DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

No. 6 of 1910.

An Ordinance to amend the Municipal Councils Ordinance, 1910.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Municipal Councils Amendment Ordinance, No. of 1937.

Amendment of section 110 of Ordinance No. 6 of 1910.

2 Section 110 of the Municipal Councils Ordinance, 1910, (hereinafter referred to as "the principal Ordinance"), is hereby amended—

(1) in sub-section (8), by the addition at the end thereof, of the following new paragraph, which shall have effect as paragraph (i) of that sub-section :—

" (i) In the case of public markets, the declaration of market areas, and the licensing, restriction, or prohibition of sales within such areas in accordance with section 202A."

(2) by the addition at the end thereof, of the following new sub-section which shall have effect as sub-section (25) of that section :—

" (25) The abatement of nuisances, including the prohibition, regulation and control of the operation of gramophones, loudspeakers, amplifiers and other instruments automatically or mechanically producing or reproducing sound."

Insertion of new section 202A in the principal Ordinance.

3 The following new section shall be inserted immediately after section 202 of the principal Ordinance, and shall have effect as section 202A of that Ordinance :—

Market areas.

202A. (1) The Council may by by-law made under Part IX, assign to any public market—

- (a) a market area for meat and fish ; and
- (b) a market area for fruit and vegetables,

and may prohibit the sale, otherwise than in accordance with licences issued by the Chairman, of meat or fish, or fruit or vegetables, as the case may be, in any such area.

(2) In any such case, the Chairman may issue licences for the sale of meat or fish, or fruit or vegetables, as the case may be, within any market area, at authorised premises other than the public market, and may fix and levy such fees in respect of the same as may be determined by by-law.

(3) In any case in which the Council is satisfied that sufficient facilities are afforded for the public requirements of any market area by the public market, or by such market and other premises already authorised in combination, the Council may by by-law made as aforesaid, prohibit the sale of meat or fish, or fruit or vegetables, as the case may be, within the said area, except at such public market, or if the Council so determines, except at such public market and such other authorised premises.

(4) In any such case the Council may by such by-law direct that no licences or no further licences shall be issued for the sale of meat or fish, or fruit or vegetables, as the case may be, within the market area ; and if the Council determines that no such licences shall be issued the Council may, on providing adequate accommodation for the purpose in the public market, require that any person carrying on the sale of any of the said articles within the market area, at premises other than the public market, shall transfer such sale to the public market.

(5) Nothing in this section shall authorise the Council by by-law or otherwise to restrict the sale of fruit or vegetables by itinerant vendors who do not sell at fixed places, or do not for the purposes of such sale establish themselves in any street or in any other public place.

(6) In this section "meat" means the flesh or any other part of any dead animal or bird.

Objects and Reasons.

The object of Clause 3 of this Bill is to insert in the Municipal Councils Ordinance, 1910, a new section 202A, containing provisions similar to those enacted in section 163 of the Local Government Ordinance, No. 11 of 1920.

A Municipal Council will be authorised to prescribe "market areas" for each public market and to prohibit the sale of meat and fish, and fruit and vegetables, respectively, except at such public market or at licensed premises within a market area. The Council will also be empowered to require, if necessary, that any such article shall be sold only in the public market. The amendment of the law will not affect the sale of fruit or vegetables by itinerant vendors.

The new section 202A will differ from section 163 of the Local Government Ordinance in that by-laws made under the new section may declare separate market areas for meat and fish, and fruit and vegetables, respectively.

Clause 2 (1) of the Bill effects a consequential amendment in section 110 (8) of the principal Ordinance, and inserts in that section a new paragraph corresponding to paragraph 168 (12) (a) of the Local Government Ordinance, No. 11 of 1920.

2. A Municipal Council has no power under the principal Ordinance to make by-laws to prevent nuisances caused by the unrestricted use of gramophones and radio sets equipped with loudspeakers.

The object of Clause 2 (2) of this Bill is to insert in section 110 of the principal Ordinance a new sub-section (25) which will enable a Council to make by-laws for the abatement of nuisances, including the prohibition, regulation and control of the operation of gramophones, loudspeakers, amplifiers and other instruments automatically or mechanically producing or reproducing sound.

Minister for Local Administration.
