111. *Accounts how and when open to inspection.*—The Directors shall from time to time determine whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of the Shareholders; and no Shareholder shall have any right of inspecting any account or book or document of the Company, except as conferred by the Ordinance or authorized by the Directors or by a resolution of the Company in General Meeting.

112. *Profit and Loss Account and Balance Sheet to be furnished to General Meeting.*—At the Ordinary General Meeting in every year the Directors shall lay before the Company a profit and loss account and a balance sheet containing a summary of the property and liabilities of the Company for the period since the preceding account and balance sheet or in the case of the first account and balance sheet since the incorporation of the Company made up to a date not more than six months before such meeting.

113. *Report to accompany Statement.*—Every such account and balance sheet shall be accompanied by a report of the Directors as to the state and condition of the Company and as to the amount which they recommend to be paid out of the profits by way of dividend to the Shareholders and the account, balance sheet, and report shall be signed by the Directors.

114. *Copy of Balance Sheet to be sent to Shareholders.*—A printed copy of such balance sheet shall at least seven days previous to such meeting be delivered at or posted to the registered address of every Shareholder.

DIVIDENDS, BONUS, AND RESERVE FUND.

115. Where any asset is bought by the Company as from a past date (whether such date be before or after the incorporation of the Company) upon the terms that the Company shall as from that date take the profits and bear the losses thereof, such profits or losses as the case may be, shall at the discretion of the Directors be credited or debited wholly or in part to revenue account, and in that case the amount so credited or debited shall, for the purpose of ascertaining the fund available for dividend be treated as a profit or loss arising from the business of the Company.

116. *Division of Profits.*—Subject to the rights of holders of shares issued upon special conditions and to any arrangement that may be made by the Company to the contrary and subject as to shares not fully paid up to any special arrangement made as regards money paid in advance of calls and subject to the provisions of these presents as to reserve fund the profits of the Company shall be divisible among the Shareholders in proportion to the capital paid or credited as paid on the shares held by them respectively.

117. *Declaration of Dividends.*—The Company in General Meeting may declare a dividend to be paid to the Shareholders according to their rights and interests in the profits and may fix the time for payment. Provided always that if shares shall have been issued during the course of a financial year the holder thereof shall, subject to any arrangement made by the Directors to the contrary, only be entitled to have paid to him in respect of dividends on such shares a proportionate part of the dividends for such financial year calculated on the proportionate part of the year from the date on which such shares were allotted, treating such dividends as earned rateably over the whole year. No dividend shall be payable out of the capital of the Company and the declaration of the Board as to the amount available for dividend shall be conclusive. No dividend shall exceed the amount recommended from time to time by the Board but the Company in General Meeting may declare a smaller dividend.

118. *Payment of Dividend in Specie, &c.*—Any General Meeting may direct payment of any dividend declared at such meeting or of any interim dividends, which may subsequently be declared by the Directors, wholly or in part in sterling by means of drafts or cheques on London, or by the distribution of specific assets and in particular of paid-up shares, debentures, or debenture stock of the Company, or of any other company, or in any other form of specie, or in any one or more of such ways and the Directors shall give effect to such direction; and where any difficulty arises in regard to the distribution, they may settle the same as they think expedient and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Board.

119. *Interim Dividend.*—The Directors may also if they think fit from time to time and at any time without the sanction of a General Meeting determine on and declare an interim dividend to be paid and (or) pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year.

120. *Reserve Fund.*—Previously to the Directors paying or recommending any dividend on preference or ordinary shares they may set aside out of the profits of the Company such sum as they think proper as a reserve fund and may invest the same in such securities as they shall think fit (subject to the provisions of Article 3 hereof) or place the same on fixed deposit in any bank or banks and may from time to time deal with, vary, or realize such securities and dispose of all or any part thereof for the benefit of the Company. The Directors may divide the reserve fund into such special funds as they think fit with full power to employ the assets constituting the reserve fund in the business of the Company and that without being bound to keep the same separate from the other assets and the Directors may also carry forward any profits which they may deem it not prudent to divide.

121. *Application thereof.*—The Directors may from time to time apply such portions as they think fit of the reserve fund to meet contingencies, or for the payment of accumulated dividends due on preference shares or for equalizing dividends or for special dividends or for working the business of the Company, or for repairing or maintaining or extending the buildings and premises or for the repair or renewal or extension of the property or plant connected with the business of the Company or any part thereof or for any other purpose of the Company which they may from time to time deem expedient.

122. *Capitalization of Reserve.*—The Company in General Meeting may at any time and from time to time pass a resolution that any sum not required for the payment or provision of any fixed preferential dividend and (a) for the time being standing to the credit of any reserve fund or reserve account of the Company including premiums received on the issue of any shares or debentures of the Company or any sum arising from any operation creating an excess of assets on capital account, or (b) being undivided net profits in the hands of the Company be capitalized and that such sum be set free for distribution and be appropriated as capital to and amongst the Shareholders or amongst the members of any class of Shareholders in accordance with their rights and in the shares and proportions in which they would have been entitled thereto, if the same had been distributed by way of dividend on the shares and in such manner as the resolution may direct and such resolution shall be effective, provided that such powers shall not be exercised unless recommended by the Board and the Directors shall in accordance with such resolution apply such sum in paying up in full (or with the consent of all the Shareholders aforesaid in part) any unissued shares or debentures or other obligations of the

Company on behalf of the Shareholders aforesaid and appropriate such shares or debentures or other obligations and distribute the same credited as fully paid-up (or as the case may be partly paid-up) amongst the Shareholders aforesaid in the proportions aforesaid in satisfaction of their shares and interests in the said capitalized sum or shall apply such or any part thereof on behalf of the Shareholders aforesaid in paying up the whole or part of any uncalled balance which shall for the time being be unpaid in respect of any issued shares held by the Shareholders aforesaid or otherwise deal with such sum as directed by such resolution. Where any difficulty arises in respect of any such distribution the Directors may settle the same as they think expedient, and in particular they may issue fractional certificates, fix the value for distribution of any shares or debentures, debenture stock, or other obligations, make cash payments to any Shareholders on the footing of the value so fixed in order to adjust rights, and vest any such shares or debentures or other obligations in trustees upon such trusts for the persons entitled to share in the appropriation and distribution as may seem just and expedient to the Directors.

123. *Unpaid Interest or Dividend not to bear Interest.*—No unpaid interest or dividend shall ever bear interest against the Company.

124. *No Shareholder to receive Dividend while Debt due to Company.*—No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares or otherwise howsoever.

125. *Directors may deduct Debt from the Dividends.*—The Directors may deduct from the dividend payable to any Shareholder all sums of money due from him (whether alone or jointly with any other person) to the Company, and notwithstanding such sums shall not be payable until after the date when such dividend is payable.

126. *Dividends may be paid by Cheque or Warrant and sent through the Post.*—Unless otherwise directed any dividend may be paid by cheque or warrant sent through the post to the registered address of the Shareholder entitled, or in the case of joint-holders, to the registered address of that one whose name stands first on the register in respect of the joint-holding; but the Company shall not be liable or responsible for the loss of any such cheque or dividend warrant sent through the post.

127. *Notice of Dividend; Forfeiture of Unclaimed Dividend.*—Notice of all dividends to become payable shall be given to each Shareholder entitled thereto; and all dividends unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by a resolution of the Board of Directors for the benefit of the Company, and if the Directors think fit, may be applied in augmentation of the reserve fund. For the purposes of this article any cheques or warrants which may be issued for dividends and may not be presented at the Company's bankers for payment within three years shall rank as unclaimed dividends.
