Before proceeding with the business of the meeting the Chairman moved—That this Council place on record its sense of sorrow at the death of Mr. R. W. Jonklaas, Proctor, Supreme Court, who was an elected member of this Council between 1897-1905 and 1909-1914, and that an expression of its sympathy be conveyed to the widow in her sad bereavement. Ratwatte Adigar seconded, and the motion was carried all members standing.

1. The Minutes of proceedings of the meetings held on May 25, 1935, May 28, 1935, and June 12, 1935, having been previously submitted to the Chairman for his approval and copies thereof furnished to each member, were taken as read and confirmed by the Chairman.

(2) Petition from Tikiri Menika dated June 5, 1935, praying that she be given time until the end of the current year to pay the arrears of taxes due on premises No. 9c, Aruppola. (3) Petition from residents in Lady Blake's Drive objecting to the establishment of a burial ground at premises No. 13, Pitakande.

Mr. Usoof Ismail presented (4) petition signed by a large number of residents of Kandy, dated June 7, 1935, suggesting that Mr. Nelson be allowed to retain the clock which has been erected opposite his premises and which the Council has noticed him to remove as being an encroachment.

The Chairman agreed to look into the complaints referred to in the petitions (1) to (3), and as regards (4) the Chairman mentioned that the notice served was in pursuance of a resolution of Council passed at the meeting held on April 27, 1935, and that the matter was further considered by the Law Committee that morning who recommended that if Mr. Nelson would pay scheduled rent for steps and eaves, the clock should be allowed to remain without payment on. 5. Pursuant to notice Mr. Abhayanayake asked the following questions to which the Chairman replied :—

Will the Chairman be pleased to state—

Q.—(1) Why it is not practicable in the Kandy Municipal Council to tell an officer appointed on probation what definite requirements he has to fulfil during the period of his probation before he could expect to be confirmed?

A.—The principle enunciated in replies to previous questions on this subject is that human foresight is so limited that it is not possible to foresee one's detailed requirements with any reasonable degree of accuracy. The general requirements are laid down in my reply to question 5 (1) of the minutes of the meeting held on April 27, 1935.

Q.—(2) Why the provision for waste water baths at the Kandy Power Station is being unduly delayed when the strip of land required is now available free of charge?

A.—I would refer the member to item II (24) of the recommendations of the Standing Committee on to-day's agenda. There has been no avoidable delay.

Q.—(3) Whether the necessary masonry works on the Pata Hewaheta-Talwatte road referred to in Chairman's letter No. W/M 197, dated March 30, 1935, will be started early since the earthwork has now been completed?

A.—An estimate for providing steps has been submitted to the Works Committee.

5A. Pursuant to notice Mr. Wijayatilake asked the following questions to which the Chairman replied :—

Will the Chairman be pleased to state—

Q.—(1) How many wells in the water served area of the town have been closed down on the orders of the Municipal Council?

A.—As far as I am aware and can ascertain the only well which has been closed by the Municipal Council within the last 15 years is the one which was situated in front of the Town Hall.

Q.—(2) How many wells are still available—where the water is used for drinking and bathing purposes—in the said area, and in what parts of the town?

A.—The total number of wells now available and in use is 49. These are situated as follows :—Galagedera road, 3 wells; Madawela road, 3 wells; Katugastota road, 15 wells; Trincomalee street, 2 wells; Cross street, 1 well; King street, 1 well; Malabar street, 6 wells; Victoria Drive, 5 wells; Hantane road, 1 well; Deyannawela, 2 wells; Peradeniya road up to the post box, 2 wells; Peradeniya road beyond the post box, 4 wells; Halloluwa road, 2 wells; Hindagala road, 1 well; Huduhumpola, 1 well.

Q.—(3) Will the Chairman be pleased to ascertain from the Medical Officer of Health if any of the wells closed down can again be cleaned up so as to make them available for the use of residents in the locality?

A.—The Medical Officer of Health states that the well in front of the Town Hall might be reopened but it would take time as it has been completely filled up.

6. (1) Pursuant to notice Mr. Abhayanayake moved—“That in future, beginning with the current financial year, fifty per cent. only of the nett profits derived from the Electricity Department be appropriated as a contribution in aid of the Council's general revenue”. Mr. Usoof Ismail seconded.

Chairman spoke in support of the motion and it was unanimously carried.

6. (2) Pursuant to notice Mr. Abhayanayake moved—“That the portion of the public drain passing by the Mavilmada Mosque be sufficiently protected from further erosion at a cost not exceeding the sum of Rs. 160 as estimated by the Municipal Engineer”. Mr. Wijayatilake seconded.

The Chairman opposed the motion.

Mr. Ismail moved as an amendment that an estimate for constructing the drain for the whole length of the road be obtained. Ratwatte Adigar seconded.

The amendment was put to the house and lost by the Chairman's casting vote. *Ayes.*—Mr. Usoof Ismail, Ratwatte Adigar, Mr. de Silva. *Noes.*—The Chairman, Mr. Beven, Dr. de Kretser.

The original motion was then put to the house and lost.

6. (3) Pursuant to notice Mr. Abhayanayake moved—“That all payments made at present to the employees of this Council for overtime work be forthwith stopped and that in future arrangements be made as feasible, to meet any unforeseen demand on their time without involving the Council in any additional expenditure”. Mr. de Silva seconded.

The motion was carried, the Chairman, Dr. de Kretser and Mr. Beven dissenting.

It was agreed that the system of overtime should continue until June 30, 1935, provided that not more than 50 per cent. of an officer's salary is drawn as overtime.
