- (a) in cases where the sanitary authority is the Director of Medical and Sanitary Services, the Government Agent or the Assistant Government Agent, or an officer authorized or appointed by any of them, funds placed at the disposal of such sanitary authority by the Government for the purpose of carrying out the provisions of this Ordinance ; and
- (b) in cases where the sanitary authority is the Chairman of a local authority, or an officer appointed by him, any portion of the funds at the disposal of such local authority which may be assigned by the local authority under section 13 of this Ordinance for the purpose of carrying out the provisions of this Ordinance.

“ house ” includes dwelling-house, warehouse, office, shop, school, and any other building in which persons reside or are employed.

“ local authority ” includes any Municipal Council, Local Board, District Council or Sanitary Board and any Village Committee declared to be a local authority by the Governor with the advice of the Executive Committee of Health.

“ mosquito ” means the insect commonly so called, that is, an insect belonging to the dipterous family *Culicidae*, and includes its eggs, larvae, and pupae.

“ occupier ” means the person in occupation of any premises or having the charge, management, or control thereof, either on his own account or as agent of another person, but does not include a lodger.

“ owner ” includes a co-owner, and the person for the time being receiving the rent, or any part of the rent, of any premises, whether on his own account or as agent, trustee, or receiver, or who would receive the same if the premises were let to a tenant.

“ premises ” includes houses, buildings, and lands of any tenure, whether open or enclosed, whether built on or not, whether public or private, and whether maintained under statutory authority or not, and also includes similarly owned and maintained lighters, barges and other vessels whether on water or not.

“ sanitary authority ” means (a) the Director of Medical and Sanitary Services or any officer authorized in writing by him throughout the Island, (b) the Chairman of a local authority or any officer appointed in writing by him within the administrative limits of the local authority, or (c) in areas not administered by a local authority, the Government Agent or the Assistant Government Agent, or any officer appointed in writing by either of them.

4 (1) Subject to the provisions of section 5, this Ordinance shall apply to all property of every description whatsoever, to whomsoever belonging, or in or by whomsoever vested or maintained, except tanks, paddy fields, and irrigation channels included in any irrigation scheme, which are hereby exempted from the provisions of this Ordinance except in so far as is provided in sub-section (2).

General application of Ordinance, and exceptions.

(2) It shall be lawful for the Governor, by any officer whom he shall appoint for the purpose, to enter upon any tank, paddy field, or irrigation channel included in an irrigation scheme, after reasonable notice served upon the owner thereof, if any, and to carry out or construct therein or thereon at the expense of the Government any such anti-mosquito measures or works as the Governor may deem necessary : Provided that no such measures or works shall be carried out or constructed so as to lessen the utility or bring about the deterioration of any such tank, paddy field, or irrigation channel.

5 In the application of this Ordinance to premises owned by the Government, the following provisions only shall apply:—

Application of Ordinance to Government premises.

- (1) Where the premises are occupied as a dwelling-house, the provisions of this Ordinance relating to occupiers shall apply so far as the occupier of the premises only is concerned ;

(2) Where the premises are occupied otherwise than as a dwelling-house, or where the premises are unoccupied, the provisions of this Ordinance relating to occupiers shall apply as if the Department of Government in charge of such premises were the occupier thereof.

Entry and inspection by sanitary authority or authorized person.

6 (1) The sanitary authority or any person authorized in writing by him either generally or specially for that purpose (in this Ordinance called the "inspecting authority") may, at anytime between 7 A.M. and 6 P.M., with or without assistants, enter and inspect any premises in order to ascertain whether such premises or any thing therein or thereon are or is in a condition favourable to the breeding or harbouring of mosquitoes :

Provided that no inhabited dwelling-house shall be entered under this sub-section without the consent of the occupier thereof except as mentioned in sub-sections (2) and (3).

(3) Where the only available access to a yard or compound is through an inhabited dwelling-house the inspecting authority may request the occupier of the dwelling-house to permit the inspecting authority to pass through the dwelling-house into the yard or compound, and in such case it shall be the duty of the occupier of the dwelling-house, on receiving at least twelve hours' previous notice in writing of the desire of the inspecting authority to pass through the dwelling-house, to permit the inspecting authority and his assistants to pass through the dwelling-house into the yard or compound by such route as shall be indicated by the occupier, and to return through the dwelling-house by such route as aforesaid.

(4) Subject to the provisions of this section, the owner or occupier of any premises shall permit the inspecting authority and his assistants to have access thereto or to any part thereof, for the purpose of any such entry and inspection, and shall give the inspecting authority all reasonably necessary information which may be required of him.

- (1) by any officer authorized by the sanitary authority in writing either generally or specially for that purpose, carry out with the consent of the owner or occupier of the premises (or without such consent where the introduction of yellow fever is apprehended) any or all of such measures, and the cost of carrying out the same may be met from funds at the disposal of the sanitary authority ; or
- (2) by notice in writing to be served on the owner or occupier of the said premises, order him within a specified time, not being less than fourteen days from the date of service, to carry out any or all of such measures in respect of the said premises :

Provided that—

- (a) the sanitary authority shall not by notice or notices in any one year order anti-mosquito measures to be carried out in respect of the same premises if the cost of such measures will exceed five per cent. of the annual value of the premises ;
- (b) if the sanitary authority after due inquiry certifies that any such owner or occupier has not the means to meet the cost of complying with any notice under this section, such cost or any part thereof may with the consent of the local authority of the area within which the notice has been served or, in areas not administered by a local authority, with the consent of the Government, be met from the funds at the disposal of the local authority or of the Government, as the case may be ; and

(3) It shall be a good defence for the owner of any premises who is prosecuted under this section to prove that by reason of any cause beyond his control or any written contract (not being a contract made with the intention of evading liability under this section) he has been prevented from entering upon such premises or from using them or permitting or authorizing them to be used in the manner indicated in sub-section (1), unless it can be shown that he has in any way contributed to the commission of an offence under this section by the occupier of the premises.

9 (1) (a) The owner of any premises who is of opinion that any notice served on him under section 7 (2) ought to have been served on the occupier of the premises instead of the owner, and (b) the occupier of any premises who considers that any such notice ought to have been served on the owner of the premises instead of the occupier, and (c) any owner or occupier who considers that the terms of any notice served on him under sections 7 (2) or 8 (2) are unreasonable, unnecessary, or oppressive, or that compliance with the order contained in any notice served on him under section 7 (2) will entail expenditure exceeding the limit provided in section 7 (2) proviso (a), may within fourteen days from the service of such notice appeal by petition to the District Court whose decision thereon shall be final.

(3) When any such appeal has been lodged in the District Court, the enforcement of the order contained in the notice appealed against shall be stayed pending the hearing of the appeal.

(4) All such appeals shall be taken up before any other business of the court unless special circumstances of urgency in any particular case call, in the opinion of the judge, for a relaxation of this rule.

(5) On the hearing of the appeal, the District Court may hear such evidence as may be necessary, and may—

- (a) confirm, vary, or rescind the order contained in the notice, and where such order is confirmed or varied shall make a further order specifying the time within which the order so confirmed or varied is to be complied with;
- (b) make any further order that it may deem expedient; and in such case the time within which such order is to be complied with shall be specified therein; and
- (c) make such order as to costs as it may think fit, not exceeding thirty rupees.

10 (1) Every owner or occupier of any premises who within the time specified in any notice served on him under sections 7 (2) or 8 (2) in respect of the said premises, fails to comply with such notice or to appeal therefrom shall, for each day of such failure be guilty of an offence against this Ordinance.

(b) to sell the same, or so much thereof as may be necessary to cover the amount due and the costs of seizure and detention, by public auction not less than twenty-one days from the date of seizure, if the said amount and costs are not sooner paid.

## SECOND SCHEDULE.

Amendments.		
Column 1.	Column 2.	Column 3.
No. and Year of Ordinance.	Short Title.	Nature of Amendment.
No. 18 of 1892 . .	The Small Towns Sanitary Ordinance, 1892	Section 9E (2) (r) is amended so as to read— “(r) For the destruction of disease-bearing insects other than mosquitoes.”
No. 11 of 1920 . .	The Local Government Ordinance, No. 11 of 1920	Section 168 (10) (o) is amended so as to read— “(o) The destruction of disease-bearing insects other than mosquitoes.”

*Objects and Reasons.*

This Bill is based on certain recommendations of the Anti-Malaria Advisory Committee and has as its object the provision of legislation for preventing the breeding of mosquitoes and for the destruction of mosquitoes. There are at present no direct statutory powers to deal with mosquitoes, except in virtue of by-laws made under the Small Towns Sanitary Ordinance, 1892, and the Local Government Ordinance, No. 11 of 1920; and in the interests of the health of the community generally, it is now considered that a comprehensive enactment is required.

2. By clause 1 the Ordinance will come into operation only in such Provinces, districts, or areas as the Governor may order. Such orders may ordinarily be made only after adequate notice and may be rescinded by a resolution of the State Council.

3. The Ordinance will in the main be administered by the “sanitary authority” who is defined in clause 3, but local authorities (clause 3) and Government Departments are also given certain powers (clauses 8, 9, and 11).

4. Clause 4 (1) provides for the general application of the Ordinance, except in the case of tanks, paddy fields, and irrigation channels, for which special provision is made in clause 4 (2).

5. Clause 5 deals with the application of the Ordinance to premises owned by the Government, dividing such premises into (1) those occupied as dwelling-houses, in which case the provisions of the Ordinance relating to occupiers will apply, and (2) those which are unoccupied, or occupied otherwise than as dwelling-houses, in which cases the Government Department in charge of such premises will be treated as the occupier.

6. Clause 6 gives the necessary powers of entry and inspection to the sanitary authority while protecting the occupants of dwelling-houses from unnecessary intrusion.

7. Clause 7 gives the sanitary authority power to bring into operation in respect of any premises the anti-mosquito measures set out in the First Schedule which may be found necessary—either by itself carrying them out with the consent of the owner or occupier, or by requiring the owner or occupier to carry them out. But no person can be required under this clause to spend in any one year more than five per cent. of the value of the premises affected, and if the sanitary authority certifies that any person is financially unable to meet the expense of complying with a notice, the work may be carried out at the expense of the local authority or the Government.

8. Clause 8 imposes a duty on the owner or occupier of premises on which any anti-mosquito works have been constructed to use the premises properly ; but no prosecution is to be instituted under this clause until the owner or occupier has been served with a notice telling him what to do or not to do, and he has failed to comply with the notice.

9. Clause 9 gives a right of appeal to the District Court from any notice, and sets out the powers of the District Court on appeal.

10. Failure to comply with a notice or with an order of the District Court is made an offence by clause 10, and clause 11 provides the machinery for enforcing what is required by a notice or an order by seizure and sale of property belonging to the defaulter.

11. Clause 12 authorizes the sanitary authority to make loans for anti-mosquito purposes in certain circumstances, and clause 13 makes provision for a local authority to assign funds for the purposes of the Ordinance, and for the expenditure of such funds by the Chairman in his capacity as sanitary authority.

12. Clause 14 empowers the sanitary authority to make an agreement with the owner of premises where anti-mosquito works have been constructed, for the reservation of a portion of the premises for the use of the sanitary authority so as to enable the authority to keep the works in order.

13. Clauses 15, 16 and 17 respectively provide for the protection of sanitary authorities and others, the status of such authorities as public servants within the meaning of the Ceylon Penal Code, and the service of notices.

14. Clauses 18 and 19 provide a penalty for breaches of the Ordinance and regulations and a power to make regulations.

15. Clause 20 and the Second Schedule amend the Small Towns Sanitary Ordinance, 1892, and the Local Government Ordinance, No. 11 of 1920, by removing the power to make by-laws for the prevention of malaria and the destruction of mosquitoes.
