## GALLE MUNICIPAL COUNCIL.

Minutes of Proceedings of a General Meeting of the Municipal Council of Galle held at the Municipal Office, on Saturday, January 16, 1937, at 9 a.m., pursuant to notice dated January 13, 1937.

*Present*: Mr. C. Harrison-Jones, Chairman; Mr. K. T. S. Gurusinghe, Assistant Chairman; Mr. J. E. Perera; Dr. H. E. Ekanayaka; Mr. F. Magdon Ismail; Mr. Thomas Amarasuriya; Mr. E. M. Karunaratna; Mr. A. C. Mohammedo; Mr. W. Dahanayaka; Mr. A. I. H. A. Wahab; Mr. A. Kahaduwa; Mr. G. Ross Bell; and Mr. J. C. Cooper.

1. The Minutes of the Meetings held on December 12, 1936, copies thereof having been furnished to each member, were taken as read, and confirmed.

2. Pursuant to notice the Chairman moved the following resolution:—"We the Municipal Council of Galle respectfully tender our loyalty and devotion to His Majesty King George the Sixth on His Accession to the Throne." Mr. E. M. Karunaratna seconded—Carried unanimously all present standing.

3. Pursuant to notice the Chairman moved: "That this Council records its sincere regret at the death of Mr. A. C. Hayley, nominated member of the Council for many years, and its sympathy with his relatives, and desires that a copy of this resolution be forwarded to them." Mr. J. E. Perera seconded.—The motion was carried in silence, all present standing.

4. Three petitions were presented by Mr. Dahanayaka and one by Mr. Wahab. These were tabled and the Chairman said that they would receive consideration.

5. Pursuant to notice, Mr. W. Dahanayaka asked the following questions:—(1) (a) Was a three months old baby named Wijepala brought twice to the clinic at Magalle by the poverty-stricken mother, but refused food on both these occasions pending the decision of the Committee in charge as to whether food should or should not be issued to this child? (b) Is it true that when a decision was arrived at, the child through lack of food was in no fit condition to be brought to the clinic, and that the child died of convulsions on November 7? (c) What action does the Chairman propose to take to prevent in future such cases of "murder by red tapeism"? (2) (a) Does the Council's Public Health Nurse in her diary for October 20, 1936, report that a poor woman, when advised to go to the Galle Hospital, refused to do so because "she dreaded going to the Galle Hospital as a hospital employee had been very rude and hard on her one night when she had been there before"? (b) What action was taken on this complaint? (3) Will the Chairman please state what progress has been made so far with regard to the flea survey of the town, and what it is proposed to do in the future? (4) (a) Has the Council in the past called for tenders for the supply of provisions to contacts in the Segregation Camp? (b) If not what arrangements were in vogue in the past? (c) Will the Chairman please submit this subject for consideration by the Tender Board so that a more satisfactory arrangement may be made for the future? (5) (a) Has there been an allegation against one of the clerks working in the Fish Auction Shed to the effect that he has been in the habit of writing down transactions on slips of paper instead of on the authorized forms? (b) How many witnesses have made this allegation? (c) Will the Chairman please give the figures month per month from January to December, 1936, showing the revenue collected by each of the clerks employed at the Fish Auction Shed? (d) Do not these figures together with the allegation referred to above make one suspect that the clerk in question has been systematically embezzling the funds of the Council? (e) Is the Chairman aware that this clerk, before he was taken on to the service of the Council, had been dismissed for dishonesty from two posts which he had held? (f) Is the Chairman as the chief custodian of the ratepayers money justified in retaining the services of this clerk a day longer? (g) Will the Chairman please investigate into the system of work at the Fish Auction Shed with a view to eliminating the chances of embezzlement that are undoubtedly present to-day under the existing arrangements of work? (6) (a) Is the Chairman aware that there have been several authenticated letters in the "Observer", "Daily News", and "Dinamina", complaining bitterly against the behaviour of the Police at the Passengers' Jetty on December 5 on the occasion of the Emden's visit to Galle? (b) Is the Chairman aware that the complaints are to the effect that the Police violently pushed ladies and children out of the Passengers' Jetty and permitted their friends and high officials only to make use of the Jetty? (c) As other cruisers are likely to visit Galle in the near future and as the good name of the town for courtesy and fair play rests chiefly with the Council, will the Chairman please get into communication with the Police and ensure more satisfactory arrangements on such occasions in the future?

The Chairman replied as follows:—(1) (a) and (b) This is a matter which directly concerns the Child Welfare Association. At my request, however, the Honorary Secretary of the Association has submitted a report, approved by the Committee of the Association, detailing the facts of the case referred to, and a copy of this report is tabled. (c) I do not consider a question worded in this manner deserving of an answer. (2) (a) The Public Health Nurse employed by the Child Welfare Association does make such a statement in her diary for October 20, 1936. (b) No action was taken by me. (3) The Medical Officer of Health reports that the first batch of fleas was sent up for identification in November last year. Out of a total of 168 fleas identified only one Cheopis (Plague flea) was found. These fleas were obtained from the rats caged and destroyed in various parts of the town. Proposals for the future will depend on the full summary of the results when the survey has been completed. (4) (a) No, as it is not possible to get tenders in advance for the possible feeding of contacts of whom there may be none in a year. (b) The practice has been for the Medical Officer of Health to obtain raw materials on the spot from sundries boutiques paying the suppliers at the rate of 15 cents for morning tea, 20 cents for the mid-day meal, and 20 cents for the evening meal for each adult and half these amounts for a child under 12. The contacts have always desired that raw materials be given to them so that each family might do its own cooking. (c) This question does not arise. (5) (a) to (d) and (f) An inquiry into the matter is being held by the Assistant Chairman, and I am therefore, not in a position at present to answer these questions. The report of the Assistant Chairman will be available to the members in the course of next week. (g) No. (6) (a) The question as to whether such an investigation is necessary will depend on the report of the Assistant Chairman who will no doubt comment on the present system of work at the Fish Auction Shed. (b) (a) I have been informed that there were some letters in the newspapers mentioned. (b) No. (c) I am not aware that other cruisers are likely to visit Galle in the near future. The matter complained of is not one to be dealt with by this Council. The Superintendent of Police is the one to whom any aggrieved person should have made his complaint.

6. Pursuant to notice Mr. W. Dahanayaka moved:—(1) That this Council earnestly appeals to the Ministry of Education to exhibit the regalia of the Sinhalese Kings at Galle; a deputation of the Council do wait upon the Hon. the Minister of Education in this connection. Mr. A. Kahaduwa seconded. Mr. E. M. Karunaratna supported the motion.

The Chairman and Mr. A. C. Mohammedo opposed the motion.

Messrs. Thomas Amarasuriya, G. Ross Bell, and J. E. Perera also spoke. The mover replied.

The motion was then put to the meeting and there being an equality of votes for and against, the Chairman gave his casting vote against the motion which was accordingly declared lost.

Mr. Dahanayaka called for a division which resulted as follows:—*For*: Messrs. W. Dahanayaka, E. M. Karunaratna, Thomas Amarasuriya, Dr. H. E. Ekanayaka, Messrs. A. I. H. A. Wahab, and A. (2) Resolved to refer the matter to the Standing Committee on Municipal Works to recommend how the resolution can best be given effect to.
