DRAFT ORDINANCES.**MINUTE.**

The following Draft of a proposed Ordinance is published for general information :—

No. 1 of 1907.	An Ordinance to amend the Notaries Ordinance, 1907.
	BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—
Short title.	1 This Ordinance may be cited as the Notaries Amendment Ordinance, No. of 1936.
Amendment of section 29 of Ordinance No. 1 of 1907.	2 Section 29 of the Notaries Ordinance, 1907, is hereby amended as follows :—
	(1) in rule (7) set out therein, by the substitution for the words " of every deed or instrument before him ", of the words " before him of every deed or instrument which is not stamped with an impressed stamp " ;
	(2) in rule (19) set out therein, by the substitution in paragraph (f) of that rule—
	(a) for the words " of the stamps affixed to ", of the words " of the adhesive stamps affixed to or the value of the impressed stamps on " ; and
	(b) for the words " and to the ", of the words " and the ".

Objects and Reasons.

Rule 7 of the rules set out in section 29 of the Notaries Ordinance, 1907, prescribes the manner in which a notary should cancel adhesive stamps which are affixed to deeds or instruments executed before him, and rule 19 (f) requires specified particulars relating to such stamps to be inserted by a notary in the attestation clause of any such deed or instrument.

2. The Stamp Amendment Ordinance, No. 18 of 1930, authorized the use of stamps impressed by a die in place of adhesive stamps, and a machine for impressing stamps on deeds and documents is now in regular use in the office of the Commissioner of Stamps.

3. The object of this Bill is to modify the provisions of rule 7 and rule 19 (f) by removing the necessity for the cancellation of stamps impressed on deeds or documents and by requiring the value only of such stamps, and not the number and value, to be specifically referred to in the notary's attestation clause.
