Ordinance enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof.

No. 45 of 1935.

**An Ordinance relating to Farbridge's Patent
No. 2,479 of 1929.**

R. E. STUBBS.

Preamble.

WHEREAS by a Grant of Patent (in this Ordinance called Farbridge's Patent) under the Public Seal of the Island of Ceylon bearing date the 19th day of June, 1929, and numbered 2,479, the Governor in Executive Council did give and grant unto John Robert Farbridge, Mechanical Engineer, of 5, Spencer Terrace, Bensham, Gateshead-on-Tyne, in the County of Durham, England, (hereinafter referred to as "the said Patentee") his especial licence, full power, sole privilege, and authority that he the said Patentee by himself his agent or licensee and no others might at all times thereafter during the term of years therein mentioned make use, exercise and vend a certain invention entitled "Improvements in and relating to stoves or air heating apparatus" within the Island of Ceylon in such manner as to him or them might seem meet and that the said Patentee should have and enjoy the whole profit and advantage from time to time accruing by reason of the said invention during the term of fourteen years from the date mentioned in the said Grant of Patent.

And whereas under the provisions of The Patents Ordinance 1906 it is provided that every patent shall notwithstanding anything therein or in the said Patents Ordinance 1906 cease if the Patentee fail to make the prescribed payments within the prescribed times.

And whereas the third schedule to the said Patents Ordinance 1906 prescribes after the expiration of the fourth year and before the expiration of the fifth year from that date an annual fee of fifty rupees in respect of the continuance of the exclusive privilege.

And whereas the said renewal fee of fifty rupees on Farbridge's Patent became due on the 18th day of June, 1934, and was not paid on or before the said date.

And whereas the time prescribed by section 22 (4) (a) of the said Patents Ordinance 1906 during which the Registrar of Patents is empowered to enlarge the time for such payment expired on the 18th day of December, 1934.

And whereas the said Patentee inadvertently omitted to pay the said renewal fee of fifty rupees on Farbridge's Patent within the period aforesaid and failed to apply for an enlargement of the time for payment of the said renewal fee to the Registrar of Patents.

And whereas the said Patentee will be deprived of all advantage to accrue to him under Farbridge's Patent unless the legislative powers hereinafter contained are graciously granted.

And whereas a further renewal fee of Rs. 50 became due on the 18th day of June, 1935, being the fee payable after the expiration of the fifth year and before the expiration of the sixth year.

And whereas the said prescribed renewal fees aggregating one hundred rupees have now been paid and have been deposited in the proper department.

And whereas the present difficulty and threatened loss arise from inadvertence and accidentally and not from a wilful neglect or disobedience of the law; and it is therefore expedient that Farbridge's Patent should be rendered valid in the manner hereinafter mentioned.

Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the State Council thereof, as follows :

Short title.

1 This Ordinance may be cited as "The Farbridge's Patents Ordinance, No. 45 of 1935".

Validation of Patent.

2 Upon the commencement of this Ordinance Farbridge's Patent (a true copy of which is set forth in the schedule to this Ordinance annexed) shall be considered, deemed, and taken to be and to have been as good, valid and effectual to all intents and purposes as if all the payments prescribed by "The Patents Ordinance 1906" to be made in respect of Farbridge's Patent before the passing of this Ordinance had been duly made or satisfied.

3 No action or other proceeding shall be commenced or prosecuted nor any damage recovered—

- (1) In respect of any infringement of Farbridge's Patent which shall have taken place after the 18th day of June, 1934, and before the commencement of this Ordinance.
- (2) In respect of the use or employment at any time hereafter of any structure, process, or operation actually made or carried on within the Island of Ceylon, or of the use or sale of any article manufactured or made in infringement of Farbridge's Patent after the said date and before the commencement of this Ordinance Provided that such use employment or sale is by the person or corporation by or for whom such article was *bona fide* manufactured or made or such structure process or operation was *bona fide* made or carried on by his or their executors administrators successors or vendees or his or their assigns respectively.
- (3) In respect of the use or employment at any time hereafter (by the person or corporation entitled for the time being under the preceding sub-section to use or employ any structure, process, or operation) of any improved, extended, or developed structure, process, or operation or of the use or sale of any article thereby manufactured or made in infringement of Farbridge's Patent Provided that the use or employment of such improved, extended, or developed structure, process, or operation shall be limited to the buildings, works, or premises of the person or corporation by or for whom such structure, process, or operation was made or carried on, within the meaning of the preceding sub-section, his or their executors, administrators, successors, or assigns.

Prohibition of actions in respect of infringements, &c., taking place between date when patent became void and commencement of Ordinance.

4 If any person shall within one year after the passing of this Ordinance make an application to the Registrar-General and Director of Commercial Intelligence for compensation in respect of money, time, or labour expended by the applicant upon the subject-matter of Farbridge's Patent on a *bona fide* belief that such Patent had become and continued to be void, it shall be lawful for the said Registrar-General and Director of Commercial Intelligence, after hearing the parties concerned or their agents, to assess the amount of such compensation if in his opinion the application ought to be granted, and to specify the party by whom and the day on which such compensation shall be paid; and if default shall be made in payment of the sum awarded, then Farbridge's Patent shall by virtue of this Ordinance become void, but the sum awarded shall not in that case be recoverable as a debt or damages.

Compensation for money, &c., expended in *bona fide* belief that patent was void.

5 Nothing in this Ordinance contained shall prejudice or affect the rights of His Majesty the King, his heirs and successors or of any body politic or corporate or of any other person except such as are mentioned in this Ordinance and those claiming by from or under them.

THE SCHEDULE REFERRED TO IN THE FOREGOING ORDINANCE.

The Patents Ordinance, 1906.

Grant of Patent.

No. 2,479.

Date: 19th June, 1929.

By His Excellency Sir GRAEME THOMSON, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Knight Commander of the Most Honourable Order of the Bath, Governor and Commander-in-Chief in and over the Island of Ceylon, with the Dependencies thereof.

To all to whom these Presents shall come.

Greeting:

Whereas John Robert Farbridge, Mechanical Engineer, of 5 Spencer Terrace, Bensham, Gateshead-on-Tyne, in the County of Durham, England and presently care of Messrs. Hoare & Co. (Engineers), Limited, Colombo, in the Island of Ceylon hath by his solemn declaration represented unto me that he has made an Application dated 19th June, 1929, for the protection of an Invention in the United Kingdom entitled "Improvements in and relating to Stoves or Air Heating Apparatus" and that the said Invention was not in use in Ceylon by any other person or persons before the nineteenth day of June, 1929, to the best of his knowledge and belief:

And whereas the said inventor hath humbly prayed that I would be pleased to grant unto him (hereinafter together with his executors, administrators, and assigns, or any of them, referred to as the said patentee), Letters Patent in the name of His Majesty for the sole use and advantage of the said invention within the Island of Ceylon :

And whereas the said inventor hath by and in his complete specification particularly described the nature of his invention :

Know Ye, therefore, that I, in the name and on behalf of His Majesty, do by these presents give and grant unto the said patentee my especial licence, full power, sole privilege, and authority, that he, the said patentee, by himself, his agent, or licensee, and no others, may at all times hereafter, during the term of years herein mentioned, make, use, exercise, and vend the said invention within the Island of Ceylon in such manner as to him or them may seem meet, and that the said patentee shall have and enjoy the whole profit and advantage from time to time accruing by reason of the said invention during the term of fourteen years from the date hereunder written of these presents. And to the end that the said patentee may have and enjoy the sole use and exercise and the full benefit of the said invention, I do by these presents require and strictly command all and every person and persons, bodies, politic and corporate, and all others of what estate, quality, degree, name, or condition soever they be within Ceylon, that they do not at any time during the continuance of the said term of fourteen years, either directly or indirectly, make use of or put in practice the said invention or any part of the same, nor in anywise imitate the same, nor make or cause to be made any addition thereto or subtraction therefrom, whereby to pretend themselves the inventors thereof, without the consent, licence, or agreement of the said patentee in writing under his hand and seal, on pain of incurring such penalties as may be justly inflicted on such offenders for their contempt and of being answerable to the said patentee according to law for his damages thereby occasioned. Provided always, and these Letters Patent are on this condition, that if at any time during the said term it be made to appear to the Court that this grant is contrary to law or prejudicial or inconvenient to His Majesty's subjects in general, or that the said invention is not a new invention as to the public use and exercise thereof, or that the said patentee is not the first and true inventor thereof, within this Island as aforesaid, these Letters Patent shall forthwith determine, and be void to all intents and purposes, notwithstanding anything hereinbefore contained. Provided also, that if the said patentee shall not pay all fees by law required to be paid in respect of the grant of these Letters Patent, or in respect of any matter relating thereto at the time or times, and in manner for time being by law provided ; and also if the said patentee shall not supply or cause to be supplied for His Majesty's Service in this Island all such articles of the said invention as may be required by the officers administering any department of His Majesty's Service in Ceylon in such manner, at such times, and at and upon such reasonable prices and terms as shall be settled for that purpose by the Governor of Ceylon, then, and in any of the said cases, these Letters Patent and all privileges and advantages whatever hereby granted shall determine and become void, notwithstanding anything hereinbefore contained. Provided also that nothing herein contained shall prevent the granting of licences in such manner and for such considerations as they may by law be granted. And lastly, I do by these presents in the name and on behalf of His Majesty grant unto the said patentee that these Letters Patent shall be construed in the most beneficial sense for the advantage of the said patentee.

In witness whereof I have caused these letters to be made Patent this tenth day of August, One thousand Nine hundred and Thirty-one, and to be sealed and dated as of the said nineteenth day of June, One thousand Nine hundred and Twenty-nine in the twentieth year of His Majesty's reign.

(2) the Company had been entitled to exercise, perform and enjoy the same powers, functions and privileges under the Gas Ordinance, 1869, and the Gas Meter Ordinance, 1871, as within the Municipal town of Colombo.

Validation of certain acts and transactions during period 10.11.1926 to 7.12.1933.

3 Every contract entered into by the Local Authority with the Company and every act done or omitted to be done by the Local Authority or by the Company during the period commencing on the tenth day of November, Nineteen Hundred and Twenty-six, and ending on the seventh day of

December, Nineteen Hundred and Thirty-three, in connexion with the supply of gas to the area within the administrative limits of the Local Authority shall at all times and for all purposes be deemed to be and to have been as valid and lawful as if the requisite authorisations and declarations under which such contracts could lawfully have been entered into or such acts could lawfully have been done or omitted to be done had been made by proclamation under section 4A of the Gas Ordinance, 1869.

4 In this Ordinance, unless the context otherwise requires— Interpretation.

“ administrative limits of the Local Authority ” means—

- (a) where the Local Authority referred to is the Sanitary Board of the Colombo District, the small town of Mount Lavinia and Dehiwala as defined for the purposes of the Small Towns Sanitary Ordinance, 1892 ; and
- (b) Where the Local Authority referred to is the Urban District Council of Dehiwala-Mount Lavinia, the Dehiwala-Mount Lavinia area as defined for the purposes of the Local Government Ordinance, No. 11 of 1920 ;

“ Company ” means the Colombo Gas and Water Company, Limited ;

“ Local Authority ”, when used with reference to any period or point of time prior to the first day of January, Nineteen Hundred and Twenty-nine, means the Sanitary Board of the Colombo District and includes the Chairman of that Board, and when used with reference to any period or point of time subsequent to the thirty-first day of December, Nineteen Hundred and Twenty-eight, means the Urban District Council of Dehiwala-Mount Lavinia and includes the Chairman of that Council.

Objects and Reasons.

1. The Gas Ordinance, No. 15 of 1926, added to the Gas Ordinance, 1869, a new section which enabled the Governor in Executive Council by Proclamation published in the Gazette to extend the provisions of the Gas Ordinance, 1869, and the Gas Meter Ordinance, 1871, to any area outside the limits of a Municipal town. The immediate object of this amendment was to enable the Colombo Gas & Water Co., Ltd. to supply gas to the Dehiwala-Mount Lavinia area which was at that time under the jurisdiction of the Sanitary Board of the Colombo District. The Gas Ordinance, No. 15 of 1926, became law on the 10th November, 1926, and on the 27th September, 1927, the Sanitary Board of the Colombo District entered into a contract with the Colombo Gas and Water Co. Ltd. for the supply of gas to the Dehiwala-Mount Lavinia area, on the footing that the requisite proclamation had been published in the Gazette enabling the Sanitary Board to enter into a contract for the supply of gas and the Gas Company to extend its operations outside the administrative limits of the Municipal town of Colombo.

As a matter of fact, by an oversight, no proclamation had been published before the date of the contract, but as the contract was effective from 1st July, 1926, there was no legal authority to cover the operations of the Gas Company outside the Municipal town of Colombo during the period 1st July, 1926 to 9th November, 1926, as the earliest date on which a proclamation could have been published was the 10th November, 1926.

2. The purpose of clause 2 of the Bill is to validate all acts done by the Company and by the Sanitary Board in connexion with the supply of gas to the Dehiwala-Mount Lavinia area during the period commencing on 1st July, 1926 and ending on 9th November, 1926.

3. The necessary proclamation under section 4A of the Gas Ordinance, 1869, was published in the Gazette of 8th December, 1933. As contracts entered into between the Company and the Sanitary Board or the Urban District Council, which was the successor of that Sanitary Board, would have been valid and effectual in law if the necessary proclamation had been issued immediately after the Gas Ordinance, No. 15 of 1926, became law, clause 3 of this Bill provides that contracts entered into by the Company for the supply of gas to the Dehiwala-Mount Lavinia area and

acts done by the Company or by the Sanitary Board or by the Urban District Council in connexion with the supply of gas to that area shall to all intents and purposes be as valid and effectual as if they had been authorized by the issue of the necessary proclamation for the purpose. Clause 3 accordingly validates the acts and contracts referred to for the period commencing on the 10th November, 1926 (being the date on which the Gas Ordinance, No. 15 of 1926, came into operation) and the 8th December, 1933 (being the date on which the requisite proclamation was issued, under section 4A of the Gas Ordinance, 1869).
