“(2) Such interest shall, until the thirtieth day of September, nineteen hundred and thirty-five, be at the rate of eight per centum per annum, free from any deduction, and shall after that date be at the rate of six per centum per annum, free from any deduction”.

Objects and Reasons.

H. G. Dawson, Esquire, Surveyor-General.

Objects and Reasons.

In 1927 and 1928, the Crown leased two allotments of land for the use of the Ceylon Rubber Research Scheme which was a voluntary association formed for the purpose of furthering and developing the rubber industry and of encouraging and promoting scientific research in respect of rubber and all problems connected with the rubber industry.

2. When the Rubber Research Board was established under the Rubber Research Ordinance, 1930, the members of the Scheme decided by resolution that the lease-hold rights of the Scheme in the two allotments of land referred to above should be transferred to the Rubber Research Board. Legal difficulties were experienced in giving effect to this resolution by an ordinary notarial assignment and this Bill is introduced with the object of vesting in the Rubber Research Board by legislation valid title to the lease-hold rights of the Ceylon Rubber Research Scheme in the two lands leased to the Scheme by the Crown.
