"THE LOCAL GOVERNMENT ORDINANCE,
No. 11 of 1920."

BY-LAWS made by the Batticaloa Urban District Council under sections 164 and 168 (2) (a) of "The Local Government Ordinance, No. 11 of 1920," and approved by the Local Government Board and confirmed by the Officer Administering the Government by virtue of the powers vested in the Governor by the said section 164 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWA,
Minister for Local Administration.

Colombo, November 16, 1933.

BY-LAWS REFERRED TO.

1. No pension, gratuity, or long service allowance shall be granted to any officer of the Batticaloa Urban District Council without the authority of the Governor, in order to obtain which a certificate of good conduct from the Chairman setting out the length of service, age, and ground of retirement must be forwarded, together with the application for pension, gratuity, or retiring allowance, and the computation thereof, through the Commissioner of Local Government to the Controller of Establishments.

2. Subject to the provisions of by-law 1 and the following by-laws, every officer of the Batticaloa Urban District Council on the fixed establishment drawing a salary of Rs. 360 per annum and upwards who shall have had service of ten years or more including any service which may be reckoned under the proviso to by-law 7 may be awarded a pension as follows:—

For the first one hundred and twenty months of such service a pension equal to 120/720ths of his annual salary and for each additional completed month of service an additional 1/720th of such salary, but no officer shall be entitled to draw more than 480/720ths of his final salary as pension.

3. The above-mentioned rates shall only be granted in cases of faithful and meritorious service, but when the testimony as to fidelity, diligence, and merit is in any respect defective, a deduction from such rates may be made. Where there has been obvious negligence, irregularity, or misconduct, the grant of a pension may be altogether withheld.

Where service of peculiar and extraordinary merit has been rendered by an officer distinctly outside the duties in respect of which his salary is paid, a special rate of pension may be recommended for sanction, but in ordinary cases the maximum pension or retiring allowance grantable to an officer under these by-laws, or to an officer entitled to pension also in respect of service not under the Council from all services combined, shall not exceed two-thirds of the highest salary drawn by such officer at any time in the course of his service.

4. In the case of officers on the fixed establishment of the Council drawing a salary of Rs. 360 per annum and upwards retiring on account of illness or age before completing one hundred and twenty months' gross service a gratuity may be granted calculated at the rate of one-twelfth of a month's pay of the permanent office or offices held at the time of retirement, for each completed month of service.

5. Officers of the Batticaloa Urban District Council shall have no absolute right to any pension, gratuity, or long service allowance under these by-laws, and the Batticaloa Urban District Council retains power and authority to dismiss any such officer without any compensation.

6. No pension, gratuity, or long service allowance shall be granted to any officer of the Batticaloa Urban District Council who shall be under fifty-five years of age, except upon a certificate from the Chairman and two medical practitioners that he is incapable from infirmity of mind or body of discharging the duties of his office, nor unless he shall have discharged such duties theretofore with diligence and fidelity to the satisfaction of the Council.

7. The claim of an officer of the Batticaloa Urban District Council to pension, gratuity, or long service allowance shall be considered to have commenced from the date of his first permanent appointment to the fixed establishment of the Council after January 1, 1933, or its predecessor the Batticaloa Local Board.

Provided that an officer transferred from the provisional and temporary establishment to the fixed establishment may be allowed to count his provisional and temporary service when it has been continuous with his subsequent permanent service.

Service under sixteen years of age however will not count for pension.

8. The service in respect of which pensions, gratuities, or long service allowances are granted under these by-laws must in all cases be continuous, unless interrupted by abolition of office or other temporary suspension of employment not arising from misconduct or voluntary resignation of the officer.

9. The pension or gratuity shall be computed upon the salary of the permanent office held by the officer of the Council at the time of his retirement provided he shall have held such appointment for at least three years: otherwise the pension shall be calculated upon the average of salaries attached to the permanent office held by such person during the three years next preceding the commencement of such pension.

10. In case of abolition of office, if the officer has completed 120 months' gross service, he may be granted a pension of $\frac{1}{72}$ th of his salary for each month of his service counting for pension with an addition to such service of one month for each completed period of two months' service, the addition in no case exceeding 60 months.

If the officer has not completed 120 months' gross service he may be granted a gratuity of $\frac{1}{12}$ th of a month's salary for each month of service counting for pension, plus an addition of 50 per cent. thereon. In no case shall the number of months to be added to the actual service exceed that which, if added to the age of the retiring officer, would make that age up to sixty.

11. If any person being in receipt of any pension or long service allowance from the Batticaloa Urban District Council shall be convicted of any offence in any Court of Justice in the Island for which he shall be sentenced to death or to any terms of imprisonment with hard labour exceeding six months such pension or long service allowance shall forthwith determine and cease to be payable, unless such person shall, within three months after his conviction, receive free pardon or unless the Council shall otherwise order.

12. Officers on the fixed establishment of the Batticaloa Urban District Council may be required to retire on or after attaining the age of fifty-five, upon the receipt of twelve months' notice to that effect, but they may continue in office till sixty years of age with the consent of the Council.

13. (1) Every officer who is transferred to or from the service of the Council from or to any other public service and whose aggregate service would have entitled him, had it been wholly under the Council, to a pension under these rules, shall on his ultimate retirement from service, if he has served for a period of at least 12 months under the Council, be entitled to a pension which shall bear the same proportion to that to which he would have been entitled had the whole of his service been under the Council as the *aggregate amount of the salary which he has drawn from

the Council bears to the total sum made up of such aggregate amount and the aggregate of the amounts received by him in the course of his public service elsewhere than under the Council.

Provided, however, that in the case of an officer who is transferred to the service of the Council after other public service in which the rules regulating pensions do not offer the same privileges to an officer transferred from the Council to such public service as are accorded under these rules to an officer transferred from such public service to the Council and whose aggregate public service under the Council and elsewhere would have entitled him, had it been wholly under the Council, to a pension under these rules, such officer may with the sanction of the Council on his ultimate retirement from public service (provided such retirement takes place from the Council and that he has served for a period of at least five years under the Council) be entitled to receive from the Council, in lieu of a pension calculated in the manner prescribed in the preceding paragraph, a pension representing the difference between the pension or pensions earned by such officer in respect of his public service elsewhere and a pension calculated as if his public service had been wholly under the Council.

(2) For the purposes of this section, the expression "public service" includes employment under the Crown or any Local Government public body or bodies.

14. Should an officer who retires on pension find after such retirement an employment under the Council or under the Government or under another semi-official body on a salary equal to or higher than that which he drew from the Council at the time of his retirement, his pension shall be suspended so long as such employment continues. If he draws a less salary he shall be entitled to only so much of his pension as when added to the salary of the new appointment will make his total emoluments equal to the salary last drawn by him previous to his retirement.

15. Employees on the fixed establishment of the Batticaloa Urban District Council drawing salaries of less than Rs. 360 per annum and retiring on account of age or infirmity after serving continuously for a period of fifteen years and upwards may, if the Council be satisfied that they are unfit, owing to age or infirmity of body or mind, further to discharge efficiently the duties of their offices, be granted such long service allowances not exceeding Rs. 7.50 per mensem in each case as the Council may award. Persons in receipt of daily pay, who have completed a period of fifteen years of continuous service, retiring under similar circumstances may be awarded gratuities calculated at the rate of one-eighteenth of a month's pay drawn at the time of retirement for each completed month's service.

16. If any case not covered by these by-laws shall arise which in the opinion of the Council merits the award of a pension, retiring allowance or gratuity, the circumstances of such case should be reported together with the recommendation of the Council to the Commissioner of Local Government for transmission to the General Treasury (Establishments Division) for submission to the Governor, who will decide whether any and, if so, what award shall be granted.

REPEAL.

The rules prescribed by the Governor in Executive Council, under section 87 of Ordinance No. 13 of 1898, and published by Notification dated January 11, 1915, in the *Government Gazette* No. 6,694 of January 15, 1915, are hereby repealed.

The Minutes of Proceedings of a Meeting of the Municipal Council of Kandy, held in the Town Hall, Kandy, on October 21, 1933, at 8.30 a.m., in accordance with the notice dated October 16, 1933.

Present.—Mr. H. P. Kaufmann, Chairman; Ratwatte Adigar; Mr. Haji M. S. Usoof Ismail; Mr. S. A. Wijayatilake; Mr. W. A. B. Soysa; Dr. J. W. S. Attygalle; Dr. L. C. Wijesinha; Mr. O. T. Nettelton; Mr. G. E. de Silva.

1. The Minutes of Proceedings of the meetings held on September 23, 1933, October 3, 1933, and October 7, 1933, having been previously submitted to the Chairman for his approval and copies thereof furnished to each member, were taken as read and confirmed by the Chairman.

2. The following documents were submitted:—

- (a) Statement of receipts and disbursements from close of 1932 to September 30, 1933, on account of the Municipal Fund.
- (b) Progress report of works brought up to August 31, 1933.
- (c) Health Officer's report for September, 1933.
- (d) Statement of cases instituted by the several inspectors, and of work done by the Municipal Magistrate during the month of September, 1933.
- (e) The reservoir readings for the week ended October 21, 1933.

Resolved that the statement (a), together with the Minutes of this Meeting, as required by section 83 of "The Municipal Councils Ordinance, No. 6 of 1910", be forwarded to the Commissioner of Local Government for publication in the *Government Gazette*.

3. The following papers were laid on the table :—Reports by the several inspectors on laundries, bakeries, dairies, standpipes, and house-service taps inspected during September, 1933.

3A. Mr. Wijayatilake inquired whether any reply has been received from Government with regard to remedial measures necessary to be taken to prevent the soil erosion caused by the Mahaweli-ganga at Gotambe and Peradeniya.

The Chairman replied that no reply has been received and he would look into the matter.

3B. The Chairman made the following statement with regard to the Experimental well at Peradeniya :—

During the month from September 22 up to date steady progress has been made in further sinking of the well in spite of the adverse weather conditions.

The required depth of the well has been completed, plus an extra 1 ft. 2 in. so that the bottom of the well is 6 ft. 2 in. below the river bed as against the original 5 ft. suggested by the Director of Public Works.

The remaining work to be done is to place a layer of screened gravel and boulders at the bottom and build up the well steining another 9 ft. at the top, clean the well out, and afterwards take samples of the water and gaugings of flow, &c.

Owing to constant rain and high level of the river considerable difficulty was experienced in obtaining the last few feet of depth. Mr. Garment however employed ingenious methods to overcome these difficulties and successfully reached the required depth.

4. Petitions :—Messrs. de Silva and Usoof Ismail presented—(1) petitions from 'bus owners of Kandy, Kadugannawa, and Gampola, asking for the provision of a few more halting places along Peradeniya road.

Mr. Wijayatilake presented—(2) petition from N. E. Mohammado Tamby dated October 19, 1933, begging for permission to blast the rock stones on the hill top in Lady Blake's Drive.

Dr. Attygalle presented—(3) petition from tenants of the Deyannawela Model Tenements asking that the path leading to the Model Tenements by the Railway Station be improved and provided with electric lights.

Mr. Wijayatilake presented—(4) petition from residents of Asgiriya and Dodanwela asking that the path leading from Lady Manning's Drive by the Asgiriya Vihare to Dodanwela village be improved and widened, and steps be taken to prevent encroachments.

The Chairman undertook to look into the matters referred to in the petitions.

5. Pursuant to notice, Dr. Attygalle asked the following questions which the Chairman replied :—

(1) Q.—How many extra labourers are employed in the Conservancy Department since August, 1933? A.—None. The number of labourers now employed is less than in any previous year, e.g., 1930, 104 labourers employed; 1931, 101 labourers employed; 1932, 96 labourers employed; 1933, January, 89 labourers employed; 1933, April, 88 labourers employed; which is the number maintained since.

Whilst the daily number of labourers employed is limited to 88, 7 relief force labourers have been registered since August, 1933, on the advice of Audit to restrict the choice of substitutes by overseers to approved labourers, i.e., persons previously employed and found satisfactory by the Department.

(2) Q.—Are the labourers, who have been in the service of the Council in this department for years past, given daily work? A.—Yes. All the 88 regular labourers referred to above and the 7 relief labourers referred to above are persons who have been employed in the service of Council for a number of years.

The number of labourers on daily check roll is maintained at 88. The 7 relief labourers are employed in the place of absentees or on special work. If there are no absentees or special work members of the labour force are dropped in rotation for a maximum of 2 days a month to ensure every labourer at least 28 days work a month.

6. The following motion which stood in the name of Dr. Attygalle was with the leave of Council withdrawn :—
"That the present system of work in this Department be referred to the Sanitation Committee for inquiry and report".

6A. Pursuant to notice, Dr. Attygalle moved :—"That steps be taken by this Council to frame by-laws to control 'bus and car traffic plying for hire as well as registering 'bus owners, drivers, and runners".

He explained that his main object was to control runners by means of by-laws. Ratwatte Adigar seconded.

The Chairman explained the position and steps taken by Police.

It was agreed to refer the motion to the Law Committee for consideration.

Resolution of Council.

Resolved that the recommendations be adopted, with the exception of items (1) and (19).

Resolution on item (1)—Dr. Attygalle contended that the lease rent offered for the renewal period of seven years was comparatively small, and moved—

- (1) that the existing lease be not renewed on the ground—(a) that it had been entered into without the previous sanction of the Governor as required by section 153 of the Municipal Councils Ordinance, 1910, and therefore not legal; (b) that Madan Theatres were only monthly tenants; (c) that no special officer had been provided by the lessees to attend in case of a fire and various other regulations relating to Public Performances were not complied with; and
- (2) that the right of occupation of the ground be advertised for sale.

Mr. de Silva doubted that the existing lease was entered into with Council's sanction, and agreed with Dr. Attygalle's views.

The Chairman read the clause in the existing lease bond relating to the option of renewal and indicated that according to the opinion of the Council's lawyer, refusal to renew would entail liability in damages.

It was ultimately agreed to refer the matter back to the Law Committee with papers relative to previous sanction of existing lease by Council and by Government.

Resolution on item (19)—Dr. Attygalle proposed that the salary scale of the Municipal Veterinary Surgeon from January 1, 1934, be fixed at Rs. 3,000 per annum, rising to Rs. 5,400 per annum, by annual increments of Rs. 300. Mr. Nettelton seconded.—Carried.

Confirmed this 18th day of November, 1933 :

H. P. KAUFMANN,
Chairman, Municipal Council, Kandy.
