## SCHEDULE.

1. *Conditions for Tavern Buildings; Any alterations to be approved by Government Agent.*—(1) Sales at taverns (whether country liquor or foreign liquor) must be conducted in a suitable building of which the whole or a part must be set aside for exclusive use as a tavern. If there are means of communication between the tavern and an adjoining dwelling house, they must be kept permanently closed. In the case of all taverns there shall be no possible means of ingress or egress except by the front door. The interior of the tavern shall be sufficiently lighted by day and by night, and the tavern shall not be used as a place of residence, save by the renter or an authorized employee acting as a caretaker.

(2) No alterations or additions shall be made to any tavern building, nor shall any wall, fence, or other enclosure be erected without the approval of the Government Agent.

(3) The Government Agent may at his discretion, by special licence to be granted free of charge, permit the establishment in a particular tavern of a private bar, if he is of opinion that the furniture and equipment of the private bar and the area in which the tavern is situated justify the establishment of such private bar. Provided that the whole of the interior of such bar is visible from the entrance thereto, and that such entrance is either through the main door of the tavern, or through a separate door which is clearly labelled or provided with a signboard to indicate the nature of such bar.

2. *Signboards for Licensed Premises.*—A signboard must be affixed to the front of each licensed distillery, manufactory of any kind of liquor, brewery, wholesale warehouse, arrack renter's storehouse, bottling warehouse, premises licensed for the sale of medicated country spirits or fruit and coconut liquors, foreign liquor (off) shop, medicated wines shop, rectified spirits shop, restaurant, canteen, or tavern (including places licensed only for the sale of beer and porter), showing the number and nature of the licence, the name of the licensee, and in the case of country liquor canteens or taverns also the current rate of sale. These particulars must be legibly painted in English or the local vernacular. The licence and a printed copy of these conditions must be hung up in a conspicuous place within all licensed premises.

3. (1) *Prohibition of Possession of Liquor other than that licensed.*—The possession upon any licensed premises of any liquor or intoxicating drug, other than that to which the licence relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor, is prohibited, except under a special licence granted by the Excise Commissioner. Provided that this shall not apply to harmless substances kept or used in distilleries to flavour or colour liquor, if such substances are approved by the Excise Commissioner.

(2) *Prohibition of Adulteration of Liquor.*—All liquor sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them, either to increase their intoxicating power or for any other purpose, provided that this shall not apply to harmless substances kept or used in distilleries to flavour or colour liquor, if such substances are approved by the Excise Commissioner.

(3) *Sale Price of Liquor.*—No liquor shall be sold at country liquor canteens or taverns at a price higher than the current rate appearing on the signboard. Such rate shall be fixed for the day before the opening hour, and shall not be varied during the course of that day.

4. *Authority for Employees.*—The names of all persons proposed to be employed in godowns, warehouses, taverns, vinegar stores, toddy topes, collecting stations, restaurants, and other foreign liquor licensed premises in which a bar is permitted shall be furnished to the Superintendent of Excise, who will grant a permit authorizing the employment of such proposed persons as are approved by him, and the permit shall be exhibited in the licensed premises in which they are employed. Persons not so authorized shall not be employed in any licensed premises. It shall be competent for the Superintendent of Excise at any time to revoke any permit issued under this Condition.

(3) Of Foreign Liquor Premises.

Premises licensed for the sale of foreign liquor shall remain open between the hour of opening and the hour of closing as noted by the Government Agent on the licence, and shall be kept closed at all other hours.

Provided that in cases for which hours have been prescribed by Excise Notification No. 218 published in the *Government Gazette* No. 7,845 of April 17, 1931, the hours as so prescribed shall apply; and that the closing hour of foreign liquor taverns (including places licensed for the sale of beer and porter only) shall not be later than the closing hour of arrack taverns in the same area.

8. *Persons not to be harboured at any Time.*—No person who is a robber or thief, and no disorderly or riotous person, and no person who is reputed to be a prostitute or who is a registered criminal within the meaning of the Prevention of Crimes Ordinance, No. 2 of 1926, shall be harboured in any licensed premises.
