The following Draft of a proposed Ordinance is published for general information:—

**An Ordinance relating to Farbridge's Patent
No. 2,479 of 1929.**

Preamble.

WHEREAS by a Grant of Patent (in this Ordinance called Farbridge's Patent) under the Public Seal of the Island of Ceylon bearing date the 19th day of June, 1929, and numbered 2,479, the Governor in Executive Council did give and grant unto John Robert Farbridge, Mechanical Engineer, of 5, Spencer Terrace, Bensham, Gateshead-on-Tyne, in the County of Durham, England, (hereinafter referred to as "the said Patentee") his especial licence, full power, sole privilege, and authority that he the said Patentee by himself his agent or licensee and no others might at all times thereafter during the term of years therein mentioned make use, exercise and vend a certain invention entitled "Improvements in and relating to stoves or air heating apparatus" within the Island of Ceylon in such manner as to him or them might seem meet and that the said Patentee should have and enjoy the whole profit and advantage from time to time accruing by reason of the said invention during the term of fourteen years from the date mentioned in the said Grant of Patent.

And whereas under the provisions of The Patents Ordinance 1906 it is provided that every patent shall notwithstanding anything therein or in the said Patents Ordinance 1906 cease if the Patentee fail to make the prescribed payments within the prescribed times.

And whereas the third schedule to the said Patents Ordinance 1906 prescribes after the expiration of the fourth year and before the expiration of the fifth year from that date an annual fee of fifty rupees in respect of the continuance of the exclusive privilege.

And whereas the said renewal fee of fifty rupees on Farbridge's Patent became due on the 18th day of June, 1934, and was not paid on or before the said date.

And whereas the time prescribed by section 22 (4) (a) of the said Patents Ordinance 1906 during which the Registrar of Patents is empowered to enlarge the time for such payment expired on the 18th day of December, 1934.

And whereas the said Patentee inadvertently omitted to pay the said renewal fee of fifty rupees on Farbridge's Patent within the period aforesaid and failed to apply for an enlargement of the time for payment of the said renewal fee to the Registrar of Patents.

And whereas the said Patentee will be deprived of all advantage to accrue to him under Farbridge's Patent unless the legislative powers hereinafter contained are graciously granted.

And whereas a further renewal fee of Rs. 50 became due on the 18th day of June, 1935, being the fee payable after the expiration of the fifth year and before the expiration of the sixth year.

And whereas the said prescribed renewal fees aggregating one hundred rupees have now been paid and have been deposited in the proper department.

And whereas the present difficulty and threatened loss arise from inadvertence and accidentally and not from a wilful neglect or disobedience of the law; and it is therefore expedient that Farbridge's Patent should be rendered valid in the manner hereinafter mentioned.

Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the State Council thereof, as follows:

Short title.

1. This Ordinance may be cited as "The Farbridge's Patents Ordinance, No. 1935".

2. Upon the commencement of this Ordinance Farbridge's Patent (a true copy of which is set forth in the schedule to this Ordinance annexed) shall be considered, deemed, and taken to be and to have been as good, valid and effectual to all intents and purposes as if all the payments prescribed by "The Patents Ordinance 1906" to be made in respect of Farbridge's Patent before the passing of this Ordinance had been duly made or satisfied.

THE SCHEDULE REFERRED TO IN THE FOREGOING ORDINANCE.

The Patents Ordinance, 1906.

Grant of Patent.

No. 2,479.

Date: 19th June, 1929.

By His Excellency Sir GRAEME THOMSON, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Knight Commander of the Most Honourable Order of the Bath, Governor and Commander-in-Chief in and over the Island of Ceylon, with the Dependencies thereof.

To all to whom these Presents shall come.

Greeting:

Whereas John Robert Farbridge, Mechanical Engineer, of 5, Spencer Terrace, Bensham, Gateshead-on-Tyne, in the County of Durham, England and presently care of Messrs. Hoare & Co. (Engineers), Limited, Colombo, in the Island of Ceylon hath by his solemn declaration represented unto me that he has made an Application dated 19th June, 1929, for the protection of an Invention in the United Kingdom entitled "Improvements in and relating to Stoves or Air Heating Apparatus" and that the said Invention was not in use in Ceylon by any other person or persons before the nineteenth day of June, 1929, to the best of his knowledge and belief:

And whereas the said inventor hath humbly prayed that I would be pleased to grant unto him (hereinafter together with his executors, administrators, and assigns, or any of them, referred to as the said patentee), Letters Patent in the name of His Majesty for the sole use and advantage of the said invention within the Island of Ceylon :

And whereas the said inventor hath by and in his complete specification particularly described the nature of his invention :

Know Ye, therefore, that I, in the name and on behalf of His Majesty, do by these presents give and grant unto the said patentee my especial licence, full power, sole privilege, and authority, that he, the said patentee, by himself, his agent, or licensee, and no others, may at all times hereafter, during the term of years herein mentioned, make, use, exercise, and vend the said invention within the Island of Ceylon in such manner as to him or them may seem meet, and that the said patentee shall have and enjoy the whole profit and advantage from time to time accruing by reason of the said invention during the term of fourteen years from the date hereunder written of these presents. And to the end that the said patentee may have and enjoy the sole use and exercise and the full benefit of the said invention, I do by these presents require and strictly command all and every person and persons, bodies, politic and corporate, and all others of what estate, quality, degree, name, or condition soever they be within Ceylon, that they do not at any time during the continuance of the said term of fourteen years, either directly or indirectly, make use of or put in practice the said invention or any part of the same, nor in anywise imitate the same, nor make or cause to be made any addition thereto or subtraction therefrom, whereby to pretend themselves the inventors thereof, without the consent, licence, or agreement of the said patentee in writing under his hand and seal, on pain of incurring such penalties as may be justly inflicted on such offenders for their contempt and of being answerable to the said patentee according to law for his damages thereby occasioned. Provided always, and these Letters Patent are on this condition, that if at any time during the said term it be made to appear to the Court that this grant is contrary to law or prejudicial or inconvenient to His Majesty's subjects in general, or that the said invention is not a new invention as to the public use and exercise thereof, or that the said patentee is not the first and true inventor thereof, within this Island as aforesaid, these Letters Patent shall forthwith determine, and be void to all intents and purposes, notwithstanding anything hereinbefore contained. Provided also, that if the said patentee shall not pay all fees by law required to be paid in respect of the grant of these Letters Patent, or in respect of any matter relating thereto at the time or times, and in manner for time being by law provided ; and also if the said patentee shall not supply or cause to be supplied for His Majesty's Service in this Island all such articles of the said invention as may be required by the officers administering any department of His Majesty's Service in Ceylon in such manner, at such times, and at and upon such reasonable prices and terms as shall be settled for that purpose by the Governor of Ceylon, then, and in any of the said cases, these Letters Patent and all privileges and advantages whatever hereby granted shall determine and become void, notwithstanding anything hereinbefore contained. Provided also that nothing herein contained shall prevent the granting of licences in such manner and for such considerations as they may by law be granted. And lastly, I do by these presents in the name and on behalf of His Majesty grant unto the said patentee that these Letters Patent shall be construed in the most beneficial sense for the advantage of the said patentee.

In witness whereof I have caused these letters to be made Patent this tenth day of August, One thousand Nine hundred and Thirty-one, and to be sealed and dated as of the said nineteenth day of June, One thousand Nine hundred and Twenty-nine in the twentieth year of His Majesty's reign.

SCHEDULE.

Y.—Certificate of Registration of Death.

(Section 32A (2).)

No.

I have this day received from _____ of _____ notice of, and registered, the following death :

Name : _____.
Sex and nationality : _____.
Age : _____.
Date of occurrence : _____.
Place of occurrence : House No. _____,
_____ Street.
Cause of death : _____.

_____,
Registrar.

_____, 193—.

Objects and Reasons.

Section 32A of the Births and Deaths Registration Ordinance, 1895, provides that the dead body of a person who dies within an area proclaimed under section 31 of that Ordinance cannot be removed outside that area for burial until the death has been duly registered and a permit for removal issued by a competent authority. There is no provision in the principal Ordinance for the issue of a certificate as proof of registration of the death and it has been the practice for a Registrar in such cases to issue to the person registering the death the certificate required by section 32, and this certificate has been accepted as proof of the fact that the necessary registration has been effected.

2. All Registrars are bound to attend their offices and stations during certain hours specified by the Registrar-General, but it frequently happens, when a dead body has to be removed outside the area in which the death occurs, that in order to comply with the provisions of section 32A a Registrar is called upon to register the death and issue a certificate outside his office hours and even at night. Under the existing law a Registrar is not permitted to charge a fee for the issue of a certificate in such circumstances. While it is desirable that there should be facilities for registering a death and obtaining a certificate at night, it also seems equitable that a Registrar should be suitably remunerated when called upon to issue a certificate outside office hours.

3. The object of Clause 3 of this Bill is to amend section 32A of the principal Ordinance so as to prescribe the form of a certificate which will be issued by a Registrar as proof of registration of the death, and to enable a Registrar to charge a fee of Rs. 5 when application for the certificate is made and the certificate is issued between the hours of 6 P.M. and 6 A.M. When the application is made between those hours and an inspection of the body is necessary under the Ordinance and is completed by the Registrar between those hours, provision is made that he may charge a fee of Rs. 7.50, even though the certificate is not actually issued until after 6 A.M.

4. Clause 2 of the Bill amends section 32 of the principal Ordinance so as to empower the person in charge of a cemetery in a proclaimed area to permit the burial of the body of a person who died in some other proclaimed area on production of a certificate of registration in form Y.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

**An Ordinance to amend the Indian Labour Ordinance,
No. 27 of 1927.**

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Indian Labour Amendment Ordinance, No. _____ of 1935.

2 The following new section shall be inserted immediately after section 10, and shall have effect as section 10A, of the Indian Labour Ordinance, No. 27 of 1927, (hereinafter referred to as "the principal Ordinance") :—

Insertion of new section 10A in the principal Ordinance.

10A. (1) On every estate an allowance of one-eighth of a bushel of unblended rice of good quality shall be issued, free of charge, each month by the employer—

Liability to issue monthly allowance of rice

(a) to every Indian male labourer above the age of sixteen years employed on the estate, and

(b) to every Indian widow resident on the estate and having at least one child below the age of ten years dependent on her.

(2) With the written permission of the Controller first had and obtained, any employer may, in lieu of the allowance of rice under sub-section (1), supply daily, free of charge, one or more meals of rice and gurry or such other article of food as may be approved by the Controller, to each of the children below the age of ten years resident on the estate and dependent on any of the labourers employed or the widows resident thereon.

or to supply free meals.

(3) The permission given by the Controller under sub-section (2) shall be—

(a) subject to the condition that the meals supplied are at all times of good quality, and that in the aggregate for any month they are not less in value than the allowance of rice that would otherwise have been issued under sub-section (1); and

(b) liable to be withdrawn at any time by written notice under the hand of the Controller, if the foregoing condition is not fulfilled to his satisfaction.

(4) Nothing in this section contained shall be deemed to affect the provisions of section 12 of the Medical Wants Ordinance, No. 9 of 1912.

3 Section 11 of the principal Ordinance is hereby amended as follows :—

Amendment of section 11 of the principal Ordinance.

(1) in sub-section (1) thereof, by the substitution for the words "shall on conviction", of the words—

"or fails to issue the monthly allowance of rice or in lieu thereof to supply free meals in accordance with section 10A, shall on conviction"; and

(2) in sub-section (2) thereof, by the substitution for the words "during that period", of the words—

"during that period, or to represent the cost of the allowance of rice which ought to have been issued in accordance with section 10A during that period."

Objects and Reasons.

The object of this amendment to the Labour Ordinance, No. 27 of 1927, is to implement an undertaking given to the Government of India, that legislation will be introduced in Ceylon to make it obligatory on the proprietor of an estate to issue, each month, one-eighth of a bushel of free rice to each male Indian labourer, and to each Indian widow with one or more children under ten years of age, resident on the estate. As even non-working widows are to be entitled to the rice if they have such children to support, this issue of rice has to be treated not as a part of the wages but as an allowance. The necessary provision for such an allowance is accordingly to be made by sub-section (1) of the new section 10A which is set out in Clause 2.

The other sub-sections of the proposed section will provide that as an alternative to the issue of free rice, the proprietor of any estate may, with the prior approval of the Controller of Labour, supply daily one or more free meals of rice or other approved article, to all resident children under ten years of age who are dependent on the labourers or the widows living on the estate.

The penalties for a contravention of the new provisions are to be the same as those now prescribed for the failure to pay the proper wages. The amendments which have to be made in section 11 for this purpose are set out in Clause 3 of the Bill.
