(1) by the substitution for regulation 3 of the following new regulation which shall have effect as regulation 3 :—

“3. In computing the acreage of any registered estate or small holding in which rubber plants are interplanted with other cultivation, two hundred rubber plants of any given age shall be deemed to be the equivalent of one acre :

Provided further that where the acreage ascertained under this regulation exceeds the actual acreage of any registered estate or small holding, only such actual acreage shall be taken into account.”;

- (b) Progress report of works brought up to October 31, 1934.

- (d) Statement of cases instituted by the several Inspectors, and of work done by the Municipal Magistrate during the month of November, 1934.
- (e) The reservoir readings for the week ended December 15, 1934.

Resolved that the statement (a) together with the Minutes of Proceedings of this meeting, as required by section 83 of the Municipal Councils Ordinance, No. 6 of 1910, be forwarded to the Commissioner of Local Government for publication in the *Government Gazette*.

3. The following papers were laid on the table :—(a) Reports by the several Inspectors on laundries, bakeries, dairies, standpipes, and house service taps inspected during November, 1934. (b) Report from the Municipal Engineer on the condition of the various Drives in Kandy.

4A. Ratwatte Adigar suggested that the Medical Officer of Health should be asked to make a statement on the situation as regards the Malaria Epidemic in the town.

The Medical Officer of Health was called in and stated that the worst affected areas were Mavilmada, Nittawela, Lewella, Getambe, and the villages around and that 10,000 tabloids of quinine had been distributed and an intensive Anti-mosquito Campaign had been started in all parts of the town. He indicated that medical comforts were needed for the poorer classes which he was unable to supply for want of funds.

At this stage the Chairman introduced the following recommendation of the Finance Committee made at its meeting on December 15, 1934 :—“ Application from the Kandy District Nurses' Association for a grant in aid of relief work during the Malaira Epidemic.—Recommended a grant of Rs. 100 ”.

Resolved that the recommendation be adopted.

With the leave of the Council Mr. Wijayatilake moved that “ In view of the serious distress caused by the severe epidemic of fever now prevalent, the Medical Officer of Health be asked to take immediate steps to alleviate such distress and to render such relief as may be necessary, and that this Council do vote a sum of Rs. 1,500 to meet the expenses in this connection ”. Ratwatte Adigar seconded. Carried, subject to the grant of Rs. 100 to the District Nurses' Association being made from this vote.

It was agreed to leave the administration of the fund entirely in the hands of the Medical Officer of Health.

4B. The Chairman tabled a letter received from Mr. Usoof Ismail, M.M.C., suggesting that quinine injections be given from house to house by the Medical Officer of Health and the Municipal Veterinary Surgeon.
