D. B. JAYATILAKA,
Minister for Home Affairs.

SPECIAL CONDITIONS.

1. *Granting of Exclusive Privilege, subject to Sale by Holder of Foreign Liquor Licence (see also condition 23).—*
The privilege will be exclusive, subject to the right of any holder of a foreign liquor licence in the same area, to whom the Excise Commissioner may have given special permission in that behalf, to sell on his licensed premises arrack bought exclusively from the grantee of the privilege, in bulk or in sealed bottles, as the case may be.
2. (1) *Period of Privilege.—*
The privilege will be granted for the period from October 1 of any one year to September 30, of the next succeeding year on application by way of tender in the form, or by auction in the manner prescribed in these conditions.
(2) *Areas for which Privilege granted.—*
The privilege may be granted for the local area of an individual tavern, or for the respective local areas of each tavern in a group of taverns, as the Government Agent may decide.
3. *Tender Form.—*
Every tender shall be made in the form set out hereunder. Forms may be obtained from the offices indicated in the sale notice.
4. *Tender Deposit.—*
(1) The Government Agent may, if he considers it necessary, require the deposit of a sum not exceeding Rupees One thousand (Rs. 1,000) by the tenderer in respect of each tender.
(2) Every tender shall be accompanied by a Treasury or Kachcheri receipt, acknowledging the deposit of the sum required by the Government Agent under the foregoing paragraph of this condition, and the number and date of the receipt shall be entered on the face of the tender form.
5. *Prohibition of Tenders by Agents or of more than one Tender by any Person.—*
(1) Every tender or bid shall be made by the tenderer or bidder in his own name. No tender or bid, made through an agent, will be accepted.
(2) No person shall send in more than one tender for any one tavern, or group of taverns.
6. *Disqualifications against Acceptance of Tenders ; Acceptance under Ignorance null and void.—*
(1) No tender will be accepted from any person—

(b) whose name is on the Excise register of offenders ; or
(c) who is a registered criminal within the meaning of the Prevention of Crimes Ordinance, No. 2 of 1926, or who has been convicted of any grave crime or of any Excise offence ; or
(d) who at any time held a licence which has been cancelled under section 26 of the Excise Ordinance, No. 8 of 1912 ; or
(e) who holds a contract with Government for the bottling of arrack.
(2) If any tender of any such person has been accepted in ignorance of the existence of any such disqualification, the Government Agent may in his sole discretion cancel the acceptance within a period of 30 days from the date of such acceptance, and shall communicate his order of cancellation to the grantee. On the making of any such order of cancellation, the original acceptance shall become null and void.
No such order of cancellation shall however be made in pursuance of this condition after the commencement of the period of the privilege.
7. *Delivery of Tenders.—*
(1) Every tender shall be placed in a sealed envelope on the top left hand corner of which shall be clearly marked the name of the tavern in respect of which the tender is made and its number on the list of sanctioned taverns, or the designation of the group of taverns in respect of which the tender is made as given in the notice calling for tenders, as the case may be.
(2) Every sealed envelope containing a tender shall—
(a) be deposited in the Kachcheri Tender Box ; or
(b) be handed to the Government Agent or to his Assistant ; or
(c) be sent by registered post addressed to the Government Agent so as to reach the Kachcheri, before the time fixed for closing the tenders.
8. (1) *Power of Rejection of Tender.—*
The Government Agent may in his discretion reject any or all of the tenders received ; and in the event of his so rejecting all tenders, he may call for tenders again or put up the privilege either at once or after further notice for sale by auction.
(2) *Restriction of Bidding at Auction.—*
At such auction no person shall be allowed to bid, unless he shall have either—
(a) submitted a tender accompanied by the Treasury or Kachcheri receipt prescribed in condition 4, whether such tender be for the particular privilege to be auctioned or for any other privilege ; or
(b) produced the receipt prescribed in condition 4, notwithstanding his failure to submit a tender for the particular privilege to be auctioned or for any other privilege.
Provided that no person, who is duly declared the purchaser of any privilege, whether by way of tender or of auction, shall use or be permitted to use the same receipt for the purpose of a tender or a bid for any other privilege, until he has completed in respect of the privilege already granted to him the steps prescribed hereinafter in condition 9 (1) (a).

(3) *Power of Rejection of Bid.*—

The privilege shall be granted to the highest bidder at such auction: Provided that the Government Agent may in his discretion reject any or all of the bids made at such auction.

(4) *Procedure after Rejection of all Bids.*—

In the event of the rejection of all bids as aforesaid, the Government Agent may in his discretion—

- (a) call for further tenders for the privilege for any single tavern or for sub-groups of two or more taverns included in any group of taverns, or for any combination of parts of groups or of whole groups of taverns either at once or after further notice, and accept or reject all or any tenders so received, and thereafter, put up for sale by auction the privilege for any single tavern or sub-groups or combinations as aforesaid for which the further tenders were rejected, either at once or after further notice, and accept or reject all or any bids so received; or
- (b) put up for sale by auction the privilege for any single tavern or for sub-groups of two or more taverns included in any group of taverns, or for any combination of parts of groups or of whole groups of taverns either at once or after further notice, and accept or reject all or any bids so received; or
- (c) grant the privilege for the tavern or group, or any single tavern or sub-group of two or more taverns included in a group or for any combination of parts of groups or of whole groups of taverns to any person, who is approved by the Government Agent, and who agrees to pay by way of rent such amount as the Government Agent may fix.

(5) *Procedure after Rejection of further Bids.*—

In the event of the rejection of the bids received under paragraphs 4 (a) and 4 (b) of this condition, the Government Agent may in his discretion take action under paragraph 4 (c).

9. (1) (a) *Security Deposit.*—

The grantee shall, immediately on being declared to be the purchaser of the privilege, sign these conditions and pay to the Government Agent as a security deposit a sum equivalent to two months' rent payable for that privilege.

(b) *Signing of Bond.*—

The grantee shall also within fourteen days of his being declared to be the purchaser of the privilege enter into a bond with the Government Agent for the full amount for which he has purchased it, and he shall specially hypothecate by such bond the said security deposit.

(c) *Consequences of Breach of Condition of Bond.*—

The said security deposit shall be liable to be confiscated, either in whole or in part, by the Government Agent, at his sole discretion and without any process of law, for breach of any of these conditions or of any of the conditions of the licence or licences referred to in condition 12 (2) below, or for non-payment of any instalment, and such confiscation shall be in addition to any other penalty prescribed by these conditions for such breach or non-payment, and to any other amount which the Crown may have the right to claim and recover by due process of law.

(2) *Banking of Security Deposit.*—

Security money so paid will be deposited in a bank only on the grantee's application and only at his risk and when such deposit is made, no withdrawal will be allowed till the date of maturity.

(3) *Warrant or Power of Attorney to Confess Judgment.*—

If the highest bid or tender under condition 8 exceeds the sum of Rs. 2,000, the grantee shall at the time of the execution of the bond as aforesaid execute, if so required by the Government Agent, a warrant or power of attorney in the form sanctioned by law, to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of the privilege, and shall also furnish to the Government Agent within fifteen days of the date of the execution of such warrant or power of attorney a duly certified copy thereof for filing in the District Court under section 32 of the Civil Procedure Code.

(4) *Registered Postal Address.*—

The grantee shall, on signing these conditions, elect and signify under his hand a post office or postal address to which all notices and processes whatever in connection with the privilege may be addressed under registered cover: and all such notices or processes, so addressed to such post office or to such postal address, and posted in due course, shall be deemed to have been duly served and be as effectual for all purposes, as if they had been served upon the grantee in person upon the day on which any such notice or process was so posted.

10. *Failure to complete purchase of Privilege.*—

If any tenderer or bidder, on being declared to be the purchaser of the privilege, declines or fails to sign these conditions of sale, or fails to furnish the security prescribed in condition 9 (1) (a) when called upon to do so, the deposit made under condition 4 will be declared forfeited, and the defaulter will render himself liable to have his name entered in the list of defaulters in respect of all Excise licences. Subject to this exception, the deposits of all tenderers or bidders will be returned after the conditions of sale have been signed and the aforesaid security given by the successful tenderer or bidder.

11. *Grantee to have no Interests in Toddy and Foreign Liquor Sales and in Arrack Estate Canteens.*—

The grantee shall not acquire or hold any share or any interest, whether direct or indirect, (a) in the sale of fermented toddy, or (b) in the purchase of any privilege of selling toddy, or (c) in the sale of foreign liquor, or (d) in the purchase of any privilege of selling foreign liquor, or (e) in any arrack estate canteen, within the local area to which the privilege of selling arrack relates, or (f) in any contract with Government for the bottling of arrack.

12. (1) *Opening of Tavern on due Date, and Approval of Site.*—

- (a) The grantee shall open the tavern or taverns on the day on which the privilege commences to run.
- (b) The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site.
- (c) The grantee shall not open a tavern on any site otherwise than with the approval of the Government Agent, such approval being obtained from the Government Agent at least fourteen days before the privilege commences to run.

(2) *Obtaining of Licences for sale of Arrack.*—

The grantee shall, not less than five days before the date on which the privilege commences to run, obtain from the Government Agent a licence or licences for the sale by retail of arrack at the tavern or taverns within the local area covered by this privilege.

13. Taking over of Balance Arrack by Incoming Grantee by Mutual Agreement.—

The grantee shall take over from the outgoing grantee and pay to him an amount, which may be agreed on, in respect of the cost of—

- (a) the balance of arrack, in bulk and in bottles, remaining in a tavern, after the closing hour of the date of expiry of the privilege of the outgoing grantee, and
- (b) transport, wastage, and other miscellaneous charges.

14. In default of Agreement, Outgoing Grantee to deliver Balance Arrack at nearest Warehouse.—

(1) Where the incoming and outgoing grantees cannot agree with regard to the sum to be paid as aforesaid, the outgoing grantee shall forthwith remove the balance of arrack of a strength not below 29 degrees underproof, on a permit, to the nearest Excise Warehouse, and deliver it to the Warehouse Officer in charge thereof, and obtain a receipt.

(2) The outgoing grantee shall present such receipt to the Excise Commissioner, who shall pay to such grantee the value of the arrack as delivered at the rates of duty, cost price, and additional cost price, of bottled arrack, if any, at which such grantee purchased such arrack.

(3) If the sum payable as duty, cost price, and additional cost price, if any, by the incoming grantee at the time the arrack is so taken over by him, is higher than the sum actually paid for the said arrack by the outgoing grantee, the incoming grantee shall, within fourteen days of the commencement of his privilege, pay the difference to the nearest Kachcheri.

15. (1) Payment of Rent.—

The grantee shall pay the purchase money or rent to the Government Agent in twelve equal monthly instalments.

(2) Due Date of Instalment.—

The first instalment of the rent shall be deemed to be due and payable on the last day of the month preceding the commencement of the privilege, and succeeding instalments shall be deemed to be severally due and payable on the last day of each succeeding month.

(3) Interest and Penalty.—

Interest at the rate of 9 per centum per annum shall be payable in respect of all arrears of rent.

The payment of interest shall not be deemed to prejudice or affect the powers which may be exercised by the Government Agent under section 53 of the Ordinance in any case in which the licence issued to the grantee is liable to be cancelled under section 26.

16. Duty, Cost Price, and Additional Cost Price payable.—

In addition to the rent the grantee shall pay to the Government Agent in respect of every gallon of arrack (at 27 degrees or not more than 29 degrees underproof) removed from a Government Warehouse the duty, cost price, and additional cost price at the rates set out in Schedule A.

17. (1) Payments not valid without Kachcheri Receipt.—

No payment of any sum due by the grantee to the Crown shall be deemed to have been duly made, unless the grantee produces a Kachcheri receipt in respect thereof.

(2) Money left with Officers not reckoned as Money Paid.—

No money which, for his own convenience, the grantee may think fit to leave in the hands of any Shroff or any other officer of any Kachcheri shall be deemed to be money paid under this contract.

18. (1) Purchase of Arrack from Warehouse ; Minimum Quantity.—

The grantee shall purchase arrack only from the Government Warehouse, specified in Schedule B hereto in respect of the district within which the tavern is situated, and in quantities not less than those prescribed in the said schedule.

(2) No issue on Sundays and Holidays.—

No arrack will be issued from a Warehouse on Sundays or Public Holidays without the prior approval of the Superintendent of Excise.

(3) Transport Passes.—

Where arrack is transported by road from a warehouse to a tavern, the Warehouse Officer will not issue a transport pass available for use at a later hour than 6.30 p.m. on the date of issue.

19. Grantee to accept such Arrack as is available ; Loose Capsules on Bottles.—

The grantee shall accept such arrack as is available at the Government Warehouse, whether in bulk or in bottles, and shall test all bottles issued to see whether the capsules are firmly fixed. If the capsules are not firmly fixed, he shall refuse to accept such bottles.

20. Proportion of Sealed Bottles to Bulk.—

The grantee shall draw such proportion of each consignment drawn by him, as the Excise Commissioner or his Deputy or Assistant may require, in sealed bottles of each description.

21. No Compensation for Failure to deliver Full Quantity.—

The grantee shall have no claim against the Crown for compensation (beyond a proportionate refund of the amount paid) in respect of any failure by the Crown for any reason whatsoever to deliver the quality and quantity of arrack for which the grantee has made payment at the Kachcheri as aforesaid.

22. Limit of Sale and Transport.—

The limit of sale by retail with respect to the whole Island and as regards purchasers generally shall be one-third of an imperial gallon, and no arrack in excess of that quantity may be removed at any one time from the tavern by any person without a valid permit or pass.

23. Exclusive Right to supply Arrack for Sale at Foreign Liquor Premises ; Allocation of such Premises to Grantee.—

(1) The grantee of every tavern or group of taverns specified in column I of Schedule C hereto shall have the exclusive right of supplying for sale in each of the foreign liquor premises specified against such tavern or group in column 2 of that schedule arrack (in bulk only or in sealed bottles only, as the case may be) in quantities not less than those prescribed from time to time by the Excise Commissioner, on payment at rates to be mutually agreed upon between the grantee and the licensee of such foreign liquor premises, but not exceeding the prices fixed for the sale of bottled arrack at the taverns, and not below the minimum price fixed for the sale of bulk arrack at the tavern, and on production of a valid transport pass issued by the Superintendent of Excise in that behalf.

(2) Where the grantee so supplies arrack to any foreign liquor premises, he will, for the protection of his exclusive privilege, have the supervisory rights provided for in the conditions of the special licence to sell arrack issued to such foreign liquor premises.

(3) Special licences to sell arrack in sealed (or unopened) bottles only will be issued by the Excise Commissioner at his discretion only to the Foreign Liquor Retail (Off) Licensees mentioned in Schedule C below, and such licensees shall buy the arrack only from the grantee and only in bottles. Likewise, special licences to sell arrack in bulk only, will be issued to all licensees other than Foreign Liquor Retail (Off) Licensees mentioned in Schedule C below, and such licensees shall buy the arrack only from the grantee and only in bulk. Such special licences will not be issued without the grantee's consent; such consent may not be withdrawn in the middle of a licence period, but the grantee shall be at liberty to withhold supplies to the licensee, if the grantee so chooses.

24. *Grantee to account for Arrack : Wastage Allowance.—*

The grantee shall account for all arrack purchased by him from time to time. The allowance made on account of wastage will in no circumstances exceed two per centum of the total quantity purchased since the last date of stocktaking.

25. *Grantee responsible for Agent's Acts.—*

The grantee shall be responsible for all acts of his agents and employees in relation to the privilege.

26. *Non-transferability of Privilege.—*

The privilege shall not be transferable otherwise than with the sanction of the Excise Commissioner first had and obtained.

27. (1) (a) *Cancellation of Licence and Privilege for Non-payment of Rent, &c.—*

If any instalment or part of any instalment of the purchase money or rent, or any fee, duty, cost price, additional cost price, composition fee or other sum due to the Crown from the grantee, in respect of the grant or of the licence issued to him, remains unpaid after the date on which it becomes due and payable, the grantee shall be deemed to have committed a breach of these conditions and of the conditions of the licence issued to him, and the Government Agent shall accordingly have power, without further process of law, either (i.) to suspend or cancel the licence or licences issued to the grantee in pursuance of the provisions of section 26 of the Excise Ordinance, No. 8 of 1912, or (ii.) to take the licence or grant under management at the risk of the grantee, or to declare the licence or grant forfeited and reissue or resell it at the risk and loss of the grantee in pursuance of the provisions of section 30 of the said Ordinance. This condition does not in any way affect the Government Agent's powers to confiscate the security deposit in pursuance of the provisions of condition 9 above.

(b) *Intimation or Notice of Cancellation, &c.—*

Intimation of any order of suspension or cancellation, under the said section 26, or the statutory notice or order under the said section 30 may be served personally on the grantee, or addressed under registered cover to the post office or postal address elected and signified under condition 9 (4), and duly posted, as the Government Agent thinks fit.

(2) *Regrant of Privilege between Cancellation and Resale.—*

In the event of the cancellation of a licence, the Government Agent shall have power to grant the privilege to any person approved by him for any period intervening between such cancellation and the resale of the privilege, and for this purpose may issue to such approved person a temporary licence upon such terms as he may think fit.

(3) *No Remission of Rent.—*

No remission of the rent payable in respect of the privilege will be granted on any plea of the grantee's having over-estimated the value of any tavern or on any other ground.

(4) *No Compensation for Losses.—*

The grantee shall not have or make any claim to any reduction, or to the remission of any sum due and owing by him to the Crown by reason of any loss alleged to have been sustained by him—

- (a) whether on account of any closing of the tavern or taverns during the passage of troops, or during the encampment of troops in the vicinity of the tavern or taverns, or during the holding of any poll; or
- (b) whether on account of the opening of any new toddy or foreign liquor tavern or estate canteen for arrack or toddy or foreign liquor, or any new foreign or country liquor premises of any other description and licensed after the sale of the privilege under these conditions; or
- (c) whether on account of the manufacture and drawing of fermented toddy on special licences issued by the Assistant Commissioner for *bona fide* domestic consumption on medical grounds, and not for sale; or
- (d) whether on account of the manufacture and drawing of fermented toddy within the area or areas of the privilege hereby granted for supply to licensed manufactories in which toddy is used in the process of manufacture; or
- (e) whether on account of the refusal of the Excise Commissioner to issue special arrack licences in terms of condition 23 above; or
- (f) through any other cause whatsoever.

28. *Termination of Privilege.—*

The privilege shall terminate on (a) the expiry of the term for which it is granted, (b) the death of the grantee, or (c) a breach of any of the conditions governing it.

10. *Failure to complete Purchase of Privilege.*—

If any tenderer or bidder, on being declared to be the purchaser of the privilege, declines or fails to sign these conditions of sale, or fails to furnish the security prescribed in condition 9 (1) (a) when called upon to do so, the deposit made under condition 4 will be declared forfeited, and the defaulter will render himself liable to have his name entered in the list of defaulters in respect of Excise licences. (2) *Regrant of Privilege between Cancellation and Resale.*—

In the event of the cancellation of the foreign liquor licence, the Government Agent shall have power to grant the privilege of the sale of foreign liquor to any person approved by him for any period intervening between such cancellation and the resale of the privilege for the sale of foreign liquor, and for this purpose he may issue to such approved person a temporary licence upon such terms as he may think fit.

The Excise Commissioner may in such case issue, if he thinks fit, the arrack licence referred to in condition 1 (1) (b) to such approved person if any such arrack licence had been issued to the holder of the foreign liquor tavern licence which is cancelled.

The grantee shall not have or make any claim to any reduction, or to the remission, of any sum due and owing by him to the Crown by reason of any loss alleged to have been sustained by him—

- (a) whether on account of any closing of the tavern or taverns during the passage of troops, or during the encampment of troops in the vicinity of the tavern or taverns, or during the holding of any poll; or
- (b) whether on account of the opening of any new arrack or toddy tavern, or estate canteen for arrack or toddy or foreign liquor, or premises licensed for the sale of country liquor or of foreign liquor under any class or kind of foreign liquor licence other than a foreign liquor tavern licence after the sale of the privilege under these conditions; or

- (g) through any other cause whatsoever.

8. Pursuant to notice, Mr. W. Dahanayake asked the following questions :—(1) (a) What is the present position with regard to the Waterworks survey of the town? (b) What is the water-level of the reservoir, and how does it compare with the water-level at about this time of the year in the past? (c) Is it true that about a week ago there was a leakage of thousands of gallons of water, due to incompetence or neglect? If so, will the Chairman please make a full statement on it? (2) Will the Chairman please consider the desirability of reserving space for the parking of cars somewhere about the Esplanade? (3) (a) Did Mr. M. D. C. Dewasurendra, a Government servant and the owner of several properties in Ward 7, ask that notices of assessments should be served on him rather than on the occupiers, to enable him to pay the rates regularly and expeditiously? (b) Did he also forward stamps for postage so that the Municipality may not lose a cent thereby? (c) Does not the Chairman think that, whatever may be the provisions of the Ordinance, it is best and to the Council's advantage that Mr. Dewasurendra's request should be granted? (4) (a) Did the Acting Municipal Engineer call for rates for works from various contractors? (b) Did he do so by word of mouth or through a public notice? (c) How is it that about six contractors, who have regularly done work for the Municipality, have been overlooked by the Acting Municipal Engineer? (d) Is the Chairman aware that the procedure adopted by this officer has not led to the lowest possible rates being quoted? (e) Will the Chairman please investigate into this entire question with a view to safeguarding the funds of the Council?

The Chairman replied as follows :—(1) (a) The papers on the subject are tabled for the information of the members. (b) At 6 A.M. on the 10th instant the water in the reservoir was 7 ft. 9½ in. below spill level. This is 4 ft. lower than the average water level at this time of the year for the last three years. (c) On February 25, the scour pipe was opened by the Hiyare Overseer at the request of Mr. E. M. Karunaratne, who had visited the reservoir on that day, and apparently owing to some defect in the valve the Overseer was unable to close it effectively with the result that there was a leak from the pipe of approximately 7,000 gallons a day. This leak was noticed by Mr. Nathanielsz and the Acting Municipal Engineer when they visited the reservoir on the 2nd instant and immediate steps were taken to remedy the defect. The leak was stopped at 9.15 A.M. on the 5th instant. The papers on the matter are tabled for the information of the members. (2) Yes. (3) (a) Yes. (b) Yes, but the stamps were returned to him. (c) As Mr. Dewasurendra has applied for them duplicate copies of the notices of assessment for 1938 will be forwarded to him. (4) (a) Yes, in terms of the resolution of Council of December 17, 1937, which was to the effect that "quotations for the various items in the schedule of rates for 1938 be called for from the present Departmental contractors of whom there are six". (b) In accordance with the above resolution the six regular Departmental contractors were written to by the Acting Municipal Engineer and requested to submit their quotations. (c), (d) and (e) do not arise.

9. Pursuant to notice, Mr. W. Dahanayake moved :—(1) That a deputation of this Council do wait on the Hon. the Minister for Health to urge on him the justice of the claim that a reasonable portion of the cost of Granaries in Galle should be defrayed by the Central Government. Mr. E. M. Karunaratne seconded. With the permission of Council the mover amended the motion by substituting the words "Minister for Local Administration" instead of the words "Minister for Health". Mr. Thomas Amarasuriya said he was in sympathy with the motion but he felt that a deputation would not serve any useful purpose. Mr. J. E. Perera suggested instead that a deputation should wait on the Member for Galle with a view to getting him to bring up a motion on the matter in the State Council. The Chairman said he agreed with the suggestion made by Mr. Perera. The mover replied. The motion, as amended, was then put to the meeting and declared lost; 3 voting for and 8 against. Mr. W. Dahanayake called for a division which resulted as follows :—*For*: Messrs. J. E. Perera; W. Dahanayake; and E. M. Karunaratne. *Against*: The Chairman, and Messrs. F. Magdon Ismail; Thomas Amarasuriya; A. C. Mohammado; A. I. H. A. Wahab; J. C. Cooper; G. Ross Bell; and Dr. A. T. Kuriyan. Mr. R. L. Ephraums declined to vote. (2) That a deputation of this Council do wait on the Hon. the Minister for Communications and Works to urge on him the very urgent necessity for widening the trunk road through Kaluwella and the Bazaar, or, in the alternative, duplicating it. Mr. Wahab seconded. Mr. Thomas Amarasuriya suggested the following amendment which the mover said he was unable to accept :—"That this Council invites the attention of the Hon. the Minister for Communications and Works to the very urgent necessity for widening the trunk road through Kaluwella and the Bazaar, or, in the alternative, duplicating it". Messrs. J. E. Perera, E. M. Karunaratne, and F. Magdon Ismail supported the motion. Mr. J. C. Cooper stated that a scheme different from that originally proposed was at present under consideration. The mover replied. The motion was then put to the meeting and carried unanimously. It was resolved that the deputation should consist of all the elected members of the Council. (3) That in terms of by-law 7 of chapter 2, the petition of three labourers of the Waterworks Department, praying for the re-consideration of the order of discontinuance served on them, be inquired into. Mr. Wahab seconded. With the permission of the Council the mover amended the motion to read as follows :—"That the petition of three labourers of the Waterworks Department, praying for the reconsideration of the order of discontinuance served on them, be inquired into by the Chairman". The motion, as amended, was then put to the meeting and carried.

10. To submit letter dated March 5, 1938, from the newly appointed Municipal Engineer, Mr. V. B. Sathe, regarding assumption of duties.—Submitted.

11. Leave to Public Health Nurse.—The Chairman informed the meeting that the Public Health Nurse, Mrs. Scharenguivel, has applied for 3 months' leave from April 1, and that the Director of Medical and Sanitary Services had stated that no relief nurse was available to take her place. Child Welfare work during this period would, therefore, have to be carried on as much as possible by the Council's Health Department in conjunction with the Child Welfare Association.

12. The following documents were laid on the table :—

- (1) Letter No. H. 159 of February 24, 1938, from the Secretary to the Minister for Local Administration regarding the establishment of an Anti-Tuberculosis Hospital and Sanatorium in the Southern Province.
- (2) The Annual Report of the Child Welfare Association for the year 1937.

- (4) Progress report of works done on estimates during February, 1938.
- (5) Report of the Inspector of Vehicles on carriages plying for hire during February, 1938.
- (6) Report of the Acting Superintendent of the Electricity Department for February, 1938.
- (7) Diaries of (a) the Medical Officer of Health, (b) the Acting Municipal Engineer, (c) the Inspector of Works, and (d) the Manager, Health Department.

NOTIFICATIONS UNDER "THE PATENTS ORDINANCE, 1906."

THE following Specification has been accepted:—

No. 2,968 of May 10, 1937.

David Esmond Gomme.

Improvements in and relating to storage bins for tea or other commodities.

Abstract.—The inventor states that the bins that are commonly used for storing tea and other commodities suffer from the disadvantage that small particles such as tea dust tend to accumulate in corners and have to be swept out from time to time by an attendant who enters the bin for the purpose.

The present invention is for a hygienic bin which overcomes the stated disadvantages. It is made in two parts and is held in a framework out of contact with the ground. The upper part is made with vertical walls and to this is fixed the lower part which is conical in shape with apex pointing downwards. A discharge outlet is formed by a recess in the inner wall of the cone of the shape of a half-cylinder the axis of which is a generator of the cone; the axis may, in certain cases, intersect a generator at an angle but preferably both should be in the same vertical plane. The recess may, for instance, be formed by welding a semi-cylindrical member along an elongated opening made in the side wall of the cone. Beyond the apex of the cone the discharge outlet is continued as a full cylinder whose mouth can be closed by a plate moving in a U-shaped slide-carrier. Provision is made for locking the slide both in the open and closed positions. The feeding aperture at the top of the bin is situated eccentrically.

The inventor states that a swirling motion is imparted to the tea on discharge and that there is no need for cleaning or sweeping, as the bin can be completely emptied in the ordinary way.

A battery of bins can be arranged if desired, on a common framework. The claims include the unitary structure forming the bottom part of the bin as a new article of manufacture.

There are twelve claims and one sheet of drawings.

Registrar of Patents.
