Present: Mr. T. A. Hodson, Chairman; Mr. Geo. E. de Silva; Mr. S. A. Wijayatilake; Mr. W. A. B. Soysa; Mr. Haji M. S. Usoof Ismail; Mr. Walter Beven; Mr. M. A. S. Marikar; Dr. E. S. Godlieb; Mr. C. H. Bradley.

The deputation was composed of Messrs. Hudson, Whitelow, Jardine, Campbell, Dr. Anthonisz and Dr. Haig.

Mr. Whitelow spoke on behalf of the Club. He gave a short account of the Club and its relations with the Council in the matter of upkeep of the grounds and suggested that though the agreement with the Club had been terminated as from June 1, 1937, the Club should in the interests of sport be given priority of bookings during the months May to August in each year from 1938 for Rugby Football fixtures. The Club also desired that if such priority were given it should continue for a long term of years.

The Chairman tabled letters received from the Kandy Club. The Queen's Hotel and the Mercantile Community in Kandy complaining of the loss of business as a result of the arrangement made to play rugger matches at Gampola, instead of in Kandy during the present rugger season.

Messrs. de Silva and Marikar speaking in their capacity as members of the Bogambara Grounds Special Committee, justified the action of the Council in cancelling the agreement with the Kandy Sports Club, stating that the ground had not been properly maintained by the Club. They pointed out that in the allotment of bookings the Kandy Sports Club had been very fairly dealt with.

The Chairman then moved that the Kandy Sports Club be given priority for a limited number of bookings not exceeding 12, for Rugby Football fixtures during the months of May to August in each year, provided applications were made by the Club on or before March 15 of each year. Mr. Beven seconded.—Carried unanimously.

The Chairman suggested that this privilege should not be abrogated for 10 years.

The members of the Bogambara Grounds Committee desired that it should be left to the Committee for decision. After further discussion Mr. de Silva moved that the term during which the Kandy Sports Club should be given priority of bookings be decided by the Bogambara Grounds Committee. Mr. Marikar seconded.

The motion was put to the Meeting and was lost by 5 to 4. *Ayes*—Messrs. De Silva, Marikar, Soysa and Wijayatilake. *Noes*—The Chairman, Messrs. Beven, Bradley, Ismail and Dr. Godlieb.

7. Arrangements for the presentation of the Council's address to His Majesty King George VI at the Coronation.

Resolved that the Chairman be deputed to present the address to His Excellency the Governor at the Queen's House on May 12 to be forwarded to His Majesty the King.

Confirmed this 15th day of May, 1937 :

E. T. DYSON,
Chairman, Municipal Council, Kandy.

Minutes of Proceedings of a Special Meeting of the Municipal Council of Kandy, held in the Town Hall, Kandy, on Monday, May 10, 1937, at 5.15 p.m., in accordance with the notice dated May 8, 1937.

Present : Mr. T. A. Hodson, Chairman ; Ratwatte Adigar ; Mr. Geo. E. de Silva ; Mr. S. A. Wijayatilake ; Mr. W. A. B. Soysa ; Mr. Haji M. S. Usoof Ismail ; Mr. Walter Beven ; Mr. M. A. S. Marikar ; Dr. E. S. Godlieb ; Mr. C. H. Bradley.

Before proceeding to the business of the meeting, the Chairman referred to item 1 (3) of the Minutes of the Special Meeting held on May 7, 1937, and stated that he was in error when he said that the Members did not reserve the right to make further suggestions at the Economy Committee Meeting held on April 22, 1937, when the Chairman's Draft Report was considered, and he expressed regret for his mistake.

2. To consider the Chairman's summary of the decisions of the Economy Committee, and the further report of four Members of the Committee dated May 8, 1937.

After certain general remarks had been made by the Chairman and Mr. de Silva, it was agreed that the recommendations contained in the further report of the four Members should be considered first individually.

(1) ELECTRICITY DEPARTMENT.

Recommendation of four Members :—(a) We feel that two Electrical Engineers are redundant and therefore we recommend the immediate suppression of the post of the Chief Electrical Engineer, who draws a sum of Rs. 12,000 per annum excluding house and car allowances, which amount the Council is not justified in paying, and further recommend that the maximum salary attached to the post of the Municipal Electrical Engineer should not exceed Rs. 7,200 per annum.

Proceedings in Council :—Mr. de Silva moved that the recommendation be adopted and steps be taken as early as possible to dispense with the services of Mr. Mottram subject to payment of such compensation as was due to him on abolition of office. Mr. Marikar seconded.

Mr. Wijayatilake spoke in support of the motion while the Chairman, Mr. Beven and Mr. Bradley spoke against the motion. The motion was put to the meeting and lost by the Chairman's casting vote.

The division was as follows :—Ayes :—Messrs. de Silva, Marikar, Soysa, Ismail, and Wijayatilake. Noes :—The Chairman, Ratwatte Adigar, Dr. Godlieb, Mr. Beven, and Mr. Bradley.

Recommendation of four Members :—(b) That not more than three junior clerks in Class III. under 1934 Scheme should be retained at the Power Station and all other clerks should be temporarily transferred to the Accounts Department in the Town Hall until the receipt of the report of the Auditor General's Department on the working of the Accounts and Shroff's Departments, when economy to be effected in the said Departments would be considered.

Proceedings in Council :—The Chairman pointed out that the number would be automatically reduced to three as the Municipal Electrical Engineer had now four Clerks and one Storekeeper, and the decision of the Economy Committee was to transfer two of them to fill existing vacancies in the Accounts Department at the Town Hall, temporarily.

Mr. de Silva pointed out that their enquiries disclosed that the highly paid Head Clerk had no work to do and moved that the recommendation be adopted. Mr. Marikar seconded.

The motion was put to the meeting and carried by 6 to 4.

The division was as follows :—Ayes :—Messrs de Silva, Marikar, Usoof Ismail, Soysa, Wijayatilake, and Ratwatte Adigar. Noes :—The Chairman, Dr. Godlieb, Messrs. Beven and Bradley.

The Chairman stated that if he found the decision impracticable, he would report the matter to the Commissioner of Local Government.

Recommendation of four Members :—(c) That the Electrical Storekeeper's post should be abolished in view of our recommendation that all Municipal goods of whatever nature should be stored in one place under one Storekeeper.

Proceedings in Council :—Mr. de Silva moved that the designation of "Storekeeper" should be removed from the Electricity Office staff and that the Electricity Stores and General Stores should be kept in one central store. Mr. Marikar seconded.

Mr. Bradley pointed out that Electricity Stores should be readily available to the Engineer in case of a break-down and they should not be removed from the Power House.

The motion was put to the Meeting and lost by the Chairman's casting vote.

The division was as follows :—Ayes :—Messrs. de Silva, Marikar, Soysa, Ismail, and Wijayatilake. Noes :—The Chairman, Ratwatte Adigar, Dr. Godlieb, Messrs. Beven and Bradley.

Recommendation of four Members :—(d) That the post of Meter and Public Lighting Inspector should be immediately abolished.

Proceedings in Council :—Resolved that the post be abolished at the end of six months, and the officer be retired with compensation due to him on abolition of office, unless other work could be found for him in the meanwhile.

Recommendation of four Members :—(e) That the post of Senior Charge Mechanic should be immediately abolished and that there should be hereafter not more than two Charge Mechanics.

Proceedings in Council :—The Chairman mentioned that this recommendation had already been adopted.

Recommendation of four Members :—(f) That the post of Installation Inspector should be immediately abolished and his functions should be carried out by the Electrical Engineer.

Proceedings in Council :—Municipal Electrical Engineer was called before the meeting and questioned as regards the duties of the Installation Inspector and a suggestion was made that his duties should be added to those of the Assistant Municipal Electrical Engineer. The Chairman moved the Council into Committee to consider the further recommendations. This was agreed to.

Proceedings of Council in Committee :—Resolved unanimously that the post of Installation Inspector be abolished at the end of one year, or earlier if a suitable place could be found for the officer.

Recommendation of four Members :—(g) That not more than four Clerks should be employed at the Town Hall to do the accounts and other works connected with the Department. That the Post of Internal Audit Clerk of this Department should be immediately abolished.

Proceedings of Council in Committee :—Mr. Ismail suggested that consideration of the recommendation be deferred until the inspection of the Auditor-General. This was agreed to.

Recommendation of four Members :—(h) That one of the posts of Peon should be abolished.

Proceedings of Council in Committee :—It was agreed to abolish one post when a vacancy occurred.

(2) WORKS DEPARTMENT.

Recommendation of four Members :—(a) In our opinion, the employment of Mr. Garment as Municipal Engineer is too expensive and unjustifiable expenditure and we, therefore, recommend the immediate discontinuance of this officer and advise the Council to employ a new fully qualified Civil Engineer with an initial salary of Rs. 6,000 per annum, rising up to Rs. 7,200 per annum with the usual allowances. We are further of opinion that Mr. Garment is not entitled to claim any compensation in view of, *inter alia*, (i.) the report of the Engineering Assistant, P. W. D., dated March 22, 1937, on the Kandy Waterworks River Pumping Scheme; (ii.) the unsatisfactory nature of the Principal Capital Works carried out under his supervision.

Proceedings of Council in Committee :—Comments made by the Engineering Assistant, P. W. D., (Mr. Mahadeva) in his report as regards the execution of the Minor (River) Pumping Scheme were considered and it was agreed that they did not reflect on Mr. Garment.

The Chairman moved that the office of "Municipal Engineer" be abolished with effect from February 1, 1938, and Mr. Garment be retired with the compensation due to him on abolition of 'Office' and that he be further granted seven months' full pay leave (vacation and commuted) commencing from July 1, 1937, with Rs. 600 towards the cost of a single passage home, the total payments due to him under this arrangement being as follows :—

	Rs.	c.
(i.) Payment towards passage (payable on or before July 1, 1937)	600	0
(ii.) Pay for seven months at Rs. 1,500 per mensem payable at the end of each month from July, 1937, to January, 1938, inclusive	10,500	0
(iii.) Gratuity for 8 years and 1 month's service under Pension Rule 5 (1) (ii.)— $97/1 \times 1/12 \times 1,500/1$ (payable on February 1, 1938)	12,125	0
(iv.) Addition for abolition of office under Pension Rule 5 (1) (ii.) <i>i.e.</i> , 50 per cent. of Rs. 12,125 payable on February 1, 1938	6,062	50
	29,287	50

Mr. de Silva seconded. Carried unanimously.

It was further resolved that the post of Engineer be advertised on a salary of Rs. 7,200 rising to Rs. 9,000 per annum with a travelling allowance of Rs. 1,200 per annum, the appointment to be on one year's probation.

Recommendation of four Members :—(b) We also recommend the immediate discontinuance of the Assistant Municipal Engineer, Mr. Vanderwall, as we are quite satisfied that he is unable to carry out the functions of an Assistant Engineer. We recommend that an Assistant is not necessary hereafter.

Proceedings of Council in Committee :—Resolved that if a new water augmentation scheme or a gravitation scheme is adopted within the next twelve months, the services of Mr. Vanderwall be retained as Assistant Engineer. If such a scheme is not adopted within that time, the post be suppressed and Mr. Vanderwall be retired on twelve months' notice with the compensation due to him on abolition of office.

Recommendation of four Members :—(c) That all Municipal goods of whatever nature should be stored in one place under one Storekeeper and, therefore, only one Storekeeper should be retained for all the Departments of the Council.

Proceedings of Council in Committee :—This was not considered as the decision under item (2) (1) (c) was applicable.

Recommendation of four Members :—(d) that not more than two Clerks should be attached to this Department.

Proceedings of Council in Committee :—It was agreed that two Clerks and one Storekeeper should remain.

Recommendation of four Members :—(e) That the services of only one Waterworks Inspector, viz., C. A. Christiansz, should be retained and the posts of the other two Waterworks Inspectors, viz., Messrs. Kaimal and Muthucumaru, should be immediately abolished. We advise that special instructions should be given to all Revenue and other Municipal Inspectors and the Municipal Engineer apart from carrying out their prescribed functions, to attend to some of the functions of the Waterworks Inspector. If this is done, we would only be reverting to the good old practice, which, we gather, was discontinued on the recommendation of the present Municipal Engineer.

Proceedings of Council in Committee :—Mr. Christiansz was summoned before the meeting and questioned as to the nature of duties performed by him and the two other Inspectors. Mr. de Silva stated that the former practice was for Sanitary Inspectors and Revenue Inspectors to note on their routine inspections all house service taps which were out of order and report to the Engineer's Department for attention. He suggested that this practice should be resumed and two Waterworks Inspectors should be discontinued. Mr. Wijayatilake suggested that the three Waterworks Inspectors should be retained. The Council ultimately voted on the number of Waterworks Inspectors that should be retained and the division was as follows :—For the retention of three Waterworks Inspectors. This was lost by 6 to 4. Ayes :—The Chairman, Dr. Godlieb, Messrs. Bradley and Wijayatilake. Noes :—Messrs. de Silva, Marikar, Soysa, Ismail, Beven, and Ratwatte Adigar. For the retention of two Waterworks Inspectors. This was carried by 6 to 4. Ayes :—Messrs. de Silva, Marikar, Soysa, Ismail, Beven, and Ratwatte Adigar. Noes :—The Chairman, Dr. Godlieb, Messrs. Bradley and Wijayatilake. The Council agreed to discontinue the junior of the three Waterworks Inspectors, Mr. Kaimal, on one year's notice with the compensation due to him on abolition of office.

Recommendation of four Members :—(f) That the services of only one Plumber should be retained and the posts of the other plumbers should be immediately abolished.

Proceedings of Council in Committee :—The Chairman mentioned that there was only one Plumber employed.

Recommendation of four Members :—(g) That the post of orderly should be abolished. That the two posts of Sub-Overseers should be immediately abolished.

Proceedings of Council in Committee :—The Chairman stated that these decisions of the Economy Committee have already been adopted.

Recommendation of four Members :—(h) That only one Peon should be retained and the others should be discontinued.

Proceedings of Council in Committee :—Resolved that the two Peons be retained.

Recommendation of four Members :—(3) That no Municipal employee should be paid overtime unless the Council decides otherwise :—

Proceedings of Council in Committee :—Resolved that a statement of overtime paid be circulated to Council monthly. (4) That no temporary appointments of whatever nature should be made without the previous sanction of the Council.

Proceedings of Council in Committee :—Resolved that any temporary appointment should be made by the Chairman only after circulation of papers to the Council explaining the necessity for such appointment.

Recommendation of four Members :—(5) In order to further protect the Revenue of the Council, we recommend that no Municipal employee should be empowered to sell or dispose of any property of whatever nature or kind belonging to the Council without the previous sanction of the Council.

Proceedings of Council in Committee :—The Chairman explained that all sales are made subject to the Chairman's approval. It was agreed that no change was required in the existing practice.

Recommendation of four Members :—(6) With regard to economy to be effected in the Accounts and Shroff's Departments, we have decided to go into the working of the said Departments after the receipt of the report of the Auditor-General on the subject and we reserve our right to re-open this question as soon as the report is available.

Proceedings of Council in Committee :—This was agreed to.

3. The Council then resumed and the Chairman moved that the decisions made by Council in Committee be adopted. Mr. de Silva seconded.—Carried.

4. To re-consider the question of Salary Levy in terms of the resolution passed at the Budget Meeting held on December 7, 1936. The Chairman moved that the Salary Cut be restored as from April 1, 1937. Mr. Ismail seconded.—Carried.

The Chairman further moved that the amounts recovered by the enforcement of the Salary Levy for the six months October, 1936, to March, 1937, be refunded to the officers concerned. Mr. Bradley seconded.

Mr. Beven moved as an amendment that the amount recovered by the enforcement of the Salary Levy for the three months October to December, 1936, be refunded to the officers concerned. Dr. Godlieb seconded.

Messrs. de Silva, Marikar, and Wijayatilake opposed both the motion and the amendment.

The amendment was put to the Meeting and the division was as follows :—Ayes :—The Chairman, Dr. Godlieb, Messrs. Bradley, Beven, and Ratwatte Adigar. Noes :—Messrs. de Silva, Marikar, Soysa, Ismail, and Wijayatilake.

There being an equality of votes, the Chairman gave his casting vote in favour of the amendment and declared that this motion lapsed.

At this stage Messrs. de Silva, Marikar, Ismail, and Wijayatilake left the meeting.

5. Ratwatte Adigar expressed the Council's appreciation of the services rendered by Mr. Hodson as Chairman of the Council and wished him a pleasant holiday and safe return to Ceylon.

Mr. Hodson thanked the Members.

Confirmed this 15th day of May, 1937, subject to the annexed addition.

E. T. DYSON,
Chairman, Municipal Council, Kandy.

Minutes were confirmed subject to the following addition to item 4.

Mr. G. E. de Silva objected to this motion on the ground that no notice was given.

The Chairman held that the item on the agenda covered this motion.

Mr. G. E. de Silva raised the further objection that the Chairman who proposed the original motion and the Provincial Engineer who seconded it both voted for the amendment without withdrawing the original motion.

NOTIFICATIONS UNDER "THE PATENTS ORDINANCE, 1906."

THE following Specification has been accepted:—

No. 2,918 of September 28, 1936. (Date applied for under section 50 of the Ordinance: March 18, 1936.)

National Carbon Company Inc.

Dry cells and processes for making the same.

Abstract.—This invention relates to dry cells such as are used for flash lights, which are provided with thin covers generally of metal. In the usual type, a brass cap fits on the centre carbon electrode having a flange which bears on an insulating washer; the metal closure is firmly fixed to the container electrode and rests on the other side of said washer. It is stated that a disadvantage in such cells has been that the creepage of salts along the cover and between the cover and electrode led to internal short circuiting and destruction of the cell. The invention proposes to avoid this by covering the whole or portion of the closure and electrodes with moisture repelling substance which prevents the creepage. This is accomplished by means of either (1) a thermoplastic substance in the form of a washer which is fitted inside the cell during assembly, the cell being then inverted and heat applied thereto or (2) a Thermoplastic substance applied hot, the cell being then inverted and left to cool, (3) a polymerisable substance which is applied before closure, the cell being inverted and left till reaction is complete.

There are twenty claims and one sheet of drawings.
