THE COLOMBO MUNICIPAL COUNCIL.**General Meeting.**

Wednesday, April 1, 1936, at 3 p.m.

The Council met this day at 3 P.M., pursuant to notice dated March 25, 1936.

Present :—Mr. W. L. Murphy, B.A., C.C.S., Chairman; Mr. N. H. M. Abdul Cader; Dr. E. A. Coorey; Mr. M. L. M. Reyal; Dr. S. Muttiah; Mr. T. C. Dyball; the Hon. Mr. F. J. Soertsz, K.C.; Mr. A. E. Goonesinha, M.S.C.; Mr. Aelian W. Pereira; Mr. A. R. A. Razik, M.S.C., J.P.; Dr. S. T. Gunasekera; Mr. G. K. Thornhill; Mr. F. A. Bond; Mr. C. F. Whitaker; Mr. Geo. R. de Silva; Mr. W. J. Price; and Mr. C. S. Richards.

1. The Minutes of the General Meeting of March 11, 1936, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read and confirmed.

1A. The Chairman stated that before proceeding with the business he wished, on behalf of the Council, to offer their hearty congratulations to the Member for New Bazaar Ward on his nomination to the State Council by His Excellency the Governor.

Mr. A. R. A. Razik thanked the Chairman and the Council.

2. Pursuant to notice, Mr. A. E. Goonesinha presented a petition from the residents of Gothamie road, protesting against the order to cover wells and instal pumps as an anti-malaria measure and also regarding an alleged nuisance in the neighbourhood and moved that the petition be submitted to the appropriate Committee for consideration and report.

3. Pursuant to notice, Mr. M. L. M. Reyal asked the following questions which the Chairman answered :—

(1) Q.—Are there any portions of San Sebastian Ward which are not yet supplied with sewers and what are they? A.—Service sewers have not yet been constructed in the areas served by—Beira road, Akbar's lane, Muhandiram's road, and Gomes' lane. The rest of San Sebastian Ward is fully sewered and already provided with water carriage drainage.

(2) Q.—If the reply to the first question is in the affirmative, will the Chairman please state whether he considers that public health in the areas concerned is not endangered by the absence of sewerage in abnormally congested parts of the Ward? A.—The health of the inhabitants would no doubt tend to improve if these areas were sewered and sewer connections enforced throughout.

(3) Q.—Arising out of the above, will the Chairman please call for plans and estimates for the laying of sewers in the areas in question, with a view to considering them in connection with the 1937 Budget? A.—A scheme is now under preparation showing wider streets with sewers under them for this abnormally congested area. This can be considered for inclusion in the 1937 Budget if Council approves.

(4) Q.—What is the present position with regard to the proposed construction of a Central Market for Colombo? A.—The position is that negotiations with the Government regarding the area to be reserved for the market have been completed some time ago, and the Municipal Engineer has undertaken to let me have his report next month on the steps to be taken with a view to obtaining designs for the Council's approval.

(5) Q.—When is it expected to make a start with the building? A.—It is not possible to say when a start can be made as no building can commence until the Electrical Department vacates the site which it seems unlikely to be able to do for some time.

(6) Q.—Is there any delay in the completion of the negotiations between the Government and the Municipal Council regarding the transfer of the Government site in favour of the Council for the proposed market, and if so, will the Chairman please request the Government to expedite matters with a view to making as early a start with the building of the market as possible? A.—The negotiations have been completed but there has been great delay on the part of the Government in regard to the transfer of the site notwithstanding repeated representations from the Municipality. In his last letter dated February 20, 1936, the Hon. the Minister for Communications and Works stated :—“With regard to the area occupied by the Electrical Department it is feared that some time must elapse before this can be vacated. This Department has obtained possession of a new site, and preliminary plans for new buildings to be erected thereon have been submitted to the Department. It will, however, be impossible to vacate the existing buildings until the new ones are erected”.

4. Pursuant to notice, the Chairman moved :—That the Council do resolve itself into a Committee of the whole Council to consider the following extracts from the proceedings of the Committees annexed to the Agenda. Mr. N. H. M. Abdul Cader seconded.—Carried.

Council in Committee.—

The following Extract from the Minutes of the Standing Committee on Sanitation and Markets of March 16, 1936, was considered.

Chapter XIV. in respect of milk. (b) A report thereon of the Municipal Treasurer recommending that the necessary provision be incorporated under By-law 12 of Chapter XIII. of the Municipal Council By-laws and suggesting that By-law 12 be amended as follows :—12. It shall be lawful for any Municipal Inspector or Police Officer to seize any fish or beef, mutton, or other meat or offal exposed or hawked about for sale contrary to the provisions of By-law 9 of this Chapter, and to arrest such vendor or vendors and to convey him or them forthwith after arrest to the nearest Police Station, and the Officer in charge of such Police Station shall deal with him or them as if arrested without a warrant under the provisions of the Criminal Procedure Code. Registered No. 300.—Recommended that the by-law be amended to empower Inspectors or Police Officers to require such vendor or vendors to accompany them to the Police Station.

Resolution of Council in Committee.

The Chairman stated that he did not agree with the recommendation of the Four Standing Committees. He stated that Dr. L. E. J. Poulier had taken a special course in Epidemiology and Statistics and he was therefore best fitted for the post. The experience Dr. Poulier had gained at the Laboratory would enhance the value of his qualifications.

He reminded the meeting that it had been the policy of the Council in making appointments to give preference to its officers provided they possessed the necessary qualifications. He stated that he would follow the procedure laid down in By-law 31A of Chapter II of the By-laws and submit the names of three candidates to be voted upon in alphabetical order. The Chairman then moved that the Council do vote upon the names that were submitted.

Mr. M. L. M. Reyal stated that Dr. Poulrier did not possess sufficient experience in Public Health and Maternity Work.

Mr. A. E. Goonesinha also spoke and moved, as an amendment, that the recommendation of the Four Standing Committees be adopted. (Dr. E. A. Coorey left the meeting at this stage.) Mr. A. R. A. Razik seconded.

Mr. M. L. M. Reyal and Mr. Aelian W. Pereira supported the amendment.

Dr. S. T. Gunasekera, Dr. S. Muttiah, and Mr. C. S. Richards also spoke to the motion.

The Chairman put the amendment of Mr. A. E. Goonesinha to the meeting and declared it lost.

Mr. A. E. Goonesinha called for a division and the Council divided as follows:—*Ayes*.—(1) Mr. N. H. M. Abdul Cader; (2) Mr. M. L. M. Reyal; (3) Mr. A. E. Goonesinha; (4) Mr. Aelian W. Pereira; (5) Mr. A. R. A. Razik, J.P.; (6) Mr. Geo. R. de Silva. *Noes*.—(1) The Chairman; (2) Dr. S. Muttiah; (3) Mr. T. C. Dybal; (4) The Hon. Mr. F. J. Soertsz, K.C.; (5) Dr. S. T. Gunasekera; (6) Mr. G. K. Thornhill; (7) Mr. F. A. Bond; (8) Mr. C. F. Whitaker; (9) Mr. W. J. Price; (10) Mr. C. S. Richards.

The motion of the Chairman was put to the meeting and carried.

The Council thereupon proceeded to vote upon the candidates submitted, in terms of the provisions of By-law 31A of Chapter II of the Council's By-laws.

The Chairman having declared that Dr. L. E. J. Poulrier had received the most votes, finally put to the meeting the question whether Dr. L. E. J. Poulrier shall be appointed to the Office, carried.

The Chairman declared Dr. L. E. J. Poulrier duly appointed.

Rules 22, 23, and 23A are not applicable to persons entitled to compensation under the Workmen's Compensation Ordinance, No. 19 of 1934, or to their dependants if such persons were newly appointed to the service of the Municipal Council on or after the date on which that Ordinance came into operation. Provided that a person with service prior to that date under the Municipal Council shall not be deemed to have been newly appointed for the purposes of this rule if pension, retiring allowance, or gratuity under these rules are payable in respect of such prior service.

(b) the injured person has continued to serve for not less than one year after the injury in respect of which he retires; or

(c) the injured person is fifty years of age or upwards at the date of injury; or

(d) the injury is not the sole cause of retirement, *i.e.*, the retirement is caused partly by age or infirmity.

(c) the injured person is fifty years of age or upwards at the date of injury; or

(d) the injury is not the sole cause of retirement, *e.g.*, the retirement is caused partly by age or infirmity.

(iii.) The above award shall be in addition to the pension or the retiring allowance, or gratuity, for which the injured man would be qualified by length of service.

Provided that no award shall, together with such pension or retiring allowance, exceed 50-60ths of his salary and emoluments at the date of the injury.

Provided further that if the officer continues in service after the injury, and the grant of an ordinary pension or retiring allowance is consequently postponed until final retirement, or, if an officer once retired with an injury allowance is re-employed, the limitation shall be 50-60ths of his salary at date of final retirement or at date of injury whichever is greater.

KANDY MUNICIPAL COUNCIL.

The Minutes of Proceedings of a Meeting of the Municipal Council of Kandy, held in the Town Hall, Kandy, on April 18, 1936, at 8.45 a.m., in accordance with the Notice dated April 15, 1936.

Present :—Mr. T. A. Hodson, Chairman; Mr. Geo. E. de Silva; Mr. S. A. Wijayatilake; Mr. W. A. B. Soysa; Mr. Haji M. S. Usoof Ismail; Mr. O. T. Nettleton; Dr. D. T. de Kretser; Mr. M. A. S. Marikar.

Before proceeding with the business of the meeting, the Chairman moved—"That this Council place on record its sense of loss caused by the death of Mr. C. A. LaBrooy, Advocate, who rendered valuable service to the town as a Nominated Member of the Council from 1912 to 1920, and that an expression of its sympathy be conveyed to his relatives in their sad bereavement".

The motion was passed all Members standing.

1. The minutes of proceedings of the meeting held on March 21, 1936, having been previously submitted to the Chairman for his approval, and a copy thereof furnished to each member, were taken as read and confirmed by the Chairman.

2. The following documents were submitted :—

- (a) Statement of receipts and disbursements from close of 1935 to March 31, 1936, on account of the Municipal Fund.

- (d) Statement of cases instituted by the several Inspectors and of work done by the Municipal Magistrate during the month of March, 1936.
- (e) The reservoir readings for the week ending April 18, 1936.

Resolved that the statement (a), together with the minutes of proceedings of this meeting, as required by section 83 of the Municipal Councils Ordinance, No. 6 of 1910, be forwarded to the Commissioner of Local Government for publication in the *Government Gazette*.

3A. The following papers were laid on the Table :—

- (a) Reports by the several Inspectors on laundries, bakeries, dairies, standpipes, and house service taps inspected during March, 1936.
- (b) Report from the Municipal Engineer on the condition of the various drives in Kandy.

3B. Mr. de Silva referred to the water supply from the wells at Peradeniya and suggested that the duplication of the main between Kandy and Peradeniya might be undertaken at once.

The Chairman pointed out that the Pumping Scheme for supply of water from the wells was put in operation from April 17, and as long as the supply was for a restricted area duplication was not necessary. If it was intended to use the Pumping Scheme to augment the supply to the town generally, duplication would be necessary and the question should be considered carefully with the necessary data.

It was agreed to consider the question at the next meeting.
