1. The Minutes of the General Meeting held on September 12, 1936, a copy thereof having been furnished to each member, were taken as read.

The Minutes of this Meeting were amended by the addition in item 2 thereof of the words "and one by Mr. Dahanayaka" after the words "Mr. Magdon Ismail". Subject to this amendment, the minutes were confirmed.

2. In connection with item 8 (a) (5) of the minutes of the General Meeting of the Council held on September 12, 1936, and the resolution of the Council contained therein, Mr. W. Dahanayaka, submitted, in terms of By-law 26 of Chapter II., a written dissent from the opinion of the majority of the Council.

3. Two petitions were presented by Mr. W. Dahanayaka and one by Mr. J. E. Perera. These were tabled and the Chairman said that they would receive consideration.

4. Pursuant to notice Mr. A. I. H. A. Wahab asked the following questions :—(1) Is it a fact that the aged Muslim who died at the Infectious Diseases Hospital on August 24, 1936, was buried without the performance of a religious service according to the Islamic rites? (2) How many hours after his death was he buried? (3) What efforts were made by the authorities to see that facilities were given for a proper religious burial? (4) To avoid such incidents which deeply hurt the religious susceptibilities of Muslims, will the Chairman please lay down for future guidance a practicable procedure whereby Muslims who die in the Infectious Diseases Hospital will be accorded proper burial rites?

The Chairman replied as follows :—(1) and (3) The Provincial Surgeon informs me that the relatives of the Muslim patient were given the opportunity of performing their religious rites on this patient subject to conditions laid down by the Department, and these were performed in a modified way. (2) About 28 hours. (4) The Infectious Diseases Hospital is not in charge of the Municipal Council but belongs to Government and Government is responsible for burial regulations.

5. Pursuant to notice Mr. W. Dahanayaka asked the following questions :—(1) (a) What is the present position with regard to the Municipal Employees' Co-operative Society in which misappropriations were detected nearly two years ago? (b) Why is there an inordinate delay in refunding moneys due to the members of this Society? (c) Will the Chairman please expedite the refundment of all such moneys? (2) (a) What are the duties of the keeper of the Dadalla Cemetery? (b) Does not the Chairman agree that the general appearance within this cemetery leaves much to be desired? (c) Will the Chairman please take steps to see that in future this cemetery is better kept than it is now? (3) Will the Chairman please make the necessary inquiries and state—(a) How many needy children are there in the vernacular schools within the Municipal limits, for whose noon-day meals in 1937 this Council will have to provide in the next Budget? (b) Will a share of this expenditure be borne by the Central Government? (c) How has the Municipal Education District Committee apportioned the money available this year? (4) Will the Chairman please suggest to the Chairman of the Municipal Education District Committee the adoption of the following procedure for the coming year? Apportion the available money among the Vernacular Schools strictly in proportion to the number of children considered as needy; call upon each school to form a representative Committee from among its staff and the parents of children attending it; let this Committee be responsible for the money assigned to the school by the Municipal Education District Committee.

The Chairman replied as follows :—(1) (a) I understand that the Board of Arbitrators appointed by the Registrar of Co-operative Societies has given its award (dated June 16, 1936) and that in terms thereof a writ of execution has been issued by the District Court of Galle against the ex-Secretary for the recovery of the total amount of the missing money. The matter is now in the hands of the Registrar of Co-operative Societies who will decide what further action is to be taken if no recoveries can be made on the award; (b) and (c) These questions do not arise. (2) (a) The duties are given in various sections of Chapter 18 and 19 of the Council's by-laws. (3) (a) The Chairman Municipal Education District Committee informs me that the number requiring to be fed and reported by the Medical Officer of Schools to be above 15 per cent. below standard weight may be reckoned at 1,200 for 1937; (b) I am unable to say. I understand that application for grants for the provision of free meals was made to Government both this year and in 1935, but was not allowed; (c) The Chairman, Municipal Education District Committee informs me that the grant made by the Municipal Council for 1936, was allocated among 24 Vernacular Schools for the feeding of 449 very poor children attending them, at the rate of Rs. 3 per head. (4) I am not prepared to make these suggestions to the Chairman Municipal Education District Committee except upon a resolution of the Council.
