The Schedule above referred to.

All that allotment of Crown Land called Nawitigalakele in Owitigala Village, Iddagoda Pattuwa, Pasdun korale west, Kalutara District, Western Province. Bounded as follows:— North by Lot 2 in P. P. 19,356, L. P. 2,935 and Lot 6 in P. P. 18,893. East by T. P. 381,859 and a channel. South by a channel and land claimed on T. Ps. 184,345 and 55,286. West by land claimed on T. Ps. 55,286 and 73,087. Containing in extent Thirteen Acres One Rood and Thirty Perches (13A. 1R. 30P.) and more particularly delineated and described in Lease Plan No. 3,270 dated the 4th February, 1928, authenticated by A. H. G. Dawson, Esquire, Surveyor-General.

Objects and Reasons.

In 1927 and 1928, the Crown leased two allotments of land for the use of the Ceylon Rubber Research Scheme which was a voluntary association formed for the purpose of furthering and developing the rubber industry and of encouraging and promoting scientific research in respect of rubber and all problems connected with the rubber industry.

2. When the Rubber Research Board was established under the Rubber Research Ordinance, 1930, the members of the Scheme decided by resolution that the lease-hold rights of the Scheme in the two allotments of land referred to above should be transferred to the Rubber Research Board. Legal difficulties were experienced in giving effect to this resolution by an ordinary notarial assignment and this Bill is introduced with the object of vesting in the Rubber Research Board by legislation valid title to the lease-hold rights of the Ceylon Rubber Research Scheme in the two lands leased to the Scheme by the Crown.

An Ordinance to amend the Weights and Measures Ordinance, 1876.

No. 8 of 1876.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

1 This Ordinance may be cited as the Weights and Measures (Second Amendment) Ordinance, No. of 1935.

Short title.

2 The following new section is hereby inserted immediately after section 17, and shall have effect as section 18, of the Weights and Measures Ordinance, 1876 :—

Insertion of new section 18 in Ordinance No. 8 of 1876.

18. (1) For the purposes of any test or verification of the copies of the standard weights and measures preserved under section 2—

Verification of the copies preserved under the Ordinance.

- (a) one set of copies of the standards declared by section 1 may be preserved by the Registrar-General; and
(b) a person may be appointed by the Governor, by name or by office, to be or to act as Inspector of Weights and Measures for the Island.

(2) The person so appointed may at any time inspect and test or verify the copies of the standards preserved under section 2, and it shall be the duty of the authority by whom such copies are preserved to permit such inspection and to render all such assistance as may be necessary for such test or verification.

Objects and Reasons.

Under the Weights and Measures Ordinance, 1876, copies of the weights and measures declared by that Ordinance to be the standards for the whole Island are preserved by various local authorities and at each Kachcheri. Some of the copies in use have been found to be not quite accurate, owing to the wear and tear caused by frequent use over long periods. There is at present no provision in the Ordinance under which the accuracy of the copies of the standards in use throughout the Island can be tested.

2. Clause 2 of this Bill therefore adds to the principal Ordinance a new section which, by providing for the preservation of one set of copies of the standards by the Registrar-General, and for the appointment of an officer who will be empowered to inspect and test the accuracy of any copies of the standards in use, will make it possible to ensure accuracy and uniformity in the standards used throughout the Island.

8 Section 31 of the principal Ordinance is hereby amended in paragraph (d) thereof by the substitution for the words "any outstanding loans," of the words "any outstanding loans, whether issued before or after the commencement of this Ordinance,".

Amendment of section 31 of the principal Ordinance.

9 The following new section shall be inserted immediately after section 37, and shall have effect as section 37A, of the principal Ordinance :—

Insertion of new section 37A in the principal Ordinance.

37A. Upon the notification in the Gazette of any resolution passed by the State Council and approved by the Governor, that all privileges exemptions and immunities attaching by virtue of any written law in force in Ceylon to any debenture or inscribed stock issued for the purposes of any loan charged on the public revenue of Ceylon at any time prior to the twenty-first day of March, 1932, shall attach to any new debenture or inscribed stock issued in conversion of the earlier debenture or inscribed stock aforesaid, all such privileges exemptions and immunities shall accordingly attach to any such new debenture or inscribed stock issued or duly transferred to any individual not ordinarily resident in Ceylon or to any company or body of persons having its registered or principal office outside Ceylon or having its business actually controlled or managed from any place outside Ceylon.

Exemption from tax and duty in certain cases.

Objects and Reasons.

The General Loan and Inscribed Stock Ordinance, No. 5 of 1921, authorises the issue of debentures or of inscribed stock when power has been taken by Ordinance to raise money for public purposes, but contains no provision enabling an existing loan to be converted into a new loan on terms more advantageous to the Government. Under section 6 debentures must be redeemed either on the date fixed for that purpose at the time of the issue or by annual drawings or by purchase in the open market. Section 25 similarly provides that inscribed stock must be redeemed on the date specified at the time of issue. No provision exists in either case for taking advantage of the fluctuations in the money market, either to discharge or to lighten the burden of debt whenever a suitable opportunity occurs. The power to convert loans appears to be limited by section 31 to the conversion of loans which were outstanding at the time the Ordinance came into force.

2. The principal object of this Bill is to facilitate the conversion of loans by amending the Ordinance as follows :—

- (1) by the substitution, for section 6, of a new section which enacts the provisions of the old section, and in addition enables the Governor, or the Crown Agents on his behalf, to specify at the time of issue of any debentures, the conditions on which an option may be exercised to redeem the debentures at a date earlier than that fixed at the time of issue (Clause 2);
- (2) by the substitution, for section 25, of a new section which similarly enlarges the provisions relating to the redemption of inscribed stock (Clause 6); and
- (3) by an amendment of paragraph (d) of section 31, extending the provisions of that section to loans raised after the date on which the Ordinance came into force (Clause 8).

3. The purpose of Clause 9 is to add to the principal Ordinance a new section, which will empower the Government to exempt from the liability to pay any local tax or duty, any non-resident holder of debentures or inscribed stock issued in conversion of a loan, the interest on which is exempt from tax under section 8 of the Income Tax Ordinance, 1932. The exemption will be effected by resolution of the State Council approved by the Governor.

4. The minor amendments proposed in Clauses 3, 5 and 7 have been found to be necessary in order to remove the difficulties of interpretation and to facilitate the administration of the principal Ordinance.
