## GALLE MUNICIPAL COUNCIL.

## Minutes of Proceedings of a General Meeting of the Municipal Council of Galle, held at the Municipal Office on Saturday, July 10, 1937, at 9 a.m., pursuant to Notice dated July 4, 1937.

Present :—Mr. C. Harrison-Jones, Chairman ; Mr. K. T. S. Gurusingha, Assistant Chairman ; Mr. J. E. Perera ; Mr. F. Magdon Ismail ; Mr. Thomas Amarasuriya ; Mr. E. M. Karunaratna ; Mr. A. C. Mohammedo ; Mr. W. Dahanayaka ; Mr. A. I. H. A. Wahab ; Mr. A. Kahaduwa ; Mr. J. C. Cooper ; and Dr. A. T. Kuriyan.

1. The Minutes of the meeting held on June 12, 1937, a copy thereof having been furnished to each member were taken as read and confirmed.

2. Two petitions and a letter were presented by Mr. W. Dahanayaka and one petition by Mr. E. M. Karunaratna. These were tabled and the Chairman said that they would receive consideration.

3. Pursuant to notice Mr. W. Dahanayaka asked the following questions :—

(1) What school buildings or parts of school buildings within the Municipal limits of Galle have been assessed for rates ? (2) Is the Chairman aware that the Supreme Court has held that term "School Building" used in section 115 (1) of Ordinance No. 6 of 1910, would apply only to such parts of a school building as are used as class rooms where the classes meet regularly for tuition or private study ? (3) Is the Chairman aware that according to this interpretation some school halls and staff common rooms are rateable ? (4) Will the Chairman please take steps to charge rates on such parts of school buildings, or, if he is not prepared to do so, will he please obtain the opinion of the Auditor-General on this subject ?

The Chairman replied as follows :—

(1) It is not possible to ascertain from the existing assessment list exactly what portions of the several school premises within the Municipal limits of Galle have been assessed for rates. (2) Yes, if the member is referring to the case of *Dr. Coudon v. The Colombo Municipal Council* reported in 8 New Law Reports at page 338. (3) School halls or staff common rooms may or may not come within the exempting proviso of section 115 of Ordinance No. 6 of 1910. In every instance the question will have to be decided on the merits of each case. (4) The Government Valuer is aware what parts of school buildings should, and what parts should not, be rated for purposes of assessment ; and as all properties in the town are now being reassessed by his Department I have no doubt that proper steps will be taken to ensure that such parts of school buildings as should be assessed for rates are so assessed.

4. Pursuant to notice Mr. F. Magdon Ismail asked :—What steps have been taken regarding the improvement of the Small Esplanade in the Fort.

The Chairman replied as follows :—An estimate for the work was prepared and submitted to the Works Committee, but consideration was deferred until proper levels had been taken. This has now been done, and the matter will be considered again by the Works Committee at its next meeting.

5. Pursuant to notice Mr. W. Dahanayaka asked the following questions :—

- (1) What was the infant mortality rate in each of the last five years, and in the first six months of this year ?  
 (2) (a) Is the Chairman aware that great inconvenience is felt by householders in some parts of the town as a result of restriction of the water supply during certain hours of the day ? (b) What is the cause for this and what action does the Chairman propose to take over this matter ?

The Chairman replied as follows :—

(1) According to information obtained from the Registrar-General, the infant mortality rate per 1,000 births during the last 5 years was as follows :—1932—150 ; 1933—133 ; 1934—156 ; 1935—159 ; and 1936—140. The information in respect of the first six months of this year has not yet been obtained. (2) (a) I am aware that complaints about a deficiency in the water supply have been received from residents in the Fort. (b) A full report on the matter by the Municipal Engineer is tabled for the information of the members. The suggestion made in paragraph 5 thereof will be submitted to the Works Committee for consideration.

6. Pursuant to notice Mr. J. E. Perera asked the following questions :—

- (1) (a) What is the cause of the low pressure in the water main and pipes of the Galle Fort ? (b) Has there been any manipulation of the valves at the main source at Hiyare or Bikke to reduce the outflow of water ? (2) (a) Why were the water mains in the Fort not scraped as undertaken by the Municipal Engineer in April last ? (b) Will the Chairman please cause the mains to be scraped at an early date ? (3) Is the Chairman aware of the insanitary condition of the Havelock Place and China Garden road drains caused by the inflow of foul and offensive matter from the canal ?

The Chairman replied as follows :—

(1) (a) This is chiefly due to the water mains and pipes in the Fort being obstructed with growths of tubercles caused by the presence of organic matter in the water. (b) Yes, the opening of the 10-inch sluice valve feeding the town has been reduced from 7 inches to 6 inches. This was done only after the water level at the reservoir fell to 3 feet below spill level, with the object of avoiding a water shortage. (2) (a) Because the firm that submitted the lowest quotation for the supply of the pipes which are required when the old pipes are taken out, was unable to supply them till the end of last week, although the order was placed more than seven weeks ago. (b) The work of scraping the mains is now in hand. (3) I am aware that during high tide water from the canal overflows into all the drains leading into it and that this water carried considerable quantities of floating matter and rubbish which are frequently left deposited in the drains when the tide runs out. The drains are cleaned twice daily.

7. To consider the report of the Special Committee appointed on May 23, 1936, to submit an early report on the amendments required in Ordinance No. 60 of 1935 to make it applicable to the Galle Municipal Council.

With regard to recommendation (1) (a) dealing with the number of wards and their boundaries, Mr. F. Magdon Ismail moved as an amendment that the northern boundary of the proposed new ward 3 be Halls road instead of Talapitiya road. Mr. A. C. Mohammedo seconded. Messrs. Wahab and Dahanayaka opposed. The amendment was then put to the meeting and declared lost—2 voting for and 8 against. Mr. Dahanayaka called for a division which resulted as follows :—*For* : Messrs. F. Magdon Ismail and A. C. Mohammedo. *Against* : The Chairman, and Messrs. J. E. Perera, Thomas Amarasuriya, E. M. Karunaratna, W. Dahanayaka, A. I. H. A. Wahab, J. C. Cooper, and Dr. A. T. Kuriyan.

Mr. Thomas Amarasuriya next moved as an amendment that the present ward 5 be divided into 2 wards, as suggested by the Sub-Committee by a boundary along Wakwella road, Kumbalwella road and the Moragoda-ela. Mr. A. I. H. A. Wahab seconded. Messrs. W. Dahanayaka, F. Magdon Ismail and E. M. Karunaratna opposed the amendment. Mr. J. E. Perera supported it. The amendment was then put to the meeting and declared lost—4 voting for and 7 against. Mr. Dahanayaka called for a division which resulted as follows :—*For* : Messrs. Thomas Amarasuriya, A. I. H. A. Wahab, J. E. Perera, and A. Kahaduwa. *Against* : The Chairman, and Messrs. F. Magdon Ismail, E. M. Karunaratna, A. C. Mohammedo, W. Dahanayaka, J. C. Cooper, and Dr. A. T. Kuriyan.

Recommendation (1) (a) was then put to the meeting and adopted.

With regard to recommendation (1) (b) dealing with the number of members, Mr. W. Dahanayaka moved as an amendment that the size of the Council under the reformed constitution be fixed at 10 elected and 2 nominated members, viz., the Provincial Engineer and the Provincial Surgeon, who shall serve in an advisory capacity and shall not have the power to vote, but this amendment fell through for want of a seconder.

Mr. J. E. Perera next moved as an amendment that the size of the Council under the reformed constitution be fixed at 10 elected and 3 nominated members, viz., the Provincial Engineer, the Provincial Surgeon, and a member to represent the mercantile interests. Mr. Thomas Amarasuriya seconded, and Messrs. W. Dahanayaka, and E. M. Karunaratna supported the amendment. The Chairman, and Messrs. F. Magdon Ismail and A. C. Mohammedo opposed the amendment and supported the recommendation of the Special Committee. The amendment was then put to the meeting and declared lost—5 voting for and 6 against. Mr. W. Dahanayaka called for a division which resulted as follows :—*For* : Messrs. J. E. Perera, E. M. Karunaratna, Thomas Amarasuriya, W. Dahanayaka, and A. Kahaduwa. *Against* : The Chairman and Messrs. F. Magdon Ismail, A. C. Mohammedo, A. I. H. A. Wahab, J. C. Cooper, and Dr. A. T. Kuriyan.

Recommendation (1) (b) was then put to the meeting and adopted.

With regard to recommendations (2) (a) and (2) (b) dealing with the qualifications of voters and Councillors, the Chairman moved as an amendment that the recommendations of the Special Committee be deferred for consideration at a later date, as he thought it desirable that the Council should know what amendments Government proposed to make in the new Ordinance as a result of the decisions arrived at by the Colombo Council. Mr. W. Dahanayaka was opposed to this amendment.

Mr. F. Magdon Ismail said he had no objection to the amendment provided the Chairman undertook to bring up the matter again at an early date. The Chairman agreed to do so at the next meeting, and suggested that members should give notice of any amendments they wished to propose with regard to the recommendations made. Mr. W. Dahanayaka thereupon gave notice that he would move as an amendment that there should be adult franchise for Galle.

The Chairman's amendment was then put to the meeting and carried, Mr. W. Dahanayaka being against.

8. To resume consideration of the Chairman's motion at the meeting of the Council on June 12, 1937, viz. :—That in order to regularize the system of rating in Galle this Council resolves to levy throughout the town from the beginning of the year 1938 a consolidated rate of 17½ per cent. which includes a water rate of 6 per cent. and to exempt from the said water rate all lands and buildings situated outside the area served by the water supply scheme :—The Chairman explained that he had been informed by the Commissioner of Local Government that the question of amending the law so as to validate the present system of rating in Galle would be considered by the Executive Committee for Local Administration on the 15th instant. He, therefore, asked the leave of Council to withdraw his motion for the present with permission to bring another motion on the matter at a later date. Permission having been granted the motion was accordingly withdrawn.

9. Pursuant to notice Mr. Thomas Amarasuriya moved :—That a Special Committee of the Council be appointed to submit a report as early as possible on ways and means of reducing expenditure. Mr. F. Magdon Ismail seconded, and Mr. J. E. Perera supported the motion. Mr. W. Dahanayaka also supported the motion but suggested that the following words be added at the end thereof : "and of increasing revenue". The mover and seconder agreed to this suggestion, and the motion, as amended, was then put to the meeting and carried unanimously. It was also resolved that the Special Committee should consist of the Chairman and Messrs. J. E. Perera, Thomas Amarasuriya, and A. I. H. A. Wahab, with Mr. Thomas Amarasuriya as convener and two members to form a quorum.
