## REGULATIONS.

- Short title and commencement. 1. These regulations may be cited as the Air Navigation (Investigation of Accidents) Regulations, 1937, and shall come into force on the first day of April, 1937.
- Application of regulations. 2. Except as otherwise hereinafter provided, these regulations shall apply to any accident arising out of or in the course of air navigation and occurring in or over Ceylon or the territorial waters adjacent thereto, and to any accident to British aircraft occurring elsewhere which would be likely in the absence of these regulations to remain uninvestigated.
- Notification of accidents. 3. (1) Where an accident to which these regulations apply occurs in or over Ceylon or the territorial waters adjacent thereto and involves the death of, or personal injury to, any person (whether such person was or was not carried in the aircraft concerned at the time of the accident) or serious structural damage to the aircraft concerned, or where any such accident so occurs and is believed on reasonable grounds to have been caused wholly or in part by the failure in the air of any part of the aircraft concerned, the pilot of the aircraft, or if the pilot is incapacitated by injury the person for the time being having control of the aircraft as owner or hirer, shall—
- (a) send notice of the accident by telegram to the Registrar of Aircraft, and
- (b) notify the nearest police officer or headman.
- (2) The notice required by paragraph (1) of this regulation to be sent to the Registrar of Aircraft shall be sent as soon as possible, and in every case within twenty-four hours, after the occurrence of the accident, and shall state—
- (a) the nationality and the registration marks of the aircraft ;
- (b) the names of the owner and of the hirer (if any) of the aircraft ;
- (c) the name of the pilot of the aircraft ;
- (d) the place where the accident took place ;
- (e) the day on which and the time at which the accident took place ;
- (f) the nature of the accident ; and
- (g) whether death or personal injury was caused by the accident, and, if death or personal injury was so caused, to whom it was caused.
- An aircraft which has sustained serious structural damage in an accident not to be removed or interfered with. 4. Where an accident to which these regulations apply occurs in or over Ceylon or the territorial waters adjacent thereto and involves serious structural damage to the aircraft concerned, the aircraft shall not, except under the authority of the Governor, be removed or otherwise interfered with until the expiration of a period of three days from the day on which notice was sent to the Registrar of Aircraft under the last preceding regulation, or, in any case in which the Governor directs that the aircraft shall not be removed or otherwise interfered with until the expiration of any longer period, until the expiration of such longer period :
- Provido I. Provided that the aircraft or any part thereof may be removed or interfered with so far as is necessary for the purpose of extricating any person or animal involved in the accident, of removing any mails carried by the aircraft, of preventing destruction by fire or other cause, or of preventing the creation or continuance of any danger or obstruction to the public :
- Provido II. Provided also that goods or passengers' baggage may be removed from the aircraft under the supervision of a police officer or headman, but, in the case of an aircraft which has last come from a place outside Ceylon, shall not be removed from the vicinity of the aircraft except on clearance by, and with the consent of, an officer of customs :
- Provido III. Provided further that, where an aircraft is wrecked on water, the aircraft or any part or contents thereof may be removed to such extent as is necessary for bringing it or them to a place of safety.
- Power of Governor to authorize any person to do acts in relation to an aircraft to which an accident has occurred. 5. Where an accident to which these regulations apply occurs in or over Ceylon or the territorial waters adjacent thereto and involves serious structural damage to the aircraft concerned, the Governor may authorize any person, for the purposes of any investigation under these regulations and so far as may be necessary for the said purposes, to take measures for the preservation of the aircraft and to have access to and to examine, remove, or otherwise deal with the aircraft.
- Preliminary investigation of accidents. 6. (1) In the case of any accident to which these regulations apply, a person generally or specially appointed by the Governor for the purpose (in these regulations referred to as an "inspector") may, whether such accident is or is not an accident of which notice is required to be given under these regulations, hold a preliminary investigation of such accident.
- (2) A preliminary investigation under this regulation shall be conducted in such manner that, if a charge is made or is likely to be made against any person, that person shall have an opportunity of being present at the preliminary investigation and of making any statement or giving any evidence which he may desire to make or to give, and of producing any witness whom he may desire to produce ; and the inspector shall record the statement or evidence of such person and the evidence of any witness so produced.
- (3) For the purpose of a preliminary investigation under this regulation the inspector making it shall have power—
- (a) by summons under his hand to require the attendance of any person who is the owner, hirer, or one of the owners or hirers, of any aircraft concerned in the accident, or who is in the employment of any such owner or hirer, and whom he thinks fit to call before him and to examine, and to require answers or returns to such inquiries as he thinks fit to make from any such person ;
- (b) to require any such person as aforesaid to make and sign a declaration of the truth of the statements made by him upon examination ;
- (c) to require the production of all books, papers, and documents which he considers material to the preliminary investigation and which are in the possession or control of any owner or hirer of any aircraft concerned in the accident ;
- (d) to have access to and to examine any aircraft concerned in the accident and the place where the accident occurred.

(4) At the conclusion of a preliminary investigation under this regulation, the inspector by whom it has been made shall submit a report thereon to the Governor, and such report may include a recommendation for the cancellation, suspension, or endorsement of any licence or certificate granted in Ceylon to any person concerned in the accident, or the withdrawal or suspension of any validation conferred in Ceylon of any licence or certificate granted to any such person by a duly competent authority elsewhere.

Mr. M. L. M. Reyal asked a supplementary question whether two Members of the Committee were permitted to visit the place and make an informal inquiry and if so whether it was in accordance with the circular recently issued to Members.

The Mayor replied that he did not permit any Member to visit the quarry and that no Member had yet visited the quarry.

5. Pursuant to notice, Mr. A. E. Goonesinha, M.S.C., moved—"That the resolution passed in Council on August 4, 1937, on the memorandum of the Mayor that a Municipal Commissioner be appointed on a salary of Rs. 24,000 per annum by annual increments of Rs. 1,200 rising to a maximum of Rs. 30,000 per annum with a travelling allowance of Rs. 1,800 per annum and a house allowance of Rs. 1,800 per annum, be reconsidered by reference back to the Four Standing Committees".

*Note*.—In terms of the provision of section 10 (e) of Chapter II. of the Municipal By-laws, the notice of above motion bears, in addition to the signature of the mover, the signatures of the following five Members :—(1) C. H. Z. Fernando, (2) E. A. Coorey, (3) C. W. S. Fernando, (4) V. R. Schokman, (5) M. L. M. Reyal. Mr. R. F. S. de Mel seconded.

The Mayor stated that it was not a fact that the salary proposed had been worked out on the basis of the salaries paid to the Commissioners of Bombay and Madras Corporations. This information had been collected after the Council fixed the salary and quoted for purposes of comparison. The revenue of the Bombay Corporation was just over twice the revenue of the Colombo Municipality. The salary of the former Chairmen was fixed by the Governor at Rs. 2,000 a month with no increments to whatever class of the Civil Service he belonged. The salary now proposed for the Commissioner was actually Rs. 1,280 less than the salary and allowances paid on account of the former Chairmen. Under the new Council the Commissioner would be burdened with more orders and he would have very much work to do. He would practically be doing the same kind of work as the former Chairmen. In the case of the Indian Corporations the salary of the Commissioners was fixed by the Corporations and then a Civil Servant on that scale was seconded. In arriving at the salary proposed he did not at all consider the question of the salaries of the Indian Commissioners. He was solely guided by the salary drawn by a First Class Civil Servant, the type of man to be attracted, &c. For the next ten years he did not think that there would be any Ceylonese Civil Servant on the scale for new entrants who would have gained sufficient administrative experience available to the Council as its Commissioner. With regard to the delegation of powers to the Commissioner several ratepayers and State Councillors, including Ministers had informed him that the action taken by the Council had been in accordance with the intentions of the new Constitution.

Mr. M. L. M. Reyal stated that it was not correct to say that the salary proposed was Rs. 1,280 less than the salary and allowances paid to the former Chairmen. The amount of Rs. 5,400 for car allowance was the amount voted by the Council, but it did not represent the actual expenditure.

The Mayor explained that this amount was the actual expenditure under that head and that whoever did the work of repairs, &c., to the car this sum had to be expended from the ratepayers' money.

A discussion followed in which Dr. V. R. Schokman, Mr. C. H. Z. Fernando, Dr. C. W. S. Fernando, Dr. E. A. Coorey, and Mr. N. H. M. Abdul Cader supported the motion, while Mr. Geo. R. de Silva, Deputy Mayor, Mr. M. T. Akbar, Mr. C. G. C. Kerr, and Mr. F. G. Husein opposed the motion.

Mr. A. E. Goonesinha spoke in reply in the course of which reference was made to a remark made by Mr. C. G. C. Kerr that it was merely wasting time to discuss that question further.

Mr. C. G. C. Kerr explained and tendered his apology to Mr. A. E. Goonesinha and other Members, if it could be inferred that his remarks were intended to cast any reflection on the attitude taken up by the Members in rediscussing the question.

The motion was put to the meeting and lost.

Mr. A. E. Goonesinha called for a division and the Council divided as follows :—*Ayes* : (1) Mr. N. H. M. Abdul Cader, (2) Dr. E. A. Coorey, (3) Mr. R. F. S. de Mel, (4) Mr. J. R. Dharmasena, (5) Mr. C. H. Z. Fernando, (6) Dr. C. W. S. Fernando, (7) Mr. A. E. Goonesinha, (8) Mr. N. M. M. Ishak, (9) Mr. A. R. A. Razik, (10) Mr. M. L. M. Reyal, (11) Dr. V. R. Schokman. *Noes* : (1) Dr. R. Saravanamuttu, Mayor, (2) Mr. Geo. R. de Silva, Deputy Mayor, (3) Mr. M. T. Akbar, (4) Dr. A. F. J. Casie Chitty, (5) Mr. D. S. Fonseka, (6) Mr. F. G. Husein, (7) Mr. C. G. C. Kerr, (8) Dr. A. Ratnapala, (9) Dr. (Mrs.) M. H. Rutnam, (10) Mr. N. Saravanamuttu, (11) Mr. S. Saravanamuttu, (12) Mr. M. Subbiah.

6. Pursuant to notice, Dr. (Mrs.) M. H. Rutnam moved :—"That the Council consider the inclusion in the 1938 Budget of provision for the extension of Davidson road to join Layard's road, and that it also consider in the meantime taking immediate steps to lease a right of way in order to provide temporary access at least for pedestrians and rickshaws by means of a footpath connecting these two roads." Mr. F. G. Husein seconded.

Dr. E. A. Coorey moved that the matter be referred to the Finance and Works Committees for consideration and report. Mr. M. L. M. Royal seconded.—Carried.

6A. Dr. E. A. Coorey sought the permission of the House to introduce a motion regarding the construction of 42nd lane, Wollawatta.

The Mayor explained to Dr. E. A. Coorey that the matter would be considered at the next meeting of the Four Standing Committees and their recommendation would be brought up before the Council in due course.

Dr. E. A. Coorey agreed to this.

7. Pursuant to notice, the Mayor moved:—That the Council do resolve itself into a Committee of the whole Council to consider the following extracts from the proceedings of the Committees annexed to the Agenda. Mr. A. R. A. Razik seconded.—Carried.
