SCHEDULE.

Form of Return.

- (1) Name in full (designation to be stated, Rev., Mr., Mrs., or Miss, &c.) : _____.
- (2) Parentage, that is—
 - (a) Father’s name in full and nationality : _____.
 - (b) Mother’s (maiden) name in full, and original nationality : _____.
- (3) Date of birth : _____.
- (4) Place and country of birth : _____.
- (5) Nationality : _____.
- (6) Number, date and place of issue of passport or other papers of identity : _____.
- (7) If male, whether he has served in the armed forces of his country, and if so in what capacity and between what dates : _____.
- (8) Whether previously in the British Empire, and if so, places of residence, with dates : _____.
- (9) Occupation : _____.
- (10) Name and address of employer if any. (If engaged in religious or missionary work state the name of the religious body or missionary society) : _____.
- (11) Date of arrival in Ceylon and name of ship by which arrived : _____.
- (12) Names and addresses of persons, not exceeding three, to whom he is well known : _____.
- (13) Duration of intended stay and address in Ceylon : _____.

Objects and Reasons.

1. The Supervision of Aliens Ordinance, No. 14 of 1917, provides for the registration of aliens who come out to the Island to engage in missionary or educational work. In practice, however, all aliens have been hitherto required to fill in the return prescribed by that Ordinance in order to ascertain whether they were persons whom the Ordinance required to be registered. The Secretary of State has pointed out that it is desirable that aliens who come out to the Island to engage in missionary or educational work should be dealt with on the same footing as other foreign immigrants rather than that they should be made the subject of special legislation.

2. The object of this Bill is to repeal the Supervision of Aliens Ordinance, No. 14 of 1917, and to introduce a system of registration which will be applicable to all aliens entering the Island.

3. Clause 3 of the Bill provides for the registration of all aliens who remain in the Island for any period longer than one month. Registration will be in the charge of a Registrar of Aliens, who will be an officer appointed by the Governor under Clause 2 of the Bill. All aliens to whom the Bill applies will be required to furnish to the Registrar the particulars prescribed in the Schedule attached to the Bill; but registration will not be required in the case of aliens who have already furnished returns under the Supervision of Aliens Ordinance or of aliens under the age of fifteen years. Clause 6 of the Bill authorizes the Registrar or any police officer not below the rank of Assistant Superintendent to summon and examine any alien or to require proof of the particulars stated in any return furnished by an alien.

4. Clause 4 empowers the Governor to restrict the movements within the Island of any alien or class of aliens, and Clause 5 provides for the deportation of an alien where the Governor considers such deportation to be essential in the public interest.

5. By Clause 7, power is conferred on the Chief Secretary to make regulations for the purpose of giving effect to the provisions of the Bill. The regulations may, *inter alia*, require any alien or any class of aliens to notify any change of residence to the Registrar or other prescribed officer. Regulations made under this clause will not be effective until they are approved by the Council and ratified by the Governor.

6. Clause 8 penalises a breach of any provision of the Bill or of any regulation made thereunder.

M. L. A.—B 1217*

An Ordinance to amend the Municipal Councils Ordinance, 1910.

No. 6 of 1910.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows:—

1 This Ordinance may be cited as the Municipal Councils Amendment Ordinance, No. of 1935.

Short title.

2 Sub-section (3) of section 130 of the Municipal Councils Ordinance, 1910, (hereinafter referred to as "the principal Ordinance"), is hereby amended by the substitution for the words "made over or" of the words "made over".

Amendment of section 130 (3) of Ordinance No. 6 of 1910.

3 Section 134 of the principal Ordinance is hereby repealed.

Repeal of section 134 of the principal Ordinance.

Objects and Reasons.

By section 127 of the Municipal Councils Ordinance, 1910, a Municipal Council is empowered, with the sanction of the Governor, to levy an annual tax on the vehicles and animals specified in Schedule D to that Ordinance. Section 132 provides that the tax shall be paid before the 31st day of March in each year, and section 134 requires the Chairman or an officer authorized by him to send to every person supposed to be liable to the payment of the tax a Schedule which must be filled up and returned to the Municipal Office.

2. It has been found that the Schedules required by section 134 serve no useful purpose and that they are no longer necessary. Since 1928, number-plates have been affixed to vehicles as an indication of the fact that the tax leviable on such vehicles has been paid. Horse stables, cattle sheds, and galas are subject to the supervision and control of the Council and, by section 135 the Chairman or any person appointed by him for the purpose is authorized to enter and inspect any place in which he has reason to believe that there is any vehicle or animal liable to taxation under the Ordinance. These provisions have been found sufficient to secure the due payment of the tax, independently of the Schedules issued under section 134. Clause 3 of the Bill accordingly repeals section 134 and dispenses with the necessity for the annual issue of Schedules to persons entitled to the custody, possession or control of vehicles or animals.

3. The opportunity has been taken in Clause 2 of the Bill to rectify a printer's error occurring in section 2 of the Municipal Councils Amendment Ordinance, No. 8 of 1935, which amended section 130 of the principal Ordinance.

Minister for Local Administration.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend the Village Communities Ordinance, No. 9 of 1924.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Village Communities Amendment Ordinance, No. of 1935.

Insertion of new section 35A in Ordinance No. 9 of 1924.

2 The following new section shall be inserted immediately after section 35, and shall have effect as section 35A, of the Village Communities Ordinance, No. 9 of 1924 :—

Transfer to inhabitants of the rights and liabilities of Sanitary Boards.

35A. (1) Where any town or village excluded from the operation of the Small Towns Sanitary Ordinance, 1892, by Proclamation under section 4 of that Ordinance, is duly brought or continues to be within the operation of this Ordinance, the Governor may by order published in the Gazette—

- (a) transfer to the inhabitants of the subdivision in which that town or village is situated, the whole or any specified part of any property or rights over property or any funds acquired or received by or vested in the Sanitary Board for the use or benefit of that town or village ;
- (b) apportion and assign to the inhabitants of that subdivision the whole or any specified part of the rights, liabilities, debts or obligations of the Sanitary Board under any contract entered into by the Board for the benefit of that town or village ; and give directions as to the security to be given by the inhabitants for any debt and as to the mode and conditions of discharge of any liabilities or obligations so apportioned or assigned ; and
- (c) prescribe the terms and conditions on which any officer or servant employed by the Sanitary Board for any purpose relating exclusively to that town or village may be transferred to the service of the Village Committee of that subdivision.

(2) Upon the publication of an order under subsection (1)—

- (a) all the property or the rights over property or the funds specified therein shall vest in the inhabitants of the subdivision and shall be employed, administered or applied for their use and benefit ;
- (b) such rights, liabilities, debts or obligations as may be apportioned or assigned thereby, shall be enforceable or shall be secured or discharged by the inhabitants of the subdivision in such manner and subject to such conditions as may be specified therein ; and

(c) any officer or servant of the Sanitary Board who is offered and accepts employment under the Village Committee, shall be appointed and shall hold office on the terms and conditions specified in the order, without prejudice, however, to any qualifications acquired by him for any pension, gratuity or other compensation payable out of the funds of the Sanitary Board in respect of his service under the Board.

(3) In this section the expression "Sanitary Board" used in relation to any town or village means the Sanitary Board of the province or district within which that town or village is situated.

Objects and Reasons.

A Sanitary Board established under the Small Towns Sanitary Ordinance, 1892, is under that Ordinance constituted a quasi-corporation with power to receive moneys, to enter into contracts and to incur obligations for and on behalf of all towns and villages situated within its administrative limits and brought under the operation of that Ordinance; but each town or village has individually no legal status and has no power either to hold or acquire property or to enter into contracts.

2. Section 4 of the Small Towns Sanitary Ordinance, 1892, authorises the Governor by proclamation published in the Gazette to exclude a town or village from the operation of that Ordinance. Where an individual town or village has been so excluded from the operation of the Ordinance, administrative difficulties arise by reason of the fact that the Sanitary Board continues to hold such property as may have been acquired for the use and benefit of that town or village and to be responsible for the performance and discharge of such contracts and obligations as may have been entered into or incurred in the interests of that town or village.

3. The object of this Bill is to provide legal machinery for making such adjustments as may be necessary for the apportionment of property, the distribution of funds and the transfer or assignment of debts or obligations in a case where a town or village which has been excluded from the operation of the Small Towns Sanitary Ordinance, 1892, is brought within the operation of the Village Communities Ordinance, No. 9 of 1924.
