BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Quarantine and Prevention of Diseases (Amendment) Ordinance, No. of 1936.

Amendment of section 5 (1) (b) of Ordinance No. 3 of 1897.

2 Section 5 of the Quarantine and Prevention of Diseases Ordinance, 1897, is hereby amended in sub-section (1) thereof, by the substitution for the word "Quarantine." in paragraph (b) of that sub-section, of the words "quarantine, for the manner of disinfecting or fumigating such goods, for the imposition of fees or charges for carrying out such operations and for the method of recovering such fees or charges."

Objects and Reasons.

The object of this Bill is to amend the Quarantine and Prevention of Diseases Ordinance, 1897, by taking power to make regulations under the Ordinance for the disinfection or fumigation of goods brought in any boat or vessel arriving at any port or place in the Island and for the imposition and recovery of charges for such disinfection or fumigation.

The following Draft of a proposed Ordinance is published for general information :—

A 55/36

No. 6 of 1887.

An Ordinance to amend the Petroleum Ordinance, 1887.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Petroleum Amendment Ordinance, No. of 1936.

Amendment of section 3 of Ordinance No. 6 of 1887.

2 Section 3 of the Petroleum Ordinance, 1887 (hereinafter referred to as "the principal Ordinance"), is hereby amended in the definition of "Flashing point" by the substitution, for all the words from "when tested" to "have been made," of the following :—

"when tested with such apparatus and in such manner as may be prescribed from time to time by the Governor by rules under section 19B ;"

Amendment of section 11 of the principal Ordinance.

3 Section 11 of the principal Ordinance is hereby amended by the substitution for all the words from "in the manner" to "by this Ordinance." of the following :—

"with such apparatus and in such manner as may be prescribed from time to time by the Governor by rules under section 19B."

Amendment of section 17 of the principal Ordinance.

4 Section 17 of the principal Ordinance is hereby amended by the substitution for all the words from "the apparatus" to "annexed," of the words "such apparatus and in such manner as may be prescribed from time to time by the Governor by rules under section 19B."

Re-numbering of section 19 (1) of the principal Ordinance.

5 Section 19 (1) of the principal Ordinance is hereby re-numbered as section 19A of that Ordinance.

Insertion of new section 19B in the principal Ordinance.

6 The following new section shall be inserted immediately after re-numbered section 19A and shall have effect as section 19B of the principal Ordinance :—

Rules as to apparatus and tests for determining flashing point.

19B. The Governor may from time to time make rules prescribing—

(a) the apparatus which shall be used for testing petroleum for the purpose of ascertaining the flashing point thereof ;

- (b) the manner in which the petroleum shall be tested by such apparatus ;
- (c) the corrections which shall be applied to the result of any test so conducted ; and
- (d) all other matters connected with or incidental to the use of the apparatus or the conduct of the test.

7 The Schedule to the principal Ordinance is hereby repealed.

Repeal of Schedule to the principal Ordinance.

Objects and Reasons.

Section 3 of the Petroleum Ordinance, 1887, defines "Flashing point" as the lowest temperature at which petroleum yields a vapour which will furnish a momentary flash or flame when tested with an Abel's test apparatus, in accordance with the directions in the Schedule to that Ordinance. The Schedule further provides for the use of Gray's Flash Point Apparatus where the petroleum is oil ordinarily used for lubricating purposes and is declared to have its flashing point at or above 150°F. Gray's apparatus is also specified for use in other cases to which reference is made in the Schedule.

In actual trade practice, Abel's apparatus is now used for temperatures below 90°, and, with some modifications, from 90° to 120°F. For all oils flashing at or above 120°F., the instrument called "Pensky-Martin's closed type apparatus" is at present the universal standard and has superseded old types such as Gray's Flash Point Apparatus, which is now obsolete.

2. The object of this Bill is to amend the definition of "Flashing point" by the omission of reference in that definition to any specific apparatus or test and to add to the principal Ordinance a new section (19B), which will enable rules to be made prescribing the apparatus to be used and the test to be applied for the purpose of determining the flashing point of petroleum. This rule-making power will enable the provisions of the principal Ordinance to be adapted so as to secure conformity with modern technical practice in these matters and will avoid the necessity for an amendment of the Ordinance whenever the prescribed apparatus, tests and methods have to be varied from time to time.

3. Clause 2 of the Bill accordingly amends the definition of "Flashing point" in section 3 of the principal Ordinance, and Clause 6 adds a new section which confers the necessary rule-making power. Clauses 3, 4, and 7 effect consequential amendments, including the repeal of the whole of the Schedule to the principal Ordinance.

4. The opportunity has been taken to re-number as section 19A the new section which was added to the principal Ordinance in 1918 as section 19 (1). (Clause 5).

Objects and Reasons.

Section 11 of Ordinance No. 28 of 1871 provides that the Registrar of Servants "shall not grant registration to any convicted thief or associate of thieves, or to any person known to the Police to be leading a disorderly or disreputable life, or who shall have been convicted of any infamous crime". No provision is made in the Ordinance for dealing with a case in which a domestic servant is convicted of an offence after he has been registered. It has, however, been the practice for the Registrar of Servants to enter particulars of such convictions in the pocket register of a servant so that any such conviction may be brought to the notice of a prospective employer before he takes into his service a person who has been convicted after the date of his registration as a domestic servant under the Ordinance.

2. The object of this Bill is to regularise the existing practice and to empower the Registrar to enter in the pocket register of a servant particulars of the conviction of that servant of any offence under the Penal Code, the Ceylon Paper Currency Ordinance, 1884, and the Vagrants Ordinance, No. 4 of 1841, specified in the new Schedule which will be added to the principal Ordinance.

3. The opportunity has been taken to insert a short title in section 1 of the principal Ordinance.

5 Nothing in this Ordinance contained shall affect or be deemed to affect the rights of His Majesty the King, His Heirs and Successors, or of any body politic or corporate, or of any other persons, except such as are mentioned in this Ordinance and those claiming by, from, or under them.

Objects and Reasons.

1. The Gas Ordinance, No. 15 of 1926, added to the Gas Ordinance, 1869, a new section which enabled the Governor in Executive Council by Proclamation published in the Gazette to extend the provisions of the Gas Ordinance, 1869, and the Gas Meter Ordinance, 1871, to any area outside the limits of a Municipal town. The immediate object of this amendment was to enable the Colombo Gas & Water Co., Ltd., to supply gas to the Dehiwala-Mount Lavinia area which was at that time under the jurisdiction of the Sanitary Board of the Colombo District. The Gas Ordinance, No. 15 of 1926, became law on the 10th November, 1926, and on the 27th September, 1927, the Sanitary Board of the Colombo District entered into a contract with the Colombo Gas and Water Co., Ltd. for the supply of gas to the Dehiwala-Mount Lavinia area, on the footing that the requisite proclamation had been published in the Gazette enabling the Sanitary Board to enter into a contract for the supply of gas and the Gas Company to extend its operations outside the administrative limits of the Municipal town of Colombo.

As a matter of fact, by an oversight, no proclamation had been published before the date of the contract, but as the contract was effective from the 1st July, 1926, there was no legal authority to cover the operations of the Gas Company outside the Municipal town of Colombo during the period 1st July, 1926, to 9th November, 1926, as the earliest date on which a proclamation could have been published was the 10th November, 1926.

2. The purpose of Clause 2 of the Bill is to validate all acts done by the Company and by the Sanitary Board in connexion with the supply of gas to the Dehiwala-Mount Lavinia area during the period commencing on the 1st July, 1926, and ending on the 9th November, 1926.

3. The necessary proclamation under section 4A of the Gas Ordinance, 1869, was published in the Gazette of December 8, 1933. As contracts entered into between the Company and the Sanitary Board or the Urban District Council, which was the successor of that Sanitary Board, would have been valid and effectual in law if the necessary proclamation had been issued immediately after the Gas Ordinance, No. 15 of 1926, became law, Clause 3 of this Bill provides that contracts entered into by the Company for the supply of gas to the Dehiwala-Mount Lavinia area and acts done by the Company or by the Sanitary Board or by the Urban District Council in connexion with the supply of gas to that area shall to all intents and purposes be as valid and effectual as if they had been authorized by the issue of the necessary proclamation for the purpose. Clause 3 accordingly validates the acts and contracts referred to for the period commencing on the 10th November, 1926 (being the date on which the Gas Ordinance, No. 15 of 1926, came into operation) and ending on the 7th December, 1933 (being the day immediately preceding the date on which the requisite proclamation was issued, under section 4A of the Gas Ordinance, 1869).

Minister for Local Administration.
