“THE SMALL TOWNS SANITARY ORDINANCE, 1892.”

RULES made by the Officer Administering the Government for the Sanitary Board of the Colombo District, by virtue of the powers vested in the Governor by section 5 (1) (g) of “The Small Towns Sanitary Ordinance, 1892,” and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWE,
Minister for Local Administration.

Colombo, October 14, 1933.

PENSION RULES—SANITARY BOARD, COLOMBO.

1. (a) The word "Officer" hereinafter mentioned shall mean an officer of the Clerical Staff of the Board including the Superintendent of Works and Supervisor of Towns.

(b) No officer shall be deemed to have an absolute right to any pension, gratuity, or allowance under these rules, and the Board reserves to itself the power to dismiss an officer without compensation.

(c) No pension, gratuity, or retiring allowance shall be granted on retirement to any officer without the authority of the Governor, in order to obtain which a certificate of good conduct from the Chairman setting out the length of service, age, and ground of retirement must be forwarded, together with the application for pension, gratuity, or retiring allowance, and the computation thereof, through the Commissioner of Local Government to the Controller of Establishments.

2. (1) Subject to the provisions and exceptions hereinafter contained every officer holding a permanent office in the service of the Board and drawing a salary of not less than Rs. 400 per annum may be granted a pension calculated at the rate of 1/720th of the salary of the office or offices held by him at retirement for each month of service counting for pension, provided that he has completed not less than 120 months' gross service, and provided further that no pension awarded under these rules shall exceed 480/720ths of the salary upon which the pension is computed.

(2) If such an officer retires on account of illness or age before completing 120 months' gross service, he may receive a gratuity calculated at the rate of 1/12th of a month's salary of the office or offices held by him at retirement for each month of service.

3. Any officer may be required to retire from the service of the Board on or after attaining the age of fifty-five years; but retirement shall be compulsory on his attaining the age of sixty years, unless the Governor decide that his services shall be retained.

4. No pension shall be granted to an officer retiring before he attains the age of fifty-five years, unless a Medical Board, consisting of two Medical Practitioners nominated by the Chairman, certifies that the officer is unfit to discharge the duties of his office owing to infirmity either of mind or body, and unless he shall have theretofore discharged such duties to the satisfaction of the Chairman.

5. The Chairman may call upon an officer, who is below the limit of age entitling him to retire on pension, to retire from the service on the ground of his inability to discharge efficiently the duties of his office. In such a case the Board may by special resolution, subject to the approval of the Governor, grant such retiring allowance or gratuity as is considered just and proper, but in no case exceeding the amount for which the length of service of the officer would qualify him.

6. In the case of the abolition of any pensionable office, the pension or gratuity grantable to the officer holding such office will be that which would have been payable to him, had he retired on grounds of ill-health.

7. No pension or gratuity granted under these rules shall be assignable or transferable.

8. (1) The service to be reckoned for pension shall be calculated from the date on which the officer commences to draw salary in respect of his first permanent appointment, whether pensionable or not. Acting service in an office carrying claims to pension shall, when continuous with permanent employment, count as service for pension, provided no other officer was earning pension for the same period in respect of the same office. The service of an officer under sixteen years of age shall not in any case count for pension.

(2) An officer is entitled to reckon as service for pension the whole period of absence on vacation leave, and half the period of absence on leave with half salary. Absence without salary will not count as service for pension.

9. (1) The pension or gratuity awarded to an officer shall be computed upon the salary drawn by him, at the time of his retirement, in respect of the permanent office or offices then held by him, provided that he shall have held such office or offices, to which the same fixed salary or incremental scale of salary is attached for at least three years, otherwise the pension or gratuity shall be calculated upon the average of the salaries attached to the permanent offices held by such officer during the three years next preceding the date of his retirement.

(2) For the purposes of these rules salary will include, in addition to the salary of the permanent office or offices held by him, any allowance voted to him by resolution of the Board as a pensionable allowance, but no other emolument whatsoever.

10. The rates of pension, retiring allowance, and gratuity above set forth shall be granted only in cases of faithful and meritorious service. Where the testimony as to good conduct is in any way defective, a deduction may be made

from the pension or gratuity, and where the misconduct of an officer has been of a serious nature the pension or gratuity may be entirely withheld.

11. The service in respect of which pensions or gratuities are granted ought in all cases to have been continuous, unless interrupted by abolition of office or by temporary suspension of employment not arising from misconduct or voluntary resignation. Service prior to a break of service may, however, be allowed to count for pension together with service subsequent to such break, if the whole of the intervening period has been spent in some employment under Government or under another statutory Local Authority.

12. If any retired officer in receipt of a pension or retiring allowance is convicted of any offence in any Court in the Island and sentenced to death or to any term of rigorous imprisonment exceeding six months, the payment of such pension or allowance shall be forthwith discontinued unless such retired officer shall within three months of such conviction receive an unconditional pardon, or unless the Board with the approval of the Governor in any case for special reasons otherwise decides.

13. If any retired officer to whom a pension, annuity, or allowance has been granted under these rules becomes a bankrupt, such pension, annuity, or allowance shall forthwith cease; but it shall be lawful for the Board with the approval of the Governor, from time to time during the remainder of such retired officer's life or during such shorter period or periods, whether continuous or otherwise as may be necessary, to pay all or any part of such pension, annuity, or allowance to, or to apply the same for the maintenance and personal support or benefit of such retired officer and his wife and children jointly or any one or more of them exclusively, as may in the circumstances of each case be necessary or expedient.

14. (1) Every officer who is transferred to a post under Government or under another statutory Local Authority with the approval of the Board, shall be entitled on ultimate retirement to pension for the service rendered to the Board provided that he retires from the latter service in circumstances which would entitle him to pension under these rules. In all such cases the amount contributed by the Board by way of pension shall be based only on the service under the Board and the final salary drawn from the Board.

(2) An officer who has been transferred to the service of the Board from some other employment under Government or under another statutory Local Authority may if he retires from the service of the Board after completing ten years' public service in all, but before completing ten years' service under the Board, be awarded, in lieu of a gratuity, an annuity based on service and salary under the Board calculated in the manner prescribed by rule 2 (1).

15. No retired officer may at any time draw from the funds of the Board an amount of pension which, when added to the amount of any pension or pensions drawn in respect of other public service exceeds two-thirds of the highest pensionable emoluments drawn by such retired officer at any time in the course of his service under the Board or in such other public service.

16. If any retired officer in receipt of a pension or retiring allowance from the Board returns to the service of the Board, he may be allowed to retain his pension or retiring allowance during the period of his re-employment in which case he shall receive on his ultimate retirement no award whatever under these rules; or he may be required to forego the pension or retiring allowance then drawn by him, in which case he shall receive on his ultimate retirement a pension or retiring allowance based on his aggregate service and the highest salary drawn by him at any time during that service. The Chairman shall have the power to decide according to the circumstances of each case the terms on which a retired officer of the Board may be re-employed.

17. In the event of any officer (whether in a pensionable or non-pensionable office or on daily pay) dying while in the service of the Board, it shall be competent to the Board, subject to the approval of the Governor, to grant to or for such person as the Board may approve for the benefit of the widow or next-of-kin of such officer, a gratuity not exceeding three months' pay and an additional gratuity equivalent to one month's pay for each minor child.

18. If any case not covered by these rules shall arise which in the opinion of the Board merits the award of a pension, retiring allowance, or gratuity, a report setting out the circumstances of such case together with the recommendation of the Board, shall be forwarded through the Commissioner of Local Government and the Controller of Establishments, General Treasury, to the Governor for his decision as to the nature and the amount of compensation, if any, that may be awarded.

Owles.

1. The Minutes of the General Meeting of September 6, 1933, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of September 6, 1933, be confirmed.

2. The Chairman moving a vote of condolence on the death of His Excellency Sir Graeme Thomson said :—

GENTLEMEN,—It is our sad duty to-day to record our deep regret at the lamented death of our late Governor, His Excellency Sir Graeme Thomson. It is now little more than 2½ years since Sir Graeme Thomson assumed the Governorship of this Island, almost at the commencement of what has proved to be a period of unprecedented difficulty and depression, and handicapped as he was by ill-health, his task was in many respects more difficult than that of any of his predecessors in the high office which he so ably filled. Yet by his great natural gifts of statesmanship, his ripe wisdom and above all by his unswerving belief in justice and fairplay, he worthily earned for himself the respect of all classes of the community. He has left an honoured memory behind him and of no one more truly than of him might it be said that in him were combined the highest attributes of a great Public Servant and of a great administrator. In the affairs of the Colombo Municipality he always took a keen interest both as Governor and during his previous term of office in Ceylon as Colonial Secretary. To Lady Thomson, whose self-sacrificing work in this City in the cause of charity is well known to you, our sympathy goes out in her sorrow.

I move :—That the Municipal Council of Colombo, both on its own behalf and on behalf of the people of Colombo, desires to record its profound regret at the death of His Excellency Sir Graeme Thomson, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Knight Commander of the Most Honourable Order of the Bath, Governor of Ceylon, and tenders to Lady Thomson its deep and heartfelt sympathy with her in her bereavement. And that as a mark of respect this Council do now adjourn until Wednesday, October 11, 1933.

Dr. E. V. Ratnam, in seconding the motion said :—In the unavoidable absence of the Senior Member (Mr. N. H. M. Abdul Cader), who certainly was at one time in closer touch with the late Sir Graeme Thomson, it has fallen to my lot to second the vote of condolence, so feelingly proposed by the Chairman.

Sir Graeme Thomson, we all know, shot out suddenly like a meteor into prominence in the great world war, when, from being a clerk, he answered the call and achieved the unique distinction of being the greatest transport officer in his generation or generations past. This is not the time or place to speak of his distinguished career at school. Suffice it to say that it was the foundation which enriched those powers of organization which he brought to bear in the service of his country at the time of her greatest need and trial. Still answering the Empire call he came out to this Island as Colonial Secretary, and by his ability and kindness of heart, and statesmanship, won the hearts of all who came into close contact with him. He was promoted to higher spheres of usefulness as an Empire builder, and he contributed in no small measure to save that Empire from destruction and ruin which threatened her. It was while serving in Africa that he contracted the germs of his disease which ultimately laid him low. We all know that, even with his health impaired, he placed his talents again at the service of his country as we now realise for the last time, and came out to Ceylon to inaugurate the Donoughmore Reforms, and be heroically stuck to his post of duty although his health was very badly impaired. Of him, it can be truly said that 'he sacrificed his life for his country.' With these few words I beg to second the vote of condolence which was so feelingly proposed.

The motion was put to the meeting and passed in silence, all present standing.

Confirmed on October 11, 1933.

W. L. MURPHY,

Chairman, Municipal Council, and Mayor of Colombo.

W. L. MURPHY,
