## DRAFT ORDINANCES.

## MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

M. L. A. 264

**An Ordinance to amend the Motor Car (Convention)  
Ordinance, No. 25 of 1932.**

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

- 1 This Ordinance may be cited as the Motor Car (Convention) Amendment Ordinance, No. of 1935. Short title.
- 2 Sub-section (1) of section 2 of the Motor Car (Convention) Ordinance, No. 25 of 1932, is hereby amended as follows :— Amendment of section 2 (1) of Ordinance No. 25 of 1932.
- (1) in paragraph (a), by the insertion of the words “fiscal permits,” immediately after the word “certificates” wherever that word occurs in that paragraph ;
- (2) by the substitution for paragraph (e) of the following new paragraph :—
- “ (e) modifying the provisions of the Motor Car Ordinance, 1927, relating to the weight, dimensions, equipment, registration, or licensing of motor cars brought temporarily into this Island by persons resident abroad and intending to make only a temporary stay in this Island, and the granting of certificates of competence or temporary certificates of competence, to the drivers of such cars and to drivers entering this Island for the purpose of driving such cars. ” ; and
- (3) by the insertion immediately after paragraph (e) of the following new paragraph :—
- “ (f) exempting all or any of such motor cars as are mentioned in paragraph (e) from the licence duty payable under the Motor Car Ordinance, 1927, whether for a specified period or otherwise.”

*Objects and Reasons.*

1. The International Convention regarding the Taxation of Foreign Motor Vehicles, signed at Geneva on March 30, 1931, has been applied to Ceylon and will in terms of the Convention come into force in respect of Ceylon on July 3, 1935. The Convention provides for the issue by any territory to which the Convention applies of “fiscal permits” in the case of motor cars which are taken abroad temporarily into any other territory to which the Convention applies and for the exemption of such cars during a limited period from the licence duty which may otherwise be payable in such other territory.

2. This Bill amends section 2 of the Motor Car (Convention) Ordinance, No. 25 of 1932, so as to enable the Executive Committee of Local Administration to make regulations designed to give effect to the Convention in Ceylon by providing for the issue of “fiscal permits”, and by exempting for a limited period from the licence duty payable under the Motor Car Ordinance, 1927, motor cars which are brought temporarily into Ceylon in accordance with the Convention. The opportunity has been taken to amend the reference to the licensing of motor car drivers in paragraph (e) of section 2 (1) of the principal Ordinance, as in Ceylon such drivers are not licensed but hold certificates of competence.

Minister for Local Administration.

B 1088

- No. 3 of 1871.      **An Ordinance to amend the Gas Meter Ordinance, 1871.**
- BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—
- Short title.      **1** This Ordinance may be cited as the Gas Meter (Amendment) Ordinance, No.      of 1935.
- Amendment of section 4 of Ordinance No. 3 of 1871.      **2** Section 4 of the Gas Meter Ordinance, 1871, (hereinafter referred to as “the principal Ordinance”), is hereby amended by the substitution for the words and figures “containing 63·321 pounds” of the words and figures “containing 62·2786 pounds”.
- Amendment of section 11 of the principal Ordinance.      **3** Section 11 of the principal Ordinance is hereby amended as follows :—
- (1) by the substitution for the words “may purchase” of the words “may hire or purchase”;
- (2) by the addition at the end of that section of the following :—
- “Where a gas meter is in use in any premises, the consumer, if the meter is the property of the supply company, or the supply company, if the meter is the property of the consumer or of the owner of the premises, shall be entitled, on application made to the Chairman of the Municipal Council and on prepayment of a fee of seven rupees and fifty cents, to have the meter tested with a view to ascertaining whether it should be deemed to be incorrect within the meaning of this Ordinance or whether it may be considered to be correct for the purpose of section 7.
- Where on application made under this section a gas meter is, after test, deemed to be incorrect within the meaning of this Ordinance, the fee paid shall be refunded to the person who made application for the test.”
- Amendment of section 12 of the principal Ordinance.      **4** Section 12 of the principal Ordinance is hereby amended by substituting for all the words from “sixpence for each meter” to the end of that section, the following words :—
- “seventy cents for each meter if the measuring capacity of the meter does not exceed fifty cubic feet of gas an hour. If the measuring capacity of a meter exceeds fifty cubic feet of gas an hour, the fees shall be seventy cents for the first fifty cubic feet an hour of measuring capacity and, in addition, for every one hundred or part of every one hundred cubic feet an hour of measuring capacity in excess of the first fifty cubic feet, thirty-five cents if the meter is a dry meter and fifty cents if the meter is a wet meter.”
- Amendment of section 17 of the principal Ordinance.      **5** Section 17 of the principal Ordinance is hereby amended by the substitution for the words “within three months” of the words “within twelve months”.

*Objects and Reasons.*

Clause 2 corrects an error in section 4 of the Gas Meter Ordinance, 1871, and substitutes a cubic foot containing 63·2786 pounds of distilled water as the unit measure for the sale of gas by meter. This amendment is necessary in order to make the law conform to the standard adopted by the Board of Trade for similar purposes.

2. Clause 3 amends section 11 of the principal Ordinance and provides facilities for testing the accuracy of gas meters. The consumer, if the meter is the property of the supply company, or the supply company, if the meter is the property of the consumer or of the owner of the premises, can have a gas meter officially tested on payment of a fee which is refunded if the meter is found to be incorrect. As the general practice is for consumers to hire gas meters from the supply company, section 11 has been further amended by a specific reference to the right of a consumer to hire a meter. In its existing form the section makes reference only to the purchase of a gas meter by a consumer.

3. Clause 4 substitutes for the fees provided in section 12 of the Ordinance an alternative scale of charges which is based on the present day cost of examining, comparing and testing meters.

4. Under section 17 of the principal Ordinance, no person can be prosecuted in the Police Court for an infringement of the provisions of the Ordinance unless the prosecution is instituted within three months of the date of the commission of the offence. Clause 5 extends this period to twelve months, as the limit of three months may assist an offender to escape the penalties that should be attached to a breach of the provisions of the law.

Minister for Local Administration.
