Parties may, by giving six months' notice of termination through the diplomatic channel, terminate the application of the Convention to any country in respect of which a notification of accession has been given. The termination of the Convention under Article 14 shall not affect its application to any such country.

(c) Any notification of accession under paragraph (a) of this Article may include any dependency or mandated territory administered by the Government of the country in respect of which such notification of accession is given; and any notice of termination in respect of any such country under paragraph (b) shall apply to any dependency or mandated territory which was included in the notification of accession in respect of that country.

In witness whereof the undersigned have signed the present Convention, in English and Polish texts, and have affixed thereto their seals.

Done in duplicate at Warsaw the 26th August, 1931.

MUNICIPAL COUNCIL NOTICES.

THE COLOMBO MUNICIPAL COUNCIL.

General Meeting.

Wednesday, June 14, 1933, at 3 p.m.

The Council met this day at 3 p.m. pursuant to notice, dated June 6, 1933.

Present: Mr. W. L. Murphy, B.A., C.C.S., Chairman; Mr. N. H. M. Abdul Cader; Dr. E. V. Ratnam; Mr. C. H. Z. Fernando; Dr. E. J. Corey; Mr. G. W. Dodds; Mr. M. L. M. Reyal; Dr. S. Muttiah; Mr. T. C. Dyball; Mr. F. Dadabhoy, J.P.; the Hon. Mr. F. J. Soertsz; Lieut.-Colonel N. W. Napier-Clavering, D.S.O., R.E.; Mr. A. E. Goonesinha, M.S.C.; Mr. Aelhan W. Pereira; Mr. A. R. A. Razik; Dr. S. T. Gunasekera; Mr. H. K. de Kretser; Mr. G. K. Thornhill; and Mr. T. W. Hockly.

1. The Minutes of the General Meeting of May 17, 1933, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of May 17, 1933, be confirmed.

1A. The Chairman stated that before the Council proceeded with the Agenda, he knew it would be in accordance with the desire of the house that Council should record its sincere regret at the death of the late Mr. D. H. Rylands, Municipal Veterinary Surgeon, and its sympathy with his widow in her bereavement. Mr. Rylands, who entered the Council's service on agreement in September, 1930, was an officer who, by his own personality, keen sense of duty, zeal and efficiency in his profession, fully earned the confidence of his employers, and his death was a severe loss to the Council's Service and to the ratepayers. He moved that a record of this be made in the Minutes and conveyed to Mrs. Rylands with an expression of the Council's sympathy. Mr. N. H. M. Abdul Cader seconded.—*Carried in silence* all the members standing.

2. Pursuant to notice, Dr. S. Muttiah asked the following questions which the Chairman answered:—

(1) Q.—Has the attention of the Chairman been drawn to this paragraph appearing in to-day's "Independent" (June 8, 1933)? "Had the spot been better lit (at Keyzer street), Jhamsed Framroze Rustomjee, aged 7, son of Mr. F. Rustomjee, Proctor, Alfred House Gardens, Colpetty, might not have met with his death in a lorry accident: Such was the opinion of Mr. R. L. Bartholomuesz, City Coroner." A.—Yes.

(2) Q.—Does the Chairman agree that these remarks were justified? A.—The Chairman does not agree that these remarks were justified.

(3) Q.—If so, will the Chairman take early steps to have this road better-lighted? A.—The section of road where the accident occurred is comparatively well lit, as the lamps are 50 yards apart, whereas the usual distance apart of street lamps is 70 yards.

(4) Q.—Will the Chairman take necessary steps to investigate what other streets on which there is heavy traffic, require better lighting arrangements whereby calamities, similar to the present one, may be avoided? A.—Street lighting is constantly being improved, but I am afraid no amount of lighting will prevent such accidents from happening.

3. Pursuant to notice, Mr. A. R. A. Razik asked the following questions which the Chairman answered:—

(1) Q.—Will the Chairman please obtain and table a written statement from the Manager of the Gas Company to the effect:—(a) That Council has never been charged for mantles a higher rate than the general public? (b) As to whether a quality of gas 10 candle power, as contracted to Council, could be obtained by 12 hour carbonization? A.—A letter from the Manager of the Gas Company is tabled.

(2) Q.—Why was loss to Council in respect of assessment rates only Rs. 25 (1st quarter, 1933), when Company's Annual Reports disclose extensive building operations during recent years? A.—The Company reports that the buildings were only completed in January, 1933.

(3) Q.—In terms of clause 19 of gas contract, will the Chairman obtain and table City Analyst's test report on gas, as specified in clause 15? A.—The Mechanical Engineer's monthly report of tests specified in clause 15 of the contract is tabled. This report includes a report from the City Analyst on the chemical purity of the gas. I do not propose to ask the City Analyst for a report on illumination and heat equivalent.

(4) Q.—Arising out of answer to my question No. 9 of May 17, 1933, is the agreement, approved by the Four Standing Committees in respect of existing mains, or is it in respect of mains to be laid for street lighting? A.—The resolution does not specify.

(5) Q.—How much during the past 10 years has Council paid for mains which existed in streets and lanes before public lamps were erected? A.—As the information cannot be obtained without a disproportionate expenditure of time and labour I regret I am unable to furnish it.

(6) Q.—As the annual payment of Rs. 2,000 under the heading "All services" is contrary to the terms of the contract, will the Chairman be pleased to refer all such payments for approval to the Council? A.—These payments which ceased in 1928 were specifically approved by the Council and therefore the question of referring them for approval to the Council does not arise.

(7) Q.—What were the gas rates per 1,000 c. feet for street lamps and to the general public in January and April, 1929, respectively, for lighting? A.—January, 1929, Rs. 3 for 1,000 c. feet for the Municipality and Rs. 5 for 1,000 c. feet for the general public. April, 1929, Rs. 3.25 for the Municipality and Rs. 5.25 for the general public.

(8) Q.—The Council having paid Rs. 9,000 to Rs. 10,000 per annum from 1918 to 1921 for not lighting the number of lamps contracted owing to retrenchment, was provision made in later contracts to protect the Council against such a liability? A.—No.

(9) Q.—Does the Chairman consider it safe to allow a petrol depôt in Gasworks street adjoining the Gas Company's premises in close proximity to the gas tanks? If not, will immediate steps be taken for its removal? A.—Yes.

(10) Q.—Arising from answers to my questions No. 13 of April 5, 1933, and No. 12 of May 17, 1933, re overpayments to Gas Company in 1929, why were 1928 (higher) rates paid when 1929-1933 contract clause 1 reads "This contract shall come into force and operation as on and from January 1, 1929, inclusive"? A.—There was no overpayment. On the other hand the payment was less than it would have been if calculated according to the contract subsequently entered into.

(11) Q.—In view of the long delay in procuring estimate for the street light conversion to electricity from the Government Electrical Department, will the Chairman be pleased to place this matter before the Minister of Communications and Works? A.—No.

4. Pursuant to notice, Mr. A. R. A. Razik asked the following question which the Chairman answered:—

Q.—Has the Chairman received a petition from the officers of the Council with regard to the dissatisfaction among the members of the Municipal Officers Refreshment Club, as regards the mismanagement of the Club by the present Chairman. If so, what steps the Chairman is taking to remedy these grievances? A.—A petition was received regarding a ruling given by the Chairman of the Refreshment Club at the last Annual General Meeting of the Club. I have informed the Chairman of my own view on the point in dispute and, acting on my suggestion, he has already called a Special General Meeting at which I trust matters will be satisfactorily settled.

5. In the absence of Mr. C. H. Z. Fernando, Mr. M. L. M. Reyal, with the permission of Council, asked the following questions which the Chairman answered:—

(1) Q.—Has the Chairman received an application from Messrs. The Ceylon Benefit Co., Ltd., for the lease of land belonging to Council for the erection of cottages to be sold to tenants of the buildings on instalment basis and at advantageous rates? A.—Yes.

(2) Q.—Will the Chairman be pleased to place all papers in this connection before the Works and Finance Committees for consideration at the next meeting? A.—The papers will be laid before the Works and Finance Committees as desired.

6. Pursuant to notice, Mr. A. E. Goonesinha moved—"That in view of the prevailing depression, the notices served on eating-housekeepers to fix water meters, be withdrawn and the question be deferred, as the fixing of such meters is calculated to be an extra burden on eating-housekeepers." Mr. M. L. M. Reyal seconded.

Dr. E. A. Coorey moved, as an amendment, that the whole question be brought up when the recommendation of the Standing Committees on the petition of the eating-housekeepers regarding the notices served by the Waterworks Engineer is submitted to Council.

Mr. A. E. Goonesinha accepted the amendment which was put to the meeting as the substantive motion and carried.

7. Pursuant to notice, Mr. Aelian W. Pereira, moved—“That this Council is of opinion that its previous decision in regard to the allocation of licences for the importation of goats and sheep should be rescinded and that the Four Standing Committees be requested to revise these allocations at a special meeting of these Committees owing to the urgency of the situation which has arisen in regard to the supplies of mutton in the City.”—Signed by C. H. Z. Fernando, A. E. Goonesinha, M. L. M. Reyal, A. R. A. Razik, N. H. M. Abdul Cader. Mr. N. H. M. Abdul Cader seconded.

Dr. E. A. Coorey moved, as an amendment, that in the event of a licensee failing to import the full number of goats allotted to him, the Council authorize the Chairman to allot *pro rata* such number of goats to the importers who have been importing satisfactorily. Dr. S. Muttiah seconded.

Mr. C. H. Z. Fernando suggested that, if the amendment is adopted, the Chairman should circulate periodically a statement for the information of Council.

Mr. Aelian W. Pereira accepted the amendment, which was put to the meeting and carried.

7A. With the permission of Council, the Chairman made the following statement—I would like to take this opportunity of making a statement as regards the unemployment relief programme of works and to move for a vote on account of one particular new work that the Council has already provisionally approved. The Council will remember that it approved of the following schemes subject to Government agreeing to contribute two-thirds of the cost, viz. :—(1) The levelling of the site at Kolonnawa for a housing scheme. (2) The removal of the over-burden at the Government metal quarries at Kirillapone. (3) The construction of a road along the west bank of the Dehiwala canal between Pamankada and Havelock road bridges.

The Executive Committee of Labour, Industry and Commerce has rejected the first scheme on the ground that its cost is out of all proportion to the estimated value of the improvement. I have not had a reply as regards the small quarry scheme, but I have yesterday received from the Controller of Labour a letter in which he informed me that the Executive Committee approves of the proposed construction of a road along the bank of the Dehiwala canal, provided the Municipality contributes two-thirds of the cost instead of one-third, as suggested. It is pointed out that the work will be of advantage to the Municipality, because it will result in increasing the ratable value of adjoining property within Municipal limits. It might also be pointed out that the road, when completed, will automatically vest in the Council and that in the case of the new section of the Liveramentu road the Council contributed two-thirds. It is unfortunate that as the Controller's letter was only received by me yesterday there has been no time for its consideration by the Committees and, as it is necessary in order to maintain continuity of work that this work should be commenced almost immediately, I have no alternative but to lay the facts before the Council to-day and to ask it whether it is agreeable to contribute on the basis that this is a Municipal work. Personally, I think we should, and with your permission, I accordingly move for a vote of Rs. 13,350, being approximately two-thirds of the total estimate for this work. Dr. E. A. Coorey seconded.—Carried.

8. Pursuant to notice, the Chairman moved—That the Council should resolve itself into a Committee of the whole Council to consider the following extracts from the proceedings of the Committees annexed to the agenda. Mr. N. H. M. Abdul Cader seconded.—Carried.

THE following Specification has been accepted:

No. 2,668 of June 12, 1933.

Aktiebolaget Svenska Flakfabriken.

Method and device for drying tea and the like.

Abstract.—A method of drying tea and the like characterised by the feature that a mixture of air and moisture evaporated from the material contained in a drum as well as separated aromatic substances and gases, is maintained in continuous circulation through a mass of material which is preferably kept stirred. The air mixture passes through a heating element and through a filter to arrest dust and other undesirable bodies. On removal of part of the air mixture, cooler compensating air is introduced in such a way that it first passes through the dried part of the material.

There are thirteen claims and one sheet of drawings.
