MISCELLANEOUS.

Notification under Land Sale Regulation No. 59.

NOTICE is hereby given under the provisions of Land Sale Regulation No. 59 that an application has been received from Mr. J. P. de Saram of No. 206, St. Joseph's street, Grandpass, Colombo, for the sale to him, without competition, of lot 4 and part of lot 2 in preliminary plan No. 18,170, described as grass lands, situated in Grandpass within the Municipal limits of Colombo; and containing in extent approximately 20 perches.

The applicant owns the adjoining private land, and also has a claim to lot 4, which it is desirable to settle.

It has been found difficult to maintain a clear boundary between the Crown and private land, as the ground is marshy. There exists in lot 2 a ditch, which is a feature of permanency, and it is proposed that this ditch should be made the boundary between the Crown land and the private land. The land applied for is not required for any Government purpose.

It is hereby notified that the said land will be sold to the applicant, without competition, at Rs. 5,000 per acre unless valid reasons to the contrary are adduced in writing to the undersigned within six weeks from the date hereof.

R. M. M. WORSLEY,
Colombo, October 6, 1933. Acting Land Commissioner.

NOTICE is hereby given that the Government Agent, Southern Province, will hold a Land Kachcheri at 10 A.M. on December 4, 1933, at the Galle Kachcheri to consider applications for and to make allotments from the Crown lands described in the schedule below. Further particulars of the above lands can be obtained on enquiry during office hours at the Galle Kachcheri.

2. Allotments will be confined to villagers of the Galle District.

3. No written applications will be considered, and all intending applicants are directed to attend the Land Kachcheri and state their particulars personally to the Presiding Officer. No belated applications will be considered.

4. Allotments of land granted to selected applicants will be governed by the provisions of the Land Development Ordinance now before the State Council if and when that Ordinance is passed. Pending the passing of the Ordinance allotments will be held upon permits which will include the following amongst other conditions:—

(i.) The permit-holder shall not dispose of or otherwise deal with his interest under this permit in any way whatsoever without the prior sanction in writing of the Government Agent, and any such disposition shall be null and void.

(ii.) The permit-holder shall make an annual payment. The initial payment shall not exceed Re. 1 per acre but this may be revised periodically.

(iii.) The permit-holder shall clear and plant the land as quickly as possible to the satisfaction of the Government Agent and shall complete this work within three years of the date of being given possession of the land. The permit-holder shall thereafter maintain the said land in cultivation to the satisfaction of the Government Agent.

(iv.) The permit-holder will be entitled to make use of the timber on the land for fencing or the erection of watch huts or houses on the land. He shall, however, have no right to remove any timber from the land without the permission of the Government Agent who may grant such permission upon such terms as to payment or otherwise as he may see fit.

(v.) Should the permit-holder contravene or fail to carry out any of the conditions of the permit or if the said land or the interest of the permit-holder be seized in execution of a decree against the permit-holder, the Government Agent may cancel the permit and take possession of the land and any crops, plantation, buildings or other improvements, upon it; and neither the permit-holder nor any person claiming through him shall have any right to claim any compensation whatsoever for any improvements effected by the permit holder or any other person upon the land.

(vi.) The permit-holder shall surrender free of compensation any portion of the land allotted to him which may be required hereafter by the Government for roads, channels, or any other purpose.

(vii.) The permit-holder may nominate a person to whom he desires that the Government Agent should issue a fresh permit in the event of the death of the permit-holder during the term of the permit.

(viii.) The permit shall be personal to the permit-holder and shall terminate with his death.

(ix.) On the termination of the permit the land shall revert to the Crown and no person shall have any right to claim compensation from the Crown for any improvements made upon it.

(x.) In the event of the termination of the permit by the death of the permit-holder the Government Agent may at his discretion issue a fresh permit for the land to the person nominated by the late permit-holder, if he considers him a fit person, or to any dependent of the late permit-holder or to any other person.

(xi.) The permit-holder shall pay a security of Rs. 5 in such manner as the Government Agent directs. This amount, if the permit-holder clears and plants the land as required in the afore-mentioned conditions, will be set

off against the rent payable; but the whole or part of it may be forfeited if the permit-holder does not cultivate the land satisfactorily.
