His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India, and the President of the Republic of Finland ;

Being desirous to render mutual assistance in the conduct of legal proceedings in civil and commercial matters which are being dealt with or which it is anticipated may be dealt with by their respective judicial authorities ;

Have resolved to conclude a Convention for this purpose and have appointed as their Plenipotentiaries :

His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India :

for Great Britain and Northern Ireland :

The President of the Republic of Finland :

Monsieur Georg Achates Gripenberg, Envoy Extra-
ordinary and Minister Plenipotentiary of the Republic
of Finland in London ;

Who, having communicated their full powers, found in good and due form have agreed as follows :—

I.—Preliminary.

ARTICLE 1.

(a) This Convention applies only to civil and commercial matters, including non-contentious matters.

(b) In this Convention the words :

(1) "territory of one (or of the other) High Contracting Party" shall be interpreted (a) in relation to the Republic of Finland, as meaning Finland and (b) in relation to His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India—England and Wales and all territories in respect of which the Convention is in force by reason of extensions under Article 14 or accessions under Article 15 ;

(2) "persons" shall be deemed to mean individuals and artificial persons ;

(3) "artificial persons" shall be deemed to include partnerships, companies, societies and other corporations ;

(4) "subjects or citizens of a High Contracting Party" shall be deemed to include artificial persons constituted or incorporated under the laws of the territory of such High Contracting Party ;

(5) "subjects (or citizens) of one (or of the other) High Contracting Party" shall be deemed to mean (a) in relation to the Republic of Finland—all Finnish citizens ; and (b) in relation to His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India—all subjects of His Majesty wherever domiciled, and all persons under His protection.

II.—Service of Judicial and Extra-Judicial Documents.

ARTICLE 2.

(a) When judicial or extra-judicial documents drawn up in the territory of one of the High Contracting Parties are required to be served on persons in the territory of the other High Contracting Party, such documents may be served on the recipient, whatever his nationality, in the manner provided in Article 3.

(b) In Part II of this Convention the expression "country of origin" means the country from which the documents to be served emanate, and the expression "country of execution" means the country in which service of documents is to be effected.

ARTICLE 3.

(a) A request for service shall be addressed and sent by a Diplomatic or Consular Officer acting for the country of origin to the competent authority of the country of execution, requesting such authority to cause the document in question to be served.

(b) The request for service shall be drawn up in the language of the country of execution and shall state the full names and descriptions of the parties, the full name, description and address of the recipient, and the nature of the document to be served, and shall enclose the document to be served in duplicate.

(c) The document to be served shall either be drawn up in the language of the country of execution, or be accompanied by a translation into such language. Such translation shall be certified as correct by a Diplomatic or Consular Officer acting for the country of origin.

(d) Requests for service shall be addressed and sent :
In Finland to the Governor of the Province in which service is to be effected ;

In England to the Senior Master of the Supreme Court of Judicature.

If the authority to whom a request for service has been sent is not competent to execute it, such authority shall (except in cases where execution is refused in accordance with paragraph (f) of this Article) of his own motion forward the request to the competent authority of the country of execution.

(e) Service shall be effected by the competent authority of the country of execution, who shall serve the document in the manner prescribed by the municipal law of such country for the service of similar documents, except that, if a wish for some special manner of service is expressed in the request for service, such manner of service shall be followed in so far as it is not incompatible with the law of that country.

(f) The execution of a request for service, duly made in accordance with the preceding provisions of this Article, shall not be refused unless (1) the authenticity of the request for service is not established, or (2) the High Contracting Party in whose territory it is to be executed considers that his sovereignty or safety would be compromised thereby.

(g) In every instance where a request for service is not executed by the authority to whom it has been sent, the latter will at once inform the Diplomatic or Consular Officer by whom the request was sent, stating the ground on which the execution of the request has been refused or the competent authority to whom it has been forwarded.

(h) The authority by whom the request for service is executed shall furnish a certificate proving the service or explaining the reason which has prevented such service, and setting forth the fact, the manner and the date of such service or attempted service, and shall send the said certificate to the Diplomatic or Consular Officer by whom the request for service was sent. The certificate of service or of attempted service shall be placed on one of the duplicates or attached thereto.

ARTICLE 4.

(a) The provisions of Articles 2 and 3 in no way prejudice the right to use in the territory of either High Contracting Party, without any request to or intervention of the authorities of the country of execution, any of the following methods of service in connexion with judicial or extra-judicial documents drawn up in the territory of the other High Contracting Party :

(1) Service by a Diplomatic or Consular Officer acting for the country of origin ;

(2) Service by an agent appointed for the purpose either by the judicial authority of the country of origin or by the party on whose application the document was issued ;

(3) Service through the post ; or

(4) Any other method of service recognised under the law existing at the time of service in the country of origin.

(b) The High Contracting Parties agree that in principle it is desirable that documents served by any of the methods referred to in paragraph (a) of this Article should, unless the recipient is a subject or citizen of the High Contracting Party from whose territory the document to be served emanates, either be drawn up in the language of the country of execution or be accompanied by a translation into such language. Nevertheless, in the absence of any legislation in their respective territories making translations obligatory in such cases, the High Contracting Parties do not accept any obligation in this respect.

(c) It is understood that the question of the validity and effect of any service effected by the use of any of the methods referred to in paragraph (a) of this Article will remain a matter for the free determination of the respective courts of the High Contracting Parties in accordance with their laws.

ARTICLE 5.

(a) In any case where documents have been served in accordance with the provisions of Article 3, the High Contracting Party, by whose Diplomatic or Consular Officer the request for service was addressed, shall repay to the other High Contracting Party any charges and expenses which are payable under the law of the country of execution to the persons employed to effect service, and any charges and expenses incurred in effecting service in a special manner. These charges and expenses shall not exceed such as are usually allowed in the courts of that country.

(b) Repayment of these charges and expenses shall be claimed by the competent authority by whom the service has been effected from the Diplomatic or Consular Officer by whom the request was addressed, when sending to him the certificate provided for in Article 3 (h).

(c) Except as provided above, no fees of any description shall be payable by one High Contracting Party to the other in respect of the service of any documents.

III.—Taking of Evidence.

ARTICLE 6.

(a) When a judicial authority in the territory of one of the High Contracting Parties requires that evidence should be taken in the territory of the other High Contracting Party, such evidence may be taken, whatever the nationality of the parties or witnesses may be, in the manner prescribed in Article 7.

(b) In Part III of this Convention (but without prejudice to the safeguards in respect of the law of the country of execution contained in paragraph (d) of Article 7) the expressions :

(1) "Taking of evidence" shall be deemed to include the taking of the statements of a plaintiff, defendant, expert or any other person on oath or otherwise ; the submission to a plaintiff, defendant, expert or any other person of any oath with regard to any legal proceedings ; and the production, identification and examination of documents, samples or other objects ;

(2) "Witness" shall be deemed to include any person from whom any evidence, as defined above, is required to be taken ;

(3) "Country of origin" shall be deemed to mean the country by whose judicial authority the evidence is required, and "country of execution," the country in which the evidence is to be taken.

ARTICLE 7.

(a) The judicial authority of the country of origin may, in accordance with the provisions of the law of his country, address himself by means of a Letter of Request to the competent authority of the country of execution, requesting such authority to take the evidence.

(b) The Letter of Request shall be drawn up in the language of the country of execution, or be accompanied by a translation into such language. Such translation shall be certified as correct by a Diplomatic or Consular Officer acting for the country of origin. The Letter of Request shall state the nature of the proceedings for which the evidence is required, giving all necessary information in regard thereto, the full names and descriptions of the parties thereto, and the full names, descriptions and addresses of the witnesses. It shall also either (1) be accompanied by a list of interrogatories to be put to the witness or witnesses, or, as the case may be, by a description of the documents, samples or other objects to be produced, identified or examined, and a translation thereof, certified as correct in the manner heretofore provided ; or (2) shall contain instructions or information as to the matters in relation to which evidence is required ; or (3) shall request the competent authority to allow such questions to be asked *viva voce* as the parties or their representatives shall desire to ask.

(c) Letters of Request shall be transmitted :

In Finland by a British Consular Officer to the Tribunal of First Instance in the jurisdiction of which the witnesses to be examined are resident ;

In England by a Finnish Diplomatic or Consular Officer to the Senior Master of the Supreme Court of Judicature.

In case the authority to whom any Letter of Request is transmitted is not competent to execute it, such authority shall (except in cases where execution is refused in accordance with paragraph (f) of this Article) of his own motion forward the Letter of Request to the competent authority for the country of execution.

(d) The competent authority of the country of execution shall give effect to the Letter of Request and obtain the evidence required by the use of the same compulsory measures and the same procedure as are employed in the execution of a commission or order emanating from the authorities of his own country, except that if a wish that some special procedure should be followed is expressed in the Letter of Request, such special procedure shall be followed in so far as it is not incompatible with the law of the country of execution.

(e) The Diplomatic or Consular Officer, by whom the Letter of Request is transmitted, shall, if he so desires, be informed of the date when and the place where the proceedings will take place, in order that he may inform the interested party or parties, who shall be permitted to be present in person or to be represented, if they so desire, by barristers or solicitors or by any representatives who are competent to appear before the courts either of the country of origin or of the country of execution.

(f) The execution of a Letter of Request which complies with the preceding provisions of this Article can only be refused :

(1) If the authenticity of the Letter of Request is not established ;

(2) If, in the country of execution, the execution of the Letter of Request in question does not fall within the functions of the judiciary ;

(3) If the High Contracting Party in whose territory it is to be executed considers that his sovereignty or safety would be compromised thereby.

(g) In every instance where a Letter of Request is not executed by the authority to whom it is addressed, the latter will at once inform the Diplomatic or Consular Officer by whom it was transmitted, stating the grounds on which the execution of the Letter of Request has been refused, or the competent authority to whom it has been forwarded.

(h) When a Letter of Request has been executed, the competent authority to whom it was transmitted or forwarded shall send to the Diplomatic or Consular Officer by whom it was transmitted the necessary documents establishing its execution.

ARTICLE 8.

(a) The provisions of Articles 6 and 7 in no way prejudice the right of taking evidence required by a judicial authority in the territory of one High Contracting Party in the territory of the other, without any request to or the intervention of the authorities of the country of execution by a person qualified to do so according to the law of the country of origin. Such person may be a Diplomatic or Consular Officer acting for the country of origin or any other suitable individual directly appointed for the purpose.

(b) It is understood that, where the method of taking evidence referred to in the preceding paragraph is employed, the procedure must be entirely voluntary and no measures of compulsion can be employed, and the admissibility of evidence so taken remains a matter for the determination of the respective courts of the High Contracting Parties in accordance with their law.

ARTICLE 9.

The fact that an attempt to take evidence by the method laid down in Article 8 has failed owing to the refusal of any witness to appear or to give evidence does not preclude a request being subsequently made in accordance with Article 7.

ARTICLE 10.

(a) Where evidence is taken in the manner provided in Article 7, the High Contracting Party, by whose judicial authority the Letter of Request was addressed, shall repay to the other High Contracting Party any expenses incurred by the competent authority of the latter in the execution of the request in respect of any charges and expenses payable to witnesses, experts, interpreters, or translators, the costs of obtaining the attendance of witnesses who have not appeared voluntarily, and the charges and expenses payable to any person whom such authority may have deputed to act, in cases where the law of the country of execution permits this to be done, and any charges and expenses incurred by reason of a special procedure being requested

and followed. These expenses shall be such as are usually allowed in similar cases in the courts of the country of execution.

(b) The repayment of these expenses shall be claimed by the competent authority by whom the Letter of Request has been executed from the Diplomatic or Consular Officer by whom it was transmitted when sending to him the documents establishing its execution as provided in Article 7 (h).

(c) Except as above provided no fees of any description shall be payable by one High Contracting Party to the other in respect of the taking of evidence.

IV.—*Judicial Assistance for Poor Persons, Imprisonment for Debt and Security for Costs.*

ARTICLE 11.

The subjects or citizens of one High Contracting Party shall enjoy in the territory of the other High Contracting Party a perfect equality of treatment with subjects or citizens of that High Contracting Party as regards free judicial assistance for poor persons and imprisonment for debt; and provided that they are resident in the territory shall not be compelled to give security for costs in any case where a subject or citizen of such other High Contracting Party would not be so compelled.

V.—*General Provisions.*

ARTICLE 12.

Any difficulties which may arise in connexion with the operation of this Convention shall be settled through the diplomatic channel.

ARTICLE 13.

The present Convention, of which the Finnish and Swedish and English texts are equally authentic, shall be subject to ratification. Ratifications shall be exchanged in London. The Convention shall come into force one month after the date on which ratifications are exchanged and shall remain in force for three years after the date of its coming into force. If neither of the High Contracting Parties shall have given notice through the diplomatic channel to the other not less than six months before the expiration of the said period of three years of his intention to terminate the Convention, it shall remain in force until the expiration of six months from the day on which either of the High Contracting Parties shall have given notice to terminate it.

ARTICLE 14.

(a) This Convention shall not apply *ipso facto* to Scotland or Northern Ireland, nor to any of the Colonies or Protectorates of His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India, nor to any territories under His suzerainty, nor to any Mandated territories in respect of which the mandate is exercised by His Government in the United Kingdom, but His Majesty may at any time, while this Convention is in force under Article 13, by a notification given through His Minister at Helsingfors, extend the operation of the Convention to any of the above-mentioned territories.

(b) Such notification shall state the authorities in the territory concerned to whom requests for service under Article 3 or Letters of Request under Article 7 are to be transmitted, and the language in which communications and translations are to be made. The date of the coming into force of any such extension shall be one month from the date of such notification.

(c) Either of the High Contracting Parties may, at any time after the expiry of three years from the coming into force of an extension of this Convention to any of the territories referred to in paragraph (a) of this Article, terminate such extension on giving six months' notice of termination through the diplomatic channel.

(d) The termination of the Convention under Article 13 shall, unless otherwise expressly agreed to by both High Contracting Parties, *ipso facto* terminate it in respect of any territories to which it has been extended under paragraph (a) of this Article.

ARTICLE 15.

(a) The High Contracting Parties agree that His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India, may at any time, while the present Convention is in force, either under Article 13 or by virtue of any accession under this Article, by a notification given through the diplomatic channel, accede to the present Convention in respect of any other Member of the British Commonwealth of Nations whose Government may desire that such accession should be effected, provided that no notification of accession may be given at any time when the President of the Republic of Finland has given notice of termination in respect of all the territories of His Majesty to which the Convention applies. The provisions of Article 14 (b) shall be applicable to such notification. Any such accession shall take effect one month after the date of its notification.

(b) After the expiry of three years from the date of the coming into force of any accession under paragraph (a) of this Article, either of the High Contracting Parties may, by giving six months' notice of termination through the diplomatic channel, terminate the application of the Convention to any country in respect of which a notification of accession has been given. The termination of the Convention under Article 13 shall not affect its application to any such country.

(c) Any notification of accession under paragraph (a) of this Article may include any dependency or mandated territory administered by the Government of the country in respect of which such notification of accession is given; and any notice of termination in respect of any such country under paragraph (b) shall apply to any dependency or mandated territory which was included in the notification of accession in respect of that country.

In witness whereof the undersigned have signed the present Convention, in Finnish, Swedish and English texts, and have affixed thereto their seals.

(1) the holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares.

(2) all or any of the rights, privileges and conditions attached to each class may be commuted, abrogated, abandoned, added to or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding Article shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or

to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

CALLS.

54. (a) *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

But no Shareholder shall be entitled to any such extension, except as a matter of grace or favour.

55. *Interest on unpaid calls.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this Article.

56. *Payments in anticipation of calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his share beyond the sum actually called up.

BORROWING POWERS.

57. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations or otherwise. Also from time to time, at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not without the sanction of a General Meeting, exceed the sum of Fifty thousand Rupees (Rs. 50,000). The Directors shall, with the sanction of a General Meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors, may, for the purpose of securing the re-payment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided that before the Directors execute any mortgage, issue any debentures or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting whether ordinary or extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the agent or secretary or agents or secretaries to the effect that the Directors have power to borrow the amount which such

document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

74. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner, and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
