## MUNICIPAL COUNCIL NOTICES.

## General Meeting.

Wednesday, December 2, 1936, at 3 p.m.

The Council met this day at 3 p.m. pursuant to notice, dated November 25, 1936.

*Present* :—Mr. W. L. Murphy, B.A., C.C.S., Chairman; Mr. N. H. M. Abdul Cader; Dr. E. A. Coorey; Mr. M. L. M. Reyal; Dr. S. Muttiah; Mr. A. E. Goonesinha, M.S.C.; Mr. Aelian W. Pereira; Mr. A. R. A. Razik, M.S.C., J.P.; Dr. S. T. Gunasekera; Lieut.-Colonel J. H. Stafford, O.B.E., M.C., R.E.; Mr. Geo. R. de Silva; Mr. A. Mamujee; Mr. W. J. Price; Mr. A. Duncum, A.C.A.; Mr. K. W. Taylor, A.C.A.; and Mr. John Wilson.

1. The Minutes of the General Meeting of November 4, 1936, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read and confirmed.

2. To submit, in terms of section 102 of Ordinance No. 6 of 1910, the Chairman's Administration Report for the financial year 1935.

The Chairman moved that, in terms of section 102 of Ordinance No. 6 of 1910, the Chairman's Administration Report for the financial year, 1935, be submitted to His Excellency the Governor. Mr. N. H. M. Abdul Cader seconded.—Carried.

3. To consider letter No. A.B./E.D.C. of December 1, 1936, from the Director of Education stating that Drs. S. Muttiah and E. A. Coorey will cease to be Members of the Education District Committee for the Colombo Municipal Council area at the end of the year, having served their terms of office under section 18 (5) of Ordinance No. 4 of 1920, and requesting that two members be nominated afresh to serve on the Committee, with effect from January 1, 1937. Registered No. 1,837.

Mr. N. H. M. Abdul Cader moved that Drs. S. Muttiah and E. A. Coorey be renominated to serve on the Committee with effect from January 1, 1937. Mr. A. E. Goonesinha seconded.—Carried.

4. Pursuant to notice, Mr. A. E. Goonesinha asked the following questions which the Chairman answered :—  
Q.—“Will the Chairman be pleased to furnish me with a list of names of the Municipal Council's employees whose debts have been settled by the Charity Commissioner showing the total amount paid to each creditor, and the amount paid by each debtor with costs of suit against each claim paid to the Charity Commissioner's Lawyers; working expenses recovered from each officer, and the balance sheet passed by the Auditors for the years 1934 to 1935, and up to the end of October, 1936?”

A.—The member no doubt refers to cases of indebted persons who have been relieved by the Charity Commissioner through the Lady Lochore Fund. Apart from the fact that the Council has no control over this fund, I must say that I consider it would be most improper and a breach of confidence to disclose even to a member of the Council particulars of individual cases of debtors assisted by the Charity Commissioner whether those assisted happen to be employees of the Council or not. I am therefore not prepared to ask the Charity Commissioner to supply such details. A copy of the audited balance sheet as at December 31, 1935, is tabled. The 1936 accounts, I am informed, are at present with the Auditors. For further information as to the working of the fund the member is referred to the Administration Report of the Charity Commissioner.

With the permission of the Chairman, Mr. A. E. Goonesinha asked the following supplementary question :—

Will the Chairman be pleased to give the amounts collected from clerks to the credit of the creditors, and the amounts paid on their behalf to the lawyers?

The Chairman desired that the member should see him in his office in regard to the question.

5. Pursuant to notice, the Chairman moved :—“That the Municipal Council records its appreciation of the services of the Hon. Mr. F. J. Soertsz, K.C., who has been a nominated member since September, 1931, and who has now resigned his seat.” Mr. N. H. M. Abdul Cader, in seconding, associated himself with the remarks of the Chairman.—The motion was put to the meeting and carried with acclamation.

6. Pursuant to notice, the Chairman moved :—That the Council do resolve itself into a Committee of the whole Council to consider the following extracts from the proceedings of the Committees annexed to the Agenda. Mr. N. H. M. Abdul Cader seconded.—Carried.

The Chairman explained that it would be brought up as a supplementary vote, in due course.

The Chairman explained that the amount though it appeared large included heavy charges for depreciation and for workshop overheads. He said that it was not intended under this item to provide a car for the future elected Mayor, that the car was required for the use of the present Chairman who would continue as Commissioner until the Council made its own appointment.

Dr. Coorey asked whether it was not a fact that items in this budget relating to the Chairman related to the Chairman under the present constitution and not to the future Mayor.

The Chairman replied in the affirmative. The item was then passed.

*(k) Extraordinary (New Works)—*

Item 66—Bridge at Havelock road .. .. . Rs. 100,000

Item 69—Extension of 5th lane to Thurstan road .. .. . Rs. 7,500

Mr. M. L. M. Reyal explained that the extension would not be complete unless continued by connecting Deanstone place up to 27th lane, and for this purpose he suggested that a sum of Rs. 635 be provided as soon as funds were available.

The Chairman stated that the suggestion would be noted. Rs.

Item 94—Sewers—Akbar lane area .. .. . Rs. 34,500

Dr. E. A. Coorey desired that this matter be taken up with the road widening estimate as he desired that Torrington avenue should be included for widening next year. He moved that a sum of Rs. 24,000 be set apart for the widening of Torrington avenue and that a token vote of Rs. 10,500 be provided for the sewerage of Akbar lane area. Mr. M. L. M. Reyal seconded. Mr. A. E. Goonesinha supported.

The Chairman explained facts and stated that while he did not consider the widening of Torrington avenue as urgent he considered the sewerage of Akbar lane area a matter of urgent necessity.

Dr. E. A. Coorey spoke again.

The Chairman explained further and moved, as an amendment, that item No. 94 do stand.

## GALLE MUNICIPAL COUNCIL.

## Minutes of Proceedings of a General Meeting of the Municipal Council of Galle held at the Municipal Office on Saturday, November 21, 1936, at 9 a.m. pursuant to notice dated November 17, 1936.

*Present.*—Mr. C. Harrison-Jones, Chairman; Mr. K. T. S. Gurusinha, Assistant Chairman; Mr. J. E. Perera; Mr. E. M. Karunaratna; Mr. Thomas Amarasuriya; Mr. C. H. Bradley; Mr. W. Dahanayaka; Mr. A. I. H. A. Wahab; Mr. A. Kahaduwa; and Mr. G. Ross-Bell.

1. With regard to the Minutes of the Special Meeting held on November 14, 1936, Mr. Thomas Amarasuriya pointed out that the names of the members who had voted against the motion proposed by him in item 5 had not been inserted. The Chairman said he thought the minutes were quite clear on the point, but nevertheless gave an undertaking that these details would be mentioned in future whenever a division was called for.

The Minutes of this Meeting and of the General Meeting of October 10, 1936, copies thereof having been furnished to each member, were taken as read, and confirmed.

2. Mr. W. Dahanayaka presented a letter from the President of the Gamini Sports Club with regard to the proposed allocation of the Esplanade grounds to the various Clubs. The Chairman said that the letter would be considered in connection with item 11 on the agenda.

Mr. E. M. Karunaratna presented a petition from the staff of the Water Works Department asking that they be given house allowance and overtime pay. It was decided to refer the matter to the Standing Committee on Finance for consideration.

3. Pursuant to notice Mr. J. E. Perera asked the following question:—Will the Chairman be pleased to inquire from the Medical Department (a) whether there is any foundation for the complaints made by the public that a fly nuisance prevails at the Mahamodera Hospital in the neighbourhood of the kitchen which is said to be in proximity to the Dysentery Ward? (b) Whether any patients have contracted typhoid fever or dysentery after their admittance to the Hospital, and if so, the cause which make such a condition possible?

The Chairman replied as follows:—(a) Yes. The Provincial Surgeon informs me that a considerable number of flies are attracted at certain seasons to the Hospital from breeding places outside the premises and invade the wards and the kitchen surroundings. (b) Yes. Probably infection through the agency of these flies. Arising out of the replies given Mr. W. Dahanayaka asked, as a supplementary question, what action the Sanitation Department had taken with regard to the matter. The Chairman said he was unable to answer that question without notice.

4. Pursuant to notice Mr. W. Dahanayaka asked the following questions:—(1) Will the Chairman please call for a report from the new Shroff on the working of his department with any suggestions for improvement, and circulate this report among the members with a view to carrying out any further improvements? (2) (a) Will the Chairman please make reliable inquiries and state about how much of the recent defalcations in the Shroff's department can, and about how much cannot, be recovered through the legal proceedings that have been instituted? (b) What action does the Chairman propose to take or suggest the Council should take, so that every cent of these losses may be made good? (3) When an Assistant Chairman is appointed, will the Chairman please consult the Council on the respective duties that should be performed by the Chairman, the Assistant Chairman and the Secretary? (4) (a) What is the annual value of the New Oriental Hotel and how much is paid on it as assessment rates per year? (b) Will the Chairman please note that this assessment is ridiculously low for the following reasons:—(i.) Eight of its sub-divisions have been rented out at Rs. 15 per mensem each, and one other small portion occupied by a jeweller gives a rent of Rs. 5 per mensem, giving a total continuous rental to the proprietor of Rs. 125 per mensem or Rs. 1,500 per year. (ii.) The Hotel proper consists of 36 rooms, 14 garage rooms, 2 liquor bars, 2 billiard rooms, a dining hall, a smoking room, a lounge, &c. These may be assessed as follows:—Rs. 10 × 36, 2 × 14, 25 × 2, 15 × 2, 25, 20, 15 per mensem, giving a monthly value of Rs. 528 or an annual value of Rs. 6,336. (iii.) According to the above basis, the total annual value would amount to over Rs. 7,836. (c) In view of the fact that the Council has lost about Rs. 800 a year owing to the ridiculously low assessment of this Hotel will the Chairman please revise this assessment and bring it into effect from the beginning of next year?

The Chairman replied as follows:—(1) Any suggestion by the new Shroff for the improvement of the working of his department will be considered by me, but I think an investigation by the Assistant Chairman and, if necessary, a report by him will be more useful to the Council. (2) (a) The necessary inquiries will be made. (b) The Council has dealt with the officers whose negligence or complicity contributed in any way to the misappropriation of Municipal Funds by the late Shroff whose security bond has been put in suit. I can suggest no means of recovering anything more than what the properties of the late Shroff and his sureties will realize. (3) The duties to be performed by the Assistant Chairman will be those which the Chairman authorizes him to perform. The Secretary will continue to perform the duties attached to the post. I shall endeavour to get these duties more clearly defined than they have been in the past. (4) (a) The annual value is assessed at Rs. 2,822 and the annual rate is Rs. 500·91. (b) I have noted the statements made by the member. (c) The re-assessment of the Town for 1938 is being carried out in 1937. Though it has not been customary to do so I may take on myself the duty of re-assessing for the year 1937, the assessments of those larger properties which can be proved, without difficult or expert investigation, to be too low at present owing to substantial reductions in the years of the depression which have been allowed to continue.

5. Pursuant to notice Mr. J. E. Perera moved:—(1) That the Galle Municipal Council recommends to Government the importance and urgency of introducing the water carriage system for the disposal of sewage at the Mahamodera Hospital with a view to improving and perfecting the sanitation of the institution. Mr. W. Dahanayaka seconded. In reply to the points raised by the mover Mr. C. H. Bradley explained that the question of enlarging and altering the design of the Hospital kitchen had already been considered, but that he understood that no action had yet been taken in the matter as Government was now considering the question of improving and altering the design of the whole Hospital, and for this purpose land has already been acquired. As regards the disposal of the sewage he was aware that this question also had been previously considered and that it was not such an easy matter as was imagined. The mover replied. The motion was then put to the Meeting and carried unanimously. (2) That the Standing Committee on Works be requested to inquire into the unsatisfactory working at the Pettigala Sump and give instructions to the Department concerned as to the proper working of the scheme. Mr. C. H. Bradley seconded, and Mr. Wahab supported, the motion. On the suggestion of Mr. Dahanayaka the mover, with the permission of Council, amended the motion to read as follows:—“That the Standing Committee on Works be requested to inquire into the unsatisfactory working of the Pettigala Sump and make recommendations thereon to the Council so that instructions can be given to the Department concerned as to the proper working of the Scheme.” The motion, as amended, was then put to the Meeting and carried. (3) That the Municipal Engineer be asked to make a report and an estimate for a scheme to build a concrete drain from the Pettigala Sump up to the Gangarama Temple along the present channel. The Chairman seconded. Messrs. Dahanayaka, Amarasuriya, Kahaduwa, and Karunaratna opposed the motion on the ground that the Council was considering a priority list for new drainage with a view to obtaining a fair distribution of drains throughout the town, and that it was, therefore, not in order for the Council, irrespective of that list, to sanction the construction of any particular drain. The Chairman said that the work contemplated deserved special consideration as he regarded it as a completion of the drainage Scheme which had already been proposed for the area in question. The Provincial Engineer agreed with the Chairman. The mover in reply stated that the work proposed was merely an essential part of the Pettigalawatta Drainage Scheme. The motion was then put to the Meeting and declared lost, four voting for and five against.

6. Pursuant to notice Mr. W. Dahanayaka moved:—(1) This Council do submit a memorial to Government pointing out the parlous state of the Council's finances and the consequent delay in undertaking many essential works of public utility, and requesting the Government to subsidize the Council each year with a reasonable quota of the Revenue from the Port of Galle. Mr. G. Ross-Bell seconded. Mr. J. E. Perera also spoke.

The Chairman said he considered that any assistance from Government should come from the revenue derived from Port dues and not from Customs duties. He agreed, however, that the Council should obtain greater assistance from Government than at present. The motion was then put to the Meeting and carried unanimously.

(At this stage Mr. J. E. Perera, with the permission of the Chairman, withdrew from the Meeting.)

(2) That unemployment relief work amounting to labour costs of Rs. 3,000 be undertaken next year, and that Government be asked for a grant of one-third this amount. Mr. Thomas Amarasuriya seconded, and Mr. A. Kahaduwa supported, the motion. Mr. G. Ross-Bell said he was in sympathy with the motion but he thought that a definite scheme should first be prepared and considered by the Council. On the suggestion of the Chairman it was decided to refer the motion to the Standing Committees on Works and Finance for joint consideration.

(At this stage Mr. C. H. Bradley, with the permission of the Chairman, withdrew from the Meeting.)

(3) In view of the fact that the number of qualified midwives practising in Galle is insufficient to serve the needs of the upper and middle classes, this Council do engage for a period of one year the services of two qualified midwives, whose services should be lent by the Council to members of the public on the payment of a specified fee.

The mover, with the permission of Council, withdrew the motion in favour of the following recommendation of the Special Committee appointed to inquire into and report on the infant and maternal mortality in Galle.—“Recommended the appointment of one more midwife for next year with the probability of yet another one for 1938,” and on the undertaking given by the Chairman, that the midwives would be always available for the “paying cases” and encourage to take them if they were not fully occupied with the cases of the poor.

(4) This Council invites the immediate attention of the Registrar of Co-operative Societies to the inordinate delay in refunding moneys due to the members of the Galle Municipal Employees Co-operative Society, particularly the poor labourers among them. Mr. Wahab seconded.—Carried.

7. Pursuant to notice Mr. A. I. H. A. Wahab moved :—That electric current for lighting purposes be made available to Churches, Hindu kovils, and Buddhist temples at the rate of 25 cents per unit as from January 1, 1937, and that the minimum payable by each such consumer be Rs. 3 per month including meter rent. Mr. A. Kahaduwa seconded. Messrs. G. Ross-Bell, E. M. Karunaratna, and Thomas Amarasuriya opposed the motion on principle. Mr. W. Dahanayaka supported the motion but suggested that it be amended by inserting the words “*bona fide* places of public worship” instead of the words, “churches, Hindu kovils, mosques, and Buddhist temples.”

The motion, as originally worded, was then put to the Meeting and declared lost, 3 voting for and 4 against. Mr. Wahab called for a division which resulted as follows :—For Messrs. Wahab, Dahanayaka, and Kahaduwa. Against Chairman, Messrs. Ross-Bell, Karunaratne, and Amarasuriya.

8. To consider what steps should be taken to fill the vacant post of Accountant.

Mr. Dahanayaka moved that consideration of this matter be deferred pending a report from the Assistant Chairman. Mr. A. Kahaduwa seconded.—Carried.

9. To consider the adoption of by-laws *re* Street Hawkers on the Colombo-Matara road, between Kaluwella Junction and Magalle, Hirimbura road, from the Bus Stand to Saranthukade Junction, and the area round the Bus Stand :—Resolved that consideration be deferred.

10. To sanction the following supplemental votes :—(a) Rs. 150 under Head 20—Milk Analysis. (b) Rs. 350 under Vote E 18—Electricity Contingencies :—Sanctioned.

#### (c) Extracts from the Minutes of the Standing Committee on Markets and Sanitation of November 2, 1936.

(2) Considered an application from the Child Welfare Association that the Council should consider the appointment of a properly qualified and trained Public Health Nurse and that the combined grant of Rs. 2,080 which will be available in 1937, be diverted from the funds of the Child Welfare Association and put towards the cost of the Public Health Nurse. In this connection the Committee received a deputation consisting of the President and two Honorary Joint Secretaries of the Child Welfare Association.

The necessity for a fully qualified Public Health Nurse in Galle and the advisability of the Municipal Council employing its grant mainly for this purpose was discussed. The desirability of improving the ante-natal clinical work with a view to reducing infantile and maternal mortality rather than the supply of food for babies which is a Social Service measure was emphasized.

Dr. H. E. Ekanayaka proposed:—(1) It is recommended that the Council expresses its appreciation of the good work done by the Galle Child Welfare Association since its inception and welcomes its co-operation in an auxiliary capacity; and (2) that the Council take charge of the Child Welfare work in Galle from the beginning of 1937, and utilize for the purpose the sum of Rs. 2,580 or other sum which it was proposed to allocate to the Association in 1937.—Carried.

The Chairman proposed:—It is recommended (1) that the Director of Medical and Sanitary Services be asked to lend to the Council a Public Health Nurse on the usual terms until the Council has its own Public Health Nurse ready; and (2) that applications be called for a qualified nurse holding the certificate of Midwifery and General Nursing issued by the Medical Department, to be the Public Health Nurse at Galle, the selected applicant will be sent for training as a Public Health Nurse if not already so trained. The post to be pensionable. Initial salary not to exceed Rs. 75 a month, and allowances not to exceed Rs. 50 a month.—Carried.

#### Eastern Portion of the Esplanade.

Galle Hockey and Football Club—Tuesdays and Saturdays.

All Saints College—Mondays, Wednesdays, and Fridays.

Swadeshi Sports Club—Thursdays and Sundays.

The Galle Town Club to be given two days in the week on the Circus grounds.

(3) With regard to the application for a site for a tennis Court by the Public Services Recreation Club, it was recommended that it was not desirable that Tennis Courts should be laid on any part of the Esplanade grounds opposite the Ramparts.

(4) As pedestrians are now exposed to the danger of heavy traffic on the roads round the Esplanade, it is recommended that a pavement be constructed by the road alongside the hedge for their use.

(5) It is further recommended (1) that a pavement be constructed on the southern side of the Esplanade road from the bridge near the Railway Station to the New Gate and that a similar pavement be constructed from the New Gate to the Customs road on the Rampart side of that part of the Esplanade road; (2) that the portion of the Esplanade road referred to be super-elevated at the bend; and (3) that a row of suitable shade trees be planted on the southern side of this road as a protection for the newly grown hedge from the sea-breeze.
