#### *Statement of Objects and Reasons.*

The Estates Staffs' Association of Ceylon was established at Kandy in 1920 with the object of promoting, fostering, and protecting the planting industry of Ceylon and the interests of the Staffs on estates and to manage and control a Fund called The Benefit Fund.

It has a large number of members and supporters and has acquired valuable property; and there is every prospect of its acquiring further property—movable and immovable—in trust for the Association. It is desirable that the Association should now be incorporated by law.

The Bill sets forth the general objects of the corporation; prescribes a set of rules defining the constitution of the corporation and of the General Committee that is to administer its affairs; provides for the alteration of the rules if necessary; and vests in the Corporation the property now held in the name of any person in trust for the Association.
