RULES.

The General Rules dated August 12, 1926, published in *Gazette* No. 7,542 of August 20, 1926, shall with effect from January 1, 1934, be amended as follows:—

(a) By the insertion, in line 3 of rule 290 (a), of the word "calendar" immediately before the word "month".

(b) By the insertion, in line 2 of rule 290 (b), of the words "They may also commence to earn remission as laid down in rule 301 from the date of entry into this class." between the words "No. 1" and "Unless".

(c) By the deletion, from lines 2 and 3 of rule 290 (c), of the words "Prisoners in class III. can also earn 8 (eight) marks per diem".

(d) By the insertion, in line 2 of rule 296 (a), of the word "calendar" between the words "one" and "month".

(e) By the insertion, in line 2 of rule 296 (b), of the words "They may also commence to earn remission as laid down in rule 301 from the date of entry into this class." between the words "No. 1" and "Unless".

(f) By the deletion, from lines 3 and 4 of rule 296 (c), of the words "Prisoners in class III. can also earn 8 (eight) marks per diem".

(g) By the substitution, in lines 2 and 4 respectively, of rule 298 of the words "calendar month" for the words "twelve months".

(h) By the deletion of the existing rule 299 and the substitution of the following new rule therefor:—

"299. Every prisoner with an aggregate sentence exceeding one calendar month of simple or rigorous imprisonment shall be allowed remission of sentence for industry and good conduct: Provided that the remission granted shall not result in such prisoner being released before one calendar month has been served. The extent of such remission shall be determined by the number of marks he or she shall earn in accordance with the following rules".

(i) By the substitution, in line 2 of rule 300, of the words "calendar month" for the word "year"; and by the substitution, in line 4 of the same rule, of the words "30 days (calendar month)" for the words "365 or 366 (leap year) as the case may be".

(j) By the deletion of the existing rule 306 and the substitution of the following new rule therefor:—

"306. (A) The name of every prisoner with an aggregate sentence of imprisonment for a period exceeding one year, who is due for discharge on remission shall be submitted through the Inspector-General of Prisons to the Minister for Home Affairs, in the case of a male prisoner when he has to earn 480 of the total number of marks required, and in the case of a female prisoner when she has to earn 540 of the total number of marks required".

(B) In all cases where the aggregate sentence of imprisonment is for a period exceeding one calendar month but not exceeding one year, the Superintendent of a prison is hereby empowered, subject to the approval of the Inspector-General of Prisons, to discharge such prisoners when they have earned the required remission, their names being submitted in advance on Form Prisons 15 to the Inspector-General of Prisons for such approval on the 15th and 30th respectively of each month: Provided that in any case where the prior approval of the Inspector-General of Prisons cannot conveniently be obtained the Superintendent may authorize the discharge of the prisoner and obtain thereafter the approval of the Inspector-General of Prisons as early as possible".

(k) By the substitution, in line 3 of rule 307, of the words "Minister for Home Affairs" for the words "His Excellency the Governor".

"THE LOCAL GOVERNMENT ORDINANCE,
NO. 11 OF 1920."

BY-LAWS made by the Matale Urban District Council under sections 164 and 168 (10) (k) of "The Local Government Ordinance, No. 11 of 1920," and approved by the Local Government Board and confirmed by the Officer Administering the Government by virtue of the powers vested in him by the said section 164 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWA,
Minister for Local Administration.

Colombo, September 28, 1933.

BY-LAWS.

(Conditions for the issue of Licences for Dangerous and Offensive Trades as defined under the General By-laws relating to Licensed Trades, published in the Government Gazette of December 9, 1927, and amended by the Notification dated April 7, 1933, published in the Government Gazette of April 12, 1933.)

1. All materials required for the purpose of carrying on any dangerous or offensive trade as defined in by-law 1 of the general by-laws relating to licences shall be so stored as to prevent the diffusion of effluvia or other similar nuisance; and all such materials which have to be brought along any public thoroughfare, and which are likely to give off effluvia or be otherwise offensive shall be transported in non-absorbent covered receptacles or in such other manner as the Chairman may direct, so as to obviate the creation of any nuisance.

2. All offensive vapours or gases emitted during any process or manufacture, shall either be discharged into the external air in such manner and at such a height as to ensure their absorption into the upper air without injurious or offensive effects upon the neighbourhood or be passed directly through a fire into a condensing apparatus.

3. (1) All premises shall be adequately drained and the drains kept in efficient order and washed daily.

(2) Floors shall be maintained in a proper state of repair and cleansed daily, and when so ordered by the Chairman shall be reconstructed of any impermeable material he may specify.

(3) Walls shall be kept in good order so as to prevent the absorption of filth, and whitewashed twice at least annually and at such other times as the Chairman or the Medical Officer of Health may by written notice specify.

4. (1) All apparatus including implements and vessels shall be kept clean, and where possible they shall be cleansed daily.

(2) All refuse, sweepings, and scrapings, together with waste and bye-products, shall be removed daily from the premises in covered receptacles, unless intended to be forthwith subjected to further trade purposes on the premises.

5. All tanks, used for washing or soaking skins or any other similar materials, shall be emptied and cleansed as often as may be necessary to prevent the creation or diffusion or effluvia.

6. No person carrying on any dangerous or offensive trade, and no owner or occupier of any land or premises upon which such dangerous or offensive trade is carried on, shall pollute any river, stream, canal, channel, well, tank, or open piece of water, by discharging thereinto or suffering to flow thereinto, any foul, ill-smelling, or offensive water or other fluid, or by throwing thereinto, or suffering to be washed thereinto, any offensive substance, nor shall he in any other way pollute or contaminate such river, stream, canal, channel, well, tank, or open piece of water.

7. The owner or occupier of any land from which clay, earth, stone, gravel, cabook, or any other material is cut for the manufacture of bricks or tiles, or for building, or for any other purpose, shall take all necessary steps to ensure that proper drainage is provided, and that the pits or trenches cut are afterwards so filled as to prevent the collection of stagnant water therein.

8. Any person who contravenes any of the provisions of the above by-laws shall be guilty of an offence and shall be liable on conviction to a fine not exceeding Rs. 25 for any such offence, and in the case of a continuing offence to an additional fine not exceeding Rs. 5 for every day during which the offence is committed after conviction, or after written notice from the Chairman of such contravention.

9. By-laws Nos. 4 to 10 and 12 of the by-laws made by the Local Board, Matale, and published by Notification dated October 17, 1918, in *Government Gazette* No. 6,973 of October 25, 1918, an heretofore in force within this area by virtue of the provisions of section 247 of "The Local Government Ordinance, No. 11 of 1920," are hereby repealed.

A. L. 114/33

RULES framed under section 4 (S) of Ordinance No. 10 of 1930 for the establishment of a Provident Fund for the employees of the Rubber Research Scheme, and approved by His Excellency the Governor are published for general information.

D. S. SENANAYAKE,
Minister for Agriculture and Lands.

Ministry of Agriculture and Lands,
Colombo, September 28, 1933.

Membership of the Fund.

1. All employees (not being pensionable officers of the Government seconded for service with the Scheme) of the Board of Management of the Research Scheme drawing a salary of Rs. 50 per mensem or over shall as a condition of their employment by the Board become members of the Fund as from the date of their joining the service of the Board.

Members' Contributions.

2. (i.) Each member shall contribute monthly to the Fund from the date on which he is admitted a member thereof a sum equivalent to 5 per cent. of his salary. "Salary" for this purpose includes personal allowance equivalent to salary, but no other emolument whatever.

(ii.) The recovery shall be made by way of abatement on pay sheets and any abatement so made shall be deemed for purposes of computing the interest due upon such contributions to have been credited to the Fund on the last day of the month for which the salary was due.

(iii.) In the event of such abatement not being made the member shall pay to the Secretary of the Board the sum due from him as his contribution within 15 days after the receipt by him of his salary, and for the purpose of computing the interest due upon such contribution it shall be deemed to have been paid on the last day of the month in which it was received by the Secretary.

(iv.) The contribution shall be computed on the actual salary payable, whether the member shall be on full pay, half pay, or otherwise; but no contribution shall be due in respect of any period of leave without pay.

(v.) Any member who may be temporarily transferred or lent to a Government Department or local public body (including a Research institution) may continue to contribute to the Fund at the same rate as he would have contributed if he had not been so transferred or lent. No bonus under rule 3 shall be payable in respect of any contribution made under this rule.

Contributions of the Board of Management.

3. (i.) On the first day of the Board's financial year there shall be placed to the credit of each member a bonus equal to the sum contributed by such member during the preceding 12 months.

(ii.) In the event of a member ceasing to contribute on death or retirement the bonus shall be placed to the member's credit on the date on which he so ceases to contribute and shall be equal to twice the sum contributed by such member in the Board's current financial year.

For the purpose of this rule retirement shall include, in the case of officers who are employed on contracts having effect for a defined term—

(a) The quitting of service on satisfactory completion of the full term of the officer's contract, and

(b) The quitting of service before the expiry of the officer's contract, when such quitting is necessitated by ill-health for which the officer is not responsible,

and in the case of an officer not serving on a written contract effective for a defined term,

(c) The quitting of service on or after the completion of his 55th year of age, and

(d) The quitting of service before he completes his 55th year of age, when such quitting is necessitated by ill-health for which the officer is not responsible.

Investment of Contributions.

4. (i.) All money at the credit of a member whether on account of his own contributions or of bonus, shall be invested with the Board of Management and shall bear interest at the rate of 4½ per cent. per annum.

(ii.) The interest shall be made up on the first day of the Board's financial year and shall be computed on the minimum sum standing at the credit of each member throughout each month of the year. No interest shall be payable in respect of broken periods of a month.

(iii.) The sum accruing as interest shall be added to the capital sum standing at the credit of each member on the first day of the Board's financial year.

(iv.) The interest accruing under this rule shall be payable from the revenue and other funds of the Scheme.

Member's Accounts and Closing thereof.

5. (i.) A separate account shall be kept for each member and shall be divided into two parts. The first part shall show the amount of the member's own contributions to the Fund with interest thereon as it accrues. The second part shall show the bonus credited to the member with interest thereon as it accrues.

(ii.) As soon as possible after the close of each financial year of the Scheme the Secretary to the Board of Management shall furnish each member with a statement of his account.

(iii.) When a member leaves the service of the Board the amount standing to his credit shall be paid to him or if he dies to the person legally entitled thereto, subject to the provisions of rules 5 (iv.), (v.), and (vi.) below.

(iv.) On quitting the service of the Board by voluntary resignation after giving the notice required by the terms of his appointment before the expiry of the term of a written contract or before the completion of the 55th year of age, as the case may be, a member shall be entitled to receive the whole sum standing to his credit, with interest thereon, but not including any bonus not yet credited to his account. In the event of such premature termination of a member's appointment by the Board other than on discharge for misconduct or negligence in the performance of his duties, a member shall be entitled to receive the whole sum standing to his credit, with interest thereon, together with a bonus equal to the sum contributed by such member in the Board's current financial year.

The tenders should be made on forms obtainable on application from the District Engineer, Buildings, Torrington square, Colombo, from whom all particulars on the subject can be obtained.

Public Works Office, S. DAVIES,
Colombo, October 3, 1933. for Director of Public Works.

TENDERS are hereby invited for the transport, &c., of bags of salt, during collection, from Koholankala Lewaya to the Hambantota Salt Stores at a minimum rate of 1,000 bags per day if available.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Chairman of the Tender Board, General Treasury (P. O. Box 500), Colombo.

3. Tenders should either be deposited in the tender box in the General Treasury (room No. 223, Second Floor, Calle Face Secretariat) or be sent through the post under registered cover.

4. Tenders should be marked "Tender for the Transport, &c., of Koholankala Lewaya Salt to Hambantota Stores" in the left hand top corner of the envelope, and should reach the Chairman of the Tender Board not later than midday on October 17, 1933.

5. The tenders are to be made upon forms which will be supplied upon application at the Hambantota Kachcheri, and no tender will be considered unless it is on the recognized form.

6. All alterations and erasures in tenders must be initialled by the tenderers.

7. A deposit of Rs. 20 will be required to be made either at the Treasury or a Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline or fail to enter into the contract and bond, or fail to furnish approved security, within 10 days of receiving notice in writing that his tender has been accepted, such deposit will be forfeited to the Crown. Notice of acceptance of the tender will be deemed to have been received by the tenderer if it has been sent by post addressed to, or left at, the address given by the tenderer. All other deposits will be returned upon signature of a contract.

8. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract.

9. Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of security required will be Rs. 200 in cash. All other necessary information can be ascertained upon application at the office referred to in clause 5 of this notice.

10. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled. The tenderer is required to quote rate per bag for the following:—

- (a) For transporting bags of salt from Koholankala Lewaya to the Hambantota stores (inclusive of weighing and loading at the lewaya and unloading, weighing, and stacking at the stores).
- (b) For transport alone (weighing, &c., done by Salt Department labourers).

The wastage allowed during transit is 1 per cent., and the value of any excessive wastage will be recovered from the amount due to the contractor. He must also pay overtime fees to the officers of the Salt Department in the event of such officers being called upon to work overtime at his instance.

11. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

12. No contract may be assigned or sublet without the authority of the Tender Board. The Government reserves to itself the right to refuse to recognize a power of attorney issued by a contractor to any person authorizing him to carry on the contract on the contractor's behalf.

13. The Assistant Government Agent, Hambantota, may, for reasons which appear to him sufficient, give notice in writing of his objection to the employment by the contractor of any person specified in such notice, and no such person shall be employed by the contractor.

14. A tenderer who has not previously held a Government contract, when applying for tender forms, should furnish the officer issuing the forms with a written statement giving his full name and permanent address, stating in which district or districts he owns landed property or other interests. The extent of landed property, and the nature and extent of other interests should also be given.

A tenderer who has carried out contracts with the department, but not in the division or district concerned in the notice calling for tenders, should state in which division or district or divisions or districts he has held contracts.

A tenderer who has carried out Government contracts with any other department should state the name of such department and the district in which the service was rendered.

15. The contract shall be entered into by the contractor with the Head of the Department, acting for and on behalf of His Majesty the King, and the designation of such officer shall mean and include the officer for the time being holding such office and his successors in office for the time being under the Government of Ceylon.

F. LEACH,
Assistant Government Agent.

The Kachcheri,
Hambantota, September 26, 1933.

THE following specifications approved by the Government Surveyor for the construction of water boats for use in Colombo Harbour are hereby notified for general information.

G. S. WODEMAN,
Chairman, Colombo Port Commission.
Colombo, October 3, 1933.

General Specification for Wooden Water Boats fitted with Independent Fresh Water Tanks.

The hulls to be strongly constructed in a manner suitable to their needs, and in accordance with approved plans and scantlings.

They must not exceed the following dimensions:—
Length 100 feet, beam 26 feet, and draught 7 feet.

The tanks must be constructed of steel and shall be of sufficient strength to suit their requirements, and in accordance with the approved plans, and finished sound and water-tight.

They must be built into the hull in such a manner as to prevent displacement or sagging.

The cross section of the fresh water tanks must be such as to insure proper drainage and the pumping out of the entire contents.

The vessels must be able to float with all fresh water tanks full, with a reasonable free board.

They must be decked their entire length fore and aft without interruption (the fresh water tank tops counting as deck).

The tanks must be so arranged as to be easily lifted out for inspection and repairs.

All openings and hatches must be protected with suitable coamings and covers of approved design.

The hatches giving access to fresh water tanks must be provided with water-tight covers capable of being securely closed and clamped down.

Permanent suction and filling connections must be provided of approved pattern, each fitted with a screw cover capable of excluding sea spray, dirt, &c., and with screw connections to fit hoses.

A sounding opening or openings must be provided of approved design fitted with a water-tight screw cap.

No huts or shelters for the accommodation of stores or crew may be erected on the decks in way of the fresh water tanks.

Baffle plates must be provided to prevent undue surging of the fresh water in the tanks, and equalizing pipes or limber holes must be provided at the bottom of all tanks large enough to ensure an equal level of water in all compartments while pumping.

The fresh water tanks must be so constructed that all their interior is readily accessible for cleaning and inspection, and fixed ladders or their equivalent must be provided leading from the hatches to the bottom of the tanks where required.

All sharp and inaccessible corners must be rounded out with cement and the entire interior of the fresh water tanks coated with cement wash.

The fresh water tanks must be so constructed that no sea water can leak into them in any way whatsoever either through bottom sides or deck.
