## PROCLAMATIONS BY THE GOVERNOR.

L. A.—B 1092/L. D.—B 90/33

BY HIS EXCELLENCY THE GOVERNOR.

### PROCLAMATION.

R. E. STUBBS.

KNOW Ye that We, the Governor of Ceylon, do hereby proclaim the by-law set out hereunder, made by the Municipal Council of Colombo, under sections 109 (1) and 110 (15) of the Municipal Councils Ordinance, 1910, and confirmed by Us by virtue of the powers vested in Us by the said section 109 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

By His Excellency's command,

E. R. SUDBURY,  
Secretary to the Governor.

Colombo, February 6, 1937.

GOD SAVE THE KING.

### BY-LAW.

The by-laws relating to public performances made by the Municipal Council of Colombo published in *Gazette* No. 6,956 of July 12, 1918, as amended by by-laws published in *Gazette* No. 6,972 of October 18, 1918, and *Gazette* No. 8,057 of June 8, 1934, respectively, are hereby further amended in by-law 52 thereof, as follows:—

- (1) by the numbering of the first sentence of that by-law as paragraph (i) thereof;
- (2) by the substitution in the aforesaid paragraph (i) for the word "rules" of the word "by-laws";
- (3) by the deletion of all the words from "The Chairman may appoint" to "when not specified otherwise in these by-laws";
- (4) by the addition, immediately after paragraph (1), of the following new paragraphs:—

(2) Every licensee shall, in the months of June and December of each year, furnish at his own expense, to the Chairman, a certificate from a person approved for the purpose by the Chairman, to the effect that the gas or electrical installation in the licensed building or place is in safe working order.

(3) If at any other time during the year, the Chairman has reason to believe that the gas or electrical installation in any licensed building or place is faulty or is in a dangerous condition, he may by written notice—(a) require the licensee to furnish, at his own expense, a further certificate to the like effect as the certificate mentioned in paragraph (2) above; or (b) prohibit the use of the licensed building or place until all faults are rectified and the aforesaid certificate is furnished.

(4) Save as otherwise expressly provided in these by-laws, all electrical installations shall be erected and maintained in strict accordance with the latest edition of the rules of the Institution of Electrical Engineers and the Phoenix Fire Office of Great Britain.

H./Y. A. 4022

BY HIS EXCELLENCY THE GOVERNOR.

### A PROCLAMATION.

R. E. STUBBS.

WHEREAS by a declaration dated February 3, 1937, the proper authority, to wit, the Chairman, Urban District Council, Negombo, declared that the area described in the schedule hereto annexed shall be a "diseased locality" within the meaning of "The Quarantine and Prevention of Diseases Ordinance, 1897," and the regulations made thereunder:

Now know Ye that We, the Governor, by virtue of the powers in Us vested by Article 93 of the Ceylon (State Council) Order in Council, 1931, do hereby confirm the said declaration dated February 3, 1937, in accordance with the regulations made under "The Quarantine and Prevention of Diseases Ordinance, 1897," and published in the *Supplement to the Government Gazette* No. 7,481 dated August 28, 1925, and do hereby declare that the area described in the schedule

hereto shall, until further notice in terms of the said regulations, be a "diseased locality" for the purposes and within the meaning of the said Ordinance and the regulations made thereunder.

By His Excellency's command,

E. R. SUDBURY,  
Secretary to the Governor.

Colombo, February 6, 1937.

GOD SAVE THE KING.

General Manager's Office,  
Colombo, February 10, 1937.

G. E. SAMUELS,  
Acting General Manager.

TENDERS are invited for works of improvements to the channels on Crown land at China Bay, Chinnavadi, Trincomalee District in connection with the Anti-Malaria Campaign.

All tenders should be in duplicate and sealed under one cover, and be addressed to the Chairman, Tender Board, General Treasury, Box No. 500, Colombo, and should reach him not later than 12 noon on Tuesday, March 2, 1937.

### Conditions.

1. Tenders are to be made upon forms supplied upon application at the Division of Sanitary Engineering, Torrington square, Colombo, and no tender will be considered unless upon this recognized form. A deposit of Rs. 10 will be required to be made either at the Treasury or Kachcheri and a receipt produced for the same before any form of tender is issued.

2. Should any person decline to enter into the contract and bond or fail to furnish approved security within 10 days of receiving notice in writing of the acceptance of the tender, such deposits will be forfeited to the Crown; and the defaulter will render himself liable to be included in the list of defaulting contractors precluded from having any concern in a Government contract. All other deposits will be returned upon signature of the contract. No deposits for tender forms will be accepted at the Office of the Division of Sanitary Engineering.

3. The successful tenderer will be required to furnish cash security of Rs. 500 and to sign the bond given in the tender for the fulfilment of the contract; also to furnish with each tender a letter in duplicate signed by two responsible persons whose addresses must be given, engaging to become additional security for the due performance of the contract. The amount deposited for tender forms will form part of the security.

4. No tender will be considered unless all the conditions above laid down, have been strictly fulfilled.

5. The Government reserves to itself the right of rejecting any or all tenders, and the right of accepting any portion of a tender.

6. No contract shall be entered into with any person whose name is on the list of Crown defaulting contractors either individually or jointly with any other person, nor shall the contractor employ any person whose name is on the list of Crown defaulting contractors, or any other persons to whom the Sanitary Engineer for reasons which appear to him sufficient objects after giving due notice of his objection in writing.

7. The contract shall be entered into by the contractor with the Sanitary Engineer, acting for and on behalf of His Majesty the King, and the designation of such officer for the time being holding such office and his successors in office for the time being under the Government of Ceylon.

8. Contracts may not be assigned, sublet or otherwise transferred without the previous sanction of the Sanitary Engineer. Sanction will not be given for any transfers including powers of attorney in favour of persons in the

defaulting contractors' list. No defaulting contractor shall be employed on any service connected with the contracts or the tenders.

9. The contractor shall at his own cost and charges furnish all labour implements, tools, and materials found necessary for the full and complete performance of the contract including the erection and maintenance of all temporary embankments, diversion channels, fences, and he shall in like manner furnish lights and watchmen and everything necessary for securing the public safety.

10. The contractor shall provide at all times during the construction of the work all pegs required for the proper setting out of the works and of all forms, sight rails, and labour for fixing and adjusting same entirely at his own expense and to the satisfaction of the Sanitary Engineer and must allow for same in the rates submitted in his tender.

11. The contractor shall further provide the Engineer in charge with all necessary labour he may require from time to time in measuring up and checking the work during its progress.

12. The contractor will be held responsible for the proper protection of all pegs, sight rails, &c., and shall be liable for deductions being made against the value of works carried out by him to cover the cost of additional expense incurred by the Sanitary Engineer owing to neglect in this respect.

13. All pegs shall be of palu or other approved hardwood not less than 2 ft. in height and be of 2 in. by 2 in. section. No round timber pegs shall be used except when specially authorized. Sight rails and forms to be of 6 in. by 1½ in. timber.

14. The contractor shall not absent himself from the work without leaving a fully authorized English-speaking Agent to act in his absence and he shall not relet, sublet, or assign this contract or any portion of it without the assent of the Sanitary Engineer in writing. The contractor at all times must keep an English-speaking foreman on the works.

15. The contractor shall be held responsible for any trespass on lands and for damages to property arising out of his contract and in the event of accident to any person or persons damage to property, injury to cattle or damage or injury of any description to any person or thing, the contractor shall indemnify the Government from all claims on account thereof; and if the Government is called upon to pay any money in respect thereof, the sum so paid shall be charged to the contractor as money paid to him on account of his contract and the contractor shall not be at liberty to dispute or question the right of the Government to make such payment for him or on his account, notwithstanding the same may have been made without his consent or authority any decision or determination in law or otherwise to the contrary notwithstanding.

16. The Sanitary Engineer shall have full power to make any additions, omissions or variations in any part of the works during the progress thereof which he may deem proper and the contractor is hereby bound to make such additions, omissions or variations when required to do so by the Sanitary Engineer; and if such additions, omissions or variation shall entail extra expense on the contractor either in labour or materials, the same shall be allowed to the contractor or should it be a saving to the contractor either in labour or materials the same shall be deducted from the amount of the contract; in either case the amount is to be determined by the Sanitary Engineer, who shall value all additions, omissions, or variations according to the contract rates submitted. But no such additions, omissions or variations, shall in anywise have the effect of suspending, superseding, annulling or rescinding the said contract, which shall continue to subsist notwithstanding such additions, omissions or variations being made. And every such addition, omission or variation shall be performed and made by the contractor; under and subject to the conditions, stipulations, and covenants expressed in the contract as if such addition, omission or variation had been expressed and specified in the terms of the contract; and no additions, omissions, variations or extra work whatever shall be done without the written authority of the Sanitary Engineer, given prior to the execution of such work nor will any allowance or payment be made for the same in case it should be done without such authority.

17. Any person employed by the contractor on the works, who in the opinion of the Sanitary Engineer is considered incompetent or who shall act in an improper manner, may be discharged by the Engineer, and such person shall not be again employed upon the works without written permission from the Sanitary Engineer.

18. Should it be deemed necessary on account of the inclemency of the weather or from any other cause to suspend the works or any portion of them, the Sanitary Engineer or Officer in Charge of works shall have power to direct such delay without any extra allowance being

demanding by the contractor, but the period during which such works may be suspended shall be allowed to the contractor in computing the time for the completion of the work.

19. If the contractor shall not execute the work in a sound and workmanlike manner or with due diligence, or if he shall not regularly proceed with the works to the satisfaction of the Sanitary Engineer, it shall be lawful for the Government to give the contractor notice in writing signed by the Sanitary Engineer requiring him forthwith to proceed with the due execution of the works, and in case the contractor shall fail to satisfy these requirements within seven days after the service of such notice, the Sanitary Engineer shall be at liberty to proceed with the work as he thinks fit.

20. If the contractor shall be declared bankrupt or petition any court having jurisdiction in bankruptcy for the liquidation of his affairs by arrangement or composition or for otherwise arranging or compounding with his creditors it shall be lawful for the Sanitary Engineer or Officer in Charge of the works to take possession on behalf of the Government of all plant, implements, tools, and materials upon the works belonging to the contractor, and to employ any other contractor, workmen or other person by contract, piece-work, day work or otherwise, and to proceed with and complete the works. On the expiration of the said notice or on such bankruptcy or petition, or arrangement as the case may be, the contract shall, at the option of the Government, become void as to the contractor, without prejudice to any right of action which the contractor may be subject unto for not proceeding with the works in accordance with the specification.

21. The work will be measured up monthly by the Sanitary Engineer or Officer in charge of the works whose measurements will be final. Only the net measurements of work will be allowed notwithstanding any local or other usage or custom to the contrary.

22. The Sanitary Engineer or Officer in charge of the works will certify monthly, on account, and the final certificate will be made out upon measurements based on the actual quantities and of the works executed according to the accepted contract rates.

23. The contractor shall maintain at his own expense and keep in proper repair to the satisfaction of the Sanitary Engineer, the whole of the works for a period of three calendar months after the completion of same.

24. Payments for works will be made monthly on the basis of 85 per cent. of the estimated value of the work executed, the balance 15 per cent. will be retained in the hands of Government until the completion of the work, and will be forfeited by way of liquidated and ascertained damages to the Government should the contractor fail to complete his contract to the entire satisfaction of the Sanitary Engineer.

25. The cash security will be retained until the maintenance period has been completed and the works handed over. No payment or certificate shall protect or be deemed to protect the contractor in case of overpayment, or in case it shall at any time within the term of maintenance appear that the works or any part of them have not been executed in accordance with the specification.
