CARNEGIE SCHOLARSHIPS.

THE following information regarding the continuance of the scheme inaugurated by the Trustees of the Carnegie Corporation of New York in order to enable selected officers of the Colonial Service to take a "refresher" year for the purpose of undertaking special studies, is published for general information. Particulars regarding the inauguration of the scheme were

published by Notification No. H. 1,360/32 of November 19, 1932, in the *Government Gazette* of November 25, 1932. (Relevant extracts are reproduced below.)

By His Excellency's command,

Chief Secretary's Office,
P. O. Box No. 500,
Colombo, July 28, 1936.

F. G. TYRRELL,
Chief Secretary.

The Trustees have sanctioned the grant of a further sum of forty-eight thousand dollars for the continuance of the scheme. This sum will be administered in the same manner, and subject to the same conditions, as the original grant, and it is contemplated that it should be expended over a period of three years.

2. In the new circumstances created by the Trustees' decision the Secretary of State for the Colonies considers it appropriate that all Colonial Governments should have a fresh opportunity of submitting applications for awards under the scheme and will be glad to receive, in due course, any applications which His Excellency the Governor may desire to recommend.

3. The period of study need not necessarily be a full year and applications for grants to cover shorter periods of absence will be entertained. Nevertheless the "refresher" character of the study should be kept prominently in view as well as its bearing on the applicant's official duties and the enhancement of his value to the Government which he serves.

4. The resubmission of previous unsuccessful applications is not precluded, but, in considering whether such applications should again be put forward, the fact that preference was accorded to other candidates in allocating the original grant is a factor of which account will be taken, since it is not to be anticipated that competition for awards is likely to be less severe in the future than in the past.

5. The Secretary of State also states that in order that the expenditure from the fund may be spread over three years, there is no reason why applications should not be forwarded even though the desired award would not come into operation until a year or two later.

6. Applications from officers in the Public Service desiring to avail themselves of the scholarships should be forwarded to the Chief Secretary through their Heads of Departments as early as possible giving the particulars required by paragraph 5 of the conditions of November 19, 1932.

Relevant Extracts from the Conditions of November 19, 1932.

2. The Trustees contemplate that the period of study should be one year, but they do not propose to draw up any regulations either as to the place at which the studies should be taken or as to their nature, save that the time should be spent on work of a definite kind. They would be prepared to consider applications for assistance to study at a University or similar institution, or to travel or, again, proposals which included study in residence and travel. As instances of their object and the range of applications which they would be prepared to consider, the Trustees have mentioned courses of study in anthropology for administrative officers; scientific courses for medical, agricultural, veterinary, and forestry officers; courses in economics, banking, and currency for Treasury officers; visits to other British Colonies or to the Dependencies of other Colonial powers for the purpose of studying the methods adopted there. These suggestions are mentioned by way of illustration only, and do not exhaust the objects which the Trustees have in view. If it was desired to spend the "refresher" year in the United States, the authorities of the Corporation would do their best to make the visit as pleasant and profitable as possible. The essence of the scheme is, however, that no restriction will be placed on an applicant's choice of the place or manner in which the year will be spent.

3. The Trustees have not suggested any definite conditions of eligibility for officers who may seek to avail themselves of the scheme. They are, however, impressed by the benefits which an officer who has spent ten or more years in the service may derive from a course of study, not only because of its educational value, but also from the point of view of his health and his interest in his work, and so of his advancement in the Service. Generally speaking, preference will be given to promising officers between thirty and forty years of age.

4. As regards the amount of the assistance which might be given, the Trustees would regard a sum of \$3,000 as on the average an appropriate grant, but would wish to adopt the principle that officers who are selected should neither lose nor gain financially. They suggest that the assistance should be of the amount which would cover the travelling and other expenses not provided by his Government and

any loss in salary due to his absence from duty. The amount must therefore to some extent be dependent upon the terms upon which an officer is released.

5. The Secretary of State will be glad to receive any applications recommended by His Excellency the Governor. It would be convenient if the applications could be accompanied by as close an estimate as it may be possible to frame of the amount of assistance which would be required from the Fund, based on the suggestion mentioned in paragraph 4 above. Each application should also be supported by a full statement of the officer's career in the Colonial Service as well as of his academic and other qualifications in order that the selecting authorities may be enabled to form an opinion as to his ability to turn to good account the facilities which may be placed at his disposal.

7. Officers awarded scholarships will be granted whatever earned vacation and half pay leave they may have available and will thereafter, if necessary, be placed on no pay leave until the end of the course, the pension value for the period of absence being calculated as in the case of ordinary leave to Europe. No passage concessions will be granted beyond those to which an officer is entitled under the leave passage regulations. These conditions should be borne in mind by applicants when framing the estimate required under paragraph 5 above.

8. No application will be recommended unless it is considered that the course of study proposed would be of use to this Government.

2. (1) *Period of Privilege.*—

The privilege will be granted for the period from October 1, 1936, to September 30, 1937, or for any shorter period within these 12 months, on application by way of tender or by auction in the form and manner prescribed in these conditions.

- (a) submitted a tender accompanied by the Treasury or Kachcheri receipt prescribed in condition 4, whether such tender be for the particular privilege to be auctioned or for any other privilege; or,
- (b) produced the receipt prescribed in condition 4, notwithstanding his failure to submit a tender for the particular privilege to be auctioned or for any other privilege.

Provided that no person who is duly declared the purchaser of any privilege, whether by way of tender or of auction, shall use or be permitted to use the same receipt for the purpose of a tender or a bid for any other privilege, until he has completed in respect of the privilege already granted to him the steps prescribed hereinafter in condition 9 (i.) (a).

(3) *Power to reject Bid.*—

Subject to the proviso that the Government Agent shall have discretion to reject any or all of the bids the privilege shall be granted to the highest bidder at such auction.

- (c) grant the privilege for the tavern, or group, or any single tavern or sub-group of two or more taverns included in a group or for any combination of any parts of groups, or combination of whole groups, to any person, who is approved by the Government Agent, and who agrees to pay by way of rent such amount as the Government Agent may fix.

(5) *Procedure after Rejection of further Bids.*—

In the event of the rejection of the bids received under paragraphs 4 (a) and 4 (b) of this condition, the Government Agent may in his discretion take action under paragraph 4 (c).

9. (1) (a) *Security Deposit.*—

The grantee shall, immediately on being granted the privilege, sign these conditions and pay to the Government Agent as a security deposit a sum equivalent to two months' rent payable for that privilege.

(b) *Signing of Bond.*—

The grantee shall also within fourteen days of the sale of the privilege enter into a bond with the Government Agent for the full amount for which he has purchased it, and he shall specially hypothecate by such bond the said security deposit.

(c) *Consequences of Breach of Conditions of Bond.*—

The said security deposit shall be liable to be confiscated by the Government Agent for breach of any of these conditions or for non-payment of any instalment, and such confiscation shall be in addition to any other penalty prescribed by these conditions for such breach.

(2) *Banking of Security Deposit.*—

Security money so paid will be deposited in a bank only on the grantee's application and only at his risk, and when such deposit is made, no withdrawal will be allowed till the date of maturity.

(3) *Warrant or Power of Attorney to confess Judgment.*—

If the highest bid or tender under condition 8 exceeds the sum of Rs. 2,000, the grantee shall at the time of the execution of the bond as aforesaid execute, if so required by the Government Agent, a warrant or power of attorney in the form sanctioned by law, to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege, and shall also furnish to the Government Agent within fifteen days of the date of the execution of such warrant or power of attorney a duly certified copy thereof for filing in the District Court under section 32 of the Civil Procedure Code.

(4) *Registered Postal Address.*—

The grantee shall, on signing these conditions, elect and signify under his hand a post office or postal address to which all notices and processes whatever in connection with the privilege may be addressed under registered cover; and all such notices or processes so addressed to such post office or to such postal address, and posted in due course, shall be deemed to have been duly served and be as effectual for all purposes, as if they had been served upon the grantee in person upon the day on which such notice or process was so posted.

10. *Failure to complete Purchase of Privilege.*—

If any tenderer or bidder, on being declared to be the purchaser of the privilege, declines or fails to sign these conditions of sale, or fails to furnish the security prescribed in condition 9 (i.) (a) when called upon to do so, the deposit made under condition 4 will be declared forfeited, and the defaulter will render himself liable to have his name entered in the list of defaulters in respect of Excise licences. Subject to this exception, the deposits of all tenderers or bidders will be returned, after the conditions of sale have been signed and the aforesaid security given by the successful tenderer or bidder.

11. *Grantee to have no Interests in Arrack and Toddy Sales.*—

The grantee shall have no concern or interest direct or indirect (a) in the sale of arrack, except as provided for in condition 1 (b), or (b) in the purchase of any privilege of selling arrack, or (c) in the sale of fermented toddy, or (d) in the purchase of any privilege of selling toddy within the local area to which the privilege of selling foreign liquor relates.

12. (1) *Opening of Tavern on Due Date and Approval of Site.*—

- (a) The grantee shall open the tavern or taverns on the day on which the privilege commences to run.
- (b) The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site.
- (c) The grantee shall not open a tavern on any site otherwise than with the approval of the Government Agent, such approval being obtained from the Government Agent at least 14 days before the privilege commences to run.

(2) *Obtaining of Licences for Sale of Foreign Liquor and Arrack.*—

The grantees shall, not less than five days before the date on which the privilege commences to run, obtain from the Government Agent a licence or licences for the sale of foreign liquor by retail at the tavern or taverns within the local area covered by this privilege, and if the grantee desires to sell arrack he shall also obtain a licence as provided in condition 1 (b) in respect of all or any of his taverns within the area in which the sale of arrack is permitted.

13. (1) *Payment of Rent.*—

The grantee shall pay the purchase money or rent to the Government Agent in twelve equal monthly instalments.

(2) *Due Date of Instalment.*—

(3) *Interest.*—

Interest at the rate of 9 per centum per annum shall be payable in respect of all arrears.

14. (1) *Payments not valid without Kachcheri Receipt.*—

No payment of any sum due by the grantee to the Crown shall be deemed to have been duly made, unless the grantee produces a Kachcheri receipt in respect thereof.

(2) *Money left with Officers not reckoned as Money paid.*—

No money which, for his own convenience, the grantee may think fit to leave in the hands of any Shroff or any other officer of any Kachcheri shall be deemed to be money paid under this contract.

15. *Limit of Sale and Transport of Arrack, if allowed.*—

16. (1) *Purchase of Arrack, if sale of Arrack allowed.*—

If a licence to sell arrack in bulk only by retail has been granted by the Excise Commissioner, the grantee shall buy all such arrack—

(a) only in bulk ;

(b) only from the arrack tavern to which his foreign liquor tavern is assigned ;

(c) at a price to be mutually agreed upon between the grantee and the renter of the said arrack tavern ;

(d) in quantities not less than the quantity specified in the licence ;

(e) only on a valid transport pass issued by the Superintendent of Excise.

(2) *Supervisory Rights of Renter of Arrack Tavern.*—

Where a renter of an arrack tavern so supplies arrack to the grantee, such renter will, for the protection of his own exclusive privilege of sale of arrack, have the supervisory rights provided for in the conditions of the licence form Excise A (F. L.) 1.

17. *Grantee to account for all Foreign Liquor and Arrack : Wastage Allowance.*—

The grantee shall be responsible for all acts of his agents or employees in relation to the privilege.

The privilege shall not be transferable otherwise than with the sanction of the Excise Commissioner first had and obtained.

20. (1) (a) *Cancellation of Licences and Privilege for Non-payment of Rent, &c.*—

If any instalment or part of any instalment of the purchase money or rent, or any duty, fee, or other sum due to the Crown from the grantee remains unpaid after the date on which it becomes due and payable, the Government Agent shall have power, after fifteen days' notice to the grantee of his intention to do so, without further process of law, to cancel the foreign liquor licence issued to the grantee and to sell the privilege at the risk of the grantee.

(b) *Notice of Cancellation.*—

Such notice may be served personally on the grantee, or addressed under registered cover to the post office or postal address elected and signified under condition 9 (4), and duly posted, as the Government Agent thinks fit.

(c) Where the foreign liquor licence is so cancelled, the Excise Commissioner shall have power to cancel the arrack licence also, after the like notice served in like manner.

(2) *Regrant of Privilege between Cancellation and Resale.*—

In the event of the cancellation of the foreign liquor licence, the Government Agent shall have power to grant the privilege of the sale of foreign liquor to any person approved by him for any period intervening between such cancellation and the resale of the privilege for the sale of foreign liquor, and for this purpose he may issue to such approved person a temporary licence upon such terms as he may think fit.

The Excise Commissioner may in such case issue, if he thinks fit, the arrack licence referred to in condition 1 (1) (b) to such approved person if any such arrack licence had been issued to the holder of the foreign liquor tavern licence which is cancelled.

(3) *No Remission of Rent.*—

No remission of the rent payable in respect of the privilege will be granted on any plea of the grantee's having overestimated the value of any tavern or on any other ground.

(4) *No Compensation for Losses.*—

The grantee shall not have or make any claim to any reduction, or to the remission, of any sum due and owing by him to the Crown by reason of any loss alleged to have been sustained by him—

(a) whether on account of any closing of the tavern or taverns during the passage of troops, or during the encampment of troops in the vicinity of the tavern or taverns, or during the holding of any poll ; or

(b) whether on account of the opening of any new arrack or toddy tavern, or estate canteen for arrack or toddy or foreign liquor, or premises licensed for the sale of foreign liquor under any class or kind of foreign liquor licence other than a foreign liquor tavern licence after the sale of the privilege under these conditions ; or

(c) whether on account of the manufacture and drawing of fermented toddy on special licences issued by the Assistant Commissioner for *bona fide* domestic consumption on medical grounds, and not for sale ; or

(d) whether on account of the manufacture and drawing of fermented toddy within the area or areas of the privilege hereby granted for supply to licensed vinegar manufactories ; or

(e) through any other cause whatsoever.

21. *Conviction of Grantee or Agents.*—

If the grantee, or any agent, or person employed by the grantee is, during the continuance of the privilege, convicted of an offence under Chapter XIII. of the Ceylon Penal Code, the Government Agent may take any of the steps prescribed by section 30 of the Ordinance.

22. *Termination of Privilege.*—

The privilege shall terminate on (a) the expiry of the term for which it is granted, (b) the death of the grantee, or (c) a breach of any of the conditions governing it.
