Interpretation.

“ Executive Committee ” means the Executive Committee of Local Administration ;

The object of this Bill is to enable subsidiary legislation to be enacted for the regulation and control of the collection of money and the sale of articles for charitable purposes in streets and public places.

2. The Bill is modelled on the provisions of section 5 of the Police, Factories, &c. (Miscellaneous Provisions) Act, 1916, (6 and 7 George the Fifth, Chapter 31) and power has been taken to enable regulations to be made similar to those enacted for the control of Flag-Days, &c., in the Metropolitan Police District of London. Regulations made under the Bill will not affect *bona fide* trading in the streets and will be operative only within the administrative limits of a Municipality or a District Council to which they are applied.

(4) If at any time before the thirty-first day of December in any year any registered vendor is discharged from service or a new vendor is engaged, it shall be the duty of the licensee, as the case may be, to return the registration card of the discharged vendor to the Government Agent for cancellation, or to cause the new vendor to be registered and obtain a registration card for him in the manner hereinbefore prescribed.

shall be guilty of an offence punishable with a fine not exceeding twenty-five rupees or with simple imprisonment for a period not exceeding one month or with both such fine and imprisonment.

Interpretation.

**15** In this Ordinance, unless the context otherwise requires—

- “ Article ” when used with reference to a bakery means any kind of bread, biscuit, confectionery, or other similar food, and, when used with reference to an aerated water factory, means any kind of drink impregnated with carbon dioxide or oxygen, or both, under pressure ;
- “ Government Agent ” means the Government Agent of the Province, in which any premises licensed or to be licensed under the provisions of this Ordinance, are situated, and includes an Assistant Government Agent acting within his District ;
- “ licensed premises ” means any bakery or aerated-water factory licensed under the provisions of this Ordinance ;
- “ licensee ” means the proprietor of a bakery or aerated-water factory licensed under the provisions of this Ordinance, and includes any person, by whatever name called, having the management and control of any licensed premises in the absence of the proprietor or for or on behalf of the proprietor ;

- “premises” means the building or buildings in which the ordinary business of a bakery or aerated-water factory is carried on and the land appertaining thereto, and includes also every building or structure used by the proprietor of that bakery or aerated-water factory for carrying out any work preliminary to, or for storing the materials necessary for, the preparation or manufacture of an article ;
- “urban area” means the area within the administrative limits of any Municipal Council, Local Board or Urban District Council, or of any town brought under the operation of the Small Towns Sanitary Ordinance, 1892 ; No. 18 of 1892.
- “vender” means any person, whether paid or unpaid, employed by a licensee to carry or to deliver any article prepared in the licensed premises for sale or distribution within an urban area.

*Objects and Reasons.*

The existence in many parts of the Island of bakeries and aerated water factories, which, although they are themselves situated outside the administrative limits of neighbouring local authorities, habitually sell or supply their products for sale within those limits, defeats to some extent the purposes of public health for which the local authorities enforce by-laws or regulations in respect of such establishments. As no method adopted by the local authorities themselves can adequately deal with the entire problem, it is proposed in this Bill to make it obligatory for such establishments to obtain licences from the Government Agents and to comply with such directions as may be given in the interests of the public health by the Department of Medical and Sanitary Services.

2. Clause 3 lays down only one condition for the issue of a licence, and that is that the establishment should in the matter of buildings, equipment, and machinery, be in conformity with the by-laws or regulations of the local authority or authorities within whose administrative limits the products are to be sold. The licence is to be annual, and though a definite fee is prescribed in Clause 5, power is at the same time reserved to the Governor to fix more appropriate fees, whether for the whole Island or for specified areas.

3. While a licence is in force, each licensee is to comply with the regulations or by-laws enforced by the local authority with regard to the maintenance and conduct of similar establishments within its administrative area (Clause 6), and also to carry out such further directions as may be given by a Medical Officer of Health or in special cases by the Director of Medical and Sanitary Services (Clauses 8 and 9).

4. To make the system of control as complete as possible, it is also proposed that there should be compulsory registration of the employees taking part in the distribution of the products and that sale or transportation by an unregistered employee should be prohibited. The registration is to be renewed annually ; but as it is to be free of charge, no hardship is likely to be caused by this requirement (Clause 10).

5. Clauses 11 to 14 set out the penalties proposed for the various offences, and Clause 15 contains the usual interpretation of terms.

The Ministry of Health,  
Colombo, August 1, 1935.

T. B. PANABOKKE,  
Minister for Health.
